Subject/Title

Establishment of the 2022 Amendment to the Council Pointe road Urban Revitalization Area.

Location

Intersection of Veterans Memorial Highway and Council Pointe Road.

Background/Discussion

Background

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

On March 26, 2018, City Council adopted Resolution No. 18-95 approving the Council Pointe Road Urban Revitalization Plan. Subsequent to this action, Ordinance No. 6326 was adopted on April 9, 2018, which established the Urban Revitalization Area.

The Community Development Department wishes to amend the Urban Revitalization Area by adding one additional parcel with development potential. A preliminary site plan proposal has been submitted by Talon Construction for the construction of a multi-family residential project. This additional 21.59 acres will be developed into six buildings with no more than 400 multi-family units, a community center and office building and a storm retention pond. Staff has prepared an amendment to the Plan in accordance with Section 404.2 of the Iowa Code.

Discussion

Iowa Code permits the City to establish urban revitalization areas which satisfy one of the five conditions outlined in Section 404.1. Staff believes this project meets the criteria under 404.1.2. Section 404.1.2 discusses an area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, or welfare in its present condition and use.

Council Communication

On January 9, 2023, City Council approved Resolution 23-05, which directed staff to initiate the process of creating the 2022 Amendment to the Council Pointe Road Urban Revitalization Plan and Area. This resolution set February 13, 2023 as the date of the public hearing.

This matter was brought before the City Planning Commission at their January 10, 2023 meeting. The Commission found the following: 1) That the proposed 2022 Amendment to the Council Pointe Road Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the Council Pointe Road Urban Revitalization Area is appropriate for urban revitalization as specified in Section 404.1.2 which discusses areas that are appropriate for economic development as defined by Section 403.17.

Property owners were notified, and no comments were received. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.
