Dear Mr. Gibbons,

This letter is to inform you that Echo Group is continuing to lease the facility at 2703 East Kanesville Blvd in Council Bluffs. We were granted a Temporary Use permit for this location in November 2019 that has since expired. When we initially requested the Temporary Use permit, we were proposing to use the facility as an experiment for a new service that we had developed for our existing customer base. This new service has been very well received by our customers and we are currently searching for a larger facility in or around Council Bluffs to relocate this portion of our business.

At this time, we are requesting that the Temporary Use permit that was granted in Resolution Number 19-264 by the City Council be extended until December 31st, 2023 to allow us time to acquire a more suitable facility for this portion of our business. As part of our request, we acknowledge our responsibility to continue to comply with all the requirements that were agreed upon in the original Temporary Use Permit.

Thanks for your consideration on this matter.

Sincerely,

Greg Johnson
Echo Group Inc.
