Moises -

I would like to be added to the list to speak at the public hearing on April 12 regarding the letter I received regarding the Northwest corner of the intersection of Greenview Road and Franklin Avenue.

I would also like to inquire about the process that the City of Council Bluffs requires when it comes to petitions involving rezoning. I wanted to check with you and see if there was a template we needed to use prior to getting signatures, or if I needed to make one myself.

I will be collecting signatures from residents that are within 200 feet as well as a petition involving residents of Whispering Oaks to provide evidence in opposition of this proposal.

Looking forward to hearing from you.

Thank you for your time,
Jessica Rosenberg
