The City of Council Bluffs, State of Iowa is the local public agency which, if such Amendment is approved, shall undertake the urban renewal activities described in such Amendment.

The general scope of the urban renewal activities under consideration in the Amendment is to rehabilitate, conserve and redevelop land, buildings and other improvements within such area through the elimination and containment of conditions of blight so as to improve the community through the establishment of effective land use controls, through use of an effective program of rehabilitation of existing buildings and elimination of those structures which cannot be economically rehabilitated, with a limited amount of acquisition, clearance, resale and improvement of land for various purposes specified in the Amendment. To accomplish the objectives of the Amendment, and to encourage the further economic development of the Urban Renewal Area, the Amendment provides that such special financing activities may include, but not be limited to, the making of loans or grants of public funds to private entities under Chapter 15A, Code of Iowa. The City also may reimburse or directly undertake the installation, construction and reconstruction of substantial public improvements, including, but not limited to, street, water, sanitary sewer, storm sewer or other public improvements. The Amendment provides that the City may issue bonds or use available funds for purposes allowed by the Plan and that tax increment reimbursement of the costs of urban renewal projects may be sought if and to the extent incurred by the City. The Amendment initially proposes no specific public infrastructure or site improvements to be undertaken by the City, and provides that the Amendment may be amended from time to time.

The proposed Amendment No. 5 would update the description of previously approved urban renewal projects to be undertaken within the Urban Renewal Area. The proposed Amendment adds no new land.

Other provisions of the Plan not affected by the Amendment would remain in full force and effect.
