Good evening
I am writing to express my displeasure at the idea of
SUB-22-006
ZC-22-003
PR-22003
CP-22-001

As a resident of the Lewis Central District, our district infrastructure is not set up for this. Our schools are full, and difficult to navigate with the students they have now. The traffic on Greenview and Franklin is busy as it is, and not built for additional influx of traffic.

Thank you for considering this
