Council Communication

Department: Community Development Case/Project No.: URN-24-004	Ordinance No.: Resolution No.: 24-	City Council: 10-07-2024 P.H. and First Reading: 11-04-2024

Subject/Title

Resolution of Necessity – Amendment to the West Broadway Urban Renewal Plan

Location

Generally bounded by Indian Creek/South 13th Street on the east, Interstate 480 on the west, Avenue A on the north and 1st Avenue on the south

Background/Discussion

Background

In December of 1987, City Council adopted the West Broadway Urban Renewal Plan. This plan was intended to assist with the acquisition of land, removal of blighted, incompatible or undesirable land uses, improvement of public infrastructure and facilities and private development or redevelopment projects. Since then the City of Council Bluffs has been involved in a series of projects and programs designed to achieve the above objectives and overcome blight and obsolescence within the West Broadway corridor. During this time, the Urban Renewal Plan has been amended numerous times to reflect the addition and completion of projects, the incorporation of the West Broadway Corridor Redevelopment Plan – Revision 1 and landscaping and design standards.

The urban renewal plan is again in need of amending to update proposed urban renewal projects to be undertaken within the Urban Renewal Area.

Discussion

The first step in amending the Bluffs Center I Urban Renewal Project Area is the adoption of a resolution of necessity. This resolution will cause several actions. These actions include directing staff to amend the urban renewal plan, establishing a date for consultation with other taxing jurisdictions, setting a date for City Council public hearing and other appropriate legal notices. A resolution, which calls for these activities, has been prepared and is attached for your review and consideration. This resolution establishes the following timeframe:

10-16-2024 Consultation meeting to be held with other taxing jurisdictions
11-04-2024 City Council public hearing on the proposed urban renewal plan

The West Broadway Urban Renewal Area is designated as a blighted area. This amendment makes no change to the designation of the Urban Renewal Area. Designation is necessary to assist and promote local commercial enterprises to strengthen and revitalize the economy. Tax Increment Financing (TIF) will be utilized for the City to provide assistance through the Housing Development Grant to reimburse the City for the Housing Development Grant funds.

Staff Recommendation

The Community Development Department recommends adopting the resolution of necessity directing staff to amend the Plan, set the dates for a consultation meeting and public hearing on the 2024 Amendment to the West Broadway Urban Renewal Plan and Area is in conformity with the *Bluffs Tomorrow: 2030 Comprehensive Plan*.
