Subject/Title

Request: Set public hearing on the request of Jolene J. Hansen and Jesse P. Hansen to purchase city-owned property described as the northeasterly 50 feet of the southeasterly 200 feet of Lot 3, Subdivision of Original Plat Lot 91, City of Council Bluffs, Pottawattamie County, Iowa.

Location: Property formerly addressed as 223 East Graham Avenue, Council Bluffs, IA 51503

Background/Discussion

The City has received an offer to purchase the property described above. The property is classified as 'transitional dispose' and 'buildable.' The applicants wish to purchase the subject property in order to construct a handicap accessible home for their son who was critically injured in a snowboarding accident in February 2021. According to the *Inventory and Disposal Policy for Surplus City Property*, adopted by City Council on April 23, 2018, the property should be priced at the most recent assessed value, which on this property would be $27,800.00. The applicant has offered $30,000.00 to purchase the property, and has submitted a $3,000.00 down payment.

The subject property was acquired by the City of Council Bluffs on March 12, 2021 via a 657A Petition through the Iowa District Courts. As is stated in the adopted *Inventory and Disposal Policy for Surplus City Policy*, the property is not be eligible for a forgivable mortgage as it has not been actively marketed on the Surplus Property list for more than the required 24 months.

The following costs have been incurred on the subject property:
Legal Department: $325.00
Permits and Inspections Division: $9,070.00
Total: $9,395.00

The subject property is currently zoned R-1/Single-Family Residential District. The lot measures 50 feet wide by 400 feet deep, and contains approximately 23,600 square feet in area, which exceeds the minimum lot size requirements of the R-1/Single-Family Residential District. The applicant has not submitted any conceptual house plans to the City for review. However, based on the size of the parcel, the applicant should be able to construct a new single-family residential dwelling on the property that meets or exceeds the City's minimum single-family residential dwelling size requirements (20 feet wide with a minimum 500 square feet ground floor area).

There is a competing offer for the subject property from Mr. Rodney Kerkman who lives at 229 East Graham Avenue (see Case #OTB-21-006). Mr. Kerkman wishes to acquire this property to construct a single family rental property. Both offers are scheduled to be reviewed at the same public hearing.

Recommendation

The Community Development Department recommends setting a public hearing on the disposal of the property legally described as northeasterly 50 feet of the southeasterly 200 feet of Lot 3, Subdivision of Original Plat Lot 91, City of Council Bluffs, Pottawattamie County, Iowa on the May 24, 2021 City Council Meeting.
