Dear Dave Vermillion:

Enclosed is our streetlight proposal for the South Expressway Project in Council Bluffs, IA.
WMIS: 2977396

This proposal includes the installation of streetlights on: **South Expressway**

We Propose To:

Install:	**5**	250W	LED streetlights on 30-foot poles with 6-foot mast arms
Install:	**2**	250W	LED streetlights on 35-foot poles with 15-foot mast arms

These lights will be installed on steel poles and served by underground conductors, but will be billed to the city at the wood pole, overhead rate because the city has agreed to pay the streetlight facilities charge. The applicant charge for this work is **$65,809.09**.

MidAmerican Energy Company's street light proposal is based on the approved street light analysis provided by the City. MidAmerican Energy Company will install the lights based on the staked locations provided in the field by the customer.

Pursuant to MidAmerican's tariff, the Applicant is required to pay actual permit fees. Permit fees may not be offset by Revenue Credit and are to be paid regardless of whether the applicant is required to pay a Refundable Advance or a Nonrefundable Contribution.

If this proposal meets with your approval, please sign, and return one (1) copy of this letter. Upon receipt of your approval, we will prepare work instructions and schedule the installation of these lights once the site is confirmed ready. This proposal is valid for 90 days and if MidAmerican Energy Company construction has not commenced within 12 months it may be voided. If you have any questions, please contact me at 515.252.6565.

Sincerely,
MidAmerican Energy Company
