Council Communication

Department: Community Development CASE #OTB-22-004 Applicant: John R. Rapaich P.O. Box 8244 Omaha, NE 68108	Reso. of Intent No. _____ Reso. to Dispose No. _____	Set Public Hearing: 4/25/2022 Public Hearing: 5/9/2022

Subject/Title

Request of John R. Rapaich to purchase surplus City-owned property legally described as former Wabash Railroad right-of-way across Lots 1 and 2, Block 27, Fleming and Davis Addition, City of Council Bluffs, Pottawattamie County, Iowa.

Location: Former railroad right-of-way east of 1310 S 10th Street

Background/Discussion

The Community Development Department has received an offer from John R. Rapaich to purchase the surplus city-owned property legally described above. The subject property is classified as 'transitional dispose'. This piece of land is part of former Wabash Railroad right-of-way that the City acquired from the Iowa Natural Heritage Foundation in 2003. Part of the former railroad ROW was utilized for construction of a multi-use trail, and the rest, including the subject property, has remained undeveloped and unmaintained by the City. No future trails are planned on the remainder of the ROW. The subject property is therefore of no use to the city, and as such, it is a good candidate for disposal.

The applicant proposes to acquire the subject property to expand and square off the adjacent property he owns to the north and east. The applicant has no plans to build on the land at this time.

According to the adopted *Inventory and Disposal Policy for Surplus City Property*, dated April 23, 2018, the subject property shall be priced at a value established by the most recent fee schedule for street/alley vacations, which is $177.30. The applicant has offered $177.30 and has submitted a down payment of $17.73 plus a $50.00 nonrefundable administrative fee.

The City has not incurred any maintenance cost for this property.

The subject property is zoned I-2/General Industrial District and is a trapezoid-shaped parcel containing 982 square feet, which does not meet the minimum lot size requirement for the I-2/General Industrial District. The applicant owns the adjacent property to the north and east (formerly addressed as 1319 S. 17th Street). The applicant will use the subject property to expand and square off the southwest corner of their existing adjacent property. The subject property combined with the applicants' existing property will contain 112,495 square feet, which exceeds the minimum lot size required for the I-2/General Industrial District. The property, though irregularly shaped, will meet minimum width and depth requirements as well.

Recommendation

The Community Development Department recommends setting a public hearing on the disposal of the property legally described as former Wabash Railroad right-of-way across Lots 1 and 2, Block 27, Fleming and Davis Addition, City of Council Bluffs, Pottawattamie County, Iowa on the April 25, 2022 City Council Meeting.
