On 2-15-20 at approximately 1:13 am, I conducted a traffic stop on a vehicle in front of the Cube (162 W Broadway). While speaking with the driver of the vehicle I noticed a verbal disturbance taking place at the entrance of the Cube. I was aware that Officer Burleigh was parked in the area so immediately radioed to him to inform him of the situation. The verbal disturbance quickly escalated into a physical disturbance out in front of the Cube. I looked down at the driver of the vehicle I'd stopped to inform her that she could leave and suddenly noticed that Officer Burleigh was attempting to arrest a female that was physically resisting him. At that point, I assisted Officer Burleigh by conducting a double under-hook on the female and taking her to the ground. While we were attempting to handcuffs the female a large crowd gathered around us and began yelling/cursing at us. At that point I feared for my safety and the safety of Officers Burleigh. I deployed my Taser and ordered the crowd to get back, my commands were ineffective. Once we were able to get the female party in handcuffs, we escorted her to Officers Burleigh's cruiser. A male party, Robert Malone continued approaching us while we were attempting to escort the female to Officer Burleigh's cruiser. Robert was yelling at officers and demanding to have our badge numbers.

Once we escorted the female to Officer Burleigh's cruiser Robert was still yelling at officers aggressively. Officer Burleigh attempted to place Robert in handcuffs and Robert began to physically resist by pulling away from Burleigh. At that point, I assisted Officer Burleigh by conducting a double under-hook on Robert and taking him to the ground. Robert continued to resisted officers while he was on the ground and refused to walk on his own once he was placed in handcuffs. It took several officers to pick up Robert and place him in the back of a police cruiser.

Robert was placed into my cruiser, I transported Robert to Pott County Jail. Officers Burleigh advised me that Robert was being place under arrest for public intox and interference w/ official acts. On our way to the Jail Robert was verbally combative with me, while Robert yelled at me in my cruiser I could smell a strong odor of an intoxicating beverage coming from his breath. Robert denied being intox, once we arrived at the jail, I noticed that his eyes were bloodshot. Once I got Robert out of my cruiser to escort him inside the jail I once again could smell the odor of an intoxicating beverage coming from his breath.

I will also note that staff at the Cube were encouraging an assault on officers by taunting and recording us on their phones while officers attempted to make arrests and control the crowd of people. This situation was very dangerous for officers and staff at the Cube are no longer cooperating with CBPD. This information should be passed on to other officers who may be responding to disturbances at the Cube.

On 2-22-20, at approximately 12:46 am, I was dispatched to The Cube (162 W. Broadway) to assist Ofc. Benson after a patron flagged him down. Upon my arrival, I made contact with John Tucker Jordan (offender). Jordan had bloodshot, watery eyes and the strong odor of alcohol coming from his person. Jordan had slurred speech and unsteady balance (PUBLIC INTOXICATION). Ofc. Benson informed me that Jordan was witnessed urinating on the outside wall of The Cube. I handcuffed Jordan with both hands behind his back, double locked, and checked for proper fit.

While handcuffing Jordan, I asked him where he had been drinking tonight. Jordan stated, "Right here," while nodding his head straight at The Cube. I asked Jordan who served him alcohol and he stated that it was a brunette female.

Blaine Olinde (witness) told Sgt. Selander that he had seen Jordan exiting The Cube prior to urinating on the wall.

I went inside The Cube and did not locate a female bartender. I found Zach Allen Aughe (offender) as the sole person serving drinks. I confirmed with Aughe that he was the manager of The Cube. Aughe stated that he was the manager. I explained the situation to Aughe and asked for his ID. I returned to my police vehicle and typed out a citation for PROVIDING ALCOHOL TO AN INTOXICATED PERSON.

I explained the citation to Aughe as he record with his GoPro camera. Aughe stated that his bouncer told him that the male had "came from next door," and was not inside his business.

I transported Jordan to Pott. County Corrections. I attempted to get clarification from Jordan about who exactly served him alcohol. Jordan was unable to answer my question. I offered a PBT to Jordan but he refused.

On March 5, 2020 at 11:42 pm, I, Ofc. C. Schoening was dispatched to 162 W Broadway St. (The Cube) for a disturbance inside the bar. Dispatch advised the caller stated the suspect had left west on W Broadway in a vehicle.

Officers stopped the vehicle at Main and W Broadway St. Officers made contact with a male driver who was identified as Abram, Treshawn.

I spoke with Walker, Eric, employee of The Cube. Walker stated Abram had been standing outside of the club most of the night talking with people before he made his way inside. Walker told me he advised Abram he is not to be on the property and told Abram he needed to leave.

Walker stated Abram had been fired from their security team due to a previous incident. Walker advised Abram he was not allowed on location and if he returned police would be called. Abram has been advised several times not to return by Walker. Walker stated he wanted Abram cited for trespassing and banned and barred from the club.

Upon meeting with Abram, I cited him for Criminal Trespassing 1st offense. Abram was also issued a Trespass Notice. Abram acknowledged what he was being cited for and signed the documents

Cube management signed the Trespass Noticed.

On July 17, 2020, at 1:15 AM, Officers were sent to the Cube for an intoxicated female on location. The female left prior to the arrival of Officers.

07/18/20

On July 18, at 1:30 AM, Officers were dispatched to the Cube for an intoxicated female causing a disturbance. The call was handled by Officers.

07/26/20

On July 26, 2020, at 1:24 AM, Officers were dispatched to the Cube for a disturbance between two men. Both men were served with Banned/Barred notices.

08/15/20

On August 15, 2020, at 1:34 AM, Officers were sent to the Cube for a female causing a disturbance. The call was handled by Officers.

09/04/20

On September 4, 2020, at 12:54 AM, Officers and a CBFD Fire Investigator were conducting capacity counts at businesses in the 100 block of W. Broadway. The Cube Ultra Lounge was over capacity and also in violation of Governor's Safety Proclamation. The bar manager was issued a citation for both infractions. While Officers were on scene, conducting that investigation, a disturbance broke out inside the bar. A female was arrested for public intoxication.

09/07/20

On 09-07-2020 at approximately 1:31 am, I was dispatched to the area of 162 W. Broadway Street for a bar disturbance.

Upon my arrival, I provided scene security for officers on location. Officer Porter had a male party detained near the Black Squirrel. The listed offender, Delton Collins, was walking from the area of either "The Cube" or "Rodeo Bar" when he stopped and started asking the detainee what was going on. I directed Collins to leave the area and find a safe ride home. Collins refused to leave the area. Officer Porter also told Collins to leave several times. Collins continued to remain in the area and attempt to talk with the detainee. Officer Porter walked toward Collins and again told him to leave the area or he would go to jail. Collins walked away for about one minute before returning and talking to the detainee once again. I informed Collins he was under arrest for disobedience and public intoxication.

I placed Collins into handcuffs checking for proper fit and double locking them.

Collins had red bloodshot watery eyes, slurred speech, and an odor of an intoxicating beverage emitting from his breath.

I offered Collins a preliminary breath test but he was too intoxicated to submit a valid sample.

I transported Collins to Pottawattamie County Corrections without incident.

Once out to Corrections Collins vomited in his cell due to his high level of intoxication.

Second Officer's Report

On Mon 09-07-20, at 1:31 am, reporting officer was dispatched to 162 W. Broadway, The Cube, on an assault. Upon arrival, R/O made contact with the listed offender, OPARA, Diana. OPARA was rinsing her eyes with milk, and she stated she had been 'pepper sprayed" by security. OPARA stated she was inside The Cube when she had some words with her ex-boyfriend, MILAGNAWOE, Adama, his friend, "Junior," and another female. OPARA stated MILAGNAWOE was telling "Junior" to hit her because he did not want to go back to jail. OPARA stated security escorted all of them outside. OPARA stated as they were outside, "Junior" and MILAGNAWOE started to hit her in her face. OPARA stated 'Junior" hit her multiple times and MILAGNAWOE hit her once. OPARA described "Junior" as wearing a yellow shirt.

As R/O was speaking with OPARA, MILAGNAWOE walked by. Officers stopped MILAGNAWOE along with a male party wearing a yellow shirt and went by the name of "Junior." The two males were detained to investigate the assault.

R/O then went to speak with security about the incident. R/O spoke to witness GOYNES, Tovey. GOYNES stated OPARA was in an argument with "Junior" inside the bar. GOYNES stated they escorted OPARA out of the bar. After OPARA calmed down, they let her back inside. GOYNES stated OPARA started to assault "Junior" after she was let back inside. GOYNES stated they escorted OPARA and "Junior" outside. GOYNES stated "Junior" then started to assault OPARA. R/O asked GOYNES if MILAGNAWOE assaulted OPARA. GOYNES stated he did not.

R/O then made contact with OPARA and placed her under arrest. MILAGNAWOE was released. The male party that was with MILAGNAWOE that stated his name was "Junior" did state he was there during the incident with OPARA and MILAGNAWOE. At first, it appeared that this "Junior" was the one "Junior" that assaulted OPARA, but GOYNES and OPARA denied he was the suspect "Junior." This "Junior" was released.

R/O transported OPARA to corrections where she was booked in on the listed charge. At this time, there is not enough information to complete a warrant for "Junior's" arrest. When that information comes forward, one will be applied for his arrest.

Third Officer's Report

Officers were sent to 162 West Broadway in reference to an assault that took place inside the establishment. Officers arrived on scene and began to investigate the assault. As we stood in front of 162 West Broadway, I began to count the number of patrons that were exiting the front door of The Cube. I counted 89 persons that exited the front door. I then entered the

establishment and found people smoking on a "Hookah". I also observed a male party drinking a Heineken glass bottle of beer. He was swaying. At this time, it was approximately 0155hrs. I told the male party that he needed to put the glass bottle down before he left the building. He is later identified as Gatluak Wie (1-1-1982). I began to walk toward the front and a security officer had made contact with WIE as he was exiting. WIE had placed the bottle in his front pants pocket and was exiting The Cube. I asked WIE for a form of identification. He said he did not have one. The security officer quickly replied that he had one when he came in to the bar. WIE showed signs of intoxication but refused to do any sobriety tests. He continued to scroll through his phone. He was having trouble keeping his balance. I offered him a breath test and he took the test. At this time, we had contact with WIE for 15 minutes. He gave a breath test of .168. Based on my observations I placed him under arrest for public intoxication. Officer Porter transported him to corrections.

09/12/20

On 09-12-20, at 12:58 am, Officers were dispatched for a disturbance outside the Cube. The call was handled by the Officers.

09/17/20

On 09-17-20, at 11:04 pm, Officers were dispatched to the Cube for a disturbance. Officers learned that a male and a female attempted to enter the Cube extremely intoxicated. The male then threw a bottle at one of the Cube's Security Officers. The man was arrested for assault and public intoxication and the female was arrested for public intoxication.

09/25/20

On 09-24-20, at 12:46 am, an Officer noticed a disturbance in front of the Cube, involving an intoxicated female challenging Cube Security Officers. The female admitted to Officers that she had been drinking inside the Cube. She was arrested for public intoxication.

09/26/20

On 9-26-20 at 12:28 am, I and several other officers noticed a disturbance at 162 W Broadway (Cube). We arrived on scene there appeared to be several people outside the club arguing. A male, Donald Carrillo stood out among the crowd and appeared to be instigating a fight with other people outside the club. Donald was yelling/cursing, when officers initially approached him,

he walked away stating "I'll be back." Approx 2 minutes later Donald arrived back at the club. Officer Burleigh and myself approached the male and advised him he was being placed under arrest for disorderly conduct. When Officer Burleigh attempted to place Donald's hands behind his back he pulled away stating "I didn't do anything wrong." At that point, I placed Donald in a double under-hook and pulled him to the ground. Officer Burleigh and I were then able to place Donald in handcuffs.

Soon after dealing with Donald there appeared to be another disturbance taking place in front of the Cube. A female, Melissa Chase stood out among the group and appeared to be instigating some sort of altercation. I and other officers advised her to leave the area. Melissa and the group of people she was with became verbally combative with officers and Melissa was refusing to leave the area stating "I don't have to leave, I didn't do anything wrong." It was clear that Melissa was highly intox, two of her friends stated they would get her a safe ride home. After several minutes, Melissa's friends were able to escort her across the street from the Cube but then Melissa pulled away and was attempting to walk back to the area where she was previously told to leave. At that point, I approached Melissa and advised her that she was being placed under arrest. Melissa became verbally combative, when I attempted to place her in handcuffs she attempted to pull away from me. At that point, I conducted an arm drag on Melissa and swept her left leg that caused her to fall to the ground. While I was attempting to place Melissa into custody a male party, Billie Fisher grabbed me from behind and demanded that I back away from Melissa. At that point, I placed Billie into a double under-hook and took him to the ground.

Soon after I took Billie to the ground a female party, QUINTASHIA HARDEN-BOLTON approached me and was being verbally combative. At this point, I had two suspects on the ground, none of which was placed in handcuffs. I was fearful that QUINTASHIA was going to assault me while I was on the ground with Melissa and Billie. At that point, I placed QUINTASHIA into an arm drag and pulled her to the ground. Soon after I had all three suspects on the ground, other officers in the area arrived to assist me. Once all parties were placed into handcuffs it was clear everyone involved was highly intox. When I escorted Billie to my cruiser, he advised me that he had been consuming alcohol but was not "super fucked up." I could smell and odor of an intoxicating beverage coming from his breath. Billie apologized for grabbing me while I was dealing with Melissa. Officer Burleigh later advised me that Billie had a BAC of .128% and Melissa had a BAC of .180%.

After dealing with all three parties, officers advised me that QUINTASHIA had chipped her tooth when I pulled her to the ground. I did not get an opportunity to look at QUINTASHIA after taking her to the ground. Officer Burleigh advised me that QUINTASHIA had a BAC of .261%.

Please refer to other officers reports regarding further details with these incidents.

Second Officer's Report

On 09-26-2020 at approximately 12:28 am, I assisted officers at a bar disturbance at 162 W Broadway Street (Cube).

While on call, I observed a large disturbance between several individuals. I observed officers to be arresting Melissa Chase for Public Intoxication and Interference with Official Acts. I observed officers place Fisher into handcuffs checking for proper fit and double locking them. Chase had red bloodshot water eyes, slurred speech and an odor of an intoxicating beverage emitting from her breath. Chase submitted to a preliminary breath test (PBT) which resulted in a failed result of .180% BAC.

While officers were placing Chase under arrest officers told both Cameron Kirkpatrick and Alexandra Plymale several times to leave the area. Plymale was video recording officers and yelling at them about arresting Chase. I observed both Kirkpatrick and Plymale to have red bloodshot watery eyes, slurred speech, and an odor of an intoxicating beverage emitting from their person.

While officers were securing Chase into the rear seat of a cruiser Kirkpatrick continued to remain in the area and began yelling, "Bitch." I informed Kirkpatrick that he was under arrest for Public Intoxication and Obedience to Peace Officer. Kirkpatrick told me, "No" and began walking away. I walked after him for approximately 20 yards before I made contact with him and placed him into handcuffs checking for proper fit and double locking them. Kirkpatrick submitted to a preliminary breath test (PBT) and resulted in a failed sample of .209% BrAC.

As I was arresting Kirkpatrick Plymale stated, "No you are not arresting him." Officers continued to instruct her to leave the area. Plymale continued to argue with officers and refused to leave the area. I instructed officers to place Plymale under arrest for Public Intoxication and Obedience to Peace Officer. Plymale was placed in to handcuffs checking for proper fit and double locking them. Plymale submitted to a Preliminary Breath Test (PBT) and submitted a failed sample of .202% BrAC.

I transported Kirkpatrick and Fisher to Pottawattamie County Corrections without incident.

See other officer's reports for further information into this case.

While out at corrections I was informed Quintashia Harden-Bolton had a valid warrant (SRCR153163) for Probation Violation out of Pottawattamie County Iowa. A court designee signed the warrant into effect on June 6, 2018 with a bond amount set for $2,000 Cash or Surety. The warrant was read to Harden-Bolton and she stated that she understood the warrant. Harden-Bolton had red bloodshot watery eyes, slurred speech and an odor of an intoxicating beverage

emitting from her breath. I offered Harden-Bolton a Preliminary Breath Test (PBT) which returned with a failed sample of . 261% BAC.

I asked both Kirkpatrick and Fisher about which bar they had spent their time at leading up to our encounter. Both parties stated that they had been hanging out at the Cube all night. I did not speak with them about how much alcohol they consumed and the question was asked to gain information on the bar responsible for over serving them.

Prior to entering the Correctional Facility staff members asked Kirkpatrick if he had any illegal drug/narcotics on his persons or in his property and he stated no. While conducting an inventory of Kirkpatrick's property corrections staff located a white powdery substance wrapped with a one-dollar bill. Officer McClure #607 took possession of the Powder and tested the substance before placing it into property as evidence. The substance tested positive as Cocaine and weighed .8 grams gross weight.

Third Officer's Report

On September 26, 2020, at approximately 12:30 am, officers were called to The Cube Bar, 162 W. Broadway for a disturbance. Several subjects walked away from the bar but continued to be disorderly and show signs of intoxication. As Officer Benson and Youso were arresting two of the subjects, they both resisted and were taken to the ground.

As Officer Youso was struggling with a male and attempting to get him into handcuffs, Quintashia Marie HARDEN-BOLTON, approached Officer Youso and attempted to grab or strike him. Officer Youso grabbed the HARDEN-BOLTON and pulled her to the ground. This occurred just as I was also approaching, and I placed the female into handcuffs and double locked the cuffs while she was still in a prone position.

HARDEN-BOLTON did have a bloody lip from striking her mouth on the sidewalk. She also stated a tooth was broken as well.

Due to her slurred speech, strong odor of alcohol and poor judgment, I offered HARDEN-BOLTON a preliminary breath test. She consented to the test and provided a breath specimen, which determined her blood alcohol content to be .242%.

Officer B. Burns transported HARDEN-BOLTON to Pottawattamie County Corrections for me, due to my cruiser being equipped with a K-9 kennel. I then took custody of HARDEN-BOLTON again at Corrections.

While at Corrections, Detention Officer K. Putnam brought me a $1.00 bill he had found in Cameron KIRKPATRICK's property. KIRKPATRICK was another subject arrested in the same

incident at The Cube. The bill had a white powdery substance on it, consistent with cocaine. I removed the substance from the bill and placed it into a small envelope. The bill was returned to Putnam for placement back in KIRKPATRICK's property or destruction, at his discretion.

After receiving it from Putnam, I maintained sole custody and control of the suspected contraband and transported it to the CBPD property processing area. I conducted a Mobile Detect field test on the substance and received a positive result for cocaine (see Mobile Detect report attached to the case file). I weighed the cocaine as packaged and it was determined to be .8 gram. It was processed and packaged in accordance with CBPD policies and procedures and placed into a temporary locker, for submission to evidence by a CBPD Property and Evidence Specialist.

01/10/21

On 01/10/2021 at 2:15 am, I Deputy Sanders, while on patrol for the Pottawattamie County Sheriff's Office, stopped to speak with a female outside of 162 W Broadway St in Council Bluffs. The female identified as Bobbi Jo Bequette, stated that on that this date while inside of The Cube Ultra lounge she became involved in an altercation with unknown subjects over them making rude statements to her. Bequetted was displaying obvious signs of intoxication and was initially uncooperative. Bequette attempted to walk away from me while I speaking to her and began to get aggressive. Bequette was placed into cuffs behind her back at this time to alleviate this issue. I took Bequette back to my cruiser where I spoke to her and again explained that if she were assaulted, I was there to help her. Bequette was able to calm down and the cuffs were removed. Bequette was able to describe what the possible suspects looked like who were harassing her that left to her being assaulted but did not know the names of anyone. Bequette did admit that she initiated a physical altercation with a female, which escalated to others being involved. A female relative of Bequette's who was with her inside of The Cube stated that one of the bartenders also assaulted Bequette. Bequette again began to get upset and walked away and got into the backseat of a sober family member's vehicle. Bequette was offered medical attention multiple times and was asked multiple times to stay and talk so that I could proceed with my investigation. She refused both. This report is informational only and all I have to report at this time/
