Subject/Title

Establishment of the American Games Urban Revitalization Area at 504 34th Avenue.

Background/Discussion

Background

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

The Community Development Department wishes to create the Urban Revitalization Area consisting of one parcel for the expansion of the existing Pollard Games, Inc. dba American Games and International Gamco facility located at 504 34th Avenue. Final plat approval of a new three-lot minor subdivision known as Pollard Games Addition which includes this parcel was approved by City Council on 10/12/2020. The Pollard Games Addition final plat was recorded on 8/27/2021. The new tax parcel information is pending an update from the Pottawattamie County Assessor.

Staff has prepared an Urban Revitalization Plan in accordance with Section 404.2 of the Iowa Code and has scheduled the matter for City Council consideration. The American Games Urban Revitalization Area will consist of approximately 7.6 acres.

Discussion

Iowa Code permits the City to establish urban revitalization areas which satisfy one of the five conditions outlined in Section 404.1. Staff believes this project meets the criteria under 404.1.4. Section 404.1.4 discusses an area which is appropriate as an economic development area as defined in section 403.17. Section 403.17 states an economic development area means an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises.

On September 27, 2021, City Council approved Resolution 21-273, which directed staff to initiate the process of creating the American Games Urban Revitalization Plan and Area. This resolution set November 8, 2021 as the date of the public hearing.

This matter was brought before the City Planning Commission at their October 12, 2021 meeting. The Commission found the following: 1) That the proposed American Games Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the American Games
