ARTICLE III. CONSTRUCTION

Section 3.1. Construction of Minimum Improvements. The Developer agrees that the Minimum Improvements will be constructed on the Development Property in conformance with the Construction Plans submitted to, and approved by, the City. The Developer agrees that the scope and scale of the Minimum Improvements to be constructed shall not be significantly less than the scope and scale thereof as detailed and outlined in the Construction Plans, as so approved, the construction of which is anticipated to require a total investment of not less than $2,500,000.

Section 3.2. Construction Plans. Developer shall cause Construction Plans to be developed for the Minimum Improvements, which shall be subject to approval by the City as provided in this Section 3.2, and which approval shall not be unreasonably withheld, conditioned, or delayed. The Construction Plans shall be in conformity with the Urban Renewal Plan, this Agreement, and all applicable federal, State, and local laws and regulations. The City shall approve the Construction Plans in writing if they: (a) conform to the terms and condition of this Agreement; (b) conform to the terms and conditions of the West Broadway Urban Renewal Plan; (c) conform to all applicable federal, State, and local laws, ordinances, rules, and regulations; (d) shall be adequate for the purposes of this Agreement to provide for the construction of the Minimum Improvements; and (e) no Event of Default under the terms of this

Agreement has occurred and is continuing beyond applicable notice and cure periods; provided, however, that any such approval of the Construction Plans pursuant to this Section 3.2 shall constitute approval for the purposes of this Agreement only and shall not be deemed to constitute approval or waiver by the City with respect to any building, fire, zoning or other ordinances or regulations and shall not be deemed to be sufficient plans to serve as the basis for the issuance of a building permit if the Construction Plans are not as detailed or complete as the plans otherwise required for the issuance of a building permit. The site plans submitted to the building official of the City for the Development Property and the surrounding areas where the Minimum Improvements are to be constructed shall be adequate to serve as the Construction Plans for the Minimum Improvements, if such site plans are approved by the building official.

Approval of the Construction Plans by City shall not relieve the Developer of any obligation to comply with the remaining terms and provisions of this Agreement, or the provisions of applicable federal, State, and local laws, ordinances, and regulations, nor shall approval of the Construction Plans by the City be deemed to constitute a waiver of any Event of Default. Approval of Construction Plans hereunder is solely for purposes of this Agreement and shall not constitute approval for any other City purpose or subject the City to any liability for the Minimum Improvements as constructed.

Section 3.3. Commencement and Completion of Construction. Subject to Unavoidable Delays, Developer shall cause construction of the Minimum Improvements to be undertaken and completed: (i) by no later than December 31, 2024; or (ii) by such other date as the parties shall mutually agree upon in writing. All work with respect to the Minimum Improvements shall be in conformity with the Construction Plans approved by the building official or any amendments thereto as may be approved by the building official.

Developer agrees that it shall permit designated representatives of the City, upon reasonable notice (which does not have to be written), to enter upon the Development Property during the construction of the Minimum Improvements to inspect such construction and the progress thereof, subject to Developer's rules and regulations for the construction site.

Section 3.4. Certificate of Completion. Within fifteen (15) business days after written request by Developer, following issuance of the certificate of occupancy for the Minimum Improvements, the City shall furnish Developer with a Certificate of Completion in recordable form, in substantially the form set forth in Exhibit C attached hereto. Such Certificate of Completion shall be a conclusive determination of satisfactory termination of the covenants and conditions of this Agreement with respect to the obligations of Developer to cause construction of the Minimum Improvements.

The Certificate of Completion may be recorded in the proper office for the recordation of deeds and other instruments pertaining to the Development Property at Developer's sole expense. If the City shall refuse or fail to provide a Certificate of Completion in accordance with the provisions of this Section 3.4, the City shall, within such fifteen (15) business day period, instead provide a written statement indicating in what respects Developer has failed to complete

the Minimum Improvements in accordance with the provisions of this Agreement, or is otherwise in default under the terms of this Agreement, and what measures or acts it will be necessary, in the opinion of the City, for Developer to take or perform in order to obtain such Certificate of Completion.

ARTICLE IV. PROPERTY TAXES

Section 4.1. Real Property Taxes. Developer, or its successors shall pay or cause to be paid, when due, all real property taxes and assessments payable with respect to all and any parts of the Development Property and Minimum Improvements. Developer and its permitted successors and assigns agree that prior to the Termination Date:

a. They will not seek administrative review or judicial review of the applicability or constitutionality of any tax statute relating to the taxation of real property contained on the Development Property determined by any tax official to be applicable to the Development Property or Minimum Improvements, or raise the inapplicability or constitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings; and

b. They will not seek any tax exemption, deferral, or abatement either presently or prospectively authorized under any State, federal, or local law with respect to taxation of real property contained on the Development Property between the date of execution of this Agreement and the Termination Date.

ARTICLE V. INSURANCE

Section 5.1. Insurance Requirements.

a. Developer will provide and maintain or cause to be maintained at all times during the process of constructing the Minimum Improvements (and, from time to time at the request of the City, furnish the City with proof of payment of premiums on):

i. Builder's risk insurance, written on the so-called "Builder's Risk – Completed Value Basis," in an amount equal to one hundred percent (100%) of the insurable value of the Minimum Improvements at the date of completion, and with coverage available in non-reporting form on the so-called "all risk" form of policy.

ii. Comprehensive general liability insurance (including operations, contingent liability, operations of subcontractors, completed operations, and contractual liability insurance) with limits against bodily injury and property damage of at least $1,000,000 for each occurrence. The City shall be named as an additional insured for the City's liability or loss arising out of or in any way associated with the project and arising out of any act, error, or

omission of Developer, its directors, officers, shareholders, contractors, and subcontractors or anyone else for whose acts the City may be held responsible (with coverage to the City at least as broad as that which is provided to Developer and not lessened or avoided by endorsement). The policy shall contain a "severability of interests" clause and provide primary insurance over any other insurance maintained by the City.

iii. Workers' compensation insurance with at least statutory coverage.

b. Upon completion of construction of the Minimum Improvements and at all times prior to the Termination Date, Developer shall maintain or cause to be maintained, at its cost and expense (and from time to time at the request of the City shall furnish proof of the payment of premiums on), insurance as follows:

i. Insurance against loss and/or damage to the Minimum Improvements under a policy or policies covering such risks as are ordinarily insured against by similar businesses, including (without limiting the generality of the foregoing) fire, extended coverage, vandalism, and malicious mischief, explosion, water damage, demolition cost, debris removal, and collapse in an amount not less than the full insurable replacement value of the Minimum Improvements, but any such policy may have a deductible amount of not more than $50,000 or self-insurance up to not more than $1,000,000. No policy of insurance shall be so written that the proceeds thereof will produce less than the minimum coverage required by the preceding sentence, by reason of co-insurance provisions or otherwise, without the prior consent thereto in writing by the City. The term "full insurable replacement value" shall mean the actual replacement cost of the Minimum Improvements (excluding foundation and excavation costs and costs of underground flues, pipes, drains, and other uninsurable items) and equipment, and shall be determined from time to time at the request of the City, but not more frequently than once every three years, by an insurance consultant or insurer selected and paid for by Developer and approved by the City.

ii. Comprehensive general public liability insurance, including personal injury liability for injuries to persons and/or property, including any injuries resulting from the operation of automobiles or other motorized vehicles on or about the Development Property, in the minimum amount for each occurrence and for each year of $1,000,000.

iii. Such other insurance, including workers' compensation insurance respecting all employees of Developer, in such amount as is customarily carried by like organizations engaged in like activities of comparable size and liability exposure; provided that Developer may be self-insured with respect to all or any part of its liability for workers' compensation.

c. All insurance required by this Article V to be provided prior to the Termination Date shall be taken out and maintained in responsible insurance companies selected by Developer, which are authorized under the laws of the State to assume the risks covered thereby. Developer will deposit annually with the City copies of policies evidencing all such insurance, or a certificate or certificates or binders of the respective insurers stating that such insurance is in force and effect. Unless otherwise provided in this Article V, each policy shall contain a

provision that the insurer shall not cancel or modify it without giving written notice to Developer and the City at least thirty (30) days before the cancellation or modification becomes effective. Not less than fifteen (15) days prior to the expiration of any policy, Developer shall furnish the City evidence satisfactory to the City that the policy has been renewed or replaced by another policy conforming to the provisions of this Article V, or that there is no necessity therefor under the terms hereof. In lieu of separate policies, Developer may maintain a single policy, or blanket or umbrella policies, or a combination thereof, which provide the total coverage required herein, in which event Developer shall deposit with the City a certificate or certificates of the respective insurers as to the amount of coverage in force upon the Minimum Improvements.

d. Developer agrees to notify the City immediately in the case of damage exceeding $25,000 in amount to, or destruction of, the Minimum Improvements or any portion thereof resulting from fire or other casualty. Net Proceeds of any such insurance shall be paid directly to Developer, and Developer will forthwith repair, reconstruct, and restore the Minimum Improvements to substantially the same or an improved condition or value as they existed prior to the event causing such damage and, to the extent necessary to accomplish such repair, reconstruction, and restoration, Developer will apply the Net Proceeds of any insurance relating to such damage received by Developer to the payment or reimbursement of the costs thereof.

e. Developer shall complete the repair, reconstruction, and restoration of the Minimum Improvements, whether or not the Net Proceeds of insurance received by Developer for such purposes are sufficient.

ARTICLE VI. COVENANTS OF THE DEVELOPER

Section 6.6. Developer Completion Guarantee. By signing this Agreement, Developer hereby guarantees to the City performance by Developer of all the terms and provisions of this Agreement pertaining to Developer's obligations with respect to the construction of the Minimum Improvements. Without limiting the generality of the foregoing, Developer guarantees that: (a) construction of the Minimum Improvements shall be completed generally within the time limits set forth herein; (b) the Minimum Improvements shall be constructed and completed in substantial accordance with the Construction Plans; (c) the Minimum Improvements shall be constructed and completed free and clear of any mechanic's liens, materialman's liens and equitable liens; and (d) all costs of constructing the Minimum Improvements shall be paid when due.

Section 7.2. Prohibition Against Use as Non-Taxable or Centrally Assessed Property. During the term of this Agreement, the Developer, or its successors, or assigns agree that the Development Property cannot be transferred or sold to a non-profit entity or used for a purpose that would exempt the Development Property from property tax liability. Nor can the Development Property be used as centrally assessed property (including but not limited to, Iowa Code § 428.24 to 428.29 (Public Utility Plants and Related Personal Property); Chapter 433 (Telegraph and Telephone Company Property); Chapter 434 (Railway Property); Chapter 437 (Electric Transmission Lines); Chapter 437A (Property Used in the Production, Generation, Transmission or Delivery of Electricity or Natural Gas); and Chapter 438 (Pipeline Property)).

Section 8.3. Source of Funding. The Blight Remediation Grant shall be payable solely and only from the proceeds of the City Advance. Through the approval of this Agreement, the parties acknowledge that the City Advance constitutes debt from an urban renewal project which the City is authorized to certify to the County under Iowa Code Section 403.19 for purposes of obtaining reimbursement from the division of revenue within the Urban Renewal Area as authorized by Section 403.19 and the Urban Renewal Plan.

Upon receipt of any such legal opinion or non-appropriation, the City shall promptly forward notice of the same

to Developer, and the City may terminate this Agreement, without penalty or other liability to the City, by written notice to Developer.

Section 8.5. Repayment of Blight Remediation Grant. In accordance with Section 10.2(d), the City may demand repayment of the full amount of the Blight Remediation Grant following the occurrence of an Event of Default, in addition to the other remedies available to the City.

Section 9.1. Release and Indemnification Covenants.

a. Developer releases the Indemnified Parties from, covenants, and agrees that the Indemnified Parties shall not be liable for, and agrees to indemnify, defend, and hold harmless the Indemnified Parties against, any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the Minimum Improvements or Development Property.

b. Except for any willful misrepresentation or any willful or wanton misconduct or any unlawful act of the Indemnified Parties, Developer agrees to protect and defend the Indemnified Parties, now or forever, and further agrees to hold the Indemnified Parties harmless, from any claim, demand, suit, action, or other proceedings whatsoever by any person or entity whatsoever arising or purportedly arising from: (i) any violation of any agreement or condition of this Agreement (except with respect to any suit, action, demand, or other proceeding brought by Developer against the City to enforce its rights under this Agreement); (ii) the acquisition and condition of the Development Property and the construction, installation, ownership, and operation of the Minimum Improvements; or (iii) any hazardous substance or environmental contamination located in or on the Development Property.

c. The Indemnified Parties shall not be liable for any damage or injury to the persons or property of Developer or its officers, agents, servants, or employees or any other person who may be about the Minimum Improvements or Development Property due to any act of negligence of any person, other than any act of negligence on the part of any such Indemnified Party or its officers, agents, servants, or employees.

d. All covenants, stipulations, promises, agreements, and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements, and obligations of the City, and not of any governing body member, officer, agent, servant or employee of the City in the individual capacity thereof.

e. The provisions of this Article IX shall survive the termination of this Agreement.

Agreement, any one or more of the following events during the term of this Agreement:

a. Failure by Developer to cause the construction of the Minimum Improvements to be completed to be commenced and continued pursuant to the terms and conditions of this Agreement;

Section 10.2. Remedies on Default. Whenever any Event of Default referred to in Section 10.1 of this Agreement occurs and is continuing, the City may take any one or more of the following actions after giving thirty (30) days' written notice (except in the case of an Event of Default under Sections 10.1(e), (f), or (g) for which no notice and cure period applies) to Developer and the holder of the First Mortgage (but only to the extent the City has been informed in writing of the existence of a First Mortgage and been provided with the address of the holder thereof) of the Event of Default, but only if the Event of Default has not been cured to the satisfaction of the City within said thirty (30) days, or if the Event of Default cannot reasonably be cured within thirty (30) days and Developer does not provide assurances reasonably satisfactory to the City that the Event of Default will be cured as soon as reasonably possible:

The City may take any action, including any legal action it deems necessary, to recover such amount from Developer.

Section 10.3. No Remedy Exclusive.
