#### Description

Resolution accepting the work of Bluffs Paving and Utility Co. Inc. as complete and authorizing release of retainage after 30 days if no claims are filed in connection with the S. 6th Street Reconstruction. Project #PW18-08

#### Background/Discussion

Pottawattamie Arts, Culture & Entertainment (PACE) is a 501(c)3 organization with a mission to strengthen, develop and promote arts, cultural, and historical institutions, organizations, and activities in Council Bluffs and Pottawattamie County. PACE has constructed a new arts and cultural center in the Harvester II building, located west of the Harvester I building on South Main Street. The property for the new center is also bordered by S. 6th Street.

The City previously reconstructed S. 6th Street between 9th and 10th Avenues in 2012 in coordination with the new Community Health Center.

Improvements were needed to replace the remaining sanitary sewer which dated back to the 1950's and to improve the street that also had railroad tracks located along 11th Avenue that had been removed. This project continued the needed reconstruction of 6th Street, south of 10th Avenue in coordination with the Harvester II/PACE project construction.

This project was included in the FY18 CIP with a revised budget of \$750,000 using \$450,000 in GO Bond funding and the balance in Sales Tax Funds.

#### Subject/Title

Amendment to the South Pointe Urban Revitalization Plan

#### **Background/Discussion**

#### Background

On November 26, 2018, City Council adopted Resolution No. 18-325 approving the South Pointe Urban Revitalization Plan. Subsequent to this action, Ordinance No. 6375 was adopted on December 27, 2018, which established the Urban Revitalization Area.

The Community Development Department wishes to amend the Urban Revitalization Area by adding an additional parcel with redevelopment potential. Staff has prepared amendments to the Plan in accordance with Section 404.2 of the Iowa Code and is now scheduling the matter for City Council consideration. The amendment consists of adding approximately 5 acres west of the existing Area on the northerly side.

#### Discussion

The original Plan and Area was established under economic development. Staff believes an economic development finding is appropriate for the property to be added, which is currently the location of Rogers Auto.

Staff has prepared a resolution of intent to amend the urban revitalization area. The resolution directs staff to provide 30 day notice to property owners and set July 8, 2020 as a public hearing date. Concurrent with the adoption of an urban revitalization plan, an ordinance expending the urban revitalization area can be considered. The anticipated schedule for review is as follows:

6/9/2020	City Planning Commission hearing
6/22/2020	City Council public hearing, resolution approving amended plan and 1st consideration of ordinance
7/13/2020	City Council 2 <sup>nd</sup> consideration of ordinance
7/27/2020	City Council 3 <sup>rd</sup> consideration of ordinance (if necessary)

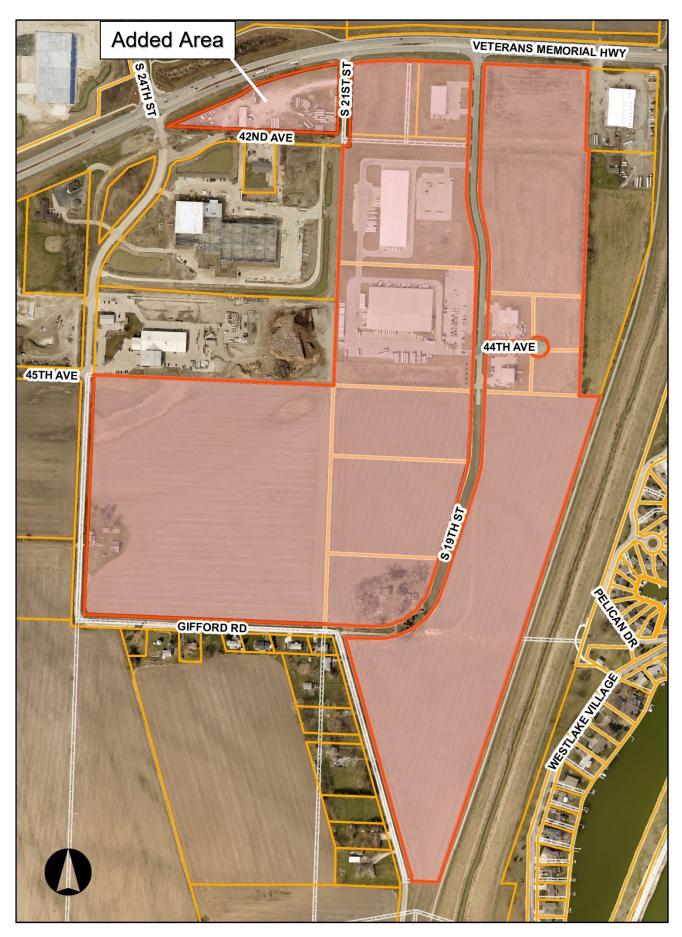

#### Recommendation

The Community Development Department recommends City Council adopt a resolution of necessity and intent to amend the South Pointe Urban Revitalization Area.

#### INTRODUCTION

On November 22, 2004, the Council Bluffs City Council adopted Ordinance No. 5823, which established the South 19th Urban Revitalization Area. This revitalization area consisted of eight parcels of land that were located west of Indian Creek, south of Veterans Memorial Highway (US 275/92) and east of Gifford Road and totaled 80.09 acres in size. The plan was valid was 10 years from the date of City Council adoption and helped attract new economic development projects in the South Pointe Industrial Park and along Gifford Road. In 2018, the Industrial Foundation expressed the need for additional assistance to attract new businesses to the industrial park and the South Pointe Urban Revitalization Plan was adopted (Ordinance 6375).

The proposed amendment will add an additional parcel to the existing South Pointe Urban Revitalization Plan to attract new development directly adjacent to Veterans Memorial Highway.

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate the development of new commercial and industrial land uses. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the lowa Code prior to the provision of property tax abatement.

Section 404.1 of the lowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

- 1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conductive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards

the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.

- 3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
- 4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the Iowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."
- 5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

In December 2018, the City of Council Bluffs adopted the South Pointe Urban Revitalization Plan and established the South Pointe Urban Revitalization Area under the criteria of element 4. The City now desires to amend the Plan and Area to include additional commercial property (herein referred to as the "Amended Plan" and "Amended Area."

#### PROPERTY OWNERS AND ASSESSED VALUES

The Amended South Pointe Urban Revitalization Area contains 14 parcels of land that total 142.00 acres in size. The total valuation (\$) for all land, dwellings, and buildings in this urban revitalization area are as follows:

Land Valuation: \$5,498,100.00

Dwelling Valuation: \$0

Building Valuation: \$9,560,200.00 Total Valuation: \$15,058,300.00

A listing of the original parcels, ownership, land/dwelling/building valuation, and acreage information is outlined in the attachment titled *Attachment A – South Pointe Urban Revitalization Area Plan – Property Owners List*. The Added Area's parcel, ownership, land/dwelling/building valuation, and acreage information is outlined in the attachment titled *Attachment B – Amended South Pointe Urban Revitalization Area Plan – Added Property Owners List*. The information stated in these attachments was obtained from records in the Pottawattamie County Assessor's Office.

On November 22, 2004, the Council Bluffs City Council adopted Ordinance No. 5823, which established the South 19<sup>th</sup> Urban Revitalization Area. This revitalization area consisted of eight parcels of land that were located west of Indian Creek, south of Veterans Memorial Highway (US 275/92) and east of Gifford Road and totaled 80.09 acres in size. The plan was valid was 10 years from the date of City Council adoption and helped attract new economic development projects in the South Pointe Industrial Park and along Gifford Road. The Amended South Pointe Urban Revitalization Area will include land that was located in the former South 19<sup>th</sup> Street Urban Revitalization Area.

#### **EXISTING ZONING AND PROPOSED LAND USE**

The Amended South Pointe Urban Revitalization Area is currently zoned I-2/General Industrial District and is partially located within a designated Recreational-Tourism Overlay (RO) (see Illustrations 3 and 4). The I-2/General Industrial District is intended to provide for the development of general manufacturing and industrial areas. This district is designed to accommodate industrial uses with moderate external effects. The Recreation-Tourism Overlay (RO) is intended to maintain and enhance the aesthetic quality of areas around the National Historic Trails Center and land based and riverboat gaming facilities. This Overlay is intended to mitigate and negative impact associated with these facilities.

Surrounding zoning in the general vicinity of the Amended South Pointe Urban Revitalization area includes: I-2/General Industrial District and I-1/Light Industrial District to the north; I-2/General Industrial District, A-2/Parks, Estates, and Agricultural District, C-2/Commercial District, R-1/Single Family Residential District, and R-3/Low Density Multi-Family Residential District to the east; A-2/Parks, Estates, and Agricultural District

to the south; along with I-2/General Industrial District and A-2/Parks, Estates, and Agricultural District to the west.

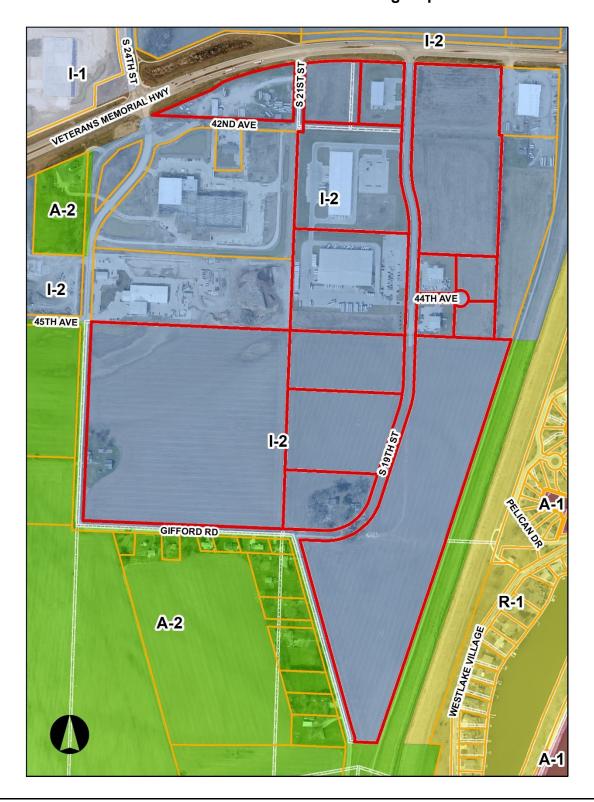

The Amended South Pointe Urban Revitalization Area contains a mixture of industrial, undeveloped, and agricultural land uses. Existing businesses within this urban revitalization area include the following:

- 1. Matheson Tri-Gas 4106 South 19<sup>th</sup> Street (PIN #744411377004)
- 2. Fremont Contract Carriers (FCC) 4303 South 19th Street (PIN #744411379001)
- 3. FedEx Freight 4306 South 19th Street (PIN #744414126003)
- 4. FedEx Freight 4406 South 19th Street (PIN #744414126002)
- 5. Pro-Tech Sales 4343 South 19<sup>th</sup> Street (PIN #74414127003)
- 6. TEQ Supply Inc. 4405 South 19th Street (PIN #744414127005)
- 7. Rogers Auto 2105 Veterans Memorial Hwy (PIN # 744411352002) (Added Area)

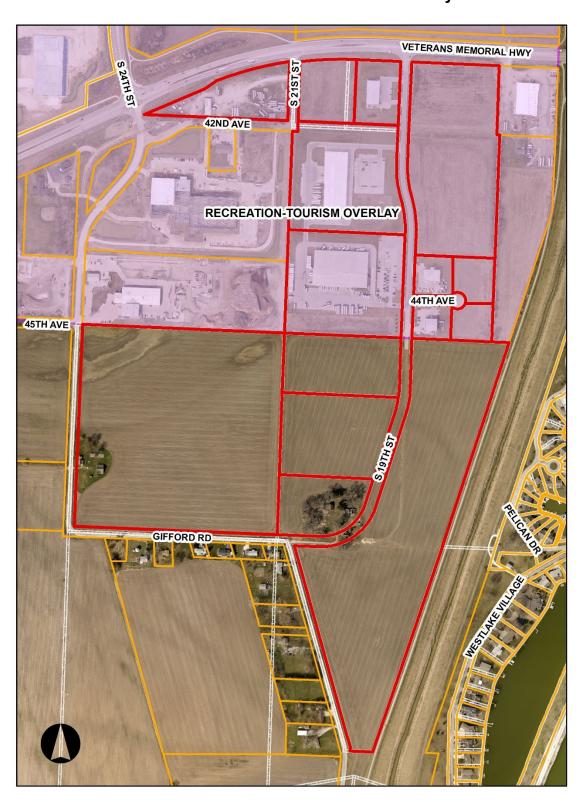

The remaining properties in the proposed South Pointe Urban Revitalization Area are undeveloped. The Council Bluffs Industrial Foundation replatted 95.83 acres of said urban revitalization area into a new five-lot industrial subdivision to be known as South Pointe Subdivision, Phase 2 in 2018 (see Illustration 5). This subdivision is located immediately south of the South Pointe Subdivision and includes an extension of South 19<sup>th</sup> Street and improvements to Gifford Road. The Council Bluffs Industrial Foundation and the Advance Southwest Iowa Corporation intend to market and sell each lot in the subdivision for new economic development projects in the City.

All land uses in the proposed Amended South Pointe Urban Revitalization Area will be commercial or industrial.

#### PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed Amended South Pointe Urban Revitalization Area is served with all municipal utilities (sanitary sewer, water and storm sewer) as well as electricity and gas. The area is accessible by five public roadways, as follows: Veterans Memorial Highway (US 275/92), South 21st Street, South 19th Street, 44th Avenue, and Gifford Road. In the last five years the City and/or other private entities have reconstructed portions of Gifford Road, South 21st Street, and South 19th Street to meet current City standards. All said roadways operate at a level of service (LOS) that can adequately handle additional traffic generated by new projects in this proposed urban revitalization area. There are no proposals to expand City services at this time.

#### RELOCATION PROVISIONS

Relocation is not anticipated with the implementation of this plan. However, if either a residential or non-residential tenant relocation occurs as a result of actions taken by a developer qualifying for the benefits under the Urban Revitalization Act, the tenant shall receive compensation from the developer of one month's rent and actual moving expenses, provided that the tenant has occupied the same unit continuously for a one year period prior to the adoption of this plan.

#### **OTHER PUBLIC ASSISTANCE**

The City anticipates the use of other public assistance may be necessary for development of this area. This assistance may include:

- 1. Property tax exemption
- 2. Continued use of Capital Improvement Program funds for the improvement or reconstruction of streets, sanitary sewer, storm sewer systems, and railroad crossings.
- 3. Funding from the State of Iowa (Economic Development Authority, Finance Authority, and Department of Transportation) to provide assistance to qualified businesses locating or expanding in the area or to cause the construction of infrastructure to support economic development projects.
- 4. Funding from the U.S. Government (Department of Housing and Urban Development, Economic Development Administration, and Federal Highway Administration) to acquire and prepare for private redevelopment or to cause the construction of infrastructure to support economic development projects.

#### **APPLICABILITY AND TAX EXEMPTION SCHEDULE**

1. <u>Eligibility</u> - The Amended South Pointe Urban Revitalization Plan will apply to commercial and industrial land uses.

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion.

2. <u>Term</u> - The term of this Plan shall be until December 31, 2038 or as amended by City Council.

#### 3. <u>Commercial and Industrial</u>

<u>Ten Year</u> - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

<u>Three Year</u> - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

- 6. <u>Improvements</u> Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures
  - For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
  - If no structures were located on the property prior to the improvements, any improvements may qualify.

7. <u>Actual Value</u> - Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the lowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

#### **APPLICATION AND REVIEW PROCESS**

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

- 1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.
- 2. The applicant completes the required forms and submits them along with all required data by February 1<sup>st</sup> to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
- 3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the lowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.
- 4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
- 5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
- 6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1<sup>st</sup> as required by Chapter 404 of the Iowa Code.

#### Subject/Title

**Requests:** The Community Development Department has received requests from the Council Bluffs Community School District for the following items:

- 1. Case #ZC-20-002: A request to rezone the following properties from R-3/Low-Density Multifamily Residential District to A-P/Administrative Professional District:
  - a. the Gerald W. Kirn Middle School campus, located at the northwest corner of the intersection of East Kanesville Boulevard and North Avenue and legally described as a parcel of land in the north half of Section 30, T75N, R43W and in the City of Council Bluffs, all in Pottawattamie County, Iowa more particularly described as follows: that portion of the Auditor's Subdivision in the northwest quarter of the northeast quarter of said Section 30 which lies west of North Avenue, excluding the north 122 feet; and part of Lot 1, excluding State of Iowa Highway 6 right-of-way and all of Lot 2 in J.F. Wilcox Home Subdivision; and Lots 1 through 4, Block 2; Lots 1 through 5, Block 3; and the North 2/3 of Lots 1 through 3, Block 6 in Prospect Place; and Lot 9, Block 1 in Marty's Addition; and that portion of vacated Crittenden, Catalpa, and Maple Streets and adjacent vacated 16' alley west of the west North Avenue right-of-way line from; and
  - b. the Hoover Elementary School campus located at 1205 North Broadway Street and legally described as a parcel of land in the Auditor's Subdivision, Section 30-75-43, City of Council Bluffs, Pottawattamie County, IA more particularly described as Lot 3, Auditor's Subdivision in the NE ¼ NW ¼ and part of the SE ¼ NW ¼ commencing at the NW corner of Lot 3, thence southerly 500', easterly 429.6', northerly 48', easterly 143', northerly 635.5', and westerly 742.5' to the point of beginning and the southerly 62.96' of Lot 28 and all of Lot 27, Auditor's Subdivision Sublot 6 in the NE ¼ NW ¼; and
- 2. Case #MIS-20-003: A request to adopt a site-specific signage plan for the Gerald W. Kirn Middle School campus, legally described above.

#### CASE #ZC-20-002 Background

The Community Development Department has received an application from the Council Bluffs Community School District, represented by Dr. Vickie Murillo, to rezone the Kirn Middle School and Hoover Elementary School campuses, both legally described above, from R-3/Low-Density Multifamily District to A-P/Administrative Professional District. The purpose of this request is to allow the applicant to adopt a site specific signage plan for the Kirn Middle School campus, which is approximately 17.4 acres in size. Per Section 15.33.160(4)(E), A/P Administrative professional district sign regulations, 'any property, or combination of contiguous properties owned by the same person or entity, that are zoned A-P District and contain a minimum of one and one-half acres of total land area, shall be allowed to adopt a site specific sign plan that is subject to review by the City Planning Commission and approval by City Council.'

As a part of a larger campus remodel, Kirn Middle School is currently updating on-site signage. The proposed signage for the Kirn campus exceeds what is allowed under the current R-3/Low-Density Multifamily Residential zoning of the property and Section 15.33.080, *Exempt Signs*, of the City's zoning ordinance. After discussing the applicant's signage needs, it was decided that the adoption of a site specific signage plan was most the appropriate avenue for permitting signage at the subject property. The applicant is including Hoover Elementary School campus in the rezoning request to remain consistent with the zoning of the adjacent Kirn Middle School property. A signage plan for Hoover Elementary is not proposed at this time. A location/zoning map is included as Attachment 'A.'

#### CASE #MIS-20-003 Background

The applicant has made an application to adopt a site specific signage plan for the Kirn Middle School campus located at the northwest intersection of Kanesville Boulevard and North Avenue. The proposed signage plan is outlined below:

#### Existing Signage

- One 18 square foot attached wall sign
- One 53 square foot detached monument sign

Total: 71 square feet

#### Proposed Signage

- One 64 square foot attached wall sign
- One 16 square foot attached wall sign

Total: 80 square feet

The proposed signage plan includes 151 square feet of signage total. The submitted signage inventory is included with this report as Attachment 'B.'

#### **Land Use and Zoning**

The subject properties are currently zoned R-3/Low-Density Multifamily District. Surrounding zoning in the general vicinity of the requests includes: R-1/Single-Family Residential and R-3/Low-Density Multifamily Residential zoning to the north; R-3/Low-Density Multifamily Residential, C-2/Commercial, and R-4/High Density Multifamily residential zoning to the east; A-P/Administrative-Professional, C-2/Commercial, C-3/Commercial and R-1/Single-Family Residential zoning to the south; and R-2/Two-Family Residential zoning to the west.

Surrounding land uses in the general vicinity include: single-family homes, the Phoenix House, and a cell tower to the north; multifamily residential developments and commercial tenants to the east; single-family homes, a dry cleaner, insurance agency, restaurant, bank, grocery store and car wash to the south; and single-family homes to the west.

The future land use plan of the Bluffs Tomorrow 2030 (Comprehensive Plan) designates the subject property as 'Public/Semi-Public' and 'Loess Hills Preservation Area.' The proposed request is consistent with these designations as the schools will remain public facilities and will not have an impact on the Loess Hills Preservation Area.

The following attachments are included with this report:

Attachment A: Location/Zoning Map

Attachment B: Applicant's Submitted Signage Inventory

#### Comments

The proposed requests were routed to all City departments and local utility providers. The following comments were received:

- Black Hills Energy stated that they have no concerns regarding the requests.
- <u>MidAmerican Energy</u> stated that they have no conflict with the requests and that the applicant should be advised to contact MidAmerican Energy to directly discuss any future electric service needs for the property.
- <u>The Council Bluffs Permits and Inspections Division</u> stated that they have no comments regarding the requests.
- <u>The Council Bluffs Park and Recreation Department</u> stated that they have no comments regarding the requests.
- <u>The Council Bluffs Public Works Department</u> stated that they have no comments regarding the requests.
- <u>The Council Bluffs Community Development Department</u> provided the following comments regarding the proposed rezoning, Case #ZC-20-002:
  - 1. If the proposed rezoning is approved, the subject properties will be rezoned to a district that is consistent with the general character of the area as the A-P/Administrative Professional District is intended to provide "for the development of professional and low-intensity business offices and uses in areas where residential dwellings predominate." The proposed rezoning is in close proximity to the Methodist Jennie Edmundson Hospital and CHI Mercy Hospital campuses, also zoned A-P/Administrative Professional District, and located just southwest of the subject properties.
  - 2. The proposed rezoning is consistent with the 'Public/Semi-Public' future land use designation as the school campuses will remain public facilities. The proposed rezoning is also consistent with the 'Loess Hills Preservation Area' future land use designation as the proposed signage at Kirn Middle School will not have an impact on the integrity of the Loess Hills environment.
- <u>The Council Bluffs Community Development Department</u> provided the following comments regarding the proposed adoption of a site specific signage plan for Kirn Middle School, Case #MIS-20-003:
  - 1. Per Section 15.33.080, Exempt Signs, of the City's Municipal Code (Zoning Ordinance), "ground, monument, or wall signs for on premise religious assembly or school use only; up to a maximum sign area of thirty-two (32) square feet per sign face." Of the signs included in the submitted signage plan, two of the signs are above thirty-two (32) square feet, and thus cannot be approved administratively and require the adoption of a signage plan.
  - 2. The proposed signage plan includes both existing and proposed signage. The proposed signs included in the submitted signage plan are generally appropriate in design, size and height.
  - 3. An adopted site-specific signage plan is appropriate for the Kirn Middle School campus for the following reasons:
    - The campus serves multiple community purposes;
    - The Kirn Middle School property is over 17.4 acres in size and has frontage on two streets, one of which is a major corridor within the city; and
    - The site has a high amount of public traffic to and from the campus on a daily basis.

The proposed signage plan will allow the applicant to adequately meet their current signage needs

and appropriately update on site signage as needed.

- 4. A total of 151 square feet of signage shall be allowed at the subject property as follows:
  - a. One 18 square foot attached wall sign
  - b. One 53 square foot detached monument sign
  - c. One 64 square foot attached wall sign
  - d. One 16 square foot attached wall sign
- 5. All new signage shall be permitted separately prior to installation.
- 6. The Community Development Director, or his/her designee, shall have administrative authority to approve signage requests above and beyond the maximum allowed, not to exceed twenty (20) percent of the maximum allowed signage.

#### Recommendation

The Community Development Department recommends the following:

- 1. Approval of rezoning the following properties from R-3/Low-Density Multifamily Residential District to A-P/Administrative Professional District:
  - a. the Gerald W. Kirn Middle School campus, located at the northwest corner of the intersection of East Kanesville Boulevard and North Avenue and legally described as a parcel of land in the north half of Section 30, T75N, R43W and in the City of Council Bluffs, all in Pottawattamie County, Iowa more particularly described as follows: that portion of the Auditor's Subdivision in the northwest quarter of the northeast quarter of said Section 30 which lies west of North Avenue, excluding the north 122 feet; and part of Lot 1, excluding State of Iowa Highway 6 right-of-way and all of Lot 2 in J.F. Wilcox Home Subdivision; and Lots 1 through 4, Block 2; Lots 1 through 5, Block 3; and the North 2/3 of Lots 1 through 3, Block 6 in Prospect Place; and Lot 9, Block 1 in Marty's Addition; and that portion of vacated Crittenden, Catalpa, and Maple Streets and adjacent vacated 16' alley west of the west North Avenue right-of-way line from; and
  - b. the Hoover Elementary School campus located at 1205 North Broadway Street and legally described as a parcel of land in the Auditor's Subdivision, Section 30-75-43, City of Council Bluffs, Pottawattamie County, IA more particularly described as Lot 3, Auditor's Subdivision in the NE ¼ NW ¼ and part of the SE ¼ NW ¼ commencing at the NW corner of Lot 3, thence southerly 500', easterly 429.6', northerly 48', easterly 143', northerly 635.5', and westerly 742.5' to the point of beginning and the southerly 62.96' of Lot 28 and all of Lot 27, Auditor's Subdivision Sublot 6 in the NE ¼ NW ¼.
- 2. Approval to adopt a site-specific signage plan for the Gerald W. Kirn Middle School campus, legally described above.

Applicant/Property Owner: Dew Right Properties, LLC 1409 Dorene Boulevard Carter Lake, IA 51510		2 <sup>nd</sup> Consideration: 5/18/2020 3 <sup>rd</sup> Consideration: 6/8/2020

#### Subject/Title

**Request**: Public hearing on the request of Dew Right Properties LLC, represented by Joe Dew, to rezone property legally described as Lot 7 and the East 5 feet of Lot 8, Block 9, Everett's Addition from R-2/Two-Family Residential District to R-3/Low Density Multi-Family Residential District. The Community Development Department expanded the request to rezone the neighboring property legally described as the West 50 feet of Lot 8, Block 9, Everett's Addition, City of Council Bluffs, Pottawattamie County, Iowa from R-2/Two-Family Residential District to R-3/Low Density Multi-Family Residential District for zoning consistency purposes.

Location: 1728 and 1730 3<sup>rd</sup> Avenue

#### Background

The Community Development Department has received an application from Dew Right Properties, LLC, represented by Joe Dew, to rezone property they own, addressed as 1728 3<sup>rd</sup> Avenue and legally described as Lot 7 and the East 5 feet of Lot 8, Block 9, Everett's Addition, City of Council Bluffs, Pottawattamie County, Iowa from R-2/Two-Family Residential District to R-3/Low Density Multi-Family Residential District. The Community Development Department has expanded the request to include the neighboring property, addressed as 1730 3<sup>rd</sup> Avenue and legally described as the West 50 feet of Lot 8, Block 9, Everett's Addition, City of Council Bluffs, Pottawattamie County, Iowa, for zoning consistency purposes.

There are two structures located on the subject property. The westerly structure is used as a detached single-family dwelling and is renter-occupied. The easterly structure is currently vacant and was previously a commercial structure. The applicant wishes to repair the vacant building and convert it into another residential structure. As per Section 15.09.050 of the Council Bluffs Municipal Code (Zoning Ordinance), only one principal structure is allowed per lot in an R-2 District, therefore the applicant would not be allowed to repurpose said vacant building into a residential structure since the occupied building is currently used as a residence. The purpose of this request is to allow the applicant to have more than one principal structure on the subject property since there are no limit on the number of principal structures allowed per lot in the R-3 District.

#### Land Use and Zoning

The following zoning and land uses surround the subject properties:

North: Residential properties that are zoned R-2/Two-Family Residential District. South: Residential properties that are zoned R-2/Two-Family Residential District. East: Residential properties that are zoned R-2/Two-Family Residential District.

West: Residential properties that are zoned R-3/Low Density Multi-Family Residential District.

The future land use plan of the Bluffs Tomorrow 2030 (Comprehensive Plan) designates the subject properties

as Low-Density Residential.

Staff Report Page 2

1. Marvin E. Tippery, owner of the property addressed as 1730 3<sup>rd</sup> Avenue, contacted the Community Development Department and inquired about the purpose of the rezoning. Mr. Tippery also inquired about the impact of the proposed rezoning on his property taxes. Mr. Tippery stated he is not in opposition of the request.

All City Departments and local utilities were notified of the proposed rezoning. The following comments were received:

- The Permits and Inspections Division stated that since the building will change Occupancy classification, the entire structure will be required to be brought up to the current IRC and other adopted Codes. They also stated the exterior wall to the west will be impacted with respect to fire resistivity. They expressed concern that there will be multiple issues within the building that must be addressed, including a manifolded sewer and water service to the buildings.
- The Public Works Department stated they have no comments on this request.
- Council Bluffs Water Works stated they have no comments on this request.
- Mid-American Energy Company stated they have no conflicts with this request. They also stated that they have existing electric facilities on these properties and recommend that the applicant should contact them to determine any costs that may be associated with future service needs.

The following attachments are included with the case staff report:

#### Discussion

- 1. The property at 1728 3<sup>rd</sup> Avenue meets minimum lot size requirements of the R-2 and R-3 Districts. Proposed rezoning will not impact its conformity with the Council Bluffs Zoning Ordinance.
- 2. Since the property at 1730 3<sup>rd</sup> Avenue is 50 feet in width as opposed to the 55 feet required for a corner lot in the R-2 District, it is considered a nonconforming parcel. If rezoned to R-3, the property would be brought into conformance with the Zoning Ordinance as it does not have a minimum lot width requirement.
- 3. None of the existing structures located on the north side of 3<sup>rd</sup> Avenue between South 17<sup>th</sup> and South 18<sup>th</sup> Streets meet the minimum front yard setback requirements of the R-2 and R-3 Districts. As per Section 15.24.090 of the Council Bluffs Municipal Code (Zoning Ordinance), "the required front yard shall be as stated in each zoning district, except when forty-five (45) percent or more of the frontage on one side of a street between two intersecting streets is improved with buildings and a majority of the improved frontage have front yard setbacks less than those required for that zoning district, then the minimum required front yard setback for new construction shall be the average distance of the improved frontage." The average front yard setback for the 1700 block of 3<sup>rd</sup> Avenue is approximately 10 feet and 9 inches. All new construction along this frontage shall be set at 10 feet and 9 inches from the front property line.
- 4. The property at 1730 3<sup>rd</sup> Avenue contains 6,900 square feet of land. The existing detached single-family dwelling and accessory structures at this property comprise approximately 2,780 square feet in area, or 40% of the total lot area. This exceeds the maximum lot coverage allowed in the R-2 District of 35%. The maximum lot coverage allowed in the R-3 District is 45%, which would bring this property into conformance with the Zoning Ordinance.
- 5. If rezoned to the R-3 District, the applicant will be allowed to repair the vacant building and convert into a residential structure. All proposed repairs and new construction shall meet all applicable building, fire and zoning codes.
- 6. The Bluffs Tomorrow 2030 (Comprehensive Plan) designates the subject properties as Low Density Residential. The R-3 District allows for a variety of residential uses, including single- and two-family dwellings, as well as low density multi-family, which are consistent land uses with the Low Density Residential classification. The proposed R-3 District will allow for the existing and proposed residential uses on the subject properties.

Staff Report Page 3

7. Adequate utilities (e.g., water, sanitary sewer, electric, etc.) are available to accommodate the uses permitted in the R-3 District.

#### Recommendation

The Community Development Department recommends approval of the request of Dew Right Properties, LLC, represented by Joe Dew, to rezone property legally described as Lot 7 and the East 5 feet of Lot 8, Block 9, Everett's Addition, City of Council Bluffs, Pottawattamie County, Iowa, and to rezone property legally described as the West 50 feet of Lot 8, Block 9, Everett's Addition, City of Council Bluffs, Pottawattamie County, Iowa, from R-2/Two-Family Residential District to R-3/Low Density Multi-Family Residential District, based on the reasons stated above.

#### Subject/Title

**Request**: Public hearing on the request of John M. and Susan L. McKinley to vacate and dispose of the east/west alley platted in Block 1, Mynster Place, City of Council Bluffs, Pottawattamie County, Iowa.

**Location:** 1615 Henry Street and 124 Elliott Street

#### **Background/Discussion**

The Community Development Department has received an application from John M. and Susan L. McKinley to vacate and dispose of the east/west alley platted in Block 1, Mynster Place, City of Council Bluffs, Pottawattamie County, Iowa, and located east of Henry Street right-of-way. The subject right-of-way is unimproved and measures approximately 15 feet in width by 261 feet in length. The applicant owns property north of the subject alleyway addressed as 1615 Henry Street and legally described as Lots 6 through 8 and Lots 15 through 17, all in Block 1, Mynster Place, along with the vacated north/south alley adjacent; as well as property to the south of the subject alleyway, legally described as Lot 4, except the East 20 feet, and Lot 5, Block 1, Mynster Place. The purpose of this request is to allow the applicants to combine their land holdings, currently transected by the subject city-owned alleyway, into one parcel for taxation purposes.

On August 25, 2003 the City Council amended the adopted *Policy and Procedures for Alley, Street and Right-of-way Vacations*. The objectives of the amended Policy are as follows:

- 1. To provide due process and citizen participation in the application and review process for vacations. The property owners with land that abuts the subject alleyway are as follows:
  - North Residential property owned by John M. and Susan L. McKinley (1615 Henry Street)
  - South Vacant lot owned by John M. and Susan L. McKinley Residential property owned by Michael E. and Virginia M. Burgett (124 Elliott Street)

All abutting property owners were mailed petitions asking if they are in favor of/opposed to the vacation request and if they were willing to/not willing to acquire the portion of the alley adjacent to their property, if vacated. Responses to these petitions are summarized in Comment #10 below.

2. To ensure that no property owner is deprived of required and reasonable access.

All abutting properties have frontage on either Henry Street or Elliott Street. However, one existing lot of record owned by the applicant—Lot 17, Block 1, Mynster Place—only has access via the subject alleyway. The Community Development Department finds that the requested alley vacation would not deprive the property owner from reasonable access since the subject alley is unimproved and does not provide Lot 17 direct access to a public street. Additionally, Lot 17 shares a parcel number with other lots of record with direct access to Henry Street right-of-way, thus it currently has reasonable access to a public street. Any request from the applicants or any future property owner to un-combine the parcel created from the applicants'

land holdings and the subject alleyway that would result in Lot 17 losing reasonable access to a public street would not be supported by the City of Council Bluffs unless it goes through the platting process.

Page 2

- 3. To discourage the creation and eliminate or reduce existing dead-end alleys, streets or other rights-of-way. This request will eliminate a dead-end alleyway, as the request is to vacate the entirety of the east/west alley platted in Block 1, Mynster Place, which currently dead ends at Lot A, Block 2, S.W. Besley's Subdivision.
- 4. To reduce or eliminate hazardous and dangerous traffic conditions.

  The subject alley is unimproved and is not used for vehicular and/or pedestrian traffic.
- 5. To protect all existing and proposed public utilities located in the right-of-way and to maintain necessary utility easements.

All City Departments and utilities were notified of the request. The following responses were received:

- The Public Works Department stated they have no comments on the request.
- The Fire Department stated they have no comments on the request.
- Council Bluffs Water Works stated they have no public facilities located within the subject alleyway to be vacated.
- MidAmerican Energy Company stated they have no conflicts with the request.
- 6. To maintain appropriate right-of-way width to ensure that an adequate pedestrian and vehicular circulation system is retained.

  Not applicable.
- 7. To discourage the vacation of a portion of an existing alley, street or other right-of-way. The request is to vacate the entirety of the east/west alley platted in Block 1, Mynster Place.
- 8. To assist in the implementation of the goals and objectives of the Comprehensive Plan.

  The request is consistent with the local access and circulation objectives stated in Chapter 6, Transportation of the Bluffs Tomorrow: 2030 Plan (comprehensive plan).
- 9. To reduce the City's maintenance liability on previously vacated right-of-way parcels from public improvement projects and various lots acquired through delinquent taxes or assessments.

  Not applicable.
- 10. To establish an equitable price for surplus public property.

  All abutting property owners were notified about this vacation request. The following responses were received:
  - John M. and Susan L. McKinley stated they are in favor of the request and are willing to acquire the portion of the east/west alley adjacent to their property.
  - There has been no reply from Michael E. and Virginia M. Burgett regarding the vacation request at the time this staff report was mailed out.

#### Recommendation

The Community Development Department recommends approval to vacate and dispose of the east/west alley platted in Block 1, Mynster Place, City of Council Bluffs, Pottawattamie County, Iowa and located east of Henry Street right-of-way, subject to the following conditions:

- 1. All portions of the subject alley shall be disposed of to an abutting property owner(s); and
- 2. Any request from the applicants or any future property owner to un-combine the parcel created from the applicants' land holdings and the subject alleyway that would result in Lot 17, Block 1, Mynster Place losing

Resolution 20-128 ITEM 4.D.

Council Action: 5/18/2020

#### Description

Resolution to approve a proposed amendment to the current city budget for the fiscal year ending June 30, 2020.

#### Background/Discussion

The City of Council Bluffs is proposing an amendment to the City of Council Bluffs budget for the fiscal year ending June 30,2020.

The proposed budget amendment increases revenue, excluding transfers, by \$3.6M with the largest drivers related to increases for bond refunding, reduced by decreases related to the impact of Covid-19 of \$5.2M. Expenditures, excluding transfers, are increasing in the amended budget by \$12.2M with the primary drivers related to projects associated with the 2019 flood events, coupled with increases for bond expenditures. Many of the flood related projects will qualify for FEMA and State reimbursement funding.

Explanation of increases or decreases in revenue estimates, appropriations, or available cash:

Revenue, excluding transfers, is up \$3.6M with the largest drivers related to increases for bond refunding, reduced by decreases related to the impact of Covid-19 of \$5.2M. Expenditures, excluding transfers, are up \$12.2M with the primary drivers related to projects associated with the 2019 flood events, coupled with increases for bond expenditures. Many of the flood related projects will qualify for FEMA and State reimbursement funding.

There will be no increase in tax levies to be paid in the current fiscal year named above related to the proposed budget amendment. Any increase in expenditures set out above will be met from the increased non-property tax revenues and cash balances not budgeted or considered in this current budget.

State Amended Budget Form – Notice of Public Hearing	9

#### **FY20 Amended Budget**

Highlights of the FY20 Amended Budget vs. FY20 Original Budget

- Overall revenue, excluding transfers, increased by \$3.6M
  - City property taxes are anticipated to remain relatively flat to original budget.
  - Proceeds from bond refunding were recorded of \$7.1M.
  - Estimated impact of Covid-19 on revenue is a reduction of approximately \$5.2 million.

Covid-19 Impact		
Local Option Sales Tax	\$	(1.6)
MidAmerica Center		(1.2)
Hotel/Motel Tax		(0.6)
Gaming Tax		(0.5)
Road Use Tax		(0.5)
Police, Fire and Ambulance Fees		(0.3)
Sewer Rental Fees		(0.2)
Recreation (pools, golf, rec)	(0.2)	
Bass Pro Rent		(0.1)
Total Covid-19 Impact		(5.2)

- In FY20, the annual true-up adjustment for Local Option Sales Tax was \$1.6M. With the potential impact of Covid-19, LOST will be budgeted at flat to the original budget.
- Operating expenditures, excluding transfers, increased by \$12.2M
  - Bond expenditures were recorded of \$7.9M, including a payoff of \$7.0M for the 2012C bond.
  - Worker's compensation increased by \$0.7M (67%).
  - Group insurance increased by \$0.4M (5%).
  - Group insurance allocations to departments were updated to reflect the total cost of group insurance which will more closely align with the process used in actuals. This has zero impact across the City but more accurately depicts true group insurance costs by department.
  - The purchase of four pumps were added to the amended budget totaling \$0.4M. The funding for these pumps was provided by permit fees associated with a large grading project.
  - Projects related to the 2019 Flood Events were added to the amended budget for a total FY20 cost of \$5.1M. Many of these projects will qualify for FEMA and State reimbursement funding.

Explanation of increases or decreases in revenue estimates, appropriations, or available cash:

Revenue, excluding transfers, is up \$3.6M with the largest drivers related to increases for bond refunding, reduced by decreases related to the impact of Covid-19 of \$5.2M. Expenditures, excluding transfers, are up \$12.2M with the primary drivers related to projects associated with the 2019 flood events, coupled with increases for bond expenditures. Many of the flood related projects will qualify for FEMA and State reimbursement funding.

There will be no increase in tax levies to be paid in the current fiscal year named above related to the proposed budget amendment. Any increase in expenditures set out above will be met from the increased non-property tax revenues and cash balances not budgeted or considered in this current budget.

#### Subject/Title

Request of Paul and Ann Kramar to purchase City-owned property legally described as the East 14 Feet of Lot 66, Belmont Addition, City of Council Bluffs, Pottawattamie County, Iowa.

#### **Background/Discussion**

The City has received an offer from Paul and Ann Kramar to purchase the City-owned property legally described as the East 14 Feet of Lot 66, Belmont Addition that is approximately 1,673 square feet in area. The property is located between the applicant's property (1500 N. 17<sup>th</sup> Street) and the northern parking lot for Stan Bahnsen Park on Avenue O. The applicants are proposing to purchase the property to allow them to construct a deck and ADA access ramp on the western side of their house, which is currently not possible due to the rear of the home being very close to the rear property line. The applicants stated that the ADA ramp is necessary to get family members with wheelchairs into the home. The applicants have completed a survey of the exact property they wish to purchase, which has been included with this report as Attachment B.

The applicants were initially told the property was classified as "Public Space" and was used as a park, and was not being actively marketed for sale. After meeting with the applicants, Vincent Martorello, the Parks Director, agreed that the property could be better utilized by the applicant than it is by the Parks Department, as it would provide the applicants the opportunity to make their home ADA accessible. Mr. Martorello and the applicants agreed that the park would retain a five-foot buffer west of the existing parking lot, and would be agreeable to the remaining area being surveyed and sold to the applicant for the purpose of the installation of a new doorway to the kitchen, a new deck, and an ADA ramp.

On March 23, 2020, the City Council reviewed the requested and voted to allow the applicants to move forward with purchasing the property. Per the adopted Inventory and Disposal Policy for Surplus City Property adopted on April 23, 2019, the property should be valued using the Street, Alley and Public Ground Vacation fee schedule, which would value the 1,673 square foot piece of property at \$280.95. The applicant has submitted a down payment of \$30.00 to purchase the property.

The application was routed to member departments of the City Owned Property Committee. No adverse comments were received in regards to the sale of the property.

If approved, the applicants will be required to complete a Lot Line Adjustment application (and pay the associated \$100.00 application fee) which will be submitted to the Community Development Department. The sale of the subject property will also come with the condition that the land the applicants are proposing to purchase cannot be sold separately from the adjacent land the applicants currently own.

#### Recommendation

The Community Development Department recommends disposal of the property legally described as the East 14 Feet of Lot 66, Belmont Addition, City of Council Bluffs, Pottawattamie County, Iowa to Paul and Ann Kramar subject to the following conditions:

- 1. The purchase price shall be \$280.95, with the remaining balance beyond the \$30.00 down payment being due at closing.
- 2. The applicant shall submit a complete Lot Line Adjustment Application with the Council Bluffs Community Development Department.
- 3. The applicant shall sign an agreement not to sell the property separately from the adjacent land they currently own, which is legally described as Lot 65, Belmont Addition, City of Council Bluffs, Pottawattamie County, Iowa.
- 4. Closing shall occur on the property within 60 days of the date of decision.

#### **Background/Discussion**

#### **Background**

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

A proposal has been submitted by Chris Rochleau of Cherry Ridge Construction for 3540 14th Avenue. Cherry Ridge Construction intends to add two mixed-use commercial buildings to the currently vacant site for contractor shops, office space, and auto repair.

#### Discussion

Iowa Code permits the City to establish urban revitalization areas, which satisfy one of the five conditions outlined in Section 404.1.

Staff believes this project meets the criteria under 404.1.4: An area which is appropriate as an economic development area as defined in Section 403.17(10) of the Iowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."

On April 6, 2020, City Council approved Resolution 20-92, which directed staff to initiate the process of creating the 14<sup>th</sup> Avenue Urban Revitalization Plan and Area. This resolution set May 18, 2020 as the date of the public hearing.

This matter was brought before the City Planning Commission at their May 12, 2020 meeting. The Commission found the following: 1) That the proposed 14<sup>th</sup> Avenue Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the 14<sup>th</sup> Avenue Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.4.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

#### **Staff Recommendation**

The Community Development Department recommends approval of the 14<sup>th</sup> Avenue Urban Revitalization Plan and Area and 1<sup>st</sup> consideration of the ordinance.

#### **Public Hearing**

- 2. No one appeared in opposition.

#### **Planning Commission Recommendation**

The Planning Commission recommends approval of the 14<sup>th</sup> Avenue Urban Revitalization Plan and Area.

#### INTRODUCTION

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate renovation of a blighted area. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the lowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

- 1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
- 3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
- 4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the lowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."
- 5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the 14th Avenue Urban Revitalization Area meets the criteria of element 4. Consequently, on April 6, 2020, the City Council adopted Resolution No. 20-92, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

#### **LEGAL DESCRIPTION**

The 14th Avenue Urban Revitalization Area is a tract of land containing parcel number 754433476001, legally described as:

Lots 16-30, Block 37, Brown's Subdivision, Council Bluffs, Pottawattamie County, Iowa

Illustration 2 shows the location and the boundary of the 14th Avenue Urban Revitalization Area, which consists of 2.08 acres.

#### PROPERTY OWNERS AND ASSESSED VALUATIONS

The 14th Avenue Urban Revitalization Area will be comprised of 2.08 acres on one parcel of land owned by 92 Investments LLC. Valuation was obtained from the records of the Pottawattamie County Assessor.

Chris Rochleau of Cherry Ridge Construction has a purchase agreement with the current owner of the property. The land is currently vacant.

#### **EXISTING ZONING AND PROPOSED LAND USE**

The 14th Avenue Urban Revitalization Area is currently zoned P-C in parcel 754433476001. The P-C/Planned Commercial District is intended to provide for the development of retail shopping centers, hotel/motel services, destination resorts, and office parks.

Chris Rochleau of Cherry Ridge Construction has a purchase agreement with the current owner of the subject property, and intends to add two buildings to the site to be known as Rivers Edge Business Park (Attachment C.) Cherry Ridge Construction has requested with the Zoning Board of Adjustment that the property be rezoned C-2/Commercial District. The C-2 district is intended to provide for major commercial retail shopping and service areas adjacent to major traffic corridors. This district also provides a variety of commercial services to the community and adjacent residential neighborhoods.

Cherry Ridge Construction intends to add two mixed-use commercial buildings to the site for contractor shops, office space, and auto repair. These are among the principal uses permitted in a C-2 district. The case will be presented to the Zoning Board of Adjustment on 4/21/2020.

Surrounding properties to the west, north and south are also zoned P-C. Properties east of the subject property are zoned I-2/General Industrial District. Properties northeast of the subject property are zoned C-2/Commercial District. Illustration 3 depicts the existing onsite and surrounding zoning.

Existing land uses in the general vicinity include: a hotel to the south; a trucking company to the east; a rail line to the north; and undeveloped parcels of land to the west and also to the south.

The future land use map of the *Bluffs Tomorrow: 2030 Comprehensive Plan* designates the subject property as Public Park. Westwood Park lies north of the train tracks north of the property.

#### PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed 14th Avenue Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The project is located along 14<sup>th</sup> Avenue, just off South 35<sup>th</sup> Street. Both are adequate to handle the additional traffic generated by this proposed project.

#### **RELOCATION PROVISIONS**

The proposed 14th Avenue Urban Revitalization Area consists of one vacant parcel; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

#### **OTHER PUBLIC ASSISTANCE**

The developer has not requested any additional public assistance.

#### **APPLICABILITY AND TAX EXEMPTION SCHEDULE**

1. <u>Eligibility</u> – The 14th Avenue Urban Revitalization Plan will apply to commercial and industrial land uses.

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion.

2. <u>Term</u> - The term of this Plan shall be until December 31, 2040 or amended by City Council.

#### 3. Commercial and Industrial

<u>Ten Year</u> - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

<u>Three Year</u> - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

- 4. <u>Improvements</u> Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. In addition, all improvements must result in the following increases in value:
  - For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
  - If no structures were located on the property prior to the improvements, any improvements may qualify.

136

5. <u>Actual Value</u> - Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the Iowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

#### **APPLICATION AND REVIEW PROCESS**

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

- 1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.
- 2. The applicant completes the required forms and submits them along with all required data by February 1<sup>st</sup> to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
- 3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the lowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.
- 4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
- 5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
- 6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1<sup>st</sup> as required by Chapter 404 of the Iowa Code.

RE: River's Edge Business Park

3540 14<sup>th</sup> Avenue

Council Bluffs, IA 51501

Parcel Number: 7544 33 476 001

Mr. Chris Gibbon's and the rest of the planning commission,

1425 9TH AVENUE | COUNCIL BLUFFS, IA P: 712-256-2279 | c: 402-813-8113 | F: 402-938-0439 WWW.CHERRYRIDGECONSTRUCTION.COM

My name is Chris Rochleau. I am the owner of Cherry Ridge Construction. I am presenting a letter of my intent for the property located at 3540 14<sup>th</sup> Avenue that I have requested to be zoned C-2. It is currently Zoned PC – Planned Commercial. We have spent a tremendous amount of time over the last several months working with City officials, including those in the zoning department to develop an attractive building that would be an incubator for business and provide budding business's an opportunity to get established and grow in our community.

This would bring jobs, provide an improved tax base and be aesthetically appealing. On the site that we are developing we are planning to complete two (2) buildings throughout two (2) separate phases with twelve (12) business spaces per building. I am anticipating three (3) to five (5) employees per space with a total number of employees to be 36 to 60 per building.

We have developed a paving and landscape plan that would meet the necessary requirements and be aesthetically appealing to that area. There are a variety of business that we are wanting to attract to this type of building.

In order to make this project work and provide business opportunities to start up and small businesses we are also requesting the revitalization 10 year tax abatement. This is a WIN – WIN for the City. There is an immediate increase in the tax base, and it will exponentially increase over the next 10 years. It also provides new business opportunities and a place for existing businesses to grow.

I anticipate the development costs with land to be between 1.3mm to 1.5mm per building with a total investment between 2.6mm and 3.0mm.

As you can see from the artist renderings, we are putting stone across the front and East side of the building, upgrading the color scheme and the signage layout. We are in the process of finalizing the exterior lighting plan and are considering a few more upgrades to the landscaping plan.

I have also submitted an application and request for the vacated alley adjacent to the North property line. This is an area that has been unmaintained and a harbor for homeless and criminal activity. I would maintain that area as part of this property with lighting across the back of the building and green space.

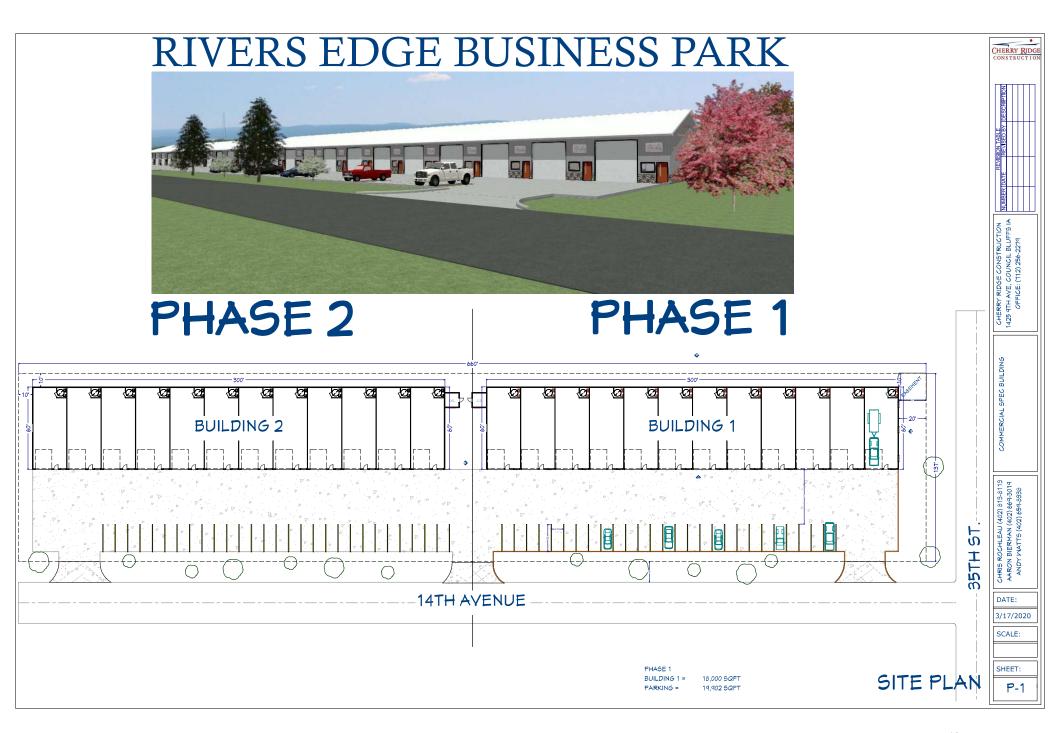

This is going to be different than any other building that has been built in our community. Significant costs are being incurred to make the business park attractive and conducive to start up and small businesses. We have also applied for a conditional use permit so that we can provide a variety of business opportunities to those that are looking.

Sincerely,

ChrisRochleau

## Subject/Title

Establishment of the 5<sup>th</sup> & West Broadway Urban Revitalization Area.

## Location

An area generally bounded by West Kanesville Boulevard to the north, West Broadway Street to the south, North Main Street to the East, and South 6<sup>th</sup> Street to the west and excludes property commonly known as TS Bank (legally described as Lots 1 through 3, Bluffs Center 1, Replat 1).

# **Background/Discussion**

## **Background**

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

A proposal has been submitted by The 712 Initiative for 530 West Broadway (the former EQ building.) The 3-story brick building, originally completed in 1880, will be fully renovated to include 8,930 sq ft of residential space in 15 units on the 2<sup>nd</sup> and 3<sup>rd</sup> floors. The main floor will consist of four retail bays with a total of 6,178 sq ft of commercial space. The historic character of the building will be maintained in the redevelopment, returning large storefront windows to the street level encouraging walkability and window shopping.

Additionally, the 712 Initiative has plans to renovate the old Council Bluffs Community School District building into residential multi-family and construct a new residential multi-family building on the parking area to the north. The City also believes these projects could entice the remaining owner on the block as well as the owners to the east to renovate and rehabilitate their properties to provide new residential and commercial space in the future.

### Discussion

Iowa Code permits the City to establish urban revitalization areas, which satisfy one of the five conditions outlined in Section 404.1.

Staff believes this project meets the criteria under 404.1.2: An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment

### **Council Communication**

delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, or welfare in its present condition and use.

On April 6, 2020, City Council approved Resolution 20-93, which directed staff to initiate the process of creating the 5<sup>th</sup> & West Broadway Urban Revitalization Plan and Area. This resolution set May 18, 2020 as the date of the public hearing.

This matter was brought before the City Planning Commission at their May 12, 2020 meeting. The Commission found the following: 1) That the proposed 5<sup>th</sup> & West Broadway Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the 5<sup>th</sup> & West Broadway Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.2.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

## **Staff Recommendation**

The Community Development Department recommends approval of the 5<sup>th</sup> & West Broadway Urban Revitalization Plan and Area and 1<sup>st</sup> consideration of the ordinance.

## **Public Hearing**

# INTRODUCTION

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate renovation of a blighted area. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the lowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

- 1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conductive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
- 3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
- 4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the lowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."

5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the 5th & West Broadway Urban Revitalization Area meets the criteria of element 2. Consequently, on April 6, 2020, the City Council adopted Resolution No. 20-93, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

# **EXISTING ZONING AND PROPOSED LAND USE**

The entirety of the 5th & West Broadway Urban Revitalization area is currently zoned C-4. The C-4/Commercial District is intended to provide an intensive business zone which will accommodate large office concentrations and other similar uses.

Surrounding properties to the north, east, and south are also zoned C-4. To the west lies a green space, where Kanesville and West Broadway merge, zoned A-2/Parks, Estates, and Agricultural District. Existing land uses in the general vicinity include: Omni Business Park to the east, and a bank and office building to the south across West Broadway. Another bank is to the north plus a pharmacy across Kanesville Boulevard. Beyond that are residential properties in an area zoned R-3/Low Density Multifamily Residential District. Illustration 3 depicts the existing on-site and surrounding zoning.

In *The Downtown Council Bluffs Plan* this area is part of the City Center, the traditional downtown retail core along West Broadway from 2nd to 8th Streets. According to the plan, "This area, once Downtown's prime location, includes strategic but underutilized property and should be a major focus for future development." The *Bluffs Tomorrow: 2030 Comprehensive Plan* designates the subject property as Downtown/Mixed-use.

A redevelopment proposal has been submitted by The 712 Initiative for parcel # 754425391008, which is 530 West Broadway (the former EQ building.) The 3-story brick building, originally completed in 1880, will be fully renovated to include 8,930 sq ft of residential space in 15 units on the 2<sup>nd</sup> and 3<sup>rd</sup> floors. The main floor will consist of four retail bays with a total of 6,178 sq ft of commercial space. The historic character of the building will be maintained in the redevelopment, returning large storefront windows to the street level (see Attachment C) encouraging walkability and window shopping. A mixed commercial/residential structure is a principal use permitted in a C-4 district.

The current assessed building valuation is \$412,000 with a projected assessed value of \$1,700,000 after a full renovation.

# PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed 5th & West Broadway Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The plan area is generally located between Kanesville Boulevard on the northerly side and West Broadway to the south, which are adequate to handle the additional traffic generated by this proposed project.

# **RELOCATION PROVISIONS**

The proposed 5th & West Broadway Urban Revitalization area contains three parcels owned by the City of Council Bluffs and several commercial entities including Advanced ChiroCare at 7 N 6<sup>th</sup> Street, Homesteads Group Property Rentals at 32 Scott Street, Buck Snort Restaurant and Sports Bar at 25 Scott Street, the vacant building at 12 Scott Street owned by Pottawattamie County Development Corp, and a four-story commercial building at 500 West Broadway, which is also vacant.

The only current proposal is for 530 West Broadway, which is partially vacant. The first floor has a service tenant that will relocate by December 2020. The rest of the building is vacant; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

# **OTHER PUBLIC ASSISTANCE**

The developer has applied for a Community Catalyst Building Remediation grant and also plans to request Workforce Housing Tax Credits through the Iowa Economic Development Authority.

# **APPLICABILITY AND TAX EXEMPTION SCHEDULE**

1. <u>Eligibility</u> – The 5th & West Broadway Urban Revitalization Plan will apply to commercial and multi-family residential (12 or more units).

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion. New construction of multi-family structures containing 12 or more units or the renovation of existing multi-family properties containing 3 or more units will also be eligible for property tax exemption under the plan.

2. <u>Term</u> - The term of this Plan shall be until December 31, 2040 or amended by City Council.

## 3. Commercial and Industrial

<u>Ten Year</u> - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.

- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

<u>Three Year</u> - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

- 4. <u>Multi-Family New Construction (12 or more units)</u> All eligible multi-family construction shall be eligible to receive a 100% exemption for a period of four years.
- 5. <u>Multi-Family Rehabilitation (3 or more units)</u> All eligible multi-family rehabilitation projects shall be eligible to receive a 100% exemption for a period of ten years.
- 6. <u>Improvements</u> Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. Improvements involving multi-family projects shall include new construction of projects resulting in 12 or more units or the rehabilitation of existing multi-family projects containing 3 or more units (assessed as commercial property). In addition, all improvements must result in the following increases in value:
  - For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
  - For residential property, the improvement must increase the actual value of the structure by at least 10%.
  - If no structures were located on the property prior to the improvements, any improvements may qualify.
- 7. <u>Actual Value</u> Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the lowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

# **APPLICATION AND REVIEW PROCESS**

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.

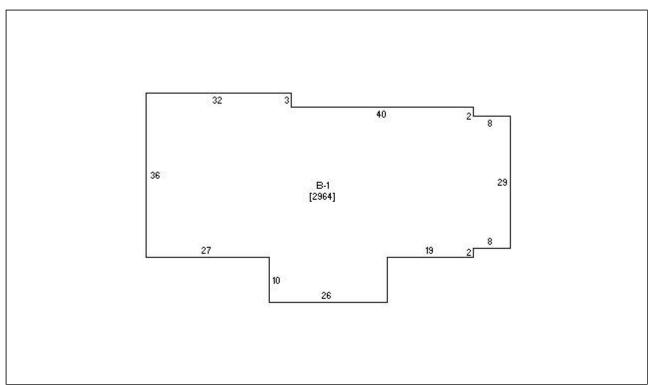

- 2. The applicant completes the required forms and submits them along with all required data by February 1<sup>st</sup> to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
- 3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the lowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.
- 4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
- 5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
- 6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1<sup>st</sup> as required by Chapter 404 of the Iowa Code.

### **Urban Revitalization Request:**

530 W Broadway, a very visible landmark of the community, has been underutilized for at least the past 30 years. The site was selected for redevelopment based on its close proximity to downtown employment, amenities, and reuse of an existing building (3-story brick building was completed in 1880). bringing activity to the west entrance of downtown Council Bluffs. The completed project will bring activity to the west entrance of downtown and spur development for Bayliss Park (the heart of the community) and adjacent properties. This is a transformative project for Council Bluffs that will:

- Increase the existing tax base and district rents to achieve economic vitality and
- Create a sense of place where businesses and residents want to work, live and play through the physical transformation of the area while maintaining the character and integrity of Council Bluffs downtown.

The 712 Initiative is requesting a 10-year tax abatement for the project. Current assessed is \$412,000 with projected assessed value of \$1,700,000 after a full renovation.

1. Building use(s) with square feet for each use:

Residential: 2<sup>nd</sup> and 3<sup>rd</sup> floors = 8,930 sq ft

Commercial: 1<sup>st</sup> floor = 6,178 sq ft

2. Number of residential units as well as number of affordable units:

Total of 15 residential units – requesting HOME funds for 2 affordable units

CASE # URV-20-002			

### Subject/Title

Ordinance establishing the 5<sup>th</sup> & West Broadway Urban Revitalization Area within the City of Council Bluffs.

# Location

An area generally bounded by West Kanesville Boulevard to the north, West Broadway Street to the south, North Main Street to the East, and South 6<sup>th</sup> Street to the west and excludes property commonly known as TS Bank (legally described as Lots 1 through 3, Bluffs Center 1, Replat 1).

# **Background/Discussion**

# **Background**

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

A proposal has been submitted by The 712 Initiative for 530 West Broadway (the former EQ building.) The 3-story brick building, originally completed in 1880, will be fully renovated to include 8,930 sq ft of residential space in 15 units on the 2<sup>nd</sup> and 3<sup>rd</sup> floors. The main floor will consist of four retail bays with a total of 6,178 sq ft of commercial space. The historic character of the building will be maintained in the redevelopment, returning large storefront windows to the street level encouraging walkability and window shopping.

Additionally, the 712 Initiative has plans to renovate the old Council Bluffs Community School District building into residential multi-family and construct a new residential multi-family building on the parking area to the north. The City also believes these projects could entice the remaining owner on the block as well as the owners to the east to renovate and rehabilitate their properties to provide new residential and commercial space in the future.

# Discussion

Iowa Code permits the City to establish urban revitalization areas, which satisfy one of the five conditions outlined in Section 404.1.

Staff believes this project meets the criteria under 404.1.2: An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the

### **Council Communication**

existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, or welfare in its present condition and use.

On April 6, 2020, City Council approved Resolution 20-93, which directed staff to initiate the process of creating the 5<sup>th</sup> & West Broadway Urban Revitalization Plan and Area. This resolution set May 18, 2020 as the date of the public hearing.

This matter was brought before the City Planning Commission at their May 12, 2020 meeting. The Commission found the following: 1) That the proposed 5<sup>th</sup> & West Broadway Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the 5<sup>th</sup> & West Broadway Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.2.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

# **Staff Recommendation**

The Community Development Department recommends approval of the 5<sup>th</sup> & West Broadway Urban Revitalization Plan and Area and 1<sup>st</sup> consideration of the ordinance.

# **INTRODUCTION**

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate renovation of a blighted area. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the lowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

- 1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conductive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
- 3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
- 4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the lowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."

5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the 5th & West Broadway Urban Revitalization Area meets the criteria of element 2. Consequently, on April 6, 2020, the City Council adopted Resolution No. 20-93, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

# **EXISTING ZONING AND PROPOSED LAND USE**

The entirety of the 5th & West Broadway Urban Revitalization area is currently zoned C-4. The C-4/Commercial District is intended to provide an intensive business zone which will accommodate large office concentrations and other similar uses.

Surrounding properties to the north, east, and south are also zoned C-4. To the west lies a green space, where Kanesville and West Broadway merge, zoned A-2/Parks, Estates, and Agricultural District. Existing land uses in the general vicinity include: Omni Business Park to the east, and a bank and office building to the south across West Broadway. Another bank is to the north plus a pharmacy across Kanesville Boulevard. Beyond that are residential properties in an area zoned R-3/Low Density Multifamily Residential District. Illustration 3 depicts the existing on-site and surrounding zoning.

In *The Downtown Council Bluffs Plan* this area is part of the City Center, the traditional downtown retail core along West Broadway from 2nd to 8th Streets. According to the plan, "This area, once Downtown's prime location, includes strategic but underutilized property and should be a major focus for future development." The *Bluffs Tomorrow: 2030 Comprehensive Plan* designates the subject property as Downtown/Mixed-use.

A redevelopment proposal has been submitted by The 712 Initiative for parcel # 754425391008, which is 530 West Broadway (the former EQ building.) The 3-story brick building, originally completed in 1880, will be fully renovated to include 8,930 sq ft of residential space in 15 units on the 2<sup>nd</sup> and 3<sup>rd</sup> floors. The main floor will consist of four retail bays with a total of 6,178 sq ft of commercial space. The historic character of the building will be maintained in the redevelopment, returning large storefront windows to the street level (see Attachment C) encouraging walkability and window shopping. A mixed commercial/residential structure is a principal use permitted in a C-4 district.

The current assessed building valuation is \$412,000 with a projected assessed value of \$1,700,000 after a full renovation.

# PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed 5th & West Broadway Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The plan area is generally located between Kanesville Boulevard on the northerly side and West Broadway to the south, which are adequate to handle the additional traffic generated by this proposed project.

# **RELOCATION PROVISIONS**

The proposed 5th & West Broadway Urban Revitalization area contains three parcels owned by the City of Council Bluffs and several commercial entities including Advanced ChiroCare at 7 N 6<sup>th</sup> Street, Homesteads Group Property Rentals at 32 Scott Street, Buck Snort Restaurant and Sports Bar at 25 Scott Street, the vacant building at 12 Scott Street owned by Pottawattamie County Development Corp, and a four-story commercial building at 500 West Broadway, which is also vacant.

The only current proposal is for 530 West Broadway, which is partially vacant. The first floor has a service tenant that will relocate by December 2020. The rest of the building is vacant; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

# **OTHER PUBLIC ASSISTANCE**

The developer has applied for a Community Catalyst Building Remediation grant and also plans to request Workforce Housing Tax Credits through the Iowa Economic Development Authority.

# **APPLICABILITY AND TAX EXEMPTION SCHEDULE**

1. <u>Eligibility</u> – The 5th & West Broadway Urban Revitalization Plan will apply to commercial and multi-family residential (12 or more units).

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion. New construction of multi-family structures containing 12 or more units or the renovation of existing multi-family properties containing 3 or more units will also be eligible for property tax exemption under the plan.

2. <u>Term</u> - The term of this Plan shall be until December 31, 2040 or amended by City Council.

# 3. Commercial and Industrial

<u>Ten Year</u> - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.

- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

<u>Three Year</u> - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

- 4. <u>Multi-Family New Construction (12 or more units)</u> All eligible multi-family construction shall be eligible to receive a 100% exemption for a period of four years.
- 5. <u>Multi-Family Rehabilitation (3 or more units)</u> All eligible multi-family rehabilitation projects shall be eligible to receive a 100% exemption for a period of ten years.
- 6. <u>Improvements</u> Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. Improvements involving multi-family projects shall include new construction of projects resulting in 12 or more units or the rehabilitation of existing multi-family projects containing 3 or more units (assessed as commercial property). In addition, all improvements must result in the following increases in value:
  - For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
  - For residential property, the improvement must increase the actual value of the structure by at least 10%.
  - If no structures were located on the property prior to the improvements, any improvements may qualify.
- 7. <u>Actual Value</u> Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the lowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

# **APPLICATION AND REVIEW PROCESS**

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

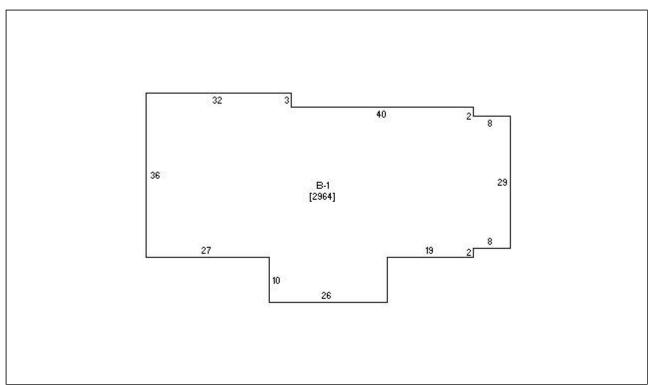

1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.

- 2. The applicant completes the required forms and submits them along with all required data by February 1<sup>st</sup> to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
- 3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the lowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.
- 4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
- 5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
- 6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1<sup>st</sup> as required by Chapter 404 of the Iowa Code.

## **Urban Revitalization Request:**

530 W Broadway, a very visible landmark of the community, has been underutilized for at least the past 30 years. The site was selected for redevelopment based on its close proximity to downtown employment, amenities, and reuse of an existing building (3-story brick building was completed in 1880). bringing activity to the west entrance of downtown Council Bluffs. The completed project will bring activity to the west entrance of downtown and spur development for Bayliss Park (the heart of the community) and adjacent properties. This is a transformative project for Council Bluffs that will:

- Increase the existing tax base and district rents to achieve economic vitality and
- Create a sense of place where businesses and residents want to work, live and play through the physical transformation of the area while maintaining the character and integrity of Council Bluffs downtown.

The 712 Initiative is requesting a 10-year tax abatement for the project. Current assessed is \$412,000 with projected assessed value of \$1,700,000 after a full renovation.

1. Building use(s) with square feet for each use:

Residential: 2<sup>nd</sup> and 3<sup>rd</sup> floors = 8,930 sq ft

Commercial: 1<sup>st</sup> floor = 6,178 sq ft

2. Number of residential units as well as number of affordable units:

# ORDINANCE NO. 6411

# AN ORDINANCE ESTABLISHING THE $5^{TH}$ AND WEST BROADWAY URBAN REVITALIZATION AREA WITHIN THE CITY OF COUNCIL BLUFFS.

- WHEREAS, the City of Council Bluffs has the authority under Chapter 404 of the Code of Iowa to declare an area as an urban revitalization area to be known as the "5<sup>th</sup> & West Broadway Urban Revitalization Area;" and
- WHEREAS, the City of Council Bluffs is contemplating exercising said authority by designating an area legally described as the portion of Block 6, Mynster's Addition Southeast of the right-of-way of Kanesville Boulevard; The portion of Lots C and D, Auditor's Subdivision of Block 6 Mynster's Addition and Block 2 Bayliss 1st Addition located Southeast of the rightof-way of Kanesville Boulevard, and the entirety of the alleyway adjacent to Lot D; Lots E-P, Auditor's Subdivision of Block 6 Mynster's Addition and Block 2 Bayliss 1st Addition, and the vacated alley adjacent to Lot N; Lot 5, Block 2, Bayliss Addition to Council Bluffs; And: Lots 1-13, Auditor's Subdivision of Lot 5, Block 5 Mynster's Addition and Block 1, Bayliss 1st Addition, and the alleyway adjacent; Lot 2 excluding City right-of-way, Lots 3 and 4, and Lots 6-10, Mynster's Addition, all in the City of Council Bluffs,2Pottawattamie County, Iowa., as an urban revitalization area, thus allowing tax abatement for qualified projects; and
- **WHEREAS**, this City Council of the City of Council Bluffs, Iowa, finds that the subject area is appropriate as an urban revitalization area as outlined in Section 404.1(2) of the Iowa Code; and
- WHEREAS, on April 6, 2020, the City Council passed a Resolution of Necessity and Intent to establish an urban revitalization area for the 5<sup>th</sup> & West Broadway Urban Revitalization Area, directing staff to prepare the required revitalization plan and a public hearing was set for May 18, 2020; and

- WHEREAS, the Revitalization Plan has been written and packaged, notification sent to all the property owners and tenants affected and published notification has appeared in the daily newspaper; and
- **WHEREAS**, at its May 12, 2020, meeting, the City Planning Commission reviewed the plan for the 5<sup>th</sup> & West Broadway Urban Revitalization Area and has forwarded its recommendation to this City Council.

# NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COUNCIL BLUFFS, IOWA

**SECTION 1**. That the urban revitalization plan for the 5<sup>th</sup> & West Broadway Urban Revitalization Area, known as the "5<sup>th</sup> & West Broadway Urban Revitalization Plan," attached hereto and made a part hereof, is hereby approved as to form and content.

**SECTION 2.** That the proposed 5<sup>th</sup> & West Broadway Urban Revitalization Area be and the same is hereby approved, pursuant to the proposed plan attached hereto and incorporated herein by this reference.

**SECTION 3.** EFFECTIVE DATE. That this ordinance shall be in full force and effect from and after its final passage and publication, as by law provided.

CASE # URV-20-003				
Subject/Title				
Ordinance establishing the 14 <sup>th</sup> Avenue Urban Revitalization Area within the City of Council				
Bluffs.		-		
Location				
3540 14th Avenue				

# **Background/Discussion**

# Background

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

A proposal has been submitted by Chris Rochleau of Cherry Ridge Construction for 3540 14th Avenue. Cherry Ridge Construction intends to add two mixed-use commercial buildings to the currently vacant site for contractor shops, office space, and auto repair.

# Discussion

Iowa Code permits the City to establish urban revitalization areas, which satisfy one of the five conditions outlined in Section 404.1.

Staff believes this project meets the criteria under 404.1.4: An area which is appropriate as an economic development area as defined in Section 403.17(10) of the Iowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."

On April 6, 2020, City Council approved Resolution 20-92, which directed staff to initiate the process of creating the 14<sup>th</sup> Avenue Urban Revitalization Plan and Area. This resolution set May 18, 2020 as the date of the public hearing.

This matter was brought before the City Planning Commission at their May 12, 2020 meeting. The Commission found the following: 1) That the proposed 14<sup>th</sup> Avenue Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the 14<sup>th</sup> Avenue Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.4.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

# **Staff Recommendation**

The Community Development Department recommends approval of the 14<sup>th</sup> Avenue Urban Revitalization Plan and Area and 1<sup>st</sup> consideration of the ordinance.

# **Public Hearing**

- 1. Speakers in favor: Chris Rochleau, 1425 9th Avenue, Council Bluffs, IA 51501
- 2. No one appeared in opposition.

# **Planning Commission Recommendation**

The Planning Commission recommends approval of the 14<sup>th</sup> Avenue Urban Revitalization Plan and Area.

# INTRODUCTION

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate renovation of a blighted area. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the lowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

- 1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
- 3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
- 4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the lowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."
- 5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the 14th Avenue Urban Revitalization Area meets the criteria of element 4. Consequently, on April 6, 2020, the City Council adopted Resolution No. 20-92, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

# **LEGAL DESCRIPTION**

The 14th Avenue Urban Revitalization Area is a tract of land containing parcel number 754433476001, legally described as:

Lots 16-30, Block 37, Brown's Subdivision, Council Bluffs, Pottawattamie County, Iowa

Illustration 2 shows the location and the boundary of the 14th Avenue Urban Revitalization Area, which consists of 2.08 acres.

# PROPERTY OWNERS AND ASSESSED VALUATIONS

The 14th Avenue Urban Revitalization Area will be comprised of 2.08 acres on one parcel of land owned by 92 Investments LLC. Valuation was obtained from the records of the Pottawattamie County Assessor.

Chris Rochleau of Cherry Ridge Construction has a purchase agreement with the current owner of the property. The land is currently vacant.

# **EXISTING ZONING AND PROPOSED LAND USE**

The 14th Avenue Urban Revitalization Area is currently zoned P-C in parcel 754433476001. The P-C/Planned Commercial District is intended to provide for the development of retail shopping centers, hotel/motel services, destination resorts, and office parks.

Chris Rochleau of Cherry Ridge Construction has a purchase agreement with the current owner of the subject property, and intends to add two buildings to the site to be known as Rivers Edge Business Park (Attachment C.) Cherry Ridge Construction has requested with the Zoning Board of Adjustment that the property be rezoned C-2/Commercial District. The C-2 district is intended to provide for major commercial retail shopping and service areas adjacent to major traffic corridors. This district also provides a variety of commercial services to the community and adjacent residential neighborhoods.

Cherry Ridge Construction intends to add two mixed-use commercial buildings to the site for contractor shops, office space, and auto repair. These are among the principal uses permitted in a C-2 district. The case will be presented to the Zoning Board of Adjustment on 4/21/2020.

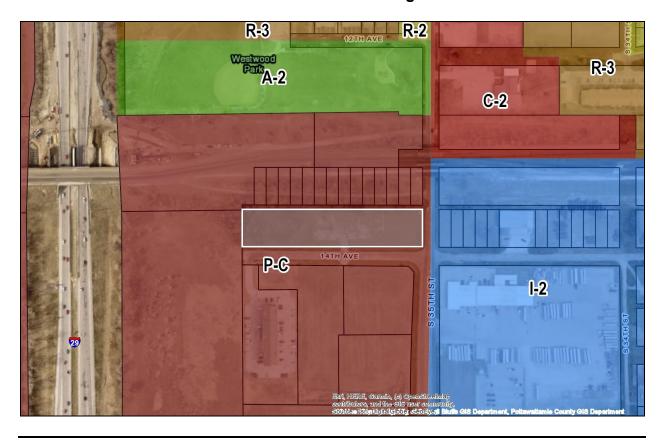

Surrounding properties to the west, north and south are also zoned P-C. Properties east of the subject property are zoned I-2/General Industrial District. Properties northeast of the subject property are zoned C-2/Commercial District. Illustration 3 depicts the existing onsite and surrounding zoning.

Existing land uses in the general vicinity include: a hotel to the south; a trucking company to the east; a rail line to the north; and undeveloped parcels of land to the west and also to the south.

The future land use map of the *Bluffs Tomorrow: 2030 Comprehensive Plan* designates the subject property as Public Park. Westwood Park lies north of the train tracks north of the property.

# PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed 14th Avenue Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The project is located along 14<sup>th</sup> Avenue, just off South 35<sup>th</sup> Street. Both are adequate to handle the additional traffic generated by this proposed project.

# **RELOCATION PROVISIONS**

The proposed 14th Avenue Urban Revitalization Area consists of one vacant parcel; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

# **OTHER PUBLIC ASSISTANCE**

The developer has not requested any additional public assistance.

# APPLICABILITY AND TAX EXEMPTION SCHEDULE

1. <u>Eligibility</u> – The 14th Avenue Urban Revitalization Plan will apply to commercial and industrial land uses.

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion.

2. <u>Term</u> - The term of this Plan shall be until December 31, 2040 or amended by City Council.

# 3. Commercial and Industrial

<u>Ten Year</u> - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

<u>Three Year</u> - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

- 4. <u>Improvements</u> Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. In addition, all improvements must result in the following increases in value:
  - For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
  - If no structures were located on the property prior to the improvements, any improvements may qualify.

267

5. <u>Actual Value</u> - Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the Iowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

# <u>APPLICATION AND REVIEW PROCESS</u>

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

- 1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.
- 2. The applicant completes the required forms and submits them along with all required data by February 1<sup>st</sup> to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
- 3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the lowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.
- 4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
- 5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
- 6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1<sup>st</sup> as required by Chapter 404 of the Iowa Code.

RE: River's Edge Business Park

3540 14th Avenue

Council Bluffs, IA 51501

Parcel Number: 7544 33 476 001

Mr. Chris Gibbon's and the rest of the planning commission,

1425 9TH AVENUE | COUNCIL BLUFFS, IA F: 712-256-2279 | c: 402-813-8113 | F: 402-938-0439 WWW CHERRY RIDGE CONSTITUCTION COM

My name is Chris Rochleau. I am the owner of Cherry Ridge Construction. I am presenting a letter of my intent for the property located at 3540 14<sup>th</sup> Avenue that I have requested to be zoned C-2. It is currently Zoned PC – Planned Commercial. We have spent a tremendous amount of time over the last several months working with City officials, including those in the zoning department to develop an attractive building that would be an incubator for business and provide budding business's an opportunity to get established and grow in our community.

This would bring jobs, provide an improved tax base and be aesthetically appealing. On the site that we are developing we are planning to complete two (2) buildings throughout two (2) separate phases with twelve (12) business spaces per building. I am anticipating three (3) to five (5) employees per space with a total number of employees to be 36 to 60 per building.

We have developed a paving and landscape plan that would meet the necessary requirements and be aesthetically appealing to that area. There are a variety of business that we are wanting to attract to this type of building.

In order to make this project work and provide business opportunities to start up and small businesses we are also requesting the revitalization 10 year tax abatement. This is a WIN – WIN for the City. There is an immediate increase in the tax base, and it will exponentially increase over the next 10 years. It also provides new business opportunities and a place for existing businesses to grow.

I anticipate the development costs with land to be between 1.3mm to 1.5mm per building with a total investment between 2.6mm and 3.0mm.

As you can see from the artist renderings, we are putting stone across the front and East side of the building, upgrading the color scheme and the signage layout. We are in the process of finalizing the exterior lighting plan and are considering a few more upgrades to the landscaping plan.

I have also submitted an application and request for the vacated alley adjacent to the North property line. This is an area that has been unmaintained and a harbor for homeless and criminal activity. I would maintain that area as part of this property with lighting across the back of the building and green space.

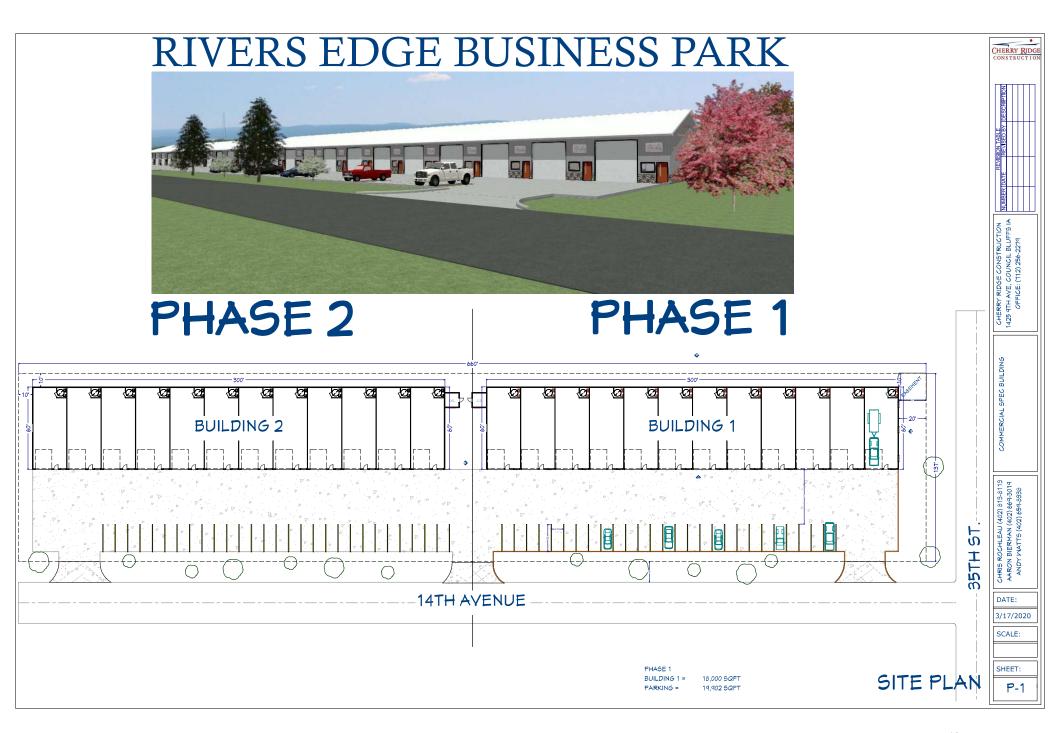

This is going to be different than any other building that has been built in our community. Significant costs are being incurred to make the business park attractive and conducive to start up and small businesses. We have also applied for a conditional use permit so that we can provide a variety of business opportunities to those that are looking.

Sincerely,

ChrisRochleau

President - Cherry Ridge Construction

# Description

An Ordinance to amend Chapter 12.02 "Miscellaneous Provisions" of the 2015 Municipal Code of Council Bluffs, Iowa, by amending Section 12.02.056 "Open Burn Prohibited".

### Background/Discussion

In coordination with the Council Bluffs Fire Department, it was determined that 12.02.056 "Open Burn Prohibited" needed to be updated to reflect that the health department is no longer under control of the City and should instead list the Fire Department as the main department of contact. It was also changed to address a growing concern with the burning of construction lumber (treated and untreated), as well as updating the specifics for Bonfires in accordance with the International Fire Code, as well as other grammatical cleanup.

### Recommendation

The City Legal Department recommends updated 12.02.056 "Open Burn Prohibited" under the terms described herein.

#### 12.02.056 Open Burn Prohibited

For the purpose of this chapter, open burning means the burning of any material wherein air contaminants resulting from combustion are emitted directly into the ambient air without passing through a stack or chimney from any enclosed chamber. A chamber shall be regarded as enclosed when, during the time combustion takes place, only such apertures, ducts stacks, flues, or chimneys as are necessary to provide combustion air and to permit the escape of exhaust gases are open.

- A. It is unlawful for any person to open burn any refuse or to permit open burning of any refuse within the city of Council Bluffs, Iowa. Except as hereinafter provided, this section shall apply to all refuse, including but not limited to waste paper, boxes, market wastes, garden wastes, trees, tree limbs, construction lumber (treated and untreated), automobiles and parts thereof, and any and all materials other than material used as fuel in a furnace or boiler.
- B. This section shall not apply to outdoor fireplaces or barbeque grills used solely for the noncommercial preparation of food. Such outdoor fireplaces or grills may be used at other than daylight hours, but shall not be used for burning of refuse or combustible waste.

Fire containment devices, such as fire pits and chimneys, may be used but are subject to the provisions hereinafter set forth:

1. No outdoor burning is permitted if the wind speed exceeds ten (10) mph;

The fire must be constantly attended and supervised by a responsible adult until the fire has been completely extinguished;

Fire containment devices shall not be permitted within fifteen (15) feet of any combustible
or structure, or within ten (10) feet of a lot line unless mutually agreed upon by the
neighboring property owner;

4. Fire pits or other fire containment devices shall not exceed three feet in diameter;

5. Flames shall be kept below two feet in height above the pit or other fire containment device;

 A portable fire extinguisher or other approved extinguishing equipment, such as a garden hose, must be readily available;

Burning that is offensive or objectionable to a reasonable person because of smoke or odor emissions, or when atmospheric conditions or local circumstances making such fires hazardous, shall be prohibited.

 The fire chief or fire chief's designee has the authority to enforce the regulations contained within CBMC 12.02.056.

C. The Fire Chief or Fire Chief's designee may permit an open fire for the following purposes and subject to the provisions hereinafter set forth:

1. City crews operating under the authority of the department of public works;

2. The instruction of public employees in methods of fighting fires;

On private property used for industrial purposes for the instruction of employees in the methods of fighting fires;

 For public gatherings under the legitimate sponsorship of civic, fraternal, religious, educational or similar organizations;

Bonfires;

a. Permit application and applicable fee is required;

b. Fire ring free of grass and weeds is required;

c. Water source must be available at the proposed site;

d. Fire containment devices shall not be permitted within fifty (50), feet of any
combustible or structure, or within ten (10) feet of a lot line unless mutually agreed
upon by the neighboring property owner;

D. Authorization to permit an open fire will not be granted by the Fire Chief or the Fire Chiefs, designee when such conditions arise that the fire chief deems such fires to be a safety hazard.

Ordinance to amend Chapter 2.08 "Schedule of Fees" of the 2015 Municipal Code of Council Bluffs, Iowa, by amending Section 2.08.030 "Waiver Of Fees".

# Background/Discussion

It has long been the practice not to charge fees for projects undertaken by the City. In my review of our Code, I have been unable to find any authority for this waiver. The rational for not charging fees for our City projects seems sound in that it would essentially be taking the money out of one pocket and putting it into the other.

### Recommendation

I would recommend the adoption of this amendment to Section 2.08.030 of the Council Bluffs Municipal Code.

CASE # URV-20-001		

# Subject/Title

Ordinance establishing the Veterans Memorial Highway Urban Revitalization Area within the City of Council Bluffs.

# Location

706 Veterans Memorial Highway (Tomes RV Park)

# **Background/Discussion**

# Background

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

McGregor Interests, Inc. has a purchase agreement with the current owner of the subject property and intends to redevelop it as a commercial storage facility to be known as 'Lockbox Storage.' The proposed location at 706 Veterans Memorial Highway will be one of the multiple locations of 'Lockbox Storage' across Iowa and Nebraska.

McGregor Interests, Inc. proposes to construct eight storage buildings on the subject property. The submitted site plan shows that the proposed structures will range in size from 6,000 square feet to 23,250 square feet. The largest building is proposed to be the only climate-controlled structure on site and will be located on the southwest corner of the subject property. A 450-square foot office area will be located on the southeast corner of said building. An eight-foot fence will enclose the property. The total investment will be \$4.5 million.

The property is currently assessed at \$410,000, which generates \$11,534 in property taxes annually.

# **Discussion**

Iowa Code permits the City to establish urban revitalization areas, which satisfy one of the five conditions outlined in Section 404.1.

Staff believes this project meets the criteria under 404.1.2: An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment

## **Council Communication**

delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, or welfare in its present condition and use.

On March 23, 2020, City Council approved Resolution 20-69, which directed staff to initiate the process of creating the Veterans Memorial Highway Urban Revitalization Plan and Area. This resolution set May 4, 2020 as the date of the public hearing.

This matter was brought before the City Planning Commission at their April 14, 2020 meeting. The Commission found the following: 1) That the proposed Veterans Memorial Highway Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the Veterans Memorial Highway Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.2. Section 404.1.2 discusses areas that are appropriate under substantial deteriorated or deteriorating structures as defined by Section 403.17.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

## **Staff Recommendation**

The Community Development Department recommends approval of the Veterans Memorial Highway Urban Revitalization Plan and Area and 1<sup>st</sup> consideration of the ordinance based on the following:

- 1. The current property is in poor condition and needs significant site improvements to be redeveloped.
- 2. The proposed project will substantially increase the taxable value of the parcel.
- 3. The proposed project will improve the aesthetics of Veterans Memorial Highway, a major thoroughfare in the city.

## **Public Hearing**

- 1. Speakers in favor: Christopher Gibbons, Planning Manager, City of Council Bluffs
- 2. No one appeared in opposition.

## **Planning Commission Recommendation**

The Planning Commission recommends approval of the Veterans Memorial Highway Urban Revitalization Plan and Area (Motion Holm, Seconded Halm).

## INTRODUCTION

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate renovation of a blighted area. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the lowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

- 1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conductive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
- 2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
- 3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
- 4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the lowa Code which states "an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing."

5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the Veterans Memorial Highway Urban Revitalization Area meets the criteria of element 2. Consequently, on March 23, 2020, the City Council adopted Resolution No. 20-69, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

## RESOLUTION NO. 20-69

A RESOLUTION OF NECESSITY AND INTENT TO ESTABLISH THE VETERANS MEMORIAL HIGHWAY URBAN REVITALIZATION AREA LEGALLY DESCRIBED AS THE NORTH 660 FEET OF THE NE ½ 8W ½ SW ½ OF SECTION 12-74-44, EXCEPT THE WEST 250 FEET, AND THE WEST 16.5 FEET OF THE SOUTH 20 FEET NORTH OF THE HIGHWAY IN THE SE ½ SW ½ OF SECTION 12-74-44, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA.

WHEREAS, the subject area is an appropriate area as defined in Section 404.1.2 of the Iowa Code; and

WHEREAS, a proposal has been submitted for the redevelopment of the area; and

WHEREAS, a plan for the area must be developed in accordance with Section 404.2 of the Iowa Code; and

WHEREAS, thirty days notice of public hearing is required to be sent to all property owners and occupants within

the area; and

WHEREAS, notice of public hearing is also required in accordance with Section 362.3 of the Iowa Code.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COUNCIL BLUFFS, IOWA

That the development of the area is necessary in the interest of the City and the area substantially meets the criteria of Section 404.1.2.

## BE IT FURTHER RESOLVED

That the City Council directs staff to prepare a final plan pursuant to Section 404.2 of the Iowa Code by no later than April 24, 2020.

## BE IT FURTHER RESOLVED

That the City Council directs the City Clerk to set this matter for public hearing on May 4, 2020.

## **LEGAL DESCRIPTION**

The Veterans Memorial Highway Urban Revitalization Area is a tract of land containing parcel number 744412351011, legally described as:

The North 660 feet of the NE  $\frac{1}{4}$  SW  $\frac{1}{4}$  SW  $\frac{1}{4}$  of Section 12-74-44, except the West 250 feet, and the West 16.5 feet of the South 20 feet north of the highway in the SE  $\frac{1}{4}$  SW  $\frac{1}{4}$  of Section 12-74-44, City of Council Bluffs, Pottawattamie County, Iowa

Illustration 2 shows the location and the boundary of the Veterans Memorial Highway Urban Revitalization Area, which consists of 6.18 acres.

## PROPERTY OWNERS AND ASSESSED VALUATIONS

The Veterans Memorial Highway Urban Revitalization Area will be comprised of 6.18 acres on one parcel of land owned by Tomes Inc. McGregor Interests, Inc. has a purchase agreement with the current owner of the property. Tomes Inc currently operates Tomes RV Park on the property.

Valuation was obtained from the records of the Pottawattamie County Assessor.

## **EXISTING ZONING AND PROPOSED LAND USE**

Veterans Memorial Highway Urban Revitalization Area is currently zoned I-2 in parcel 744412351011. The I-2/General Industrial District is intended to provide for the development of general manufacturing and industrial areas. This district is designed to accommodate industrial uses with moderate external effects.

The proposed principal use of the Veterans Memorial Highway Urban Revitalization Area is 'commercial storage,' which is a permitted use in an I-2/General Industrial District. A conditional use permit is required for the ancillary exterior storage component proposed by the McGregor Interests, Inc. The conditional use permit was granted by the Zoning Board of Adjustment on 1/21/2020.

Surrounding properties to the west, north and northeast are also zoned I-2. Properties east of the subject property are zoned C-2/Commercial District. The majority of properties south of Veterans Memorial Highway are also zoned C-2. There is also some land southeast of the subject property that is zoned R-4/High Density Multi-Family Residential District and R-3/Low Density Multi-Family Residential District. Illustration 3 depicts the existing on-site and surrounding zoning.

Existing land uses in the general vicinity include: a truck equipment supplier and dealer to the north; a tire shop to the east; a restaurant, a gas station, a clothing store, a medical clinic, a window supplier, a sign shop and an automotive repair shop to the southwest; and multiple residential uses to the west and across Veterans Memorial Highway to the southeast. Additionally, two non-conforming residential structures abut the subject property to the southeast.

The future land use map of the *Bluffs Tomorrow: 2030 Comprehensive Plan* designates the subject property as Local Commercial. The plan defines "Local Commercial" as areas that include "uses oriented primarily towards goods and services that meet the demand of

Council Bluffs residents. These include grocery stores, convenience stores, pharmacies, banks, auto services, and small offices. They are typically located along visible corridors or at neighborhood centers, and may be configured as multi-tenant shopping centers or individual developments on smaller lots."

McGregor Interests, Inc. has a purchase agreement with the current owner of the subject property, and intends to redevelop it as a commercial storage facility to be known as 'Lockbox Storage.' The proposed location at 706 Veterans Memorial Highway will be one of the multiple locations of 'Lockbox Storage' across Iowa and Nebraska.

McGregor Interests, Inc. proposes to construct eight (8) storage buildings on the subject property. The submitted site plan shows that the proposed structures will range in size from 6,000 square feet to 23,250 square feet. The largest building is proposed to be the only climate-controlled structure on site and will be located on the southwest corner of the subject property. A 450-square foot office area will be located on the southeast corner of said building. An eight-foot fence is proposed to enclose the subject property. The site will be accessed through two existing entrances located along the service road that runs parallel to Veterans Memorial Highway. Electronic gates will be installed at these two access points. The west entrance will serve as the main access point to the site while the gate at the east entrance will be locked at all times and only be used as an emergency access point. A keypad will allow customers to access the site through the main gate.

The site plan also shows ninety-six (96) total parking spaces will be provided on the subject property. Five (5) parking spaces will serve as customer parking and will be located east of the office area. One (1) of those spaces will be designated as handicap parking. As part of this development, McGregor Interests, Inc. proposes to provide exterior storage for boats, recreational vehicles (RVs), trailers and campers as an ancillary use.

The submitted plan of operations (Attachment B) indicates that there will be one full-time onsite property manager at this location, one part-time employee to cover for the full-time employee and an offsite manager who will coordinate maintenance and repairs. Additionally, a company will be contracted to provide security services.

## PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed Veterans Memorial Highway Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The project is located along Veterans Memorial Highway, which is adequate to handle the additional traffic generated by this proposed project.

## **RELOCATION PROVISIONS**

The proposed Veterans Memorial Highway Urban Revitalization Area has one commercial entity operated by the current owner at the 706 Veterans Memorial Hwy location. There are no other tenants at the location; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

## **OTHER PUBLIC ASSISTANCE**

The developer is requesting property tax exemption. The developer has not requested any additional public assistance.

## APPLICABILITY AND TAX EXEMPTION SCHEDULE

1. <u>Eligibility</u> – The Veterans Memorial Highway Urban Revitalization Plan will apply to commercial and industrial land uses.

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion.

2. <u>Term</u> - The term of this Plan shall be until December 31, 2040 or amended by City Council.

## 3. Commercial and Industrial

<u>Ten Year</u> - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.f. For the sixth year, forty percent.
- f. For the sixth year, forty percent.
  g. For the seventh year, thirty percent.
- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

<u>Three Year</u> - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

- 4. <u>Improvements</u> Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. In addition, all improvements must result in the following increases in value:
  - For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the

- 15% increase requirement applies only to the structure or structures upon which the improvements were made.
- If no structures were located on the property prior to the improvements, any improvements may qualify.
- 5. <u>Actual Value</u> Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the lowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

## **APPLICATION AND REVIEW PROCESS**

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

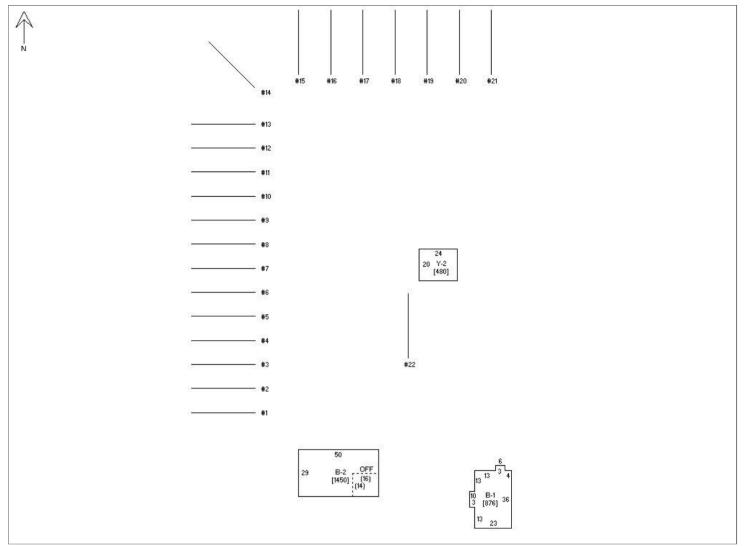

- 1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.
- 2. The applicant completes the required forms and submits them along with all required data by February 1<sup>st</sup> to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
- 3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the lowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.
- 4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
- 5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
- 6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1<sup>st</sup> as required by Chapter 404 of the Iowa Code.

## ORDINANCE NO. 6409

# AN ORDINANCE ESTABLISHING THE VETERANS MEMORIAL HIGHWAY URBAN REVITALIZATION AREA WITHIN THE CITY OF COUNCIL BLUFFS.

- WHEREAS, the City of Council Bluffs has the authority under Chapter 404 of the Code of Iowa to declare an area as an urban revitalization area to be known as the "Veterans Memorial Highway Urban Revitalization Area;" and
- whereas, the City of Council Bluffs is contemplating exercising said authority by designating an area legally described as The North 660 feet of the NE ½ SW ½ SW ¼ of Section 12-74-44, except the West 250 feet, and the West 16.5 feet of the South 20 feet north of the highway in the SE ½ SW ½ of Section 12-74-44, City of Council Bluffs, Pottawattamie County, Iowa, as an urban revitalization area, thus allowing tax abatement for qualified projects; and
- WHEREAS, this City Council of the City of Council Bluffs, Iowa, finds that the subject area is appropriate as an urban revitalization area as outlined in Sections 404.1(2) of the Iowa Code; and
- where with the control of March 23, 2020, the City Council passed a Resolution of Necessity and Intent to establish an urban revitalization area for the Veterans Memorial Highway Urban Revitalization Area, directing staff to prepare the required revitalization plan and a public hearing was set for May 4, 2020; and
- **WHEREAS**, the Revitalization Plan has been written and packaged, notification sent to all the property owners and tenants affected and published notification has appeared in the daily newspaper; and
- **WHEREAS**, at its April 14, 2020, meeting, the City Planning Commission reviewed the plan for the Veterans Memorial Highway Urban Revitalization Area and has forwarded its recommendation to this City Council.

## NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COUNCIL BLUFFS, IOWA

**SECTION 1**. That the urban revitalization plan for the Veterans Memorial Highway Urban Revitalization Area, known as the "Veterans Memorial Highway Urban Revitalization Plan," attached hereto and made a part hereof, is hereby approved as to form and content.

**SECTION 2.** That the proposed Veterans Memorial Highway Urban Revitalization Area be and the same is hereby approved, pursuant to the proposed plan attached hereto and incorporated herein by this reference.

**SECTION 3.** EFFECTIVE DATE. That this ordinance shall be in full force and effect from and after its final passage and publication, as by law provided.

## Description

Resolution accepting the bid of Compass Utility, LLC for the East Manawa Sewer Rehab, Phase IX. Project # PW21-09

## Background/Discussion

On May 7, 2020 bids were received in the office of the city clerk as follows:

			Division			
	Division I	Division II	III Storm	Division IV	Division V	
	<u>General</u>	Pavement	Sewer	San. Sewer	Water Main	<u>Total</u>
Compass Utility, LLC, Council Bluffs, IA	\$149,344.93	\$226,900.81	\$34,341.70	\$362,699.67	\$94,707.39	\$867,994.50
Carley Construction, LLC, Council Bluffs, IA	\$356,020.00	\$293,521.00	\$42,451.00	\$543,705.00	\$117,875.00	\$1,353,572.00
Engineer's Opinion (EGA)	\$203,015.00	\$222,208.00	\$30,077.75	\$387,062.00	\$98,570.00	\$940,932.75

The area of East Manawa is very flat with open ditches. There are no storm sewers in this area and the streets are thin asphalt or seal-coated rock roads. During rainfall events, considerable surface ponding occurs due to the poor drainage. Due to the narrow right-of-way (30 ft.) and the high water table in the area, conventional storm sewer construction is not practical. The use of porous pavement in conjunction with a drainable granular base and shallow subdrain/conveyance system was determined to be the most cost effective means available to improve the area drainage. The rehab program also includes installation of new sanitary sewers utilizing a vacuum system.

Phase I and II of the program included Huron Circle from Navajo to north of Osage Street. Phase III of the program was construction of the sanitary sewer vacuum pump station. Phase IV was the first phase of vacuum sewer installation with the porous pavement and subdrain system on Huron Circle from Navajo to just west of Blackhawk Street. Phase V continued the rehab along Huron Circle from just west of Blackhawk Street to 585 feet east and Osage Street from Huron Circle to Victor Street. Phases VI and VII are now complete and included Blackhawk Street, Victor Street from Osage to Blackhawk Street, and Aztec Street from Huron Circle to Victor. Phase VIII is substantially complete and includes Victor Street and Aztec Street from Victor to the south.

Phase IX includes extending the vacuum sewer along the west side of Navajo Street from just south of Huron Circle to south of Victor Street and reconstruction of East Navajo Street from Victor Street to Huron Circle.

This project was included in the FY21 CIP and includes a budget of \$1,000,000 in Sales Tax Funds.

The project schedule is as follows: Award May 18, 2020

Construction Start June 2020

Resolution 20-132 ITEM 7.C.

Council Action: 5/18/2020

## Description

Resolution to set the non union wage increase for FY21

## Background/Discussion

The City has budgeted for a 2.5% non-union wage increase. The four Unions' increases for FY21 are:

Police: 2.75% Fire: 2.75% CWA: 2.5% AFSCME: 2.5%

The City is purposing a non-union wage increase of 2.75% for the Police Supervisory pay scale, which is consistent with the Police Union employees; a wage increase of 2.75% for the Fire Supervisory pay scale, which is consistent with the Fire union employees; and a wage increase of 2.5% for the other non-union scale, which is consistent with the most recent union wage increases.

Broadway AND White Oak Station, 2024 5th Avenue.

## Background/Discussion

On or about February 11, 2020, a citation was issued to an employee at each of these businesses for providing tobacco to a minor. We pursued a civil penalty against the permit holders. The civil penalty for a first violation is \$300.00. Each of these businesses have made payment of the \$300.00 penalty and have submitted their executed Acknowledgment/Settlement Agreement. A resolution has been prepared authorizing the Mayor to execute the Orders to Accept the Acknowledgment/Settlement Agreements from each of these businesses.

## Recommendation

It is in the best interest of the City to execute an Order accepting the Acknowledgment/Settlement Agreements from each of these businesses.

#### Subject/Title

**Requests:** The Community Development Department has received requests from the Council Bluffs Community School District for the following items:

- 1. Case #ZC-20-002: A request to rezone the following properties from R-3/Low-Density Multifamily Residential District to A-P/Administrative Professional District:
  - a. the Gerald W. Kirn Middle School campus, located at the northwest corner of the intersection of East Kanesville Boulevard and North Avenue and legally described as a parcel of land in the north half of Section 30, T75N, R43W and in the City of Council Bluffs, all in Pottawattamie County, Iowa more particularly described as follows: that portion of the Auditor's Subdivision in the northwest quarter of the northeast quarter of said Section 30 which lies west of North Avenue, excluding the north 122 feet; and part of Lot 1, excluding State of Iowa Highway 6 right-of-way and all of Lot 2 in J.F. Wilcox Home Subdivision; and Lots 1 through 4, Block 2; Lots 1 through 5, Block 3; and the North 2/3 of Lots 1 through 3, Block 6 in Prospect Place; and Lot 9, Block 1 in Marty's Addition; and that portion of vacated Crittenden, Catalpa, and Maple Streets and adjacent vacated 16' alley west of the west North Avenue right-of-way line from; and
  - b. the Hoover Elementary School campus located at 1205 North Broadway Street and legally described as a parcel of land in the Auditor's Subdivision, Section 30-75-43, City of Council Bluffs, Pottawattamie County, IA more particularly described as Lot 3, Auditor's Subdivision in the NE ¼ NW ¼ and part of the SE ¼ NW ¼ commencing at the NW corner of Lot 3, thence southerly 500', easterly 429.6', northerly 48', easterly 143', northerly 635.5', and westerly 742.5' to the point of beginning and the southerly 62.96' of Lot 28 and all of Lot 27, Auditor's Subdivision Sublot 6 in the NE ¼ NW ¼; and
- 2. Case #MIS-20-003: A request to adopt a site-specific signage plan for the Gerald W. Kirn Middle School campus, legally described above.

#### CASE #ZC-20-002 Background

The Community Development Department has received an application from the Council Bluffs Community School District, represented by Dr. Vickie Murillo, to rezone the Kirn Middle School and Hoover Elementary School campuses, both legally described above, from R-3/Low-Density Multifamily District to A-P/Administrative Professional District. The purpose of this request is to allow the applicant to adopt a site specific signage plan for the Kirn Middle School campus, which is approximately 17.4 acres in size. Per Section 15.33.160(4)(E), A/P Administrative professional district sign regulations, 'any property, or combination of contiguous properties owned by the same person or entity, that are zoned A-P District and contain a minimum of one and one-half acres of total land area, shall be allowed to adopt a site specific sign plan that is subject to review by the City Planning Commission and approval by City Council.'

As a part of a larger campus remodel, Kirn Middle School is currently updating on-site signage. The proposed signage for the Kirn campus exceeds what is allowed under the current R-3/Low-Density Multifamily Residential zoning of the property and Section 15.33.080, *Exempt Signs*, of the City's zoning ordinance. After discussing the applicant's signage needs, it was decided that the adoption of a site specific signage plan was most the appropriate avenue for permitting signage at the subject property. The applicant is including Hoover Elementary School campus in the rezoning request to remain consistent with the zoning of the adjacent Kirn Middle School property. A signage plan for Hoover Elementary is not proposed at this time. A location/zoning map is included as Attachment 'A.'

#### CASE #MIS-20-003 Background

The applicant has made an application to adopt a site specific signage plan for the Kirn Middle School campus located at the northwest intersection of Kanesville Boulevard and North Avenue. The proposed signage plan is outlined below:

#### Existing Signage

- One 18 square foot attached wall sign
- One 53 square foot detached monument sign

Total: 71 square feet

#### Proposed Signage

- One 64 square foot attached wall sign
- One 16 square foot attached wall sign

Total: 80 square feet

The proposed signage plan includes 151 square feet of signage total. The submitted signage inventory is included with this report as Attachment 'B.'

#### Land Use and Zoning

The subject properties are currently zoned R-3/Low-Density Multifamily District. Surrounding zoning in the general vicinity of the requests includes: R-1/Single-Family Residential and R-3/Low-Density Multifamily Residential zoning to the north; R-3/Low-Density Multifamily Residential, C-2/Commercial, and R-4/High Density Multifamily residential zoning to the east; A-P/Administrative-Professional, C-2/Commercial, C-3/Commercial and R-1/Single-Family Residential zoning to the south; and R-2/Two-Family Residential zoning to the west.

Surrounding land uses in the general vicinity include: single-family homes, the Phoenix House, and a cell tower to the north; multifamily residential developments and commercial tenants to the east; single-family homes, a dry cleaner, insurance agency, restaurant, bank, grocery store and car wash to the south; and single-family homes to the west.

The future land use plan of the Bluffs Tomorrow 2030 (Comprehensive Plan) designates the subject property as 'Public/Semi-Public' and 'Loess Hills Preservation Area.' The proposed request is consistent with these designations as the schools will remain public facilities and will not have an impact on the Loess Hills Preservation Area.

The following attachments are included with this report:

Attachment A: Location/Zoning Map

Attachment B: Applicant's Submitted Signage Inventory

#### Comments

The proposed requests were routed to all City departments and local utility providers. The following comments were received:

- Black Hills Energy stated that they have no concerns regarding the requests.
- <u>MidAmerican Energy</u> stated that they have no conflict with the requests and that the applicant should be advised to contact MidAmerican Energy to directly discuss any future electric service needs for the property.
- <u>The Council Bluffs Permits and Inspections Division</u> stated that they have no comments regarding the requests.
- <u>The Council Bluffs Park and Recreation Department</u> stated that they have no comments regarding the requests.
- <u>The Council Bluffs Public Works Department</u> stated that they have no comments regarding the requests.
- <u>The Council Bluffs Community Development Department</u> provided the following comments regarding the proposed rezoning, Case #ZC-20-002:
  - 1. If the proposed rezoning is approved, the subject properties will be rezoned to a district that is consistent with the general character of the area as the A-P/Administrative Professional District is intended to provide "for the development of professional and low-intensity business offices and uses in areas where residential dwellings predominate." The proposed rezoning is in close proximity to the Methodist Jennie Edmundson Hospital and CHI Mercy Hospital campuses, also zoned A-P/Administrative Professional District, and located just southwest of the subject properties.
  - 2. The proposed rezoning is consistent with the 'Public/Semi-Public' future land use designation as the school campuses will remain public facilities. The proposed rezoning is also consistent with the 'Loess Hills Preservation Area' future land use designation as the proposed signage at Kirn Middle School will not have an impact on the integrity of the Loess Hills environment.
- <u>The Council Bluffs Community Development Department</u> provided the following comments regarding the proposed adoption of a site specific signage plan for Kirn Middle School, Case #MIS-20-003:
  - 1. Per Section 15.33.080, Exempt Signs, of the City's Municipal Code (Zoning Ordinance), "ground, monument, or wall signs for on premise religious assembly or school use only; up to a maximum sign area of thirty-two (32) square feet per sign face." Of the signs included in the submitted signage plan, two of the signs are above thirty-two (32) square feet, and thus cannot be approved administratively and require the adoption of a signage plan.
  - 2. The proposed signage plan includes both existing and proposed signage. The proposed signs included in the submitted signage plan are generally appropriate in design, size and height.
  - 3. An adopted site-specific signage plan is appropriate for the Kirn Middle School campus for the following reasons:
    - The campus serves multiple community purposes;
    - The Kirn Middle School property is over 17.4 acres in size and has frontage on two streets, one of which is a major corridor within the city; and
    - The site has a high amount of public traffic to and from the campus on a daily basis.

The proposed signage plan will allow the applicant to adequately meet their current signage needs

and appropriately update on site signage as needed.

- 4. A total of 151 square feet of signage shall be allowed at the subject property as follows:
  - a. One 18 square foot attached wall sign
  - b. One 53 square foot detached monument sign
  - c. One 64 square foot attached wall sign
  - d. One 16 square foot attached wall sign
- 5. All new signage shall be permitted separately prior to installation.
- 6. The Community Development Director, or his/her designee, shall have administrative authority to approve signage requests above and beyond the maximum allowed, not to exceed twenty (20) percent of the maximum allowed signage.

#### Recommendation

The Community Development Department recommends the following:

- 1. Approval of rezoning the following properties from R-3/Low-Density Multifamily Residential District to A-P/Administrative Professional District:
  - a. the Gerald W. Kirn Middle School campus, located at the northwest corner of the intersection of East Kanesville Boulevard and North Avenue and legally described as a parcel of land in the north half of Section 30, T75N, R43W and in the City of Council Bluffs, all in Pottawattamie County, Iowa more particularly described as follows: that portion of the Auditor's Subdivision in the northwest quarter of the northeast quarter of said Section 30 which lies west of North Avenue, excluding the north 122 feet; and part of Lot 1, excluding State of Iowa Highway 6 right-of-way and all of Lot 2 in J.F. Wilcox Home Subdivision; and Lots 1 through 4, Block 2; Lots 1 through 5, Block 3; and the North 2/3 of Lots 1 through 3, Block 6 in Prospect Place; and Lot 9, Block 1 in Marty's Addition; and that portion of vacated Crittenden, Catalpa, and Maple Streets and adjacent vacated 16' alley west of the west North Avenue right-of-way line from; and
  - b. the Hoover Elementary School campus located at 1205 North Broadway Street and legally described as a parcel of land in the Auditor's Subdivision, Section 30-75-43, City of Council Bluffs, Pottawattamie County, IA more particularly described as Lot 3, Auditor's Subdivision in the NE ¼ NW ¼ and part of the SE ¼ NW ¼ commencing at the NW corner of Lot 3, thence southerly 500', easterly 429.6', northerly 48', easterly 143', northerly 635.5', and westerly 742.5' to the point of beginning and the southerly 62.96' of Lot 28 and all of Lot 27, Auditor's Subdivision Sublot 6 in the NE ¼ NW ¼.
- 2. Approval to adopt a site-specific signage plan for the Gerald W. Kirn Middle School campus, legally described above.

**WHEREAS,** The proposed signage inventory is included with this report as Attachment 'B.' Existing and proposed signage is outlined below:

#### Existing Signage

- One 18 square foot attached wall sign
- One 53 square foot detached monument sign

Total: 71 square feet

#### Proposed Signage

- One 64 square foot attached wall sign
- One 16 square foot attached wall sign

Total: 80 square feet

The proposed plan includes 151 square feet of total signage; and

**WHEREAS,** The Community Development Department provided the following comments regarding the proposed signage plan:

A. Per Section 15.33.080, Exempt Signs, of the City's Municipal Code (Zoning Ordinance), "ground, monument, or wall signs for on premise religious assembly or school use only; up to a maximum sign area of thirty-two (32) square feet per sign face." Of the signs included in the submitted signage plan, two of the signs are above thirty-two (32) square feet, and thus cannot be approved administratively and require the adoption of a signage plan.

- The proposed signage plan includes both existing and proposed signage. B. The proposed signs included in the submitted signage plan are generally appropriate in design, size and height.
- C. An adopted site-specific signage plan is appropriate for the Kirn Middle School campus for the following reasons:
  - The campus serves multiple community purposes;
  - The Kirn Middle School property is over 17.4 acres in size and has frontage on two streets, one of which is a major corridor within the city; and
  - The site has a high amount of public traffic to and from the campus on a daily basis.

The proposed signage plan will allow the applicant to adequately meet their current signage needs and appropriately update on site signage as needed.

- D. A total of 151 square feet of signage shall be allowed at the subject property as follows:
  - 1. One 18 square foot attached wall sign;
  - One 53 square foot detached monument sign; 2.
  - One 64 square foot attached wall sign; and 3.
  - 4. One 16 square foot attached wall sign.
- All new signage shall be permitted separately prior to installation. E.
- The Community Development Director, or his/her designee, shall have F. administrative authority to approve signage requests above and beyond the maximum allowed, not to exceed twenty (20) percent of the maximum allowed signage.

#### NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL **OF THE** CITY OF COUNCIL BLUFFS, IOWA

That the site-specific signage plan for Gerald W. Kirn Middle School campus, as shown in Attachment 'B', and on property legally described above, is hereby adopted.
