Department: Community Development Case No.: May & June 2023 Lien List Submitted by: Code Compliance	Resolution No.: 23-	Council Action: 07/24/2023

Subject/Title

Resolution authorizing the City Clerk to certify assessments against properties to the Pottawattamie County Treasurer for unreimbursed costs incurred by the city for the abatement of weeds and the removal of solid waste nuisances upon properties and directing them to be collected in the same manner as a property tax.

Background/Discussion

In the months of May & June 2023, contractors abated weeds and solid waste at twenty-two private properties in Council Bluffs on behalf of the Planning & Code Compliance Division. Zero property owners reimbursed the city for its costs. The court order for one property expired in June 2023 and can be liened at this time. The property owners with unpaid accounts will have assessments against their properties for the unreimbursed costs plus an additional $50 assessment fee.

Recommendation

The Community Development Department recommends approval of the resolution.
