15.22.010 Statement Of Intent

The I-3 district is intended to provide areas of the city for activities and uses of a heavy industrial character. This district is designed to accommodate industrial uses which have significant external effects. These uses typically have operating characteristics and environmental effects that make them incompatible with surrounding uses. The I-3 district is most appropriately located in areas that are separated from residential and consumer-oriented commercial districts.

(Ord. 5958 § 1, 2007)
