ITEM 3.C.

Council Action: 5/6/2019

Description

Resolution setting a Public Hearing for May 20, 2019 at 7:00 p.m. for the SCADA Upgrade, Phase 1 (WPCP). Project #PW17-23

Background/Discussion

The City's Water Pollution Control Plant (WPCP) uses a Supervisory Control and Data Acquisition (SCADA) system to monitor operations at the plant and pump stations. The existing system is antiquated and maintenance is difficult because of the obsolete hardware and unsupported software. The scope of this initial phase is to upgrade the facilities at the WPCP so that data can be reliably gathered, communicated, and monitored within the plant.

An onsite assessment was completed by the consultant and identified two efforts: Immediate needs within the plant; and SCADA procurement and implementation. Immediate needs have been addressed within the WPCP operation budget. The project scope includes new hardware, software and communication equipment at the WPCP.

After a successful deployment, the intent is to expand the system to integrate communications with the existing sanitary sewer pump stations located throughout the collection system. Until the second project is accomplished, the new SCADA will need to work with the old system until the second phase of implementation can be accomplished.

This project was included in the FY17 CIP and is funded with Sales Tax Funds. The project has a revised budget of \$550,000.

The project schedule is as follows:	Hold Public Hearing	May 20, 2019
	Bid Letting	July 9, 2019
	Award	July 22, 2019
	Construction Start	August 2019

On 3/13/19 at 5:20 am my husband was driving on
Highway Avenue under the speed limit and hit
a large pot hole before Timbercrest. When he hit it,
it blew out the passenger side. Next time
he pulled over and changed it, using the spare
tire. In the meantime another driver hit the
same pot hole and it broke the tire completely
off the car.

My husband went to CFC and replaced the
tire (invoice included).

Our car started making a horrible noise so we took
it to Edwards on 3/21/19. They had to make several
repairs (invoice included). While making those
repairs they found additional damage (invoice
included) which we had done on 4-12-19.

The total for all the damages is \$2404.53. Our
mechanic advised us that the damages on the
drivers side and obviously the passenger side
was all due to the pot hole.

There are pictures included showing the pot hole
(filled with water) and the pot hole partially
repaired. I reported the pot hole on 3/13/19.
The pot hole still has cones around it and
is still only partially repaired.

Resolution 19-111
ITEM 5.B.

Council Action: 5/6/2019

Description

Resolution authorizing the Mayor and City Clerk to execute an easement in connection with the installation of electric facilities by BNSF Railway Company.

Background/Discussion

BNSF Railway Company has installed an underground electric service line to provide power to their railroad switch facilities.

A property previously owned by CBEC Railway and part of a railroad right-of-way was given to the City as a condition of the CBIS Railroad Consolidation Agreement. The subject parcel is adjacent to the BNSF right-of-way and located between the rail facilities and the electric facilities owned by MidAmerican Energy. The easement has been prepared based on the actual as-built location of the underground power conduits.

The perpetual, non-exclusive electric easement allows BNSF Railway Company to construct, place, operate, maintain, alter, renew, improve and remove electrical lines above, below, and on the surface of the premises.

The easement is located in a strip of land 20 feet in width being a portion of the Southwest Quarter of the Northeast Quarter, Section 07, Township 74 North, Range 43 West of the 5th Principal Meridian, City of Council Bluffs, Pottawattamie County, Iowa.

The easement area is 1,610 Square Feet (0.037 Acres). An exhibit is attached detailing the location and legal description of the easement.

Iowa DOT has agreed to compensate the City in the amount of \$2,000 in exchange for granting the easement to BNSF.

Ordinance 6384
ITEM 6.A.

Council Action: 5/6/2019

Description

Ordinance to amend Title 9 Traffic, Chapter 9.88 Speed Regulations of the 2015 Municipal Code of Council Bluffs, Iowa, by amending Section 9.88.080 Schedule of posted streets.

Background/Discussion

Changes proposed to Title 9 will update street names and speed limits of posted streets as recommended by the city's traffic division.

The change to Eastern Hills Drive reflects the roadway being completed to Highway 6.

Changes to Franklin Avenue and Greenview Road are due to the city annexation of the Whispering Oaks subdivision.

Changes to Lincoln Avenue to replace Park Lane with Gleason Avenue (Park Lane is no longer an existing street).

A segment was added for Lincoln Avenue from Franklin Avenue to Gleason Avenue at 25 mph. This segment was mistakenly listed as part of Franklin Avenue from Lincoln Avenue to Bennett Avenue.

Changes to McPherson Avenue combine two segments of the same street that have the same speed limit.

Recommendation

Approval of the ordinance changes.

ITEM 7.C.

Council Action: 5/6/2019

Description

Resolution to set the non-union wage increase for FY20.

Background/Discussion

The City has budgeted for a 2.5% non-union wage increase. The four unions' increases for FY20 are:

Police: 2.5%

Fire: 2.5%

CWA: 1.5%

AFSCME: 2.3%

The City is proposing a non-union wage increase of 2.5% for the Police Supervisory pay scale, which is consistent with the Police union employees; a wage increase of 2.5% for the Fire Supervisory pay scale, which is consistent with the Fire union employees; and a wage increase of 2.3% for the other non-union pay scale, which is consistent with the most recent union wage increase, AFSCME. The CWA increase is lower because the union negotiated a lower increase to obtain a multi-year contract.

Resolution 19-115
ITEM 7.D.

Council Action: 5/6/2019

Description

Resolution waiving the City of Council Bluffs review of Parcel number 7443 17 176 006 otherwise identified as 13667 192nd Street. And authorizing an agreement for the future voluntary annexation.

Background/Discussion

Resolution waiving the City of Council Bluffs' review of property located at 13667 192nd St. and deferring to Pottawattamie County for the appropriateness of said potential subdivision with County ordinances to be utilized. An annexation agreement to be prepared with the following stipulations;

1. The Owner shall submit to the City a petition for voluntary annexation to take place no sooner than January 1, 2024. The subdivision plat shall reflect that all parcels generated by any future subdivision of the Subject Parcel shall be subject to the petition for voluntary annexation. Owner shall also be obligated at the time of transfer of any such parcel to include in the transfer documents the requirement of all subsequent Owners to commit to said voluntary annexation under the same terms and conditions set out in this agreement.
2. Owner also agree that, if and when the City extends sanitary sewer lines to service within 200 feet of said property, it shall connect to same within a reasonable amount of time. Owner further agrees to so bind any subsequent purchaser of any parcels generated by the subdivision of the Subject Parcel.

Armstrong Investments LLC purchased a property at 13667 192nd Street on 09/12/2017. This is a 30.06 acre tract located outside of the city limits - however, is located within the 2 mile area in which the city of Council Bluffs had a jurisdictional agreement with Pottawattamie County. It is questionable if this agreement is applicable to this parcel at this time.

Mr. Armstrong met with Rose Brown after purchasing the property and was directed to Matt Wyant - Director of the Pottawattamie County Planning Department.

Mr. Armstrong worked with the County and a rise grant application was prepared in order to assist the county and developer in paving 192nd Street, this application was submitted to the Council Bluffs City Council on 11/26/2018. Due to State requirements for the High Quality Jobs incentive this application had to be re-written and was placed on the Council Bluffs City Council Agenda on 12/17/2018 however, no action was taken by Council at request of applicant.

Mr. Armstrong requested a meeting with me (Council Member White) to discuss this issue. We met, along with Paula Hazelwood, Executive Director for Advance Southwest Iowa, on March 21st. Mr. Armstrong relayed to me that he has been trying to get this industrial subdivision off of the ground for over 2 years and would like to move forward.

I met with Brandon Garret, Matt Cox, Matt Wyant and Paula Hazelwood on 04/23/19. Both Brandon and Matt Cox agree that, barring a future large user wanting to locate in this area, there are no plans to extend water or sewer to this property in the foreseeable future. The location of this property is not favorable for development due to elevation, flooding, etc.

Based on the above conversations, along with Mr. Armstrong's willingness to future voluntary annexation, the improbability of water and sewer being extended to the site in the foreseeable future and the prohibitive costs of improving 192nd street to city standards, I believe that waiving city review under the two mile agreement would be appropriate and reasonable. By waiving this requirement Mr. Armstrong would be able to proceed with his development which is estimated at 7-10 million dollars in capital improvements.

Background/Discussion

Big Al's

01-12-19—At 5:21 pm, Officers were dispatched to the parking lot of Big Al's for shots being fired. Officers responded, locating a man and woman, who had been involved in a disturbance in the parking lot. Investigation showed that the female was upset, because she had observed the man hugging another woman inside the bar. The female then went to their residence nearby and retrieved a revolver. She then went back to Big Al's and fired five rounds in the air, while in the bar's parking lot. When the man confronted her, she pointed the gun at him, however, he was able to get the revolver from her. The female was arrested for Intimidation with a dangerous weapon, going armed with intent, aggravated domestic assault and discharging a firearm in the city limits.

01-31-19—At 11:26 pm, Officers were dispatched for man and woman involved in a verbal disturbance outside the bar. The Officers arrived and handled the situation. No reports or arrests were made.

O Face Bar

06-15-19—At 1:45 am, Officers were sent to the O Face Bar for a disturbance inside the bar. It was reported by someone who had left the bar as a result of the disturbance. The disturbance was over when officers arrived. No action was taken.

09-09-18—At 1:42 am, Officers were dispatched to the O Face Bar for a disturbance. A female stated she was outside smoking, when she flicked her cigarette on the ground. A male then grabbed her by the neck and threw her to the ground, thinking she had flicked it at him. The male suspect left prior to the arrival of the police and was not able to be identified.

Rodeo Saloon and BBQ

08-05-18—At 1:40 am, the bouncer from the Rodeo Saloon called 911 to report a large disturbance in front of the bar. Officers arrived and dispersed the crowd. No arrests made.

08-26-18—At 1:46 am, Officers were dispatched to the front of the Rodeo Bar for a large disturbance outside. Officers arrived and dispersed the crowd. No arrests were made.

10-21-18—At 1:00 am, Officers were dispatched to the Rodeo Bar for a disturbance near the front door of the bar. Officers responded and ultimately arrested the man for public intoxication and resisting arrest.

10-29-18—At 1:16 am, Officers were dispatched to the Rodeo Bar for physical disturbance involving four men. The men were gone when the officers arrived.

03-24-19—At 12:25 am, Officers were dispatched to the Rodeo Bar to assist the Fire Department with an unconscious man in the bar. They learned the man had ordered 80 shots of Fireball Whiskey and drank around 15-20 of them himself. While investigating this incident, Officers noticed a female who was also passed out in the back of the bar. The bartender was cited for "serving to an intoxicated person" and a bar report was completed and forwarded to the state.

American Legion, Casey's Store #3201, Boxer BBQ, Courtyard by Marriott, Family Fare, Hy-Vee Store #1, Spillway Bar and Grill, Streetside Lounge and Tobacco Hut #14 had no alcohol related incidents or calls for service this reporting period.
