RESOLUTION NO. 24-232

RESOLUTION ABOLISHING ONE SR. ACCOUNTING MANAGER POSITION AND CREATING AN ADDITIONAL POSITION OF ACCOUNTING MANAGER WITHIN THE FINANCE DEPARTMENT

WHEREAS, Finance performs required processes for major City functions such as accounts receivable, accounts payable, annual financial reporting, maintains accounting standards, audit and budgeting regulations and best practices set forth by GASB, GAAFR, and GAAP; and

WHEREAS, the Sr. Accounting Manager performs high level financial statement review, implements accounting standards, supports the accounts payable team to ensure proper reporting and control processes are in compliance. However, due to the complexities and nature of City finances, the department has restructured the department to split up some of the duties and would benefit from a support manager to implement process improvement, review of best practices and implementation of transactional duties assigned to the team; and

WHEREAS, the Accounting Manager will help implement reporting procedures outlined by the Internal Financial Auditor and Analyst that align the department and upper management with tools needed to make short-term and long-term decisions in the best interest of the city and community; and

WHEREAS, the duties of the Accounting Manager will allow for focused departmental support of transactional functions of the department, assistance with financial planning and reporting as well as review detailed financials throughout the year.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That one (1) position of Sr. Accounting Manager is abolished effective immediately.

AND BE IT FURTHER RESOLVED

That one (1) additional position of Accounting Manager is created within the Finance Department, effective immediately.
