City Personnel Policy

INFECTIOUS DISEASE Policy

POLICY: 998

Council approval: 6/26/2023

Pages: 1

POLICY:

The health and safety of employees is our highest priority as we work to provide City services.

This policy is to protect employees and citizens. To establish a consistent approach to an infectious disease which is potentially impactful to the quality and timeliness of services.

The City will strive to follow all guidelines put in place by the Centers for Disease Control (CDC), Iowa Department of Public Health (IDPH), and the County Department of Public Health. The City reserves the right to amend or revise this policy at any time

The City will notify employees when the Mayor declares a health emergency and that the Infectious Disease Policy is in effect along with information and special safety protocols applicable to the infectious disease.

APPLICABILITY:

All employees.

Employees shall follow any necessary procedure for reporting that is communicated.
