

**PARKING RIGHTS AND AGREEMENT  
REGARDING  
MID-AMERICA CENTER AND 20 ARENA WAY**

This agreement ("Agreement") is entered into between the City of Council Bluffs, Iowa, a municipality ("City") and CAVE Industries, LLC, an Iowa limited liability company ("Owner") on this \_\_\_\_ day of \_\_\_\_\_, 2021 and assign its rights and obligations under this Agreement to accommodate such transactions, as approved by City Council Resolution No. 16-82 on April 25, 2016.

**PARKING LOT USAGE**

The drive aisle surrounding the Mid-America Center and three additional parcels described in attached "Exhibit A" make up what will referred to as the Common Access and Parking Areas for The "Mid-America Center", The "Fieldhouse", The "Retail Spine" and the "Hotel", as those terms are used in this Agreement.

City, as owner of the Mid-America Center and the Common Access and Parking Areas, hereby grants to Owner, for the benefit of owners, tenants, customers and invitees, the non-exclusive rights of pedestrian and vehicular ingress and egress (including for emergency vehicles) in, on and over The Common Access and Parking Areas, together with parking in all parking lots of the Mid-America Center, as those terms are used in this agreement and described in "Exhibit A" hereto. These rights of ingress, egress and parking do not apply to the parking lot of the Hotel, which sits on privately owned ground under the exclusive control of the owner of the Hotel.

The owners are aware that the above rights to use such parking lots are not exclusive and that from time to time when events are occurring at the Mid-America Center or at the other facilities, parking for their customers will be as available on a first come first served basis.

**TERM**

The term of this Agreement shall commence on the date of this Agreement and continue for a period of twenty (20) years thereafter, subject to extension as set forth in the last paragraph of the section titled "CONSIDERATION FOR PARKING LOT USAGE."

**PARKING LOT MAINTENANCE**

It shall be the responsibility of City to maintain the parking lots identified above surrounding and serving the Mid-America Center, Fieldhouse, Retail Spine and Hotel. Parking lot maintenance shall include proper marking, repair and replacement as needed, including repaving and restriping and to keep it free of snow and treated for ice in a manner that is consistent with other commercial parking areas utilized by retail establishments. These functions will be performed by the City, its employee's agents and assigns with the management company of the Mid-America Center being responsible for the day-to-day operations and maintenance of the parking lots but with the ultimate responsibility resting with City.

### **CONSIDERATION FOR PARKING LOT USAGE**

- The Fee is of \$13.90 for every 1,000 sq. ft. of occupied space.
- Owner shall provide to City no later than December 1, 2021, a list of all tenants and the amount of enclosed square feet that they occupy.

- This fee shall remain in place through December 31, 2026, unless otherwise modified pursuant to the terms of this Agreement.

City, at its discretion may give notice of its' intent to renegotiate this Agreement at least three months prior to the conclusion of the term. If the City fails to give notice of its intent to renegotiate the consideration aspect of this Agreement in a timely manner or simply elects not to give notice, an additional 5 year term shall be granted under the terms and conditions set out above. This same process will be repeated at the conclusion of all subsequent 5-year terms.

### **LIGHTING**

City has installed and will maintain artificial lighting for the parking area. The Developer shall not be responsible to pay for or reimburse City for such expense. Such lighting shall remain on while a majority of the businesses in the Retail Spine are open for business. If artificial lighting for a time later than the foregoing ("After Hours Lighting") is needed by an owner or a tenant then such artificial lighting to service such owner or tenant shall be separately metered and all expenses thereof shall be paid by such retail spine owner or tenant.
