--	----------------------------	--

Subject/Title

Request: Public hearing on the request of The 712 Initiative for local historic landmark designation of property legally described as Lots J, K, L and M, Auditor’s Subdivision, of Block 6, Mynster’s Addition, and Block 2, Bayliss 1st Addition, City of Council Bluffs, Pottawattamie County, Iowa, and being commonly known as the 500 Block of West Broadway.

Location: 530 West Broadway

Background

Pottawattamie County Development Corporation d/b/a The 712 Initiative has submitted a request to designate property commonly known as the 500 Block of West Broadway as a historic local landmark site. The subject property is addressed as 530 West Broadway and is located on the northwest end of Council Bluffs historic commercial core. The buildings that comprise the proposed landmark site were originally built as four individual two-part commercial block buildings (530, 534, 536, and 538 West Broadway) in the late nineteenth to early twenty century. Historically, the site has been utilized by a variety of commercial uses such as: Blue Ribbon Saloon, Wilcox Flowers, Eve’s Bakery, the Iowa Clothes Shop, EQ School of Hair Design, and now represent the few extant historic structures located along the 500 Block of West Broadway.

In 2018, the applicant purchased 530 West Broadway and the adjacent property to the north (12 Scott Street) for the purpose of rehabilitating and adaptively re-using both properties as multi-family residential and/or mixed-use commercial/residential structures. They are requesting to designate 530 West Broadway as a local landmark site in order to preserve the few remaining historic properties along the 500 Block of West Broadway, and to make the property eligible for historic tax credits, which will be used to help finance the costs of their adaptive re-use projects.

LOCAL LANDMARK DESIGNATION PROCEDURE

The Historic Preservation Commission shall follow the procedures stated in Section 16.07.020 of the Municipal Code when designating a landmark, landmark site, or historic district. Typically, the Commission hears a request for a Local Historic Landmark designation concurrently with a National Register Nomination, which requires review and comments from the State Historic Preservation Officer. However, in this case, the applicant is only seeking a local historic landmark site designation for the subject property; therefore the designation request is not required to be reviewed by the State Historic Preservation Office, according to Iowa Code. The Historic Preservation Commission’s recommendation will then be forwarded to the City Planning Commission who will consider the request in the same manner as a rezoning. The Planning Commission shall

forward their recommendation to the City Council. The City Council will consider the recommendation of both City Commissions and make a decision. The designation will become effective at the time of determination.

The tentative review schedule is as follows:

- City Historic Preservation Commission: 11/10/2020
- City Planning Commission: 11/10/2020
- City Council first consideration: 11/23/2020
- City Council second consideration: 12/14/2020
- City Council third consideration: 01/11/2021

ROLE OF THE HISTORIC PRESERVATION COMMISSION

The Historic Preservation Commission typically hears a request for Local Landmark designation concurrently with a National Register Nomination request. However, in this case, the applicant is only seeking a local landmark site designation due to the extensive interior and exterior renovations that have occurred to the buildings over time, which made it unlikely to be listed on the National Register of Historic Places list. Included with this report is a letter of intent along with a National Register of Historic Places Registration Form, prepared by a consultant at the request of the owner, for the Commission to review (see Attachment A).

When considering a local landmark site designation, the Commission must use the following criteria as listed in Section 16.07.005 of the Municipal Code to evaluate the request.

1. If it has historical or cultural importance, having significant character, interest or value, as part of a development, history or cultural characteristics of the city, state, or nation;
2. If it is associated with the life of a person significant in the past;
3. If it is the site of a significant historical event;
4. If it exemplifies or reflects a cultural, political, economic, social or historic heritage of the city, state, or nation;
5. If it has potential for yielding information or archeological significance;
6. If it embodies distinctive elements of an architectural or an engineering type, style, materials or method of construction;
7. If it is representative of the notable work of a master builder, designer or architect whose individual genius influenced the city, state or nation;
8. If it represents an established or familiar visual feature of the neighborhood, community or city due to its unique location or singular physical characteristics;
9. If it has geographical importance by being part of or related to a square, park or other distinctive area and should be developed or reserved according to a plan based on an historic, cultural or an architectural motif;
10. If it has a relationship to a landmark, landmark site or historical district;
11. If it has integrity as a natural environment that significantly contributes to the quality of life in the City.

Based on the information stated in the submitted nomination forms the Community Development Department is of the opinion that the subject site demonstrates the following local designation distinctions as listed above: #1, #6 and #8.

The consultant that prepared the National Register of Historic Places Registration Form found that Criteria 'A' applied to the property. The consultant provided the following statement of significance:

The four bays that today comprise 530 West Broadway were constructed as four separate buildings. Historically, the buildings were addressed as 530, 534, 536, and 538 West Broadway.

They were all constructed in the late nineteenth to early twentieth centuries. This period of significance extends from 1885 to 1977, the estimated year of earliest construction to the year that the exteriors and interiors were modernized and unified. Several locally well-known, long-lasting businesses occupied the individual bays prior to 1977. The building is local significant under Criterion A, as representative of a commercial building within the Council Bluffs historic downtown.

Criteria A: Property is associated with events that have made a significant contribution to the broad patterns of our history.

PLANNING AND ZONING REVIEW

The subject property is zoned C-4/Downtown Business District and is surrounded by like zoning to the north, south, east, and west (see Attachment B). Existing land uses in the general vicinity of the request include a mixture of professional offices, financial institutions, a restaurant, and City-owned parking lots/open space. The future land use plan of the Bluffs Tomorrow: 2030 Comprehensive Plan designates the subject property as Downtown/Mixed-use. Furthermore, the following vision, goals, and objectives from the Bluffs Tomorrow: 2030 Comprehensive Plan apply to the applicant's proposed mixed-use project and local historic designation request:

Neighborhood & Housing

Goal – Enhance and maintain the City's neighborhoods to provide the housing, character, and supporting amenities to retain and attract residents to Council Bluffs

Objective #7: Encourage new housing in Downtown through the rehabilitation of historic buildings.

Commercial Areas

Goal – Strengthen the City's commercial areas to better meet the daily needs of Council Bluffs residents, attract patrons from beyond Council Bluffs, and create a positive image.

Objective #4: Continue the revitalization of downtown as guided by the 2003 Downtown Plan and the recommendations of the Comprehensive Plan.

History & Identity

Goal – Recognize, preserve and build upon Council Bluffs' unique history and character by instilling local community pride and defining the way the community is perceived throughout the region, state and country.

Objective #1: Encourage participation in Council Bluffs local landmark designation program.

In general, the applicant's request to designate the subject property as a Local Historic Landmark site is consistent with Bluffs Tomorrow: 2030 Comprehensive Plan.

Comments

CITY DEPARTMENTS & UTILITY PROVIDERS COMMENTS

All City Departments and local utilities were notified of the proposed local historic landmark site designation request. The following comments were received:

- Council Bluffs Permits and Inspections Division stated the subject property is located within a floodplain and that the historic designation must be made by a federally certified local historic preservation board, as per the Iowa Floodplain Management manual. In response to this comment, the Community Development Department contacted Iowa State Historic Preservation Office and received written confirmation that the Council Bluffs Historic Preservation Commission is considered a "federally certified local historic preservation board" as they participate in the Certified Local Government Program for historic preservation, which is administered by the United States National Park Service.
- Public Works Department stated they have no comments for the request.

- Fire Department stated they have no comments for the request.
- Parks and Recreations Department stated they have no comments for the request.
- Council Bluffs Water Works stated they have no comments for the request.

NEIGHBORHOOD RESPONSE: All property owners located within 200 feet of the proposed site were notified of the nomination request along with the place/date/time when the Historic Preservation Commission and City Planning Commission would hold a public hearing on the matter. Additionally, copies of the complete nomination request were made available for public review in the Council Bluffs Community Development Department. No public comments or inquiries were received for the request.

The applicant provided the City with a letter of support from the Historical Society of Pottawattamie County and a copy of the responses they received from an online social media petition in support of the proposed local historic designation request. These documents are included with this staff report as Attachment C & D.

PUBLIC HEARING – HISTORIC PRESERVATION COMMISSION – October 7, 2020

The following individuals spoke in favor of the request:

1. Sheryl Garst, CEO, The 712 Initiative, 1228 S. Main Street, Council Bluffs, Iowa
2. Caitlin Benton, Alley Poyner Macchietto Architecture, 1516 Cuming Street, Omaha, NE 68102
3. Christopher Gibbons, Planning Manager, City of Council Bluffs.

No one appeared in opposition.

HISTORIC PRESERVATION COMMISSION RECOMMENDATION

The Historic Preservation Commission:

1. Concurs with the Community Development Department that 530 West Broadway, commonly referred to as the 500 Block of West Broadway, is historically significant based on Criteria ‘A’ of the National Register of Historic Places and criteria #1, #6, and #8 in Section 16.07.005, Procedure of the Municipal Code (Historic Preservation) and is eligible for designation as a local historic landmark site; and
2. Transmits that determination to the City Planning Commission for review and forward to the Mayor and City Council for approval.

VOTE: AYE 5 NAY 0 ABSTAIN 0 ABSENT 1 VACANT 1 Motion carried.

Recommendation

The Community Development Department recommends the City Planning Commission find the property located at 530 West Broadway, commonly referred to as the 500 Block of West Broadway, historically significant based on the local designation criteria #1, #6, and #8 as per Section 16.07.005, Procedure of the Municipal Code (Historic Preservation), and also find the property historically significant based on Criteria ‘A’ of the National Register of Historic Places, and recommends designation as a local historic landmark site to the City Council.

Public Hearing

Staff speaker for the request:

1. Christopher Gibbons, Planning Manager, City of Council Bluffs, 209 Pearl Street, Council Bluffs, IA 51503

Speakers in favor:

1. Sheryl Garst, CEO, The 712 Initiative, 1228 S. Main Street, Council Bluffs, Iowa

Speakers against: None

Planning Commission Recommendation

The City Planning Commission recommended the property located at 530 West Broadway, commonly referred to as the 500 Block of West Broadway, be considered historically significant based on the local designation criteria #1, #6, and #8 as per Section 16.07.005, *Procedure* of the Municipal Code (Historic Preservation), and also found the property historically significant based on Criteria ‘A’ of the National Register of Historic Places, and recommended designation as a local historic landmark site to the City Council.

VOTE: AYE - Bass, Halm, Haner, Holm, Rater, Scott, Stroebele, and VanHouten NAY - None
ABSTAIN - Rew ABSENT – Danielsen and Hutcheson VACANT - None Motion: Carried

RE: Petition of Support – 530 W. Broadway Historic Landmark

Dear Historic Preservation Commissioners:

As the owner of 530 W Broadway, Pottawattamie County Development Corporation (DBA The 712 Initiative) requests the property be designated as a Council Bluffs historic landmark. As noted in our application, we believe the building has significant character and was associated with events that have made a significant contribution to the broad patterns of our history. Located at the west entrance of downtown, it has been and remains an important part of the development of the city.

We believe that saving the character and history of our community great benefits public welfare.

If you have any questions, please contact me at 712-396-2464 or at sgarst@the712initiative.org.

Sincerely,

Sheryl Garst
CEO

Narrative Description

Summary Paragraph (Briefly describe the current, general characteristics of the property, such as its location, type, style, method of construction, setting, size, and significant features. Indicate whether the property has historic integrity.)

The four buildings that today comprise 530 W. Broadway were built as four individual two-part commercial block buildings, 530 W. Broadway, 534 W. Broadway, 536 W. Broadway, and 538 W. Broadway. They were combined into a single use in 1977 and their addresses joined into one, 530 W. Broadway. They are the only extant buildings within the 500 block of West Broadway, bound by Main Street at the east and 6th Street at the west, dating from the late nineteenth and early twentieth centuries. The 500 block of West Broadway is located at the northwest end of Council Bluff's historic commercial core. Their historically separate uses can be seen from the exterior, specifically at the south, where each historic building is delineated from another by façade composition, architectural detailing, and wall height. At the interior, the demising walls running north-south that originally separated the four buildings have been restructured, allowing circulation through the entirety of the conjoined building mass.

NOTE: When the physical description has a heading including "530 W. Broadway" it is referring to the singular historic building associated with that street address, not the contemporary 530 W. Broadway conglomerate in its entirety.

Narrative Description (Describe the historic and current physical appearance and condition of the property. Describe contributing and noncontributing resources if applicable.)

EXTERIOR

The changes made on the interior of the historic buildings is rendered visibly on the first floor of the south and east facades. Today, a non-historic beige wall panel wraps the near entirety of the first floor on the south and east facades. Above, a dark brown brick belt separates the now visually unified first floor from the four independent façades above. At the upper levels, much of the original features remain to distinguish each building from one another, although all the brick and stone was painted, and windows changed for a more cohesive appearance.

For the sake of clarity and general accessibility the physical description of this property will make distinctions along the north and south facades using the original street addresses above the first floor. This is done to ensure proper attention is given to each instance of architectural detailing and will provide a clear base of reference between the different architectural styles.

SOUTH FAÇADE

Most notable on the south side is the ability to delineate where the contemporary 530 W. Broadway conglomerate was historically split into four independent buildings. Moving from east to west, the street address of each independent building was 530, 534, 536, and 538, respectively. As mentioned in the overview paragraph, the appearance of the independent facades, above the first floor, will be described making references to these street numbers for the sake of clarity in describing the different architectural styles present. The first floor will be described almost independently from the above building stories.

FIRST FLOOR

The first floor has been modified heavily since the transition from four independent buildings to the contemporary 530 W. Broadway conglomerate in 1977. Where the first level used to be represented by individual storefronts with their own architectural stylings associated by street address, now the first floor is unified by use of faux standstone wallboard across the near entirety. The wall board is installed in panels of consistent width and are between 8-9' tall. Located directly above the wallboard is a dark brick belt course. The brick work is primarily stretcher bond, while the top and bottom rows are a slightly recessed vertical soldier bond. On the west end of the façade are two large horizontally aligned windows. One window is

500 Block of West Broadway

Pottawattamie County, Iowa

Name of Property

County and State

roughly centered beneath 538 W. Broadway and the other is roughly centered beneath 536 W. Broadway, skewed slightly towards the east. The top extents of both windows are flush with the horizontal brick belt course. The windows are recessed roughly ~18 inches from the finish surface of the wall board. An angled brick sill spans the entirety of the window width and slopes so that it meets flush with the surface of the wall board. The windows are square in proportion. Flanking each primary window, at a slight convex angle, are slender vertical glass panels. The dramatic brick sill and slender glass panels give the primary windows the effect of being "recessed" into the new unified first level façade. At the corner of Broadway and Scott, beneath the brick belt course the façade recedes at a 45-degree angle. The brick belt course continues beyond the opening for roughly ~15 feet. The load of the brick work is carried by two rectangular columns, one on the south façade and the other along the east façade. The south column is centered relative to the negative space beneath the brick course. Where the first level recedes beneath the brick belt course the wall type changes to a glass storefront system. There is a singular full height glass storefront panel on the primary south façade outside of the recess. The primary entrance fits into the storefront system and is centered along the 45-degree wall.

BUILDING 1 - 530 W. BROADWAY

530 W. Broadway is the eastern most building, with visible facades at the corner of Broadway and Scott Streets, is the most prominent portion. This is visually discerned through two primary architectural strategies. First, the historic 530 W. Broadway is roughly 6-8' taller than the other buildings that make up the conglomerate. The additional height of 530 W. Broadway is distributed to the second and third floors, and as a result has a fenestration pattern independent of the regulating lines found across the neighboring buildings. Second, the edge between the south and east façade of the 530 W. Broadway building has been chamfered creating an additional façade that fronts the intersection of Scott and Broadway. The chamfered corner not only makes the building more distinct in footprint, but the slender façade serves as a transitional element that ties the south and east facades together creating a unified reading and subsequently larger impression of the two facades. The second and third levels of the south façade of the 530 building retain elements influenced by Beaux Arts Classicism. The Beaux Arts influenced details are reliefs, as opposed to freestanding. The upper levels are dressed in painted brick with painted stone trim and ornament.

At the base of the second level, a stone belt course runs along the entire facade. Above the belt course are two rusticated pressed brick pilasters. Centered between the pilasters are two vertically aligned window openings, containing non-historic windows. The window openings are framed by angled multi-band brick trim. Each window is crowned with a wedge-shaped keystone. Between the third floor and the cornice, a stone belt course runs across this façade and continues onto the Scott Street side. Above the belt course is a minimal pediment with no significant architectural detailing. Atop the pediment is an ornate cornice that projects between eighteen inches to two feet from the surface of the base wall. The cornice is formed by two bands or rectilinear corbelling and a continuous band of molded trim.

Visible from the south is the chamfered corner façade previously mentioned. The surface of the wall is less pronounced in its architectural detailing. The window openings are horizontally aligned with those on the true south façade and vertically aligned amongst themselves. Both openings contain non-historic single panes of glass. The second-floor window has a painted slender stone sill. Above the window is capped by a flush flat arch and a protruding wedge-shaped keystone. The third level window has distinct profile, rectangular with a semicircular arched top. The window has a pronounced sill that includes a molding sweep. The third-floor window is framed by two layers of angled, soldier course bricks, like that used on the south facade. Independent above the third level window, the belt course continues from the south façade. The wall has a similar pediment before the ornate cornice. The cornice is detailed in the same fashion on the chamfered portion of the wall as the true south façade.

BUILDING 2 - 534 W. BROADWAY

500 Block of West Broadway

Pottawattamie County, Iowa

Name of Property

County and State

534 W. Broadway is the second building west of the corner of Broadway and Scott Streets. The transition from the 530 building to the 534 building is signified by two factors. First, the 534 building is roughly six to eight feet shorter than the adjacent 530 building. One result of the smaller height is the lower placement of second and third floor windows relative to the 530 building. Second, the extents of 534 building are demarcated by pilasters with unique head detailing, dissimilar in style and aesthetic from both the adjacent 530 building and the 536 building.

Most of the façade is relatively unadorned, with all the notable architectural detailing happening on the east-west edges and the top edge of the building. The fenestration pattern compliments the simplistic detail with a hierarchical window arrangement. Emphasis is created in the center of the building with a larger window type across both the second and third floors. The central windows are roughly one third larger than the windows that flank either side. The lower band of windows are situated so that their sill is flush with the brick belt course below (described previously as a part of the first floor). Each window has an angled, soldier course painted brick sill. Each second-floor window has a distinct stone head that abuts the adjacent, so a continuous horizontal band is formed between the two pilasters that separate the 534 building. The third level windows are vertically aligned with the windows and are taller than the second-floor windows. The central window has a simplified stone sill that is flush with the extents of the window opening. The two distal windows sills are more pronounced and have curvilinear embellishments. Each window is capped with a stone header. Compared to the second floor, the stone headers are narrower and do not continue to the pilasters at the extents of the building. Above the third level windows is an ornate cornice with geometric and curvilinear elements. Four ornate consoles are positioned equidistant across the width of the building and vertically align with divisions in the fenestration pattern and the pilasters. The consoles are the primary element of the cornice. The architectural detailing of the consoles emphasizes rectilinear qualities using pronounced edges, rectilinear reliefs, and convex curves. The two central consoles have a multipoint star carving and the distal consoles include a relief carving of a bird. Between each console is a series of corbels, curved dentils, geometric modillions.

BUILDING 3 – 536 W. BROADWAY

536 W. Broadway is the third building west of the corner of Broadway and Scott Streets. The building employs Neoclassic elements. The 536 building is differentiated from the neighboring buildings by the parapet height. The building height exceeds both adjacent buildings by approximately two feet.

Most of the façade is relatively unadorned below an ornate cornice. The building creates horizontal emphasis of internal levels using pronounced trims on the exterior. The second-floor windows are aligned so the brick windowsills are flush with the continuous brick belt course of the unified 530 W. Broadway conglomerate. The top of each window opening has a segmental arch with rectilinear window frames. Resting atop the flat arches is a pronounced architrave that connects all three windows and terminates just beyond the outer extent of the window grouping, creating horizontal emphasis. The third-floor windows align vertically with the second-floor windows. The windows are taller than the second-floor windows. The third-floor window openings also have a segmental arch with rectilinear window frames. A continuous stone sill at all three third-story windows terminates just beyond the outer extents of the distal windows. Each third-floor window has a flat arch similar in size and proportion to those found above the second story windows. The flat arches of the third-floor windows visually connect to a decorative frieze with curvilinear and natural relief elements. Above, a continuous band of rectilinear corbelling supports a multi-layered cornice detail. The parapet of the 536 building is unadorned and is terminated by stone parapet caps four feet above the decorative multi-layered cornice.

BUILDING 4 – 538 W. BROADWAY

538 W. Broadway is the fourth building from the corner of Broadway and Scott Streets. The building has an enframed window wall. The façade of 538 is unique from the other facades in that it employs a radically

500 Block of West Broadway

Pottawattamie County, Iowa

Name of Property

County and State

different motif than the previously described facades. There is a singular large opening, subdivided by a spandrel panel at the floor division. The entirety of the grouping is surrounded by a continuous brick trim. The brickwork is dressed in a distinct checkerboard brick pattern. The checkerboard effect is achieved by utilizing bricks with a portion of the surface roughened to give the illusion of an additional color. The pattern wraps from edge around to the top and back down the edge and reinforces the simple brick trim used to surround the window.

The lower extents of the second-floor window grouping are flush with the brick belt course below. The window group shares one continuous soldier course brick sill. Vertical mullions subdivide the window grouping into three smaller windows. The distal windows are roughly half the width of the central window. On the second level the distal windows are divided vertically as well. The second floor and third floor window groupings are separated by a singular spandrel panel. The third-floor windows are slightly taller than the second-floor windows. The third-floor window group shares the same general division as the second floor. Both the second floor and third-floor windows and spandrel panel are enframed by two courses of brick trim. The inner course is composed of full width bricks. Where the vertical courses transition to horizontal, a large 45-degree joint is made. The outer band is composed of bricks oriented to expose the narrow face. The outer band protrudes farther than the inner band and further emphasize the framing effect. Both bands of brick trim utilize the same technique of roughing the brick surface to give the illusion of two different hues. This effect is used in this instance to create additional lines within the trim. A singular large wedge-shaped keystone sits above the third-floor windows. Atop the parapet is a minimal stone fillet cap.

WEST FAÇADE

The west façade is only visible at the 538 building and has little architectural expression. The 1928 Sanborn map indicates that another retail bay shared a demising wall with the 538 building. Today that wall is composed of common brick with a beige-colored cementitious coating and stone parapet cap. The wall is highest at the southern end indicating three stories. Roughly 50-60 feet from the southern edge, the parapet crowsteps down, before continuing to the northern extent of the west façade. The northern extent of the subsequent buildings (536, 534, 530) do not align with the 538 building.

NORTH FAÇADE

The delineation between the four historic buildings that comprise the contemporary 530 W. Broadway conglomerate is also very notable on the north façade. Moving from west to east, the street address of each independent building was 538, 536, 534, and 530, respectively. The north façades differ from the south facades in that there is little in terms of architectural detail since the north façades abut an alley. The north façades will be described referring to street numbers, much like the south façades.

BUILDING 4 – 538 W. BROADWAY

The north façade of 538 W. Broadway is subdivided into two vertical surfaces, illustrating the multiple programmatic uses the building had when built. The exterior wall of the third story is set back roughly 40-50 feet from the exterior face of the first and second stories. The first and second story of the north exterior wall is constructed of common bricks painted brown. The fenestration pattern is regular and aligns across the first and second floor. On the first floor a door is centered within the width of the 538 building, with small square windows spaced equidistant on either side of the door. A band of soldier course brick surrounds the door frame. The threshold of the door is lower than the finish surface of the alley and a small concrete ramp provides accessibility. The first-floor windows have been infilled using different sized masonry. The second floor maintains the relative fenestration on the first floor, but changes proportions of openings. The second-floor windows are taller compared to the square windows present on the first floor, roughly twice the height. The second-floor windows have been infilled with a different type of brick than the first floor. There are no visible openings at the third story. The entire surface is treated with a red-orange painted stucco.

500 Block of West Broadway

Pottawattamie County, Iowa

Name of Property

County and State

BUILDING 3 – 536 W. BROADWAY

The north façade of the 536 W. Broadway building protrudes an additional 8-12 feet beyond the 538 W. Broadway building. The north façade of the 536 building can be subdivided into two parts. The first part is the wall that abuts the alley. This first-story wall surface abuts the alley and is roughly eight feet tall constructed of common brick, with stucco covering various areas. There are three openings equally distributed horizontally. The westernmost opening is a metal door, the remaining two are rectangular windows vertically aligned with the head of the door. The second story aligns with the upper wall of the 538 building. The roof between the lower northern wall and upper northern wall has various mechanical equipment mounted to it. This top portion of the wall is treated with the same painted stucco as the upper wall of the 538 building.

BUILDING 2 – 534 W. BROADWAY

The north wall of 534 W. Broadway building aligns with the north wall of the 536 building. The first story is roughly ten feet tall, constructed of common brick, with a metal parapet cap. There are no openings visible on the wall, either existing or infilled. The surface of the north wall is capped on either side by parapet extending roughly 8-12 inches on the west side and two-to-three feet on the east side. The parapet on the east side is the brick belt course visible on the south and east facades. The second story aligns with the upper wall of the 536 and 538 buildings. The roof between the lower wall and upper wall has various mechanical equipment mounted to it. This top portion of the wall is treated with the same red-orange hue stucco as the 536 and 538 buildings' upper wall. There are no visible openings on the top section of wall.

BUILDING 1 – 530 W. BROADWAY

The first-floor level of the north façade of the 530 building is a single story in height and it abuts the alley. The lower portion of the wall is finished with beige stucco. Above the stucco, there is the dark brick belt course. The belt course is primarily composed of brick laid in a stretcher bond, while the top and bottom rows are a slightly recessed vertical soldier bond. Near the east extent of the first level the wall below the belt course recedes at a forty-five-degree angle. The brick belt course continues over the lower portion of the wall creating a recessed entry. The brick work is supported by a large square column dressed in beige wall board. The angled wall is constructed of a similar store front system as the one seen at the intersection of the south and east façade. The second and third stories of the building are offset from the alley approximately 15-20 feet faced with red-orange hue stucco. The roof above the single-story has mechanical equipment mounted to it. There are no visible openings at the second and third floor levels. Visible at the east edge of the wall is the detailed cornice and brick work.

EAST FAÇADE

The east façade of 530 W. Broadway showcases a similar level of attention paid to the architectural detailing and expression as the south façade of the 530 building. Like the entirety of the south façade, the first level of the east façade has been modified extensively since construction. This is most apparent on the north extent of the east façade, where the first level continues beyond what is identified as the original/primary building mass. Historically, there was a shorter building mass on the north face of the 530 building, but since it is aesthetically unified with the entire first level, it creates a different compositional reading of the east façade. Where the first level extends beyond the primary historic building mass, there is a recessed entry made at a 45-degree angle. The brick belt course continues beyond the entry and is supported by a large rectangular column. The angled entry wall is simple storefront system. The top levels of the primary historic building mass retain their architectural detailing.

The second and third levels of the 530 building are influenced by Beaux Arts Classicism and retain much of the historic detailing. The Beaux Arts influenced details are reliefs as opposed to freestanding. The entirety of the upper stories is dressed in a painted brick. The east façade is subdivided into three bays, the central bay is the largest and the two bays that flank it are much narrower. The two distal bays employ the same details as those seen on the south façade of the 530 building. At the base of the second level of the wall is a stone

500 Block of West Broadway

Pottawattamie County, Iowa

Name of Property

County and State

belt course. Above the belt course are two rusticated pressed brick pilasters. Centered between the pilasters are two vertically aligned window openings. Each window opening contains two non-historic windows. The window openings are enframed by multiband brick trim. Each window is crowned with a wedge-shaped keystone. Between the third floor and the cornice a stone belt course runs across the entirety of the east facade. Above the belt course is a minimal pediment with no significant architectural detailing. Atop the pediment is an ornate cornice that projects approximately 18-24 inches from the surface of the base wall. The cornice is formed by two bands or rectilinear corbelling and a continuous band of molded trim.

The central bay of the east façade is less pronounced in its architectural detailing and is roughly three times as wide as either flanking bay. The central bay has two bands of windows horizontally aligned with the windows in the distal bays, and vertically aligned across floors creating a gridded symmetrical character of the building. The second and third floor windows of the central bay are articulated with only a single pane of glass. The second-floor windows do not have an independent sill, they rest just above the stone belt course that runs across the entirety of the east facade. Above, the second-floor windows are capped by a flush flat arch and a protruding wedge-shaped keystone. The third level windows share a distinct profile, predominantly rectilinear but with a semicircle arched top. The third level windows have pronounced, independent sills that include a molding sweep. The windows are framed by two layers of angled, soldier course bricks. Unconnected above the third level windows, the belt course continues from the two distal bays. The wall has a similar pediment before the ornate cornice. The cornice is detailed in the same fashion on the chamfered portion of the wall as the true south façade.

Post 1976 Alterations

Prior to 1976, the individual buildings underwent minor alterations over the years. Known exterior and interior alterations are described below in the Narrative Statement of Significance. Between 1976 and 1977, the buildings were altered the most dramatically when they were combined into a single use, as the Iowa Clothes Shop.

In 1976, in response to urban renewal efforts than taking place in downtown Council Bluffs, the owner of Iowa Clothes Shop, Pete Lee, undertook a renovation and expansion of his store into all four bays (530, 534, 536, 538 W. Broadway).¹ At the interior, large connections were made so the four bays could more functionally serve their new, collective purpose. Modernization efforts at the exterior mostly focused on the storefront level, removing the existing storefronts, windows and brick and adding a new brick belt course above faux sandstone wallboard and storefront to give this level a more uniform appearance. Access to the entire building was now provided by a new main entrance at the corner of Broadway and Scott, and a side entry at the rear of the building, on Scott Street.

The early twentieth century ornamentation at the upper levels of all four facades was left mostly intact, including cornice detailing, stone windowsills, stone keystones, stone bases, and brick pilasters. All surfaces at the upper levels were painted and the windows were replaced within the existing openings. The most modified upper level façade was that at 538 W. Broadway, which previously had a double height opening between the second and third storied containing windows surrounding a curved pediment flanked by two small square panels with diamond details. A stone sill ran beneath the opening, separating the upper stories from the storefront. The windows and ornamentation were removed from the opening and new windows were added at both levels. The stone sill was also removed and replaced by the expanse of brick that runs along the top of the storefront levels. The other most notable modification, done either during this renovation or at an unknown later date, was the removal of the two-story portion at the rear of the corner bay, facing Scott Street.

500 Block of West Broadway

Pottawattamie County, Iowa

Name of Property

County and State

The renovation was complete by September 1977 and the buildings were thereafter known collectively as 530 W. Broadway. Pete Lee, and Iowa Clothes Shop, received praise for the work and was even given an award, the Pine Tree Award, by the organization Operation Pride. Lee and the store were the first to receive the award in over two years. In accepting the award, Lee said he hoped his efforts would “serve as an example to take price” in Council Bluffs.²

Figure 1: The renovated and combined 530 W. Broadway in 1978. Courtesy of Richard Warner and Pottawattamie County Historical Society (PCHS).

By 1990, Iowa Clothes Shop boasted that it was the largest men’s clothier in southwestern Iowa.³ In 1996, Pete Lee took his own life and the store closed. At the time, Lee’s family said that while sales were still good, none of them had the retail experience to continue the business. At the time of its closure, it was one of the last remaining storefronts in downtown Council Bluffs, which less than one hundred years before had bustled with the activity of people and commerce.⁴

The building was more recently used by a beauty school, EQ School of Hair Design. They moved to another location in 2018. Today the building sits vacant.

8. Statement of Significance

Applicable National Register Criteria

(Mark "x" in one or more boxes for the criteria qualifying the property for National Register listing.)

- A Property is associated with events that have made a significant contribution to the broad patterns of our history.
- B Property is associated with the lives of persons significant in our past.
- C Property embodies the distinctive characteristics of a type, period, or method of construction or represents the work of a master, or possesses high artistic values, or represents a significant and distinguishable entity whose components lack individual distinction.
- D Property has yielded, or is likely to yield, information important in prehistory or history.

Criteria Considerations

(Mark "x" in all the boxes that apply.)

Property is:

- A Owned by a religious institution or used for religious purposes.
- B removed from its original location.
- C a birthplace or grave.
- D a cemetery.
- E a reconstructed building, object, or structure.
- F a commemorative property.
- G less than 50 years old or achieving significance within the past 50 years.

Statement of Significance

Statement of Significance Summary Paragraph (Provide a summary paragraph that includes level of significance, applicable criteria, justification for the period of significance, and any applicable criteria considerations).

The four bays that today comprise 530 W. Broadway were constructed as four separate buildings. Historically, the buildings were addressed as 530, 534, 536, and 538 W. Broadway. They were all constructed in the late nineteenth or early twentieth centuries. The period of significance extends from 1885 to 1977, the estimated year of earliest construction to the year that the exteriors and interiors were modernized and unified. Several locally well-known, long-lasting businesses occupied the individual bays prior to 1977. The building is locally significant under Criterion A, as representative of a commercial building within Council Bluff's historic downtown.

Narrative Statement of Significance

 (Provide at least one paragraph for each area of significance.)

(Iowa SHPO Additional Instructions: For properties not nominated under Criterion D, include a statement about whether any archaeological remains within or beyond the footprint of the property were assessed as part of this nomination under the subheading **Archaeological Assessment**.)

These buildings are located on Broadway Street, within the historic center of commerce and community in Council Bluffs. They are located at the northwest end of what was once a bustling area lined with multi-story, multi-use buildings. During the late nineteenth century and early twentieth century, a central business district arose in Council Bluffs that extended along Broadway, from Franklin at the east to S. 7th Street at the west, and along Main Street from Broadway at the north to 9th Avenue at the south. Council Bluffs had defined itself as a major transportation hub by this period and it steadily worked to be defined as a cosmopolitan city.

Figure 2: 500 Block of Broadway in 1921. The four bays are on the left side in the middle. Courtesy of Richard Warner and Pottawattamie County Historical Society (PCHS).

Brick buildings replaced frame ones, dirt streets were paved, and a streetcar system was installed that linked Council Bluffs with its neighbor across the Missouri, Omaha. The business district was home to commercial enterprises like clothing stores, bakeries, pharmacies, and saloons; entertainment venues like live theaters and motion picture houses, and community gathering spots like fraternal halls. The multi-story brick buildings would often have residential units at their upper floors.⁵ During the early to mid-twentieth century, the four buildings housed many of these activities, including a succession of pharmacies and bakeries, a saloon, and a clothing store, all at the storefront level, and residential units or storage at the upper floors.

The corner bay, 530 W. Broadway, was built between late 1902 and early 1903. The construction dates for the three bays to its west, 534/536/538 W. Broadway are less clear. Buildings that have a similar size to the existing buildings, are three stories high, and built of brick appear on the 1885 Sanborn Map. By the 1891

Name of Property

County and State

Sanborn, the sketches of 534 and 536 indicate small rear additions, of one and two stories, respectively. 534's addition has a skylight. By 1896, 534 Broadway has been further extended to the north, with a one-story addition. By 1928, all three of the west bays have additions. 534's is similar to that shown on the 1896 Sanborn; 536's consists of a short three-story addition adjoining the building, and a larger 1 story addition extending to the north; and 538's is a two-story addition. A thorough search of the *Daily Nonpareil*, which often documents construction and remodeling, did not mention any such work to these bays prior to 1900. After 1900, articles discussing façade improvements and interior modifications appear. It must therefore be assumed that the three bays 534, 536, and 538 W. Broadway were built in c. 1885.⁶

Today, many of the turn-of-the-twentieth-century commercial buildings that once lined Broadway and Main Streets have been demolished, replaced by new buildings, parking lots, or empty lots. The greatest concentration of historic buildings within the commercial area are located within two National Register historic districts, the 100 Block of West Broadway and the Haymarket Commercial Historic District, which encompasses buildings along three blocks of Main Street. The buildings historically addressed as 530, 534, 536, and 538 W. Broadway remain as the only extant set of turn-of-the-century commercial buildings within the west end of the historic central business district, on W. Broadway between Main Street and S. 7th Street.

The history of the individual buildings will be described below utilizing their original addresses. These four buildings are notable for housing several locally prominent, long-running businesses, most of which remained in operation at this location for around ten years or more. Between 1976 and 1977, the bays were renovated and combined by the owner of one of these long-standing businesses, Iowa Clothes Shop. Further details on those efforts are also described below.

530 W. Broadway – 1902-1976

Notable businesses

Blue Ribbon Saloon: 1903-1916

Wilcox Flowers: 1916-1935

Martin's Drugs: 1936-1954

Lane's Bros. Pharmacy: 1954-1976

This is the corner bay with primary facades facing the intersection of W. Broadway and Scott Streets. It was built between 1902 and 1903. A building housing the *Daily Nonpareil* newspaper office previously occupied the site and was demolished around June 1902 to make way for the new building. The newspaper had moved its office to 400 W. Broadway in late 1900.⁷ Construction on the new building was underway by October 1902 and the building was in operation by August 1903.⁸ The architect is unknown. The builder was Wickham Bros. Contractors. The building was designed with a saloon on the first floor and boarding rooms on the upper two floors. Mrs. Maggie Buck was the building owner.⁹

Figure 3: 530 W. Broadway in 1935. Photo accompanying article in *Daily Nonpareil*, "Wickhams Sell Broadway Property to Harry Cohen," December 13, 1935.

The first occupant of the new building was the Blue Ribbon¹⁰ Saloon, owned by the Storz Brewing Company. This was one of ten saloons operated by Storz Brewing in

⁶ Sanborn Map Company, Insurance Maps of Council Bluffs, Pottawattamie County, Iowa, 1885, 1891, 1896.

County and State

Council Bluffs at the time. Storz Brewing was established by Gottlieb Storz in the late 1800s. The company had several name changes until settling on Storz Brewing in the early twentieth century. Storz, a German immigrant and experienced brewer, lived in Omaha and had a large production facility in the northeast part of that city. During the early 1900s, the brewery began to operate saloons in the area that sold only their beer. Maggie Buck and her husband John had strong connections to Gottlieb Storz. John worked as a brewer at Storz Brewing for over fifty years and was related to Gottlieb's wife, Minnie Storz, née Buck.¹¹

Maggie Buck, as a representative for the Storz company, was the building owner for all the Storz saloons¹² operating in Council Bluffs in the early 1900s. The saloons appear to have operated like franchises, having owners who could buy or sell their interest in the saloon business but also paid rent to the building owner.¹³ In 1903, Maggie and Storz Brewing had trouble getting some of the brewery operators to pay their rent on time and sought legal action. The Blue Ribbon, which was operated by former alderman W.C. Royer, was one of these and Royer ended up selling his interest in the saloon due to financial troubles.¹⁴ Other early difficulties encountered by the Blue Ribbon and other Council Bluffs Storz saloons related to Iowa's state prohibition legislation. There were also charges of illegal gambling at the upper floors of the 530 W. Broadway building.¹⁵

The saloon remained in the building until 1916. Owners of the saloon after Royer included Frank S. Craybill,¹⁶ T.J. Griffin, S.G. French, Myron H. Sherman and Thomas Healy (jointly), and S.A. Dale.¹⁷

Tenants on the upper floors of the saloon are only partially known. The third floor was used as meeting space for local fraternal groups. In 1903, the Dramatic Order, Knights of Khorassan (D.O.K.K.) rented the space for club rooms.¹⁸ By 1914, a chapter of the Woodmen of the World and the Moose lodge had shared meeting space there but was vacating it.¹⁹ As noted above, gambling also took place at the upper floors early on.

In 1916, the building was purchased by the Wickham family. They then leased the building to J. F. Wilcox & Sons, florists. Wilcox & Sons had previously operated for many years out of the Everett block at 521 W. Broadway (non-extant). At their new location, they undertook renovations to the entire building. The first floor would accommodate company offices and a retail area while the upper floors would be used for packing, shipping, and creating floral arrangements.²⁰ J.F. Wilcox & Sons was a successful floral business that supplied arrangements nationally. The business grew out of one established by L.A. and Mary Casper in the late 1860s. John Franklin (J.F.) Wilcox worked for the Caspers and married their niece, Emma. In 1892, Wilcox purchased the modest business from Casper and worked to expand it, adding greenhouses and customers over the next two decades. In 1912, Wilcox died and the business was taken over by his family

¹¹ U.S. Census Bureau, Council Bluffs, 1900. Ancestry.com. Accessed July and August 2020.

¹² A law introduced in 1907 made it illegal for breweries to operate saloons. Storz skirted this restriction by creating a holding company in his wife's name, something the Nebraska state supreme court frowned upon. In 1907 Maggie was one of the incorporators of the holding company Storz created to allow his brewery to continue operating saloons. The company was called Independent Realty Company, with the other two incorporators being Minnie, Storz's wife, and William F. Weber, the brewery's clerk.¹² Storz Brewing managed to survive Prohibition by creating non-alcoholic beverages during that time. The company remained in operation until 1966, when they were absorbed by one of the corporate breweries then gaining hegemony in the industry. County and State

who continued to operate it successfully, as Wilcox Flowers and then Bloomin John's, until 1990.²¹ The Wilcox floral business remained at 530 W. Broadway until 1935.

In 1935, Harry Cohen, proprietor of the Iowa Clothes Shop at 536 and 538 W. Broadway, purchased 530 W. Broadway from the Wickhams. The sellers at that time included B.P. Wickham, Eleanor A. Wickham, John J. Wickham and E.A. Wickham and Company. Cohen told the *Daily Nonpareil* reporters that "the purchase was for investment purposes."²² At this time, Cohen planned to remain operating his business out of the two bays west of 530 W. Broadway. In 1936, Cohen undertook renovations to the storefront for a new drugstore.²³ In 1936, Cohen announced plans to remodel the two-story portion at the rear of 530 W. Broadway, facing Scott Street, into store and office space.²⁴

Figure 4: 530/534/536 W. Broadway prior to remodeling in 1976. Courtesy of Richard Warner and Pottawattamie County Historical Society (PCHS).

Between 1936 and 1976, the building contained two successive pharmacies. Martin's Drugs, owned by Martin Gluckman, operated out of the building from 1936 through 1954.²⁵ Gluckman sold his business in 1954 due to illness. Gluckman went on to open a drive-through pharmacy, a new concept at the time, in 1959 at 700 First Avenue.²⁶ Martin's successors, Ed and Marguerite Lane, renamed the business Lane Bros. Pharmacy. They remained at the location until 1976, when they moved to 40 Pearl Street, fronting Baylis Park. At their new location, the business no longer provided prescriptions and became known simply as Lane's. According to Lane, the discontinuation of prescriptions was caused by the movement of doctors out of downtown to be closer to suburban hospitals.²⁷ The Lane Bros. Pharmacy move was precipitated by Iowa Clothes Shop's plans to expand its store from 538 and 536 W. Broadway into 534 and 530 W. Broadway.²⁸ Iowa Clothes Shop remained in this bay until the store closed in 1996.

534 W. Broadway – 1885-1976

Notable businesses

Eve's Bakery, 1903-1976

This is the second bay west of the corner of Broadway and Scott Streets. It was built around 1885. In 1885 the building was occupied by the Broadway House. In 1891 it was occupied by a tea room, with a photographer at the second floor. In 1895 it was occupied by a candy seller, Purity Candy Kitchen.²⁹ Erikson's Bakery (also called the New Bakery in newspaper advertisements) occupied the first-floor storefront from

County and State

1900 to 1903. The bakery was run by John Erikson, who also owned the building.³⁰ In 1903, Eve's Bakery took over the storefront and remained there until 1976.³¹ Charles Eve, an immigrant from England, owned the bakery. Eve came to America in 1885 and had done business in Council Bluffs for many years prior to becoming a naturalized U.S. citizen in 1914.³² Eve purchased the building from Erikson in 1907.³³

Charles Eve was active in the local community and the state's baking community. As of 1940, he was a member of the Iowa Bakers Association, Council Bluffs Retail Merchants Association, Dodge Park Club, AF & AM 71, York Rite, Abu Bekr Shrine, and the Second Presbyterian Church.³⁴

The two upper floors of the building contained residences. It appears that early on each floor contained one residence. In the 1910 and 1930 census, Charles Eve and his family are listed at this address, as are one other family. Sometime in 1930 or thereafter, the apartment floors were divided into two units at each floor, for a total of four. In city directories between 1930 and 1955, these four units are listed collectively with four units at the upper floors of 536 W. Broadway, using the address 534 ½ W. Broadway.³⁵ In city directories between 1930 and 1946, Eve is listed as residing at apartment 6 at 534½ W. Broadway. In the city directories, the building is called the Eve building.³⁶

In 1946 or 1947, Charles Eve had sold the bakery and moved out of the city, likely to California, where he died in 1963.³⁷ Eve appears to have sold the building to Harry Cohen, owner of the Iowa Clothes Shop that occupied 536 and 538 W. Broadway. By the 1955 the *Daily Nonpareil* newspaper's apartment rental ads for the apartments at 534 W. Broadway directed inquiries to Harry Cohen, Iowa Clothes Shop.³⁸ A bakery remained at the storefront of 534 W. Broadway until the late 1970s.

After Eve sold the bakery, the name temporarily changed but was known as Eve's again by the mid-1950s, likely because Eve's Bakery had an established name in the city. In 1947, the new bakery owner, John J. Kornmayer, changed the name to Kornmayer's (also called Kornmayer's Pastry Shop in newspaper advertisements). The new bakery was advertised as "the cleanest and most modern coffee bar and bakery in western Iowa."³⁹ In 1952, employment ads for the business advertised it as Eve's Bakery once again.⁴⁰ By 1955, the name had changed to Kornmayer's & Eve's Pastry Shop.⁴¹ In 1956, the shop was under new management and referred to as Eve's Bakery.⁴² Mrs. Lena Mazzei owned the business in 1961.⁴³ It was sold later that year to Joe and Shirley Coco. The Cocos continued to operate the bakery at 534 W. Broadway until

³⁰ Also referred to as John Eckerson in newspaper articles. *Daily Nonpareil*, "Filled Stove Too Full," November 8, 1900. *Daily Nonpareil*, "Notice – When in need...", May 17, 1900; *Daily Nonpareil*, "A Model Bakery," June 22, 1902.

1976 when they moved to a new location at 154 W. Broadway.⁴⁴ The Iowa Clothes Shop then expanded into this bay and remained here until they closed in 1996.⁴⁵

536 W. Broadway – 1885-1976

Notable businesses

Iowa Clothes Shop, 1919-1996

This is the third bay west of the corner of Broadway and Scott Streets. It was built around 1885. In 1885 the building was occupied by a butcher. In 1891 it was occupied by a grocer. Between 1895 and 1896, it was occupied by Mrs. E.J. Scott, milliner.⁴⁶ Prior to 1919, a succession of businesses operated out of the building for short periods of time, including a milliner, a laundry, a lunch parlor, and a pool hall.⁴⁷ In 1914, the entire facade was replaced with a new one. The tenant at the time was Napoleon Café and Dubuque Realty company was the building owner.⁴⁸ Around this time, many downtown storefronts were renovating their facades to give them a more modern appearance. According to a newspaper article discussing the improvements, the 500 block of Broadway (referred to in the article as the block between Pearl and Sixth street on Broadway), “during the past five years has almost been rebuilt.” Several businesses in the block are discussed as having recently undergone renovation, but 536 W. Broadway and its adjoining bays are not mentioned.⁴⁹

In 1919, a building permit to remodel the store at 536 W. Broadway was secured by C.E. Sessions & Sons, contractors.⁵⁰ By late November, an advertisement proclaimed the “Grand Opening of the Iowa Clothes Shop.”⁵¹ The store was operated by Harry Cohen.⁵²

Harry Cohen was active in the local community. He was born in Omaha in 1894 and moved with his family to Council Bluffs when he was three. In his early years he was a grocery delivery boy and a clerk at a grocery store. He then worked at Glasier Clothing Store at 409 W. Broadway prior to joining the army and fighting in World War I. He returned from service in 1918, a year before partnering with Glasier and opening the Iowa Clothes Shop. He was a member of the Iowa Retail Clothiers’ Association and was elected a director of the group in 1938.⁵³ He was a respected and enthusiastic member of his community, taking an active role in local veterans groups, the Jewish community, and fraternal groups.⁵⁴

At first, the Iowa Clothes Shop sold both men and women’s clothing. The store experienced steady growth and began to expand within a decade. In 1931 a new department, the Down Stairs store, opened in the basement of 536 W. Broadway. The new department specialized in work clothes and allowed the store to

⁴⁴ At 154 Broadway, the bakery became known as Eve’s Pastry Shop. It closed for good in 1983. The owners blamed the closure on a lack of parking and of downtown customers. Anita Young, “Bakery closing ‘hurts’ owners,” *Daily Nonpareil*, August 28, 1983.

⁴⁵

carry a larger stock of goods.⁵⁵ In 1932, Cohen expanded his store to the bay immediately to the west, 538 W. Broadway. Cohen explained this strategic plan, "Realizing that the depression is fading and that things are on the up grade, we determined to take advantage of the present low prices for building and not only profitably enlarge the store but furnish needed employment to labor."⁵⁶ With the additional storefront, the clothing store doubled its space, enlarging its shoe department, adding a new sports clothes department, and improving its boys department. By this point, the store had eliminated its women's department and specialized solely in outfitting men and boys.⁵⁷

In late 1938, the second and third floors were remodeled for sales and storage. The boys department was relocated to the second floor.⁵⁸ The clothing store continued to prosper in the coming decades. Harry Cohen remained at the helm of the Iowa Clothes Shop until his death in 1974. Thereafter his grandson, Pete Lee, took over ownership of the store. In 1976, Lee showed his confidence in Council Bluffs's downtown retailing by expanding the two-bay store into the two bays to the east. Iowa Clothes Shop remained in this bay until the store closed in 1996.

538 W. Broadway – 1885-1976

This is the fourth bay west of the corner of Broadway and Scott Streets. It was built around 1885. In 1885 the building was occupied by a furniture store. In 1891 it was occupied by a music store. In 1896 it was occupied by a grocery, H.S. Homer's, which remained there until 1899.⁵⁹ In the early 1900s, it was occupied by a clothing company, Bauman & Diwocky and a grocer O. Ewall.⁶⁰ In 1904, the building was sold from Ellen Dodge Scott and husband to Samuel Friedman.⁶¹ By 1910, if not sooner, Friedman had a pawnshop at the first floor and lived in one of the units above. Friedman remained here until 1932, when Harry Cohen expanded his Iowa Clothes Shop into this bay.⁶² Friedman retained ownership of the building through at least August 1937.⁶³ Iowa Clothes Shop remained in this bay until the store closed in 1996.

Figure 5: 536 & 538 W. Broadway prior to renovation in 1976. Courtesy of Richard Warner and Pottawattamie County Historical Society (PCHS).

Major changes made to the buildings in the 500 block of West Broadway and to the historically dense central business district of Council Bluffs are tied to the population loss and shifts in lifestyle preferences that occurred in the post-World War II period. Like many U.S. cities, people and businesses in Council Bluffs

began to leave the densely populated city for more suburban sites in increasing numbers in the post-World War II period, as people sought out single family homes on large plots for their growing families and automobile proliferation made it easier to commute further distances. During the 1960s and 1970s, Council Bluffs leaders introduced urban renewal schemes to help rejuvenate the downtown area. By the early 1970s, an urban renewal area had been established and storefront renovations were being encouraged.⁶⁴ These efforts encouraged some owners, like those of the Iowa Clothes Shop, to expand their business and remain downtown. But many others left for suburban sites or closed forever. The urban renewal efforts and business closures resulted in the demolition of many of the buildings along Broadway and Main Streets, including many of those near 530 W. Broadway, for parking lots or new development.⁶⁵

Conclusion

The buildings historically addressed as 530, 534, 536, and 538 W. Broadway remain as one of the last turn-of-the-twentieth century building clusters in what was once Council Bluff's bustling downtown, historically centered on Broadway and Main Streets. Originally built as four separate buildings in c. 1885 (534/536/538) and c. 1903 (530), the building was combined into a single property in 1977. They housed several long-standing businesses, including the Iowa Clothes Shop, Eve's Bakery, the Blue Ribbon Saloon, Wilcox Flowers, and Lane Bros. Pharmacy, whose owners served customers faithfully for decades. With many historic features still intact, particularly at the upper floors on the exterior and interior, the building stands as a testament to the evolution of commerce in Council Bluffs between the late nineteenth century and through the middle of the twentieth century.

Additional Documentation

Submit the following items with the completed form:

- **GIS Location Map (Google Earth or BING)**
- **Local Location Map**
- **Site Plan**
- **Floor Plans (As Applicable)**
- **Photo Location Map** (Key all photographs to this map and insert immediately after the photo log and before the list of figures).

500 Block of West Broadway
Name of Property

Pottawattamie County, Iowa
County and State

Photographs:

Submit clear and descriptive photographs under separate cover. The size of each image must be 3000x2000 pixels, at 300 ppi (pixels per inch) or larger. Key all photographs to the sketch map. Each photograph must be numbered and that number must correspond to the photograph number on the photo log. For simplicity, the name of the photographer, photo date, etc. may be listed once on the photograph log and does not need to be labeled on every photograph.

Historical Society of Pottawattamie County

September 20, 2020

To Whom it May Concern:

This letter is in support of the designation of the 530 West Broadway complex as a local historic landmark. We believe this designation will significantly contribute to the long term preservation of what is an important element of Council Bluffs' cultural heritage.

As suburban sprawl and roadside development make more and more places look the same, the unique buildings we have remaining take on an increased importance in helping to maintain our identity. This is more acute in Council Bluffs than most cities. The aggressive urban renewal project of the early 1970s markedly changed the community's personality by removing all buildings of the downtown's central district. It places us in a unique situation. Few if any other cities have likely come even close to eliminating so much of their central district, which is typically the area the community identifies with and that gives a town its character and individuality.

It's not just about bricks and mortar. Historic buildings are more than examples of architecture or aesthetics; they represent the intentions, assumptions and lives of those who built them and used them, and serve as crucial touchpoints linking our legacy with the present. What makes this building complex particularly significant is that it stands as one of the few remaining examples of a specific and important time period in Council Bluffs. The city had passed through its frontier period and the transition from village-hood into being a city. This complex exemplifies the next phase, our great era of development. This time was marked by unparalleled optimism and a building boom that categorized the late 19th and early 20th Century, when the prevailing notion was, "Council Bluffs will reach far beyond the bounds of any speculation or prophesy."

The Council Bluffs Board of Trade wrote in 1889, "Five years ago and the stranger looked upon a village. None of the characteristics of city-hood were here. Can this now be Council Bluffs? Yes, this is Council Bluffs— energized, modernized, and progressive." This is the time period the 530 West Broadway complex grew out of. We hope to see those buildings remain as a monument to that era and to that attitude which brought together the energy and forces which propelled Council Bluffs into a dynamic city and shaped our future for the next several decades.

Regards,
Board of Directors,
Historical Society of Pottawattamie County

Subject: FW: 530 W Broadway support
Attachments: 530 W. Broadway Landmark Listing Support.xlsx; 530 W Bway letter of support HSPC.pdf; public-hearing-appeal-2020-05-12 - Revit PC.xlsx

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Chris,

On September 29th we launched a social media petition supporting a local landmark designation for 530 W. Broadway. http://the712initiative.org/2020/09/local-historic-landmark-public-hearing/?fbclid=IwAR2um4iMByx6e79qfjacc8qBZR_weo6pz6d3_XdAi2F2kQ0CsqoFkL_4Clw

Attached are the 89 responses we received along with comments. Can you please forward this to the local Historic Preservation Commission on our behalf for Wednesday’s meeting.

Along with this call for the local landmark designation, the revitalization of this project has also received the following public support:

- 12,250 citizens past and present ‘liked’ our call for stories, 3,089 commented in a 48 hr period as we were working on the local landmark designation research. Comments and stories were endless. Took a screenshot of a few.
- 82 citizens signed a petition this May to support Urban Revitalization Area benefits to support the renovation of the property. See attached.
- 122 top fans of the project helped form the Facebook Group ‘500 Block Reimagined’ for regular updates on the project.
- Preserve Council Bluffs at 1,100 and ‘You might be from Kanesville if’ at 14,000 social media members shared and support the efforts for the designation and project.
- Historical Society of Pottawattamie County composed a letter of support for the local landmark designation.

Lynn and I will be in attendance on Wednesday to speak on the designation’s behalf. If there are any questions or concerns that we can address prior to Wednesday, please do not hesitate to contact us via email or at 402-630-7474.

Sincerely,

SHERYL GARST

Lisa Wear-Berding

My grandmother was the seamstress at Iowa Clothes for 36 years. Tommy, who was a salesman there for many many years works at Bombgaars in the men's clothing would be able to tell u many stories. I remember Mr and Mrs Coehn, his daughter Betty and her son Pete and many other sales associates. I have lots of memories of the original store with the wooden floors to where they bought the business next to them and expanded. There was a distinct smell of all the mens clothing that I still remember to this day! 😊😊

Alan Fisher

This is a story my grandfather told me in the 1960's. He only bought clothes for himself and me, his only grandson, at Iowa Clothes. I asked him "why" once and he told me that when he moved to Council Bluffs from Des Moines to take a job at the mail terminal he needed a suit to go on a blind date, arranged by one of his co-workers, and before his first paycheck. He walked in to Iowa Clothes and Mr. Harry Cohen, the owner, sold him a suit and told him to come back in on payday and pay for it. My grandfather was so delighted about this arrangement and the kindness and generosity showed a young 25 year old man that he forever bought his clothes and mine at Iowa Clothes. Now that's goodwill! Oh, the date was with my future grandmother. That might have had something to do with his loyalty because they were married for 70 years. Thanks for letting me share this story. Miss the place and the wonderful salesmen there.

Harry Cohen would give (free) little boys their first pair of bib overalls (OshKosh). He would say "if you have a little boy, you bring him in to see me ". This was back when we didn't know the sex of our kids until they were born.

The first paycheck I ever earned went toward the purchase of my letterman's jacket from Iowa Clothes Store -- a good memory.

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN:

You and each of you are hereby notified that the City Council of the City of Council Bluffs, Iowa, has scheduled a public hearing on the request of Pottawattamie County Development Corporation (PCDC) d/b/a The 712 Initiative to amend the zoning map as adopted by reference in Section 15.02.070, by designating property commonly known as the 500 Block of West Broadway and legally described as Lots J, K, L and M, Auditor's Subdivision, of Block 6, Mynster's Addition, and Block 2, Bayliss 1st Addition, City of Council Bluffs, Pottawattamie County, Iowa, as a local historic landmark.

You are further notified that the public hearing on said matter will be held by the City Council of the City of Council Bluffs, Iowa, at its regular meeting held at 7:00 p.m., on the 14th day of December, 2020 in the City Council Chambers, 2nd Floor of City Hall, 209 Pearl Street, Council Bluffs, Iowa at which time and place all persons interested in said matter will be given an opportunity to be heard.

Jodi Quakenbush, City Clerk

ORDINANCE NO. 6433

AN ORDINANCE TO AMEND THE ZONING MAP OF THE CITY OF COUNCIL BLUFFS, IOWA, AS ADOPTED BY REFERENCE IN SECTION 15.02.070 OF THE 2015 MUNICIPAL CODE OF COUNCIL BLUFFS, IOWA, BY DESIGNATING THE PROPERTY COMMONLY KNOWN AS 500 BLOCK OF WEST BROADWAY AND LEGALLY DESCRIBED AS LOTS J, K, L AND M, AUDITOR'S SUBDIVISION, OF BLOCK 6, MYNSTER'S ADDITION, AND BLOCK 2, BAYLISS 1ST ADDITION, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA, AS A LOCAL HISTORIC LANDMARK.

**BE IT ORDAINED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

SECTION 1. That the Zoning Map of the City of Council Bluffs, Iowa, as adopted by reference in Section 15.02.070 of the 2015 Municipal Code of the City of Council Bluffs, Iowa, be and the same is hereby amended to designate the property being commonly known as the 500 Block of West Broadway and legally described as Lots J, K, L and M, Auditor's Subdivision, of Block 6, Mynster's Addition, and Block 2, Bayliss 1st Addition, City of Council Bluffs, Pottawattamie County, Iowa, as a local historic landmark.

SECTION 2. REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 3. SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason declared illegal or void, then the lawful provisions of this ordinance which are severable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

SECTION 4. EFFECTIVE DATE. This ordinance shall be in full force and effect from and after its final passage and publication, as by law provided.

Department: Community Development Cases #ZT-20-005 Applicant: Council Bluffs Community Development Department	Ordinance No.	1 st Consideration: 11/23/2020 2 nd Consideration: 12/14/2020 3 rd Consideration: Request to be waived Planning Commission: 11/10/2020
---	---------------	--

Subject/Title

Public hearing on the request of the Council Bluffs Community Development Department to amend Section 15.26.030(b), Abandonment of Nonconforming Use, of the Municipal Code (Zoning Ordinance) to allow a nonconforming use to cease for a continuous period of twelve (12) months before the subsequent use shall be required to conform to the use regulations of Title 15: Zoning.

Background

The Community Development Department is requesting to amend Section 15.26.030(b), Abandonment of Nonconforming Use, of the Municipal Code (Zoning Ordinance) to allow a nonconforming use to cease operating for a continuous period of twelve (12) months before the subsequent use shall be required to conform to the use regulations of Title 15: Zoning. The proposed text amendment is included with this report as Attachment ‘A’.

The request to amend the above mentioned section of code arose from a discussion regarding the rezoning, Case #ZC-20-010, considered by City Council on September 28, 2020. Case #ZC-20-010 involved rezoning properties from I-1/Light Industrial to C-2/Commercial District in the West Broadway Corridor, which subsequently caused a number of businesses in the West Broadway Corridor to become legally nonconforming. At this meeting, it was discussed that increasing the grace period for nonconforming uses from six (6) to twelve (12) months would be a reasonable adjustment as it would allow business owners sufficient time to sell their property and/or business before having to come into compliance with current allowed uses.

Additionally, in response to direction given by City Council to consider extending the existing six (6) month grace period for nonconforming uses, Community Development Department staff conducted research on the top ten largest cities in Iowa, which include: Des Moines, Cedar Rapids, Davenport, Sioux City, Iowa City, Waterloo, Council Bluffs, Ames, West Des Moines, and Dubuque regarding the grace period given to nonconforming uses, see Attachment ‘B’. Seven of the top ten largest cities in Iowa allow a nonconforming use a twelve (12) month grace period before the subsequent use would be required to conform to current use standards. Ames and Des Moines have no grace period, requiring that nonconforming uses cease immediately upon vacancy. Council Bluffs was the only city among the top ten to have a six (6) month grace period.

The proposed text amendment is an effort to remain consistent among larger Iowa cities and provide business owners a sufficient and reasonable opportunity to legally continue to operate nonconforming uses where applicable.

Comments

All City departments and local utility providers received a copy of the proposed text amendment. The following comments were received regarding proposed amendment to Section 15.26.030(b), Abandonment of Nonconforming Uses:

- The Council Bluffs Public Works Department stated that they have no comments.
- The Council Bluffs Fire Department stated that they have no comments.
- Council Bluffs Water Works stated that they have no comments.

Recommendation

The Community Development Department recommends approval to amend Section 15.26.030(b), Abandonment of Nonconforming Use, of the Municipal Code (Zoning Ordinance) to allow a nonconforming use to cease for a continuous period of twelve (12) months before the subsequent use shall be required to conform to the use regulations of Title 15: Zoning.

Attachment(s)

- Attachment A: Proposed Section 15.26.030(b), Abandonment of Nonconforming Uses
- Attachment B: Top Ten Iowa Cities – Nonconforming Uses

Prepared by: Haley P. Weber, Planner

15.26.030 Nonconforming Uses

Any legal nonconforming use existing on the effective date of the ordinance codified in this chapter may continue subject to the limitations of this section.

1. Enlargement of Nonconforming Use. No nonconforming use shall be extended or enlarged to occupy a greater area of land or structure. No additional structure not conforming to the requirements of this title shall be erected in connection with a legal nonconforming use.
2. Abandonment of Nonconforming Use. If any nonconforming use ceases for a continuous period of more than ~~six~~ twelve months, any subsequent use shall conform to the regulations of this title.
3. Relocation of Nonconforming Use. No nonconforming use shall be moved in whole or in part to any other location, unless the nonconforming use meets the requirements of this title.
4. Change of Use. A legal nonconforming use may be changed only as allowed in CBMC 15.02.
5. Allowance for Repairs. If a structure occupied by a nonconforming use becomes unsafe for use and is declared by an authorized official to be unsafe for use, it shall not thereafter be restored, repaired or rebuilt except in conformity with the regulations of this title. Nothing in this chapter shall be deemed to prevent the strengthening or restoring to a safe condition of any building or part thereof declared to be unsafe by an authorized official. When a structure containing a nonconforming use is damaged to an extent of fifty (50) percent or less of the replacement cost, the structure shall be allowed to continue if actual construction to repair it is commenced within six months of the date the damage was incurred, and the work is carried on diligently to completion within one year of this commencement.
6. For purposes of this chapter, the addition of an outdoor area of less than one hundred fifty (150) square feet for purposes of adding an outdoor dining or open air tavern area to a pre-existing liquor license establishment shall not be deemed an enlargement of a pre-existing use.

(Ord. No. 6086, § 1, 6-28-2010)

Editor's note— Ord. No. 6086, § 1, adopted June 28, 2010, repealed the former section and enacted a new section as set out herein. The former section pertained to similar subject matter and derived from Ord. No. 5315, § 4, 1997.

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN:

A public hearing is to be held by the City Council of the City of Council Bluffs, Iowa, on the 14th day of December, 2020 at 7:00 p.m. in the City Council Chambers, 2nd Floor of City Hall, 209 Pearl Street, Council Bluffs, Iowa at which time and place all persons interested in said matter will be given an opportunity to be heard.

The hearing is in regards to the City's intent to amend Section 15.26.030(b), Abandonment of Nonconforming Use, of the Municipal Code (Zoning Ordinance) to allow a nonconforming use to cease operating for a continuous period of twelve (12) months before the subsequent use shall be required to conform to the use regulations of Title 15: Zoning.

Jodi Quakenbush, City Clerk

ORDINANCE NO. 6434

AN ORDINANCE TO AMEND CHAPTER 15.26 “NONCONFORMITIES” OF THE 2015 MUNICIPAL CODE (ZONING ORDINANCE) BY AMENDING SECTION 15.26.030 “NONCONFORMING USES.”

**BE IT ORDAINED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

SECTION 1. That Chapter 15.26 “Nonconformities” of the 2015 Municipal Code (Zoning Ordinance) is hereby amended by amending Section 15.26.030 “Nonconforming Uses” to change the timeframe for Abandonment of Nonconforming Use stated in Section 15.26.030(B) to read as follows:

15.26.030 Nonconforming Uses

Any legal nonconforming use existing on the effective date of the ordinance codified in this chapter may continue subject to the limitations of this section.

- A. Enlargement of Nonconforming Use. No nonconforming use shall be extended or enlarged to occupy a greater area of land or structure. No additional structure not conforming to the requirements of this title shall be erected in connection with a legal nonconforming use.
- B. Abandonment of Nonconforming Use. If any nonconforming use ceases for a continuous period of more than twelve months, any subsequent use shall conform to the regulations of this title.
- C. Relocation of Nonconforming Use. No nonconforming use shall be moved in whole or in part to any other location, unless the nonconforming use meets the requirements of this title.
- D. Change of Use. A legal nonconforming use may be changed only as allowed in CBMC 15.02.
- E. Allowance for Repairs. If a structure occupied by a nonconforming use becomes unsafe for use and is declared by an authorized official to be unsafe for use, it shall not thereafter be restored, repaired or rebuilt except in conformity with the regulations of this title. Nothing in this chapter shall be deemed to prevent the strengthening or restoring to a safe condition of any building or part thereof declared to be unsafe by an authorized official. When a structure containing a nonconforming use is damaged to an extent of fifty (50) percent or less of the replacement cost, the structure shall be allowed to continue if actual construction to repair it is commenced within six months of the date the damage was incurred, and the work is carried on diligently to completion within one year of this commencement.
- F. For purposes of this chapter, the addition of an outdoor area of less than one hundred fifty (150) square feet for purposes of adding an outdoor dining or open air tavern area to a pre-existing liquor license establishment shall not be deemed an enlargement of a pre-existing use.

(Ord. No. 6086, § 1, 6-28-2010)

Editor's note— Ord. No. 6086, § 1, adopted June 28, 2010, repealed the former section and enacted a new section as set out herein. The former section pertained to similar subject matter and derived from Ord. No. 5315, § 4, 1997.

SECTION 2. REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 3. SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason declared illegal or void, then the lawful provisions of this ordinance which are severable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

SECTION 4. EFFECTIVE DATE. This ordinance shall be in full force and effect from and after its final passage and publication, as by law provided.

---	---	--

Subject/Title

Request: Combined public hearings on the requests of YMCA of Greater Omaha to rezone properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District; to amend the Bluffs Tomorrow: 2030 Plan by reclassifying said properties from 'Low Density Residential' to 'Local Commercial'; and to vacate and dispose of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard.

Location: West of 235 Harmony Street

Background

The Community Development Department has received applications from YMCA of Greater Omaha, represented by Jon McCarville, for the following requests:

1. To rezone properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District;
2. To amend the Bluffs Tomorrow: 2030 Plan by reclassifying said properties from Low Density Residential to Local Commercial; and
3. To vacate and dispose of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard.

The YMCA of Greater Omaha is proposing to expand the Charles E. Lakin YMCA campus in Council Bluffs, located at 235 Harmony Street, to accommodate additional recreational amenities, including a sports court, an outdoor pavilion, a playground, a walking path and natural landing, as well as to increase the amount of off-street parking for the site (see Attachment 'C'). The applicant purchased the properties included in the proposed rezoning—the former site of St. Patrick’s Catholic Church—in 2019 with this intent. In order to combine said properties with the existing YMCA site and create one continuous campus, the applicant is requesting to vacate the portion of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard, which

currently separates these properties. The applicant is requesting the proposed rezoning and comprehensive plan amendment for consistency purposes.

CASES #ZC-20-012 & #CP-20-002

The subject properties are currently zoned R-3/Low Density Multifamily Residential District. Previous land uses include St. Patrick’s Catholic Church and Rectory, as well as single-family dwellings. The Charles E. Lakin YMCA is zoned A-P/Administrative-Professional District. The applicant is requesting the proposed rezoning for zoning and development consistency purposes as it will ensure the entirety of the expanded YMCA campus is located within the same zoning district.

Land Use and Zoning – The following zoning and land uses surround the subject property:

- North: Residential properties that are zoned R-3/Low Density Multifamily Residential District.
- South: Residential properties, a parking lot, several drive-in/fast-food restaurants and the Kaneshville Tabernacle, all of which are zoned C-3/Commercial District.
- East: Charles E. Lakin YMCA and CHI Health Mercy hospital, which are both zoned A-P/Administrative-Professional District.
- West: Residential properties that are zoned R-3/Low Density Multifamily Residential District.

The future land use plan of the Bluffs Tomorrow: 2030 Plan (Comprehensive Plan) designates the subject properties as Low Density Residential. The purpose of the proposed comprehensive plan amendment to Local Commercial is to ensure the future land use classification of the subject properties is consistent with the future land use classification of the current YMCA site, which is designated as Local Commercial.

All City Departments and local utilities were notified of the proposed rezoning. The following comments were received:

- Mid-American Energy stated they were not opposed to the proposed rezoning.

Public notices were mailed to all property owners within 200 feet of the request. The following comments were received:

- Brenda Dollen, owner of 201 Benton Street, contacted the Community Development Department and had an inquiry regarding on-street parking along Harmony Street.
- Marcia and Tom Bouska, owners of 218 Harmony Street, contacted the Community Development and stated they are aware of the YMCA’s need for additional parking. They also stated that the vacation of Baughn Street will increase traffic on Harmony Street. They request that parking be limited to one side of Harmony Street (see Attachment ‘F’).

Discussion

1. The A-P district is intended and designed to provide, in certain areas in the city, for the development of institutional public/semi-public uses that are arranged in a campus-style setting, with heavy public traffic volumes and multiple frontages, such as the Charles E. Lakin YMCA.
2. If approved, the proposed rezoning will provide one consistent zoning classification for the expanded YMCA campus.
3. As part of the YMCA expansion project, the applicant shall be required to replat the subject properties, the current YMCA site, and the portion of Baughn Street right-of-way proposed to be vacated into two lots of record.
 - a. The YMCA of Greater Omaha owns the properties proposed to be rezoned; however, they do not own 235 Harmony Street. Said parcel is owned by Alegent Health-Bergan Mercy Health System. The applicant has a zero cost land-lease agreement with Alegent Health-Bergan Mercy to operate the Charles E. Lakin YMCA. The first lot will be owned by the YMCA of Greater Omaha and the other lot will be owned by Alegent Health-Bergan Mercy. Both YMCA and Alegent Health-Bergan Mercy shall be

signatories on the plat, and each shall prepare separate attorney's opinion of title for the land they respectively own within the subdivision plat boundary.

- b. Said two-lot subdivision shall be subject to the approval of the proposed vacation of Baughn Street right-of-way (see Case #SAV-20-004 below).
4. The expanded YMCA campus will contain 182,144.6 square feet (4.18 acres), more or less, in area, which exceeds the minimum lot size requirements in the A-P/Administrative-Professional District.
5. The Charles E. Lakin YMCA, along with the proposed outdoor recreational amenities, is considered a 'commercial recreation (indoor and outdoor)' establishment. 'Commercial recreation (indoor and outdoor)' is a conditional use in the A-P District. The applicant shall obtain a conditional use permit (CUP) from the Zoning Board of Adjustment as part of the YMCA expansion project. Both YMCA and Alegent Health-Bergan Mercy shall be signatories on the CUP application.
6. The Bluffs Tomorrow: 2030 Plan (Comprehensive Plan) designates the subject properties as Low Density Residential. The proposed comprehensive plan amendment to Local Commercial would ensure the future land use classification of the subject properties is consistent with the future land use classification of the current YMCA site, as well as with the proposed rezoning to the A-P District and the 'commercial recreation (indoor and outdoor)' land uses.
7. Adequate utilities (e.g., water, sanitary sewer, electric, etc.) are available to accommodate the uses permitted in the A-P District.

CASE #SAV-20-004

The portion of Baughn Street proposed to be vacated is improved and is used for vehicular and pedestrian circulation. It measures approximately 55 feet in width by 284.03 feet in length. The applicant intends to vacate the subject right-of-way as part of the Charles E. Lakin YMCA expansion project.

On August 25, 2003 the City Council amended the adopted *Policy and Procedures for Alley, Street and Right-of-way Vacations*. The objectives of the amended Policy are as follows:

1. *To provide due process and citizen participation in the application and review process for vacations.*
There are two property owners with land that abuts the subject right-of-way. The owners of these properties are as follows:

West: Six vacant properties, including the former site of St. Patrick's Catholic Church, owned by the YMCA of Greater Omaha.
East: Charles E. Lakin YMCA, owned by Alegent Health-Bergan Mercy Health System (235 Harmony Street).

Both abutting property owners were mailed petitions asking if they are in favor of/opposed to the vacation request and if they were willing to/not willing to acquire the portion of right-of-way adjacent to their property, if vacated. Responses to these petitions are summarized in Comment #10 below.

2. *To ensure that no property owner is deprived of required and reasonable access.*
Lots 7 through 10, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, will be landlocked if subject right-of-way is vacated. Additionally, the west entrance to the Charles E. Lakin YMCA is located on Baughn Street. However, the existing facility can also be accessed through Harmony Street on the north. If Baughn Street is vacated, a final plat consisting of said Baughn Street right-of-way, the properties proposed to be rezoned and the current YMCA site shall be executed to ensure all platted lots of record have direct access to a publically dedicated right-of-way, to establish rights of ingress/egress and circulation between properties and to allow the applicant and Alegent Health-Bergan Mercy to retain shared access easements between the two parcels. As shown on the conceptual plan (see Attachment 'C'), the expanded

YMCA campus will be accessed through Harmony Street, thus no property owner will be deprived of required and reasonable access.

3. *To discourage the creation and eliminate or reduce existing dead-end alleys, streets or other rights-of-way.*
This request will not create a dead-end right-of-way as the request is to vacate the entirety of Baughn Street from Harmony Street to East Kanesville Boulevard.
4. *To reduce or eliminate hazardous and dangerous traffic conditions.*
Not applicable.
5. *To protect all existing and proposed public utilities located in the right-of-way and to maintain necessary utility easements.*

All City Departments and utilities were notified of the request. The following responses were received:

- a. The Public Works Departments had the following comments:
 - i. The Public Works Department reconstructed Baughn Street and Harmony Street in coordination with construction of the new YMCA facility. This work was completed just over three years ago. The cost to the City for the segment to be vacated was approximately \$300,000.
 - ii. If the vacation of Baughn Street proceeds forward, Public Works will require an easement to remain over the entire width of the subject right-of-way to accommodate the infrastructure that is currently in place. The easement would be restricted as follows:
 - A. *ERECTION OF STRUCTURES PROHIBITED: Grantor shall not erect any structure over or within the Easement Area without obtaining the prior written consent of the City Engineer, provided however grantor shall have the right to place and maintain a surfaced roadway over and within the Easement Area.*
 - B. *CHANGE OF GRADE PROHIBITED: Grantor shall not change the grade, elevation or contour of any part of the Easement Area without obtaining the prior written consent of the City Engineer.*
 - C. *RIGHT OF ACCESS: City shall have the right of access to the Easement Area and have all right of ingress and egress reasonably necessary for the use and enjoyment of the Easement Area as herein described.*
 - D. *REMOVAL AND REPLACEMENT: The cost of removal and replacement of any unauthorized improvement or structures within the Easement Area, necessitated by the exercise of the rights under this easement, shall be borne by the Grantor or their successors or assigns.*
 - E. *SURFACE RESTORATION: City's liability to restore the surface within the Easement Area shall be limited only to grading and seeding, and replacement of grantors surfaced roadway.*
 - F. *DUTY TO REPAIR: City agrees that any drain tile, drive or access way, fence, or yard or other improvements outside of the Easement Area which may be damaged as a result of any entry made through an exercise of the City's right of access shall be repaired at no expense to Grantor.*
 - G. *EASEMENT RUNS WITH LAND: This easement shall be deemed to run with the land and shall be binding on Grantor and on Grantor's successors and assigns.*
 - iii. The Community Development Department has indicated that the ground that the YMCA has acquired will require a conditional use permit for the proposed commercial recreation (indoor and outdoor) activities. As part of that permit, Public Works will require stormwater to be managed to control quantity and quality, as per City Code.
- b. MidAmerican Energy Company stated they are not opposed to the proposed vacation. They also stated that there are a pair of existing MEC owned wood lighting poles—the northerly pole supports a City streetlight and the pole to the south supports an MEC area floodlight leased to illuminate the front of the church—and two spans of overhead conductor along the west side of the Baughn Street right-of-way to be vacated that would be in conflict with the proposed redevelopment and need to be removed. They also

noted that there are existing overhead electric distribution facilities along the south side of the Harmony Street right-of-way and down the alley between Baughn Street and Benton Street that appear to be outside the area to be vacated that must remain in service and accessible. They recommend that the applicant should contact MidAmerican Energy directly to identify any requirements and costs associated with relocating electric facilities or extending new service within the development area.

6. *To maintain appropriate right-of-way width to ensure that an adequate pedestrian and vehicular circulation system is retained.*
Not applicable.
7. *To discourage the vacation of a portion of an existing alley, street or other right-of-way.*
The request is to vacate the entirety of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard
8. *To assist in the implementation of the goals and objectives of the Comprehensive Plan.*
The subject right-of-way is a local street that provides vehicular circulation between Harmony Street and East Kanesville Boulevard. However, both Benton Street—located west of Baughn Street—and Frank Street—which bounds the current YMCA site to the east—provide circulation between Harmony Street and East Kanesville Boulevard. Therefore, the proposed vacation of Baughn Street will not negatively impact vehicular circulation in this area of the city. The request is generally consistent with the local access and circulation objectives stated in Chapter 6, Transportation of the Bluffs Tomorrow: 2030 Plan (Comprehensive Plan).
9. *To reduce the City's maintenance liability on previously vacated right-of-way parcels from public improvement projects and various lots acquired through delinquent taxes or assessments.*
Not applicable.
10. *To establish an equitable price for surplus public property.*
All abutting property owners were notified about this vacation request. The following responses were received:
 - a. The YMCA of Greater Omaha stated they are in favor of the request and are willing to acquire the portion of Baughn Street right-of-way adjacent to their properties for the total sum of \$2,095.40.
 - b. There has been no reply from Alegent Health-Bergan Mercy Health System regarding the vacation request.

Recommendation

The Community Development Department recommends the following:

1. Approval of the request to rezone property to rezone properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District, based on the reasons stated above.
2. Approval of the request to amend the Bluffs Tomorrow: 2030 Plan by reclassifying properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from Low Density Residential to Local Commercial, based on the reasons stated above.
3. Approval of the request to vacate and dispose of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard, effective at the time of and subject to the following conditions:
 - a. An easement shall be retained over the subject right-of-way for utility access and maintenance purposes;
 - b. All portions of the subject right-of-way shall be disposed of to an abutting property owner(s);

- c. A final plat consisting of the subject right-of-way, the properties proposed to be rezoned and the current YMCA site shall be executed by the City to create new platted lots of record with direct access to a publically dedicated right-of-way; and
- d. A conditional use permit shall be obtained from the Zoning Board of Adjustment for the commercial recreation (indoor and outdoor) activities proposed as part of the expansion project.

Public Hearing

Staff speakers for the request:

- 1. Moises Monrroy, Planner, City of Council Bluffs, 209 Pearl Street, Council Bluffs, IA
- 2. Christopher Gibbons, Planning Manager, City of Council Bluffs, 209 Pearl Street, Council Bluffs, IA

Speakers in favor:

- 1. Leo McIntosh, Charles E. Lakin YMCA, 235 Harmony Street, Council Bluffs, IA 51503
- 2. Chris Rochleau, Charles E. Lakin YMCA, 1425 9th Avenue, Council Bluffs, IA 51501

Speakers against:

- 1. Sheryl Garst, The 712 Initiative, 1228 South Main Street, Council Bluffs, IA 51503
- 2. Patricia Murphy, Preserve Council Bluffs, 333 Willow Avenue, Council Bluffs, IA 51503
- 3. Anthony Beraldi, 238 Harmony Street, Council Bluffs, IA 51503
- 4. Ken Freudenburg, Lincoln-Fairview Neighborhood Association, 510 Oakland Avenue, Council Bluffs, IA 51503
- 5. Linda Emge, 244 Harmony Street, Council Bluffs, IA 51503
- 6. Deb Petersen, 215 South Main Street, Council Bluffs, IA 51503
- 7. Amanda Scott, 220 Harmony Street, Council Bluffs, IA 51503

Planning Commission Recommendation

Note: The reasons stated below are a summary of statements made by the voting majority of the City Planning Commission, as interpreted and condensed by the Community Development Department, and do not represent the entire Planning Commission as some did not make any comments and/or voted in the minority. The Planning Commission’s official discussion and vote can be heard on the recorded meeting minutes located in the Community Development Department. This summary of statements was requested by City Council and is not intended to misrepresent the intent of the City Planning Commission or its individual members. Any misinterpretation of language, intent, or emphasis is not intended.

The Planning Commission recommended denial of all three requests, based on the following reasons:

- 1. Most right-of-way vacation requests involve streets and alleys that are unimproved and/or not utilized for traffic circulation. The applicant’s request would result in vacating a fully improved roadway which is utilized by the neighborhood for on-street parking and traffic circulation. Approval of this request would also be disruptive to the traffic patterns in this area of the City.
- 2. The proposed rezoning and future land use plan amendment results in a fundamental change to the City’s zoning map and Bluffs Tomorrow: 2030 Comprehensive Plan. The request by the applicant to expand their parking lot and construct an outdoor amenity area for the YMCA campus does not justify such a fundamental change to the City’s zoning map and future land use plan of the Bluffs Tomorrow: 2030 Plan.

VOTE: AYE - Halm, Holm, Rew, Scott, Stroebele and Van Houten, and VanHouten

NAY - Bass, Danielsen, Haner and Rater ABSTAIN - None ABSENT - Hutcheson VACANT - None

Motion: Carried.

YMCA OF GREATER OMAHA CHARLES E. LAKIN CAMPUS PARK PROJECT COUNCIL BLUFFS, IA

The YMCA of Greater Omaha manages 10 YMCA facilities across the Metro area, including the Charles E. Lakin YMCA in Council Bluffs. The leadership of the YMCA is requesting the opportunity to discuss the Lakin Campus Park Project with Council Bluffs city leaders, in an effort to inform stakeholders as well as secure certain project approvals. Specifically, after many professional design reviews with LEO A DALY and other advisors, the YMCA is interested in gaining approval to vacate the current Baughn Street throughfare, located just east of the facility. This will enhance the Charles E. Lakin YMCA, as it allows us to deliver the safest, most user-friendly, and desirable park experience possible for the community and YMCA members and staff.

The Charles E. Lakin YMCA's popularity has far exceeded expectations since it opened in 2018. During 2019, the Y purchased the old St. Patrick's Church property adjacent to the YMCA. This purchase was made with the intent of expanding the campus to accommodate current demand as well as future growth. Vacating Baughn Street will have numerous benefits:

- Make the YMCA one continuous campus, creating a safer experience for staff, members, summer camp and after-school attendees and community members
- Allow for more, varied and better-quality recreational amenities within the park itself
- Create more space overall for amenities, which may prove useful should we enter into a prolonged COVID situation where social distancing is the new normal
- Allow park designers to minimize street crossings, interaction and impact with the busy, neighboring Kaneshville Boulevard, adjacent to the facility and new park
- Create incremental parking spots within the YMCA lot, thereby benefitting neighboring residents, as well as the hospital, with less traffic and less on-street parking
- Eliminate Baughn as a currently congested, often too narrow street

Recreational amenities, which will be maintained entirely by the Y and made available for public use when not programmed by the Y, are planned to include:

- Sports courts
- Pavilion
- Playground
- Walking path
- Natural landscaping

If designed with Baughn Street still in place, these components will be compromised and more condensed, reducing the overall sense of outdoor space and place. With Baughn Street vacated, the campus will afford a more holistic, aesthetically complete design. The Y recognizes that The City has made significant utility improvements under Baughn Street in 2018, and any and all easements required by the City would be acknowledged in the final design.

In addition to vacating Baughn Street, the Y is submitting a rezoning application, at the request of the City of Council Bluffs, for the lots purchased in 2019. This is an effort to match the current zoning of the Charles E. Lakin YMCA (Zoning Designation A-P). The Y will also pursue a plat of all lots to form a single property and an amendment to the Conditional Use Permit to allow this type of use within this zoning district.

RETRACEMENT PLAT OF SURVEY

Deed Description (Book 91 Page 9120):
 South 2 feet of W1/2 of Lot 7, and W1/2 of Lot 6, Baughn's Subdivision of Lot 8, Original Plat, Council Bluffs, Iowa, EXCEPT a parcel of land located in Lot 6 in Baughn's Subdivision of Lot 8 in the Original Plat of Council Bluffs, Iowa, said parcel being more particularly described as:
 Commencing at the southwesterly corner of said Lot 6, said point being the intersection of the northerly line of Washington Avenue as it now exists with the easterly line of said Lot 6; thence N84°43'E 35.8 ft. along the southerly line of said Lot 6 to the point of beginning; thence continuing N84°43'E 40.0 ft. along said southerly line; thence N3°26 1/2'E 2.0 ft.; thence S81°54 1/2'W 40.4 ft. to a point on the southerly line of said Lot 6, the point of beginning.

Deed Description (Book 91 Page 14032):
 North 48 feet of Lot 7, Baughn's Subdivision of the Original Plat of Lot (8) commonly known as 126 Baughn, Council Bluffs, Iowa.
 AND
 Part of the E 1/2 of Lot 6 and south 2 ft. of the E 1/2 of Lot 7 in Baughn's Subdivision of Original Plat Lot 8, in the City of Council Bluffs, Pottawattamie County, Iowa, more particularly described as follows: Beginning at the northeast corner of the south 2 ft. of the E 1/2 of said Lot 7, thence S 84° 46'W 74.58 ft. along the northerly line of the south 2 ft. of the E 1/2 of said Lot 7 to the northwesterly corner thereof, thence S03° 26 1/2'W 37.98 ft. along the westerly line of the E 1/2 of said Lot 7 and the E 1/2 of said Lot 6, thence N79° 15 1/2'E 77.08 ft. to a point on the easterly line of said Lot 6, thence N01° 32 1/2'E 30.36 ft. along the easterly line of said Lot 6 and the south 2 ft. of said Lot 7 to the northeast corner of the south 2 ft. of the E 1/2 of said Lot 7, the point of beginning; said parcel contains 2,543 sq. ft. more or less.

Deed Description (Book 91 Page 23091):
 Lot 8 in Baughn's Subdivision to Council Bluffs, Iowa, being further known as Lot 8 in Baughn's Subdivision of Original Plat Lot 8 of Council Bluffs, Iowa.

Deed Description (Book 701 Page 33):
 All of Lots nine and ten and eleven (9, 10, & 11) in Baughn's Subdivision of Lot Eight (8) of the Original Plat of Council Bluffs, Iowa, excepting a tract described as follows:-- Commencing at the northeasterly corner of said Lot 11 and running thence southwesterly along the northerly line of said Lot 11 a distance of 73 feet, thence running southerly parallel with the Easterly line of said Lots 11 and 10 a distance of 105 feet and 8 inches to the southerly line of said Lot 10, thence running easterly along said southerly line of said Lot 10 a distance of 73 feet to the southeasterly corner of said Lot 10, thence running northerly along the easterly line of said Lots 10 and 11 a distance of 105 feet and 8 inches to the place of beginning.

Deed Description (Book 696 Page 312):
 That Part of Lots 10 and 11 in Baughn's Subdivision of Lot 8 in the Original Plat of the City of Council Bluffs, Iowa, described by metes and bounds as follows:-- Commencing at the northeasterly corner of said Lot 11 at the intersection of Harmony Street and Baughn Street) and running thence southwesterly along the northerly line of said Lot 11 a distance of 73 feet, thence running southerly parallel with the Easterly line of said Lots 11 and 10 a distance of 105 feet and 8 inches to the southerly line of said Lot 10, thence running northeasterly along said southerly line of said Lot 10 a distance of 73 feet to the southeasterly corner of said Lot 10, thence running northwesterly along the easterly line of said Lots 10 and 11 a distance of 105 feet and 8 inches to the place of beginning.

Moises Monrroy Castillo

From: mjbstudio@cox.net
Sent: Monday, November 2, 2020 4:57 PM
To: Moises Monrroy Castillo
Subject: YMCA expansion

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

M. Monrroy:

There are none more aware of the YMCA's need for additional parking than we neighbors who live on harmony street between Baughn and Benton Streets. The proposed changes and the closing of Baughn Street Will also increase the traffic on Harmony Street.

With current traffic, it is often difficult to drive down the street and maneuver in and out of driveways with parking permissible on both sides of the street. And this is even more challenging in winter!

Our request is that parking be restricted to only one side of Harmony Street.

Thank you,

Marcia Joffe-Bouska and Tom Bouska
218 Harmony Street

Exhibit A

RE: Cases #ZC-20-012, #CP-20-002, and #SAV-20-004

Dear Planning Commission members:

The Historical Society of Pottawattamie County opposes the rezoning of Lots 6 through 11 of Baughn's subdivision of Lot 8 to A-P/Administrative-Professional District, the amendment of the Bluffs Tomorrow: 2030 Plan by reclassifying said Lots to Local Commercial, and the vacation of Baughn Street.

With each passing year, Council Bluffs is losing more and more of its historic structures to demolition. If this action is approved, St. Patrick's Church and rectory will be the next structures to fall victim to demolition.

According to the Bluffs Tomorrow: 2030 Plan, one of the stated objectives in the Neighborhoods and Housing category is to "encourage new housing in the Downtown through the rehabilitation of historic buildings". This site sits on the edge of the Downtown District and the church and rectory are ideal structures for renovating into housing much like the Three Point Lofts, the Harvester Lofts, and several 100 Block buildings. These structures would make very unique and desirable living spaces in this area and return the property to the tax rolls. It would also be in alignment with an issue cited in the Goals for Downtown Council Bluffs: A Review of the Assessment and Goal-Setting Process – Focus Group Proceedings, where it was stated that "policies need to encourage historical preservation, adaptive reuse, and conservation of historic neighborhoods".

The demolition of these buildings to construct a parking lot is heartbreaking and reminiscent of the demolition of the historic Ogden Hotel for the construction of a parking lot adjacent to 157 West Broadway. And, an entire square block of historic buildings was destroyed to build a shopping mall. Please do not allow these structures to have the same fate as so many other historic buildings in Council Bluffs. These disappearing assets tell the story of Council Bluffs and must be preserved.

The Bluffs Tomorrow: 2030 Plan also states a history and identity goal is to "recognize, preserve and build upon Council Bluffs' unique history and character by instilling local community pride and defining the way the community is perceived throughout the region, state, and country." History is not being preserved and community pride is not being instilled by the demolition of these historic structures.

The Historical Society of Pottawattamie County respectfully requests the denial of the application to preserve the history, the landmark, and the integrity of Council Bluffs as a city that protects its beloved historical structures.

Regards,
Board of Directors, Historical Society of Pottawattamie County

Exhibit B

February 3, 2019

Leo McIntosh, Vice President of Operations – Iowa
Charles E. Lakin YMCA
235 Harmony
Council Bluffs, Iowa 51503

RE: St. Patrick Church and Rectory (Harmony Street)

Dear Mr. McIntosh,

As residents of a historic district listed on the National Register of Historic Places, and on behalf of all who understand the intrinsic value of historic buildings locally, nationwide and worldwide, we are writing to thank the Charles Lakin YMCA for its efforts to urge its membership to use all existing available parking before making a large capital investment in additional parking, possibly using grounds to the west of the YMCA, including the original Saint Patrick's Church and Rectory.

The Lincoln Fairview Neighborhood Association respectfully requests that the Lakin Center YMCA give serious consideration to the following options before any additional parking is built.

1. Ensure that Y members are aware of and incentivized to use the existing parking at CHI Alegent Mercy, with perhaps a slight fee reduction for those who use that parking.
2. Complete a needs assessment once members are fully utilizing the hospital parking to see if additional parking is still a pressing need.
3. Focus on its core mission of providing a facility to promote a healthy lifestyle among our city's residents with the savings of the significant capital funds that would be required to purchase additional property for parking.
4. Recognize the need to preserve the existing historic architecture in our city where buildings were saved in the past, maintaining for generations to come such architectural treasures as the Carnegie Library, the RailsWest Railroad Museum and the Dodge House, to name a few. Each of those buildings has been repurposed.
5. Partner with the City, The 712 Initiative and the many local historic neighborhood associations to repurpose the church and rectory to preserve these examples of exceptional architecture and craftsmanship for generations to come.

It is our hope that the Lakin Center YMCA will take its responsibility as a good neighborhood partner seriously, that the future of the historic buildings addressed here will be a bright one and that they do not become just another photo in a local history book of buildings lost in Council Bluffs. We thank you for your time and consideration of the above and welcome the opportunity to discuss this further in person.

Best regards,

Susan P. Seamands, President
Lincoln Fairview Neighborhood Association
Tel: 402-889-5489
360 Oakland Avenue

Ken Freudenburg, Vice President
Lincoln Fairview Neighborhood Association
Tel: 402-670-1897
510 Oakland Avenue

Cc: Chris Tointon, President & CEO, YMCA of Greater Omaha

Exhibit C

Comments about St Pats Church:

Joe Kenney

Much better to preserve and repurpose our old, historic structures rather than tear them down. Otherwise you end up with a city that has no soul, no heart, and no heritage.

Andrea Sasso Britton

I will never give the YMCA another penny (and I will tell everyone I know to do the same) if they don't come up with an alternative to tearing down a city treasure. 😞😞 I have HAD IT with tearing down old buildings to make parking space!

Buck Christensen

It would be an absolute shame to tear that church down

André Vander Velde

😞 I hate seeing history torn down in our city. Wish there were more innovative ideas to reinvent and reimagine our historic buildings other than creating more parking lots.

Marsha Wright

We got married in that church, I would hate to see it demolished. I thought it would make a cool restaurant of some sort.

Clarrissa Newman

I would hate to see it tore down it is a beautiful building

Michelle Mescher

Council Bluffs keeps getting rid of our history instead of preserving it. I love visiting towns that have been able to maintain that. I'm all for development but sometimes I think you need to look at other options

Kris Puhl

It would be a shame to demolish St. Pat's - and for a parking lot, no less.

Amy Jo

No ! Not St. Pat's!

Sue Senden

how about the Y build a multi level parking area. or are people allergic to the radical idea here in the bluffs? that Y parking area was too small when they built it. No need to trash the historical church to have yet another one level parking area!

Drew Mergens

Is the Y even that busy for there parking lot to be full to expand?

Sophie Crowdy

It's sad that we feel the need to demolish landmarks to make parking lots. Guess parking is a priority for the Y.

Rick Weare

It's a shame to me loose St Patrick's.

Sophie Crowdy

Don't allow the rezone, problem solved.

Carolyn Campbell Robison

It seems that the Y already owns the church, so if they don't get the rezoning, will they just wait for it to collapse so they can get the rezoning? I agree that it's very sad that the plan is to demolish it... I wish that some business/person could have purchased it for it to be used, rather than torn down and made a parking lot 😞

JoAnn Zahn

A lot of family memories there

Lisa Ferris

Council Bluffs has a small level of internet notoriety for destroying beautiful historic buildings and making parking lots that are underutilized. It would be a shame if city planners still haven't learned the lesson everyone can see clearly. I really doubt there is a serious parking crisis at the council bluffs YMCA that requires this much sacrifice. SMH

Do you think the old St. Patrick's church should be demolished? If no, what would you like to see it become?

Marsha Wright

We got married in that church, I would hate to see it demolished. I thought it would make a cool restaurant of some sort.

Michael Wheeldon

It would make an awesome concert venue!

Michelle Mescher

Council Bluffs keeps getting rid of our history instead of preserving it. I love visiting towns that have been able to maintain that. I'm all for development but sometimes I think you need to look at other options

Marlene Flanagan

No we have lost alot of historical buildings due to urban renewal. Such a beautiful building

Inez Summy

No it shouldn't be demolished.

A parking lot in place of that beautiful church is shameful. Could it be made into a events hall?
Or maybe some type of museum?

Lynne Branigan

Please no! Save the beautiful building and repurpose!

KM Schnackenberg

Any thing just don't tear it down.

Pat Kuhl-Sautter

Don't tear it down!

Brenda Byron Christensen

Can't it be a wedding venue? It's so beautiful

NOTICE OF PUBLIC HEARING

TO WHOM IT MAY CONCERN:

You and each of you are hereby notified that the City Council of the City of Council Bluffs, Iowa, has scheduled a public hearing on the request of YMCA of Greater Omaha to amend the zoning map as adopted by reference in Section 15.02.070, by rezoning properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, EXCEPT East Kanesville Boulevard right-of-way from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District as defined in Chapter 15.13 of the Municipal Code of Council Bluffs, Iowa.

You are further notified that the public hearing on said matter will be held by the City Council of the City of Council Bluffs, Iowa, at its regular meeting held at 7:00 p.m., on the 14th day of December, 2020 in the City Council Chambers, 2nd Floor of City Hall, 209 Pearl Street, Council Bluffs, Iowa at which time and place all persons interested in said matter will be given an opportunity to be heard.

Jodi Quakenbush, City Clerk

ORDINANCE NO. 6435

AN ORDINANCE TO AMEND THE ZONING MAP OF THE CITY OF COUNCIL BLUFFS, IOWA, AS ADOPTED BY REFERENCE IN SECTION 15.02.070 OF THE 2015 MUNICIPAL CODE OF COUNCIL BLUFFS, IOWA, BY REZONING PROPERTY LEGALLY DESCRIBED AS LOTS 6 THROUGH 11, BAUGHN'S SUBDIVISION OF LOT 8, ORIGINAL PLAT OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA, EXCEPT EAST KANESVILLE BOULEVARD RIGHT-OF-WAY, FROM R-3/LOW DENSITY MULTIFAMILY RESIDENTIAL DISTRICT TO A-P/ADMINISTRATIVE-PROFESSIONAL DISTRICT AS DEFINED IN CHAPTER 15.13 OF THE MUNICIPAL CODE OF COUNCIL BLUFFS, IOWA.

**BE IT ORDAINED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

SECTION 1. That the Zoning Map of the City of Council Bluffs, Iowa, as adopted by reference in Section 15.02.070 of the 2015 Municipal Code of the City of Council Bluffs, Iowa, be and the same is hereby amended to rezone property legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, EXCEPT East Kaneshville Boulevard right-of-way from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District as defined in Chapter 15.13 of the Municipal Code of Council Bluffs, Iowa.

SECTION 2. REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 3. SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason declared illegal or void, then the lawful provisions of this ordinance which are severable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

SECTION 4. EFFECTIVE DATE. This ordinance shall be in full force and effect upon the approval of vacation and disposal of Baughn Street right-of way lying between Harmony Street and East Kaneshville Boulevard.

ADOPTED AND APPROVED, December 14, 2020

MATTHEW J. WALSH

Mayor

Subject/Title

Request: Combined public hearings on the requests of YMCA of Greater Omaha to rezone properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District; to amend the Bluffs Tomorrow: 2030 Plan by reclassifying said properties from 'Low Density Residential' to 'Local Commercial'; and to vacate and dispose of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard.

Location: West of 235 Harmony Street

Background

The Community Development Department has received applications from YMCA of Greater Omaha, represented by Jon McCarville, for the following requests:

1. To rezone properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District;
2. To amend the Bluffs Tomorrow: 2030 Plan by reclassifying said properties from Low Density Residential to Local Commercial; and
3. To vacate and dispose of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard.

The YMCA of Greater Omaha is proposing to expand the Charles E. Lakin YMCA campus in Council Bluffs, located at 235 Harmony Street, to accommodate additional recreational amenities, including a sports court, an outdoor pavilion, a playground, a walking path and natural landing, as well as to increase the amount of off-street parking for the site (see Attachment 'C'). The applicant purchased the properties included in the proposed rezoning—the former site of St. Patrick’s Catholic Church—in 2019 with this intent. In order to combine said properties with the existing YMCA site and create one continuous campus, the applicant is requesting to vacate the portion of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard, which

currently separates these properties. The applicant is requesting the proposed rezoning and comprehensive plan amendment for consistency purposes.

CASES #ZC-20-012 & #CP-20-002

The subject properties are currently zoned R-3/Low Density Multifamily Residential District. Previous land uses include St. Patrick’s Catholic Church and Rectory, as well as single-family dwellings. The Charles E. Lakin YMCA is zoned A-P/Administrative-Professional District. The applicant is requesting the proposed rezoning for zoning and development consistency purposes as it will ensure the entirety of the expanded YMCA campus is located within the same zoning district.

Land Use and Zoning – The following zoning and land uses surround the subject property:

- North: Residential properties that are zoned R-3/Low Density Multifamily Residential District.
- South: Residential properties, a parking lot, several drive-in/fast-food restaurants and the Kanessville Tabernacle, all of which are zoned C-3/Commercial District.
- East: Charles E. Lakin YMCA and CHI Health Mercy hospital, which are both zoned A-P/Administrative-Professional District.
- West: Residential properties that are zoned R-3/Low Density Multifamily Residential District.

The future land use plan of the Bluffs Tomorrow: 2030 Plan (Comprehensive Plan) designates the subject properties as Low Density Residential. The purpose of the proposed comprehensive plan amendment to Local Commercial is to ensure the future land use classification of the subject properties is consistent with the future land use classification of the current YMCA site, which is designated as Local Commercial.

All City Departments and local utilities were notified of the proposed rezoning. The following comments were received:

- Mid-American Energy stated they were not opposed to the proposed rezoning.

Public notices were mailed to all property owners within 200 feet of the request. The following comments were received:

- Brenda Dollen, owner of 201 Benton Street, contacted the Community Development Department and had an inquiry regarding on-street parking along Harmony Street.
- Marcia and Tom Bouska, owners of 218 Harmony Street, contacted the Community Development and stated they are aware of the YMCA’s need for additional parking. They also stated that the vacation of Baughn Street will increase traffic on Harmony Street. They request that parking be limited to one side of Harmony Street (see Attachment ‘F’).

Discussion

1. The A-P district is intended and designed to provide, in certain areas in the city, for the development of institutional public/semi-public uses that are arranged in a campus-style setting, with heavy public traffic volumes and multiple frontages, such as the Charles E. Lakin YMCA.
2. If approved, the proposed rezoning will provide one consistent zoning classification for the expanded YMCA campus.
3. As part of the YMCA expansion project, the applicant shall be required to replat the subject properties, the current YMCA site, and the portion of Baughn Street right-of-way proposed to be vacated into two lots of record.
 - a. The YMCA of Greater Omaha owns the properties proposed to be rezoned; however, they do not own 235 Harmony Street. Said parcel is owned by Alegent Health-Bergan Mercy Health System. The applicant has a zero cost land-lease agreement with Alegent Health-Bergan Mercy to operate the Charles E. Lakin YMCA. The first lot will be owned by the YMCA of Greater Omaha and the other lot will be owned by Alegent Health-Bergan Mercy. Both YMCA and Alegent Health-Bergan Mercy shall be

signatories on the plat, and each shall prepare separate attorney's opinion of title for the land they respectively own within the subdivision plat boundary.

- b. Said two-lot subdivision shall be subject to the approval of the proposed vacation of Baughn Street right-of-way (see Case #SAV-20-004 below).
4. The expanded YMCA campus will contain 182,144.6 square feet (4.18 acres), more or less, in area, which exceeds the minimum lot size requirements in the A-P/Administrative-Professional District.
5. The Charles E. Lakin YMCA, along with the proposed outdoor recreational amenities, is considered a 'commercial recreation (indoor and outdoor)' establishment. 'Commercial recreation (indoor and outdoor)' is a conditional use in the A-P District. The applicant shall obtain a conditional use permit (CUP) from the Zoning Board of Adjustment as part of the YMCA expansion project. Both YMCA and Alegent Health-Bergan Mercy shall be signatories on the CUP application.
6. The Bluffs Tomorrow: 2030 Plan (Comprehensive Plan) designates the subject properties as Low Density Residential. The proposed comprehensive plan amendment to Local Commercial would ensure the future land use classification of the subject properties is consistent with the future land use classification of the current YMCA site, as well as with the proposed rezoning to the A-P District and the 'commercial recreation (indoor and outdoor)' land uses.
7. Adequate utilities (e.g., water, sanitary sewer, electric, etc.) are available to accommodate the uses permitted in the A-P District.

CASE #SAV-20-004

The portion of Baughn Street proposed to be vacated is improved and is used for vehicular and pedestrian circulation. It measures approximately 55 feet in width by 284.03 feet in length. The applicant intends to vacate the subject right-of-way as part of the Charles E. Lakin YMCA expansion project.

On August 25, 2003 the City Council amended the adopted *Policy and Procedures for Alley, Street and Right-of-way Vacations*. The objectives of the amended Policy are as follows:

1. *To provide due process and citizen participation in the application and review process for vacations.*
There are two property owners with land that abuts the subject right-of-way. The owners of these properties are as follows:

West: Six vacant properties, including the former site of St. Patrick's Catholic Church, owned by the YMCA of Greater Omaha.
East: Charles E. Lakin YMCA, owned by Alegent Health-Bergan Mercy Health System (235 Harmony Street).

Both abutting property owners were mailed petitions asking if they are in favor of/opposed to the vacation request and if they were willing to/not willing to acquire the portion of right-of-way adjacent to their property, if vacated. Responses to these petitions are summarized in Comment #10 below.

2. *To ensure that no property owner is deprived of required and reasonable access.*
Lots 7 through 10, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, will be landlocked if subject right-of-way is vacated. Additionally, the west entrance to the Charles E. Lakin YMCA is located on Baughn Street. However, the existing facility can also be accessed through Harmony Street on the north. If Baughn Street is vacated, a final plat consisting of said Baughn Street right-of-way, the properties proposed to be rezoned and the current YMCA site shall be executed to ensure all platted lots of record have direct access to a publically dedicated right-of-way, to establish rights of ingress/egress and circulation between properties and to allow the applicant and Alegent Health-Bergan Mercy to retain shared access easements between the two parcels. As shown on the conceptual plan (see Attachment 'C'), the expanded

YMCA campus will be accessed through Harmony Street, thus no property owner will be deprived of required and reasonable access.

3. *To discourage the creation and eliminate or reduce existing dead-end alleys, streets or other rights-of-way.* This request will not create a dead-end right-of-way as the request is to vacate the entirety of Baughn Street from Harmony Street to East Kanessville Boulevard.
4. *To reduce or eliminate hazardous and dangerous traffic conditions.*
Not applicable.
5. *To protect all existing and proposed public utilities located in the right-of-way and to maintain necessary utility easements.*

All City Departments and utilities were notified of the request. The following responses were received:

- a. The Public Works Departments had the following comments:
 - i. The Public Works Department reconstructed Baughn Street and Harmony Street in coordination with construction of the new YMCA facility. This work was completed just over three years ago. The cost to the City for the segment to be vacated was approximately \$300,000.
 - ii. If the vacation of Baughn Street proceeds forward, Public Works will require an easement to remain over the entire width of the subject right-of-way to accommodate the infrastructure that is currently in place. The easement would be restricted as follows:
 - A. *ERECTION OF STRUCTURES PROHIBITED: Grantor shall not erect any structure over or within the Easement Area without obtaining the prior written consent of the City Engineer, provided however grantor shall have the right to place and maintain a surfaced roadway over and within the Easement Area.*
 - B. *CHANGE OF GRADE PROHIBITED: Grantor shall not change the grade, elevation or contour of any part of the Easement Area without obtaining the prior written consent of the City Engineer.*
 - C. *RIGHT OF ACCESS: City shall have the right of access to the Easement Area and have all right of ingress and egress reasonably necessary for the use and enjoyment of the Easement Area as herein described.*
 - D. *REMOVAL AND REPLACEMENT: The cost of removal and replacement of any unauthorized improvement or structures within the Easement Area, necessitated by the exercise of the rights under this easement, shall be borne by the Grantor or their successors or assigns.*
 - E. *SURFACE RESTORATION: City's liability to restore the surface within the Easement Area shall be limited only to grading and seeding, and replacement of grantors surfaced roadway.*
 - F. *DUTY TO REPAIR: City agrees that any drain tile, drive or access way, fence, or yard or other improvements outside of the Easement Area which may be damaged as a result of any entry made through an exercise of the City's right of access shall be repaired at no expense to Grantor.*
 - G. *EASEMENT RUNS WITH LAND: This easement shall be deemed to run with the land and shall be binding on Grantor and on Grantor's successors and assigns.*
 - iii. The Community Development Department has indicated that the ground that the YMCA has acquired will require a conditional use permit for the proposed commercial recreation (indoor and outdoor) activities. As part of that permit, Public Works will require stormwater to be managed to control quantity and quality, as per City Code.
- b. MidAmerican Energy Company stated they are not opposed to the proposed vacation. They also stated that there are a pair of existing MEC owned wood lighting poles—the northerly pole supports a City streetlight and the pole to the south supports an MEC area floodlight leased to illuminate the front of the church—and two spans of overhead conductor along the west side of the Baughn Street right-of-way to be vacated that would be in conflict with the proposed redevelopment and need to be removed. They also

noted that there are existing overhead electric distribution facilities along the south side of the Harmony Street right-of-way and down the alley between Baughn Street and Benton Street that appear to be outside the area to be vacated that must remain in service and accessible. They recommend that the applicant should contact MidAmerican Energy directly to identify any requirements and costs associated with relocating electric facilities or extending new service within the development area.

6. *To maintain appropriate right-of-way width to ensure that an adequate pedestrian and vehicular circulation system is retained.*
Not applicable.
7. *To discourage the vacation of a portion of an existing alley, street or other right-of-way.*
The request is to vacate the entirety of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard
8. *To assist in the implementation of the goals and objectives of the Comprehensive Plan.*
The subject right-of-way is a local street that provides vehicular circulation between Harmony Street and East Kanesville Boulevard. However, both Benton Street—located west of Baughn Street—and Frank Street—which bounds the current YMCA site to the east—provide circulation between Harmony Street and East Kanesville Boulevard. Therefore, the proposed vacation of Baughn Street will not negatively impact vehicular circulation in this area of the city. The request is generally consistent with the local access and circulation objectives stated in Chapter 6, Transportation of the Bluffs Tomorrow: 2030 Plan (Comprehensive Plan).
9. *To reduce the City's maintenance liability on previously vacated right-of-way parcels from public improvement projects and various lots acquired through delinquent taxes or assessments.*
Not applicable.
10. *To establish an equitable price for surplus public property.*
All abutting property owners were notified about this vacation request. The following responses were received:
 - a. The YMCA of Greater Omaha stated they are in favor of the request and are willing to acquire the portion of Baughn Street right-of-way adjacent to their properties for the total sum of \$2,095.40.
 - b. There has been no reply from Alegent Health-Bergan Mercy Health System regarding the vacation request.

Recommendation

The Community Development Department recommends the following:

1. Approval of the request to rezone property to rezone properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from R-3/Low Density Multifamily Residential District to A-P/Administrative-Professional District, based on the reasons stated above.
2. Approval of the request to amend the Bluffs Tomorrow: 2030 Plan by reclassifying properties legally described as Lots 6 through 11, Baughn's Subdivision of Lot 8, Original Plat of Council Bluffs, Pottawattamie County, Iowa, **EXCEPT** East Kanesville Boulevard right-of-way, from Low Density Residential to Local Commercial, based on the reasons stated above.
3. Approval of the request to vacate and dispose of Baughn Street right-of-way lying between Harmony Street and East Kanesville Boulevard, effective at the time of and subject to the following conditions:
 - a. An easement shall be retained over the subject right-of-way for utility access and maintenance purposes;
 - b. All portions of the subject right-of-way shall be disposed of to an abutting property owner(s);

- c. A final plat consisting of the subject right-of-way, the properties proposed to be rezoned and the current YMCA site shall be executed by the City to create new platted lots of record with direct access to a publically dedicated right-of-way; and
- d. A conditional use permit shall be obtained from the Zoning Board of Adjustment for the commercial recreation (indoor and outdoor) activities proposed as part of the expansion project.

Public Hearing

Staff speakers for the request:

- 1. Moises Monrroy, Planner, City of Council Bluffs, 209 Pearl Street, Council Bluffs, IA
- 2. Christopher Gibbons, Planning Manager, City of Council Bluffs, 209 Pearl Street, Council Bluffs, IA

Speakers in favor:

- 1. Leo McIntosh, Charles E. Lakin YMCA, 235 Harmony Street, Council Bluffs, IA 51503
- 2. Chris Rochleau, Charles E. Lakin YMCA, 1425 9th Avenue, Council Bluffs, IA 51501

Speakers against:

- 1. Sheryl Garst, The 712 Initiative, 1228 South Main Street, Council Bluffs, IA 51503
- 2. Patricia Murphy, Preserve Council Bluffs, 333 Willow Avenue, Council Bluffs, IA 51503
- 3. Anthony Beraldi, 238 Harmony Street, Council Bluffs, IA 51503
- 4. Ken Freudenburg, Lincoln-Fairview Neighborhood Association, 510 Oakland Avenue, Council Bluffs, IA 51503
- 5. Linda Emge, 244 Harmony Street, Council Bluffs, IA 51503
- 6. Deb Petersen, 215 South Main Street, Council Bluffs, IA 51503
- 7. Amanda Scott, 220 Harmony Street, Council Bluffs, IA 51503

Planning Commission Recommendation

Note: The reasons stated below are a summary of statements made by the voting majority of the City Planning Commission, as interpreted and condensed by the Community Development Department, and do not represent the entire Planning Commission as some did not make any comments and/or voted in the minority. The Planning Commission’s official discussion and vote can be heard on the recorded meeting minutes located in the Community Development Department. This summary of statements was requested by City Council and is not intended to misrepresent the intent of the City Planning Commission or its individual members. Any misinterpretation of language, intent, or emphasis is not intended.

The Planning Commission recommended denial of all three requests, based on the following reasons:

- 1. Most right-of-way vacation requests involve streets and alleys that are unimproved and/or not utilized for traffic circulation. The applicant’s request would result in vacating a fully improved roadway which is utilized by the neighborhood for on-street parking and traffic circulation. Approval of this request would also be disruptive to the traffic patterns in this area of the City.
- 2. The proposed rezoning and future land use plan amendment results in a fundamental change to the City’s zoning map and Bluffs Tomorrow: 2030 Comprehensive Plan. The request by the applicant to expand their parking lot and construct an outdoor amenity area for the YMCA campus does not justify such a fundamental change to the City’s zoning map and future land use plan of the Bluffs Tomorrow: 2030 Plan.

VOTE: AYE - Halm, Holm, Rew, Scott, Stroebele and Van Houten, and VanHouten
NAY - Bass, Daniels, Haner and Rater ABSTAIN - None ABSENT - Hutcheson VACANT - None
Motion: Carried.

Attachment B

YMCA OF GREATER OMAHA CHARLES E. LAKIN CAMPUS PARK PROJECT COUNCIL BLUFFS, IA

The YMCA of Greater Omaha manages 10 YMCA facilities across the Metro area, including the Charles E. Lakin YMCA in Council Bluffs. The leadership of the YMCA is requesting the opportunity to discuss the Lakin Campus Park Project with Council Bluffs city leaders, in an effort to inform stakeholders as well as secure certain project approvals. Specifically, after many professional design reviews with LEO A DALY and other advisors, the YMCA is interested in gaining approval to vacate the current Baughn Street throughfare, located just east of the facility. This will enhance the Charles E. Lakin YMCA, as it allows us to deliver the safest, most user-friendly, and desirable park experience possible for the community and YMCA members and staff.

The Charles E. Lakin YMCA's popularity has far exceeded expectations since it opened in 2018. During 2019, the Y purchased the old St. Patrick's Church property adjacent to the YMCA. This purchase was made with the intent of expanding the campus to accommodate current demand as well as future growth. Vacating Baughn Street will have numerous benefits:

- Make the YMCA one continuous campus, creating a safer experience for staff, members, summer camp and after-school attendees and community members
- Allow for more, varied and better-quality recreational amenities within the park itself
- Create more space overall for amenities, which may prove useful should we enter into a prolonged COVID situation where social distancing is the new normal
- Allow park designers to minimize street crossings, interaction and impact with the busy, neighboring Kaneshville Boulevard, adjacent to the facility and new park
- Create incremental parking spots within the YMCA lot, thereby benefitting neighboring residents, as well as the hospital, with less traffic and less on-street parking
- Eliminate Baughn as a currently congested, often too narrow street

Recreational amenities, which will be maintained entirely by the Y and made available for public use when not programmed by the Y, are planned to include:

- Sports courts
- Pavilion
- Playground
- Walking path
- Natural landscaping

If designed with Baughn Street still in place, these components will be compromised and more condensed, reducing the overall sense of outdoor space and place. With Baughn Street vacated, the campus will afford a more holistic, aesthetically complete design. The Y recognizes that The City has made significant utility improvements under Baughn Street in 2018, and any and all easements required by the City would be acknowledged in the final design.

In addition to vacating Baughn Street, the Y is submitting a rezoning application, at the request of the City of Council Bluffs, for the lots purchased in 2019. This is an effort to match the current zoning of the Charles E. Lakin YMCA (Zoning Designation A-P). The Y will also pursue a plat of all lots to form a single property and an amendment to the Conditional Use Permit to allow this type of use within this zoning district.

To: Moises Monrroy Castillo
Subject: YMCA expansion

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

M. Monrroy:

There are none more aware of the YMCA's need for additional parking than we neighbors who live on harmony street between Baughn and Benton Streets. The proposed changes and the closing of Baughn Street Will also increase the traffic on Harmony Street.

With current traffic, it is often difficult to drive down the street and maneuver in and out of driveways with parking permissible on both sides of the street. And this is even more challenging in winter!

Our request is that parking be restricted to only one side of Harmony Street.

Thank you,

Marcia Joffe-Bouska and Tom Bouska
218 Harmony Street

Exhibit A

RE: Cases #ZC-20-012, #CP-20-002, and #SAV-20-004

Dear Planning Commission members:

The Historical Society of Pottawattamie County opposes the rezoning of Lots 6 through 11 of Baughn's subdivision of Lot 8 to A-P/Administrative-Professional District, the amendment of the Bluffs Tomorrow: 2030 Plan by reclassifying said Lots to Local Commercial, and the vacation of Baughn Street.

With each passing year, Council Bluffs is losing more and more of its historic structures to demolition. If this action is approved, St. Patrick's Church and rectory will be the next structures to fall victim to demolition.

According to the Bluffs Tomorrow: 2030 Plan, one of the stated objectives in the Neighborhoods and Housing category is to "encourage new housing in the Downtown through the rehabilitation of historic buildings". This site sits on the edge of the Downtown District and the church and rectory are ideal structures for renovating into housing much like the Three Point Lofts, the Harvester Lofts, and several 100 Block buildings. These structures would make very unique and desirable living spaces in this area and return the property to the tax rolls. It would also be in alignment with an issue cited in the Goals for Downtown Council Bluffs: A Review of the Assessment and Goal-Setting Process – Focus Group Proceedings, where it was stated that "policies need to encourage historical preservation, adaptive reuse, and conservation of historic neighborhoods".

The demolition of these buildings to construct a parking lot is heartbreaking and reminiscent of the demolition of the historic Ogden Hotel for the construction of a parking lot adjacent to 157 West Broadway. And, an entire square block of historic buildings was destroyed to build a shopping mall. Please do not allow these structures to have the same fate as so many other historic buildings in Council Bluffs. These disappearing assets tell the story of Council Bluffs and must be preserved.

The Bluffs Tomorrow: 2030 Plan also states a history and identity goal is to "recognize, preserve and build upon Council Bluffs' unique history and character by instilling local community pride and defining the way the community is perceived throughout the region, state, and country." History is not being preserved and community pride is not being instilled by the demolition of these historic structures.

The Historical Society of Pottawattamie County respectfully requests the denial of the application to preserve the history, the landmark, and the integrity of Council Bluffs as a city that protects its beloved historical structures.

Regards,
Board of Directors, Historical Society of Pottawattamie County

Leo McIntosh, Vice President of Operations – Iowa
Charles E. Lakin YMCA
235 Harmony
Council Bluffs, Iowa 51503

RE: St. Patrick Church and Rectory (Harmony Street)

Dear Mr. McIntosh,

As residents of a historic district listed on the National Register of Historic Places, and on behalf of all who understand the intrinsic value of historic buildings locally, nationwide and worldwide, we are writing to thank the Charles Lakin YMCA for its efforts to urge its membership to use all existing available parking before making a large capital investment in additional parking, possibly using grounds to the west of the YMCA, including the original Saint Patrick's Church and Rectory.

The Lincoln Fairview Neighborhood Association respectfully requests that the Lakin Center YMCA give serious consideration to the following options before any additional parking is built.

1. Ensure that Y members are aware of and incentivized to use the existing parking at CHI Alegent Mercy, with perhaps a slight fee reduction for those who use that parking.
2. Complete a needs assessment once members are fully utilizing the hospital parking to see if additional parking is still a pressing need.
3. Focus on its core mission of providing a facility to promote a healthy lifestyle among our city's residents with the savings of the significant capital funds that would be required to purchase additional property for parking.
4. Recognize the need to preserve the existing historic architecture in our city where buildings were saved in the past, maintaining for generations to come such architectural treasures as the Carnegie Library, the RailsWest Railroad Museum and the Dodge House, to name a few. Each of those buildings has been repurposed.
5. Partner with the City, The 712 Initiative and the many local historic neighborhood associations to repurpose the church and rectory to preserve these examples of exceptional architecture and craftsmanship for generations to come.

It is our hope that the Lakin Center YMCA will take its responsibility as a good neighborhood partner seriously, that the future of the historic buildings addressed here will be a bright one and that they do not become just another photo in a local history book of buildings lost in Council Bluffs. We thank you for your time and consideration of the above and welcome the opportunity to discuss this further in person.

Best regards,

Susan P. Seamands, President

Exhibit C

Comments about St Pats Church:

Joe Kenney

Much better to preserve and repurpose our old, historic structures rather than tear them down. Otherwise you end up with a city that has no soul, no heart, and no heritage.

Andrea Sasso Britton

I will never give the YMCA another penny (and I will tell everyone I know to do the same) if they don't come up with an alternative to tearing down a city treasure. 😞🙄 I have HAD IT with tearing down old buildings to make parking space!

Buck Christensen

It would be an absolute shame to tear that church down

André Vander Velde

😞 I hate seeing history torn down in our city. Wish there were more innovative ideas to reinvent and reimagine our historic buildings other than creating more parking lots.

Marsha Wright

We got married in that church, I would hate to see it demolished. I thought it would make a cool restaurant of some sort.

Clarrissa Newman

I would hate to see it tore down it is a beautiful building

Michelle Mescher

Council Bluffs keeps getting rid of our history instead of preserving it. I love visiting towns that have been able to maintain that. I'm all for development but sometimes I think you need to look at other options

Kris Puhl

It would be a shame to demolish St. Pat's - and for a parking lot, no less.

Amy Jo

No ! Not St. Pat's!

Sue Senden

how about the Y build a multi level parking area. or are people allergic to the radical idea here in the bluffs? that Y parking area was too small when they built it. No need to trash the historical church to have yet another one level parking area!

Drew Mergens

Is the Y even that busy for there parking lot to be full to expand?

Sophie Crowdy

It's sad that we feel the need to demolish landmarks to make parking lots. Guess parking is a priority for the Y.

Rick Weare

It's a shame to me loose St Patrick's.

Sophie Crowdy

Don't allow the rezone, problem solved.

Carolyn Campbell Robison

It seems that the Y already owns the church, so if they don't get the rezoning, will they just wait for it to collapse so they can get the rezoning? I agree that it's very sad that the plan is to demolish it... I wish that some business/person could have purchased it for it to be used, rather than torn down and made a parking lot 😞

JoAnn Zahn

A lot of family memories there

Lisa Ferris

Council Bluffs has a small level of internet notoriety for destroying beautiful historic buildings and making parking lots that are underutilized. It would be a shame if city planners still haven't learned the lesson everyone can see clearly. I really doubt there is a serious parking crisis at the council bluffs YMCA that requires this much sacrifice. SMH

Do you think the old St. Patrick's church should be demolished? If no, what would you like to see it become?

Marsha Wright

We got married in that church, I would hate to see it demolished. I thought it would make a cool restaurant of some sort.

Michael Wheeldon

It would make an awesome concert venue!

Michelle Mescher

Council Bluffs keeps getting rid of our history instead of preserving it. I love visiting towns that have been able to maintain that. I'm all for development but sometimes I think you need to look at other options

Marlene Flanagan

No we have lost alot of historical buildings due to urban renewal. Such a beautiful building

Inez Summy

No it shouldn't be demolished.

A parking lot in place of that beautiful church is shameful. Could it be made into a events hall? Or maybe some type of museum?

Lynne Branigan

Please no! Save the beautiful building and repurpose!

KM Schnackenberg

Any thing just don't tear it down.

Pat Kuhl-Sautter

Don't tear it down!

Brenda Byron Christensen

Can't it be a wedding venue? It's so beautiful

RESOLUTION NO. 20-277

A RESOLUTION OF INTENT TO VACATE AND DISPOSE OF BAUGHN STREET RIGHT-OF-WAY LYING BETWEEN HARMONY STREET AND EAST KANESVILLE BOULEVARD, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA.

WHEREAS, YMCA of Greater Omaha requests the vacation of Baughn Street right-of-way lying between Harmony Street and East Kaneshville Boulevard, City of Council Bluffs, Pottawattamie County; and

WHEREAS, this City Council hereby declares its intent to consider disposition of this City right-of-way by conveying and quitclaiming all of its right, title and interest in it to the abutting property owner(s).

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That this City does hereby express its intent to dispose of City owned property described as Baughn Street right-of-way lying between Harmony Street and East Kaneshville Boulevard, City of Council Bluffs, Pottawattamie County; and

BE IT FURTHER RESOLVED

That a public hearing on the City's intent to dispose of this property is hereby set for December 14, 2020.

Department: Public Works Admin
Case/Project No.: PW 21-20
Submitted by: Matthew Cox, Public Works
Director

Resolution 20-278
ITEM 3.G.

Council Action: 11/23/2020

Description

Resolution setting a public hearing for 7:00 p.m. on December 14, 2020 for the West Broadway Reconstruction, Segment 5. Project # PW21-20

Background/Discussion

West Broadway is a major arterial street and critical to the City's roadway network. It serves as a significant commercial corridor and commuter route and its reconstruction is an essential part of the economic redevelopment plan for the west end of Council Bluffs. There is also a strong community desire to enhance the aesthetics of the corridor and to create a connection between the River's Edge development and downtown Council Bluffs.

Segment 1 from 36th Street to 33rd Street, Segment 2 from 33rd Street to 28th Street, and Segment 3 from 28th Street to just west of 24th Street are complete. Segment 4 from west of 24th Street to west of 19th Street is substantially complete. Each of these previous phases included the replacement of pavement, traffic signals, street lights, sidewalks, storm sewers and streetscape amenities.

The Segment 5 project will completely rebuild West Broadway from just west of 19th Street to 15th Street. Reconstruction will include the replacement of pavement, traffic signals, street lights, sidewalks, and storm sewers with drainage improvements as a major objective. The project also includes streetscape amenities such as decorative pedestrian lights, brick paver bands behind the curbs and at intersections, ornamental fencing, ornamental arms for street lights, concrete pavers in crosswalks, decorative paving in the center turn lane and at key intersections, raised planted median east of 16th Street, neighborhood masonry columns, and trees.

As a condition of the Transfer of Jurisdiction, Iowa DOT has provided \$20 million in funding for assuming ownership of the roadway previously identified as US-6. This project is included in the FY21 CIP with a budget of \$2,800,000 from GO Bonds, and the balance in Sales Tax Funds. The Iowa West Foundation has agreed to provide funding for the streetscape amenities which are estimated to be approximately \$1,440,000. The estimated construction cost for all project improvements is \$9,728,650.

The project schedule is as follows:	Set Public Hearing	November 23, 2020
	Hold Public Hearing	December 14, 2020
	Letting	January 21, 2021
	Award	February 8, 2021
	Construction Start	March 2021 (weather dependent)

Recommendation

Approval of this resolution. This project will complete the multi-year program to reconstruct West Broadway and the improvements align with the goals and objectives identified in the West Broadway Corridor Master Plan.

Notice of Public Hearing
on the
Plans, Specifications, Form of Contract and Cost Estimate
for the
West Broadway Reconstruction, Segment 5
Project # PW21-20

A public hearing will be held on December 14, 2020, at 7:00 p.m. in the council chambers of City Hall, 209 Pearl Street, Council Bluffs, Iowa, on the proposed plans, specifications, form of contract and cost estimate for the West Broadway Reconstruction, Segment 5 project. Segment 5 of the reconstruction project will completely rebuild West Broadway from just west of 19th Street to 15th Street including the replacement of pavement, traffic signals, street lights, sidewalks, and storm sewers with drainage improvements as a major objective. The project also includes streetscape amenities such as decorative pedestrian lights, brick paver bands behind the curbs and at intersections, ornamental fencing, ornamental arms for street lights, concrete pavers in crosswalks, decorative paving in the center turn lane and at key intersections, neighborhood masonry columns, and trees. At said hearing, any interested person may appear and file objections to such plans and specifications.

By Order of the City Council
of the
City of Council Bluffs, Iowa
Jodi Quakenbush, City Clerk

RESOLUTION
NO 20-278

**RESOLUTION DIRECTING THE CLERK TO PUBLISH NOTICE
AND SETTING A PUBLIC HEARING ON THE
PLANS, SPECIFICATIONS, FORM OF CONTRACT
AND COST ESTIMATE FOR THE
WEST BROADWAY RECONSTRUCTION, SEGMENT 5
PROJECT #PW21-20**

WHEREAS, the City wishes to make improvements known as the West Broadway Reconstruction, Segment 5 project within the City, as therein described; and

WHEREAS, the plans, specifications, form of contract and cost estimate are on file in the office of the city clerk.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That the City Clerk is hereby ordered to set a public hearing on the plans, specifications, form of contract and cost estimate for the West Broadway Reconstruction, Segment 5 setting December 14, 2020, at 7:00 p.m. as the date and time of said hearing.

AND BE IT FURTHER RESOLVED

That the aforementioned project is encompassed by the language of the 1989 Local Option Sales Tax Ballot and as such this is an appropriate expenditure of the Local Option Sales Tax Revenues.

Re: Amended and Restated Notice of Redemption/ Tax Sale Certificate
Via: Regular U. S. Postal Service and Certified Return Receipt Requested

To Whom it May Concern:

On June 16, 2014 Pottawattamie County purchased Tax Sale Certificate #14-0815 for Tax Parcel Number 7544 25 429 020. Said Tax Parcel is commonly known as 258 Benton Street, Council Bluffs, Iowa 51503; and is legally described as "All of the East Half of Lot 2 O.P. Lot 31, except a part more particularly described as follows: Commencing at the SE Corner of said Lot 2, O.P. Lot 31, running thence North 21° W, along the West line of Benton Street, 11.25 ft., thence 74° 88' West to the rear of the East ½ of Lot 2, O.P. Lot 31, thence Southerly 7.25ft. to the South line of Lot 2, O.P. Lot 31, which bears South 77.25° West to the rear of the East ½ of Lot 2, O.P. Lot 31, thence Southerly 7.25 ft. to the South line of Lot 2, O.P. Lot 31, which bears South 77.25° West, thence along said line Easterly to place of beginning; also a part of Lot 1, O.P. Lot 31, more particularly described as follows: Commencing at a point on the West line of Benton Street, 4 feet Northerly from the SE Corner of said lot, running thence Westerly on a line which bears North 81° East 94.6 ft., thence Easterly along the South side of said Lot 1 to place of beginning, City of Council Bluffs, Pottawattamie County, Iowa."

As of the date of this letter, you have ninety (90) days from December 15, 2020 to redeem the parcel or a Treasurer's Deed for the real property will be given to Pottawattamie County as the purchaser of the Tax Sale Certificate.

Sincerely Yours

MATTHEW D. WILBER
Pottawattamie County Attorney

CLERK RGD
17 NOV 20

NOTICE TO REDEEM FROM TAX SALE #14-0815

TO ANY AND ALL ENTITIES AND/OR PERSON(S) IN POSSESSION ON THE PARCEL HEREIN DESCRIBED:

DAVID R. LUCAS
CITY OF COUNCIL BLUFFS, IOWA
UNKNOWN PARTIES OF INTEREST
PARTIES IN POSSESSION

All of the heirs, spouses, assignees, grantees, legatees, devisees, and successors in interest, both known and unknown, and all claimants claiming to have any recorded or unrecorded right, title or interest in and to the parcel hereinafter described.

YOU ARE HEREBY NOTIFIED that on June 16, 2014 the following described property situated in Pottawattamie County, Iowa was sold at tax sale by the Treasurer of Pottawattamie County, Iowa for delinquent and unpaid taxes and/or special assessments against the property: Tax Parcel Number 7544 25 429 020; commonly known as 258 Benton Street, Council Bluffs, Iowa 51503; and legally described as "All of the East Half of Lot 2 O.P. Lot 31, except a part more particularly described; Commencing at the SE Corner of said Lot 2, O.P. Lot 31, running thence North 21° W, along the West line of Benton Street, 11.25 ft., thence 74° 88' West to the rear of the East ½ of Lot 2, O.P. Lot 31, thence Southerly 7.25 ft. to the South line of Lot 2, O.P. Lot 31, which bears South 77.25° West to the rear of the East ½ of Lot 2, O.P. Lot 31, thence Southerly 7.25 ft. to the South line of Lot 2, O.P. Lot 31, which bears South 77.25° West, thence along said line Easterly to place of beginning; also a part of Lot 1, O.P. Lot 31, more particularly described as follows: Commencing at a point on the West line of Benton Street, 4 feet Northerly from the SE Corner of said lot, running thence Westerly on a line which bears North 81° East 94.6 ft., thence Easterly along the South side of said Lot 1 to place of beginning, City of Council Bluffs, Pottawattamie County, Iowa." A Certificate of Purchase was duly issued to Pottawattamie County, Iowa by the Treasurer of Pottawattamie County pursuant to said tax sale. The right of redemption will expire and a deed for said property will be issued to Pottawattamie County unless redemption from said tax sale is made within ninety (90) days from the completed service date of December 15, 2020.

Re: Amended and Restated Notice of Redemption/ Tax Sale Certificate
Via: Regular U. S. Postal Service and Certified Return Receipt Requested

To Whom it May Concern:

On June 17, 2002 Pottawattamie County purchased Tax Sale Certificate #02-0418 for Tax Parcel 7544 36 262 004. Said Tax Parcel is commonly known as 706 S 3rd Street, Council Bluffs, Iowa 51501; and is legally described as "The South 2 feet of Lot 1 and all of Lot 2, Block 12, Jackson's Addition, Council Bluffs, Pottawattamie County, Iowa."

As of the date of this letter, you have 90 ninety days from December 15, 2020 to redeem the parcel or a Treasurer's Deed for the real property will be given to Pottawattamie County as the purchaser of the Tax Sale Certificate.

Sincerely Yours,

MATTHEW D. WILBER
Pottawattamie County Attorney

Council Communication

<p>Department: Community Development</p> <p>CASE #OTB-20-010</p> <p>Applicant: Midlands Humane Society 1020 Railroad Avenue, Suite A Council Bluffs, IA 51503</p> <p>Representatives: Nikki Cruickshank Alex Gum</p>	<p>Resolution to Dispose No. _____</p>	<p>Public Hearing: 10-12-2020</p>
Subject/Title		
<p>Request of the Midlands Humane Society, represented by Nikki Cruickshank and Alex Gum, to purchase property legally described as Lot 2, Arbor Creek, City of Council Bluffs, Pottawattamie County, Iowa. The property is generally located at the Northwest corner of College Road and Railroad Avenue.</p>		
Background/Discussion		
<p>The City has received an offer to purchase the property described above. The property is classified as “transitional preserve” and “buildable”. The applicant gained City Council approval to move forward with the offer to purchase the property at the June 8, 2020 City Council Meeting. The applicant wishes to acquire the property to provide space for future expansion of the humane society building and other amenities. According to the adopted policy of April 23, 2018, the property should be priced at the most recent assessed or appraised value, with an appraisal from JLL Valuation and Advisory Services valuing the subject property at \$188,745.00. The applicant has submitted an \$18,874.50 down payment to purchase the property.</p> <p>The initial offer to purchase the subject property by the Midlands Humane Society was reviewed by the City Council on November 26, 2018, at which time no action was taken and the offer was tabled with the request that the Midlands Humane Society compile a site plan showing how the land would be used and an approximate timeline of when the expansions would take place. On June 8, 2020, representatives of the Midlands Humane Society met before the City Council at the afternoon Study Session and presented their site plan and timeline. The City Council saw the proposal as adequate to move forward with the request. The full application to purchase the property was submitted to the Community Development Department on June 19, 2020.</p> <p>As a nonprofit organization, the Midlands Humane Society would pay no property taxes on the subject parcel if it were to be sold to them. Staff considers the property to be suitable for residential development, which would generate property taxes.</p> <p>The Information Technology Department indicated that there is City Fiber infrastructure underneath the trail that runs along Railroad Avenue. The Public Works Department confirmed that over \$2 million in infrastructure improvements and site work on and around the subject property has been completed with the goal of promoting future development and generating property tax. The Community Development Department acknowledges that the site’s proximity to two public streets, access to infrastructure (e.g. water, sewer, gas, electricity), location on an existing bus route, location within walking distance from a school, walking distance to commercial uses, and being adjacent to a bike path makes it well suited for a variety of residential development types.</p> <p>Attached for review is a location map of the subject property; a Letter of Intent which was submitted by the Midlands Humane Society; a conceptual site plan which shows the Midlands Humane Society’s long term goals for the subject property (the approximate timeline of the development is described in the Letter of Intent);</p>		

and a memo from Brandon Garrett that was submitted to the City Council on November 19, 2018, which details the infrastructure and development costs the City has incurred on the subject property, as well as supplemental information regarding future development on the property (originally submitted with a previously reviewed development proposal).

Recommendation

The Community Development Department recommends denial of the request to dispose of the City property legally described as described as Lot 2, Arbor Creek, City of Council Bluffs, Pottawattamie County, Iowa to Midlands Humane Society.

Re: MHS Offer to Purchase Land and Expansion Plan

In the first five years of operation we have seen tremendous growth, including double the number of adoptions and triple the number of pets re-united with their families. We are now able to provide a limited youth program, diverse volunteer opportunities, and have established long lasting partnerships with neighboring Humane Societies, Rescues, Veterinarians, and other animal welfare groups. Through our partnership with Iowa Western Community College we can offer a hands-on experience for the Veterinary Technician students. For the last two years we have employed a grant-funded Director of Animal Behavior who prepares animals for adoption, assists with placement during and after the adoption process, and provides behavior rehabilitation for special-needs pets.

While we are thrilled with how the community has embraced our programs through these first few years of growth, we have already recognized the looming need for expansion. Before the facility was constructed several important spaces were eliminated from the original plans to get MHS operational. In our strategic planning sessions in 2016, the board of directors set a five-year goal to expand and formed an expansion committee to identify, design, and price this plan in preparation for a future capital campaign. The committee has the land south of MHS identified for use in this expansion plan.

The following are features left out of the original design plus other areas identified since opening.

1. Surgery Suite to treat animals in-house, including spay and neuter procedures.
2. Community/Training room for public education, youth programs, volunteer activities and on-site community events.
3. Retail space to sell supplies to new adopters and other relevant items which creates another revenue stream for operations.
4. Private room for surrenders and owner requested euthanasia so individuals and families can grieve outside the public's view.
5. Storage for the vast array of necessary supplies and to store the massive amounts of donated food and items that are frequently received.
6. Employee and Volunteer break area to provide a central place for people to rest, converse and bond.
7. Enlarging the Kevin Bills Dog Park, which without being actively promoted, already sells as many annual memberships as its size can safely accommodate.
8. Additional animal adoptions, holding, and isolation areas.
9. Expanded enclosed green space areas for off-leash exercise, training and behavior work with shelter animals.

The first phase of the expansion plan will involve moving the existing dog park to make room for additional development behind the current building. The new dog park will include over 2 acres of fenced-in areas spanning from the current land onto the additional 6 acre parcel. Additional parking would be added right away while other amenities such as a community pavilion and restrooms could be added later. With a larger park area, we will be able to safely allow more members and actively promote this amenity to community. The existing dog park fencing will be repurposed for additional shelter play and adoption meet and greet areas. The project budget for phase 1 is as follows:

Phase One - Acquire Land and Relocate Dog Park

Acquire land	
Purchase price (est. at appraised value)	188,000
Ancillary costs associated with real estate purchase (est. 5%)	9,400
Land total	197,400
Construct additional parking lot (26 spaces)	
Pavement and markings	46,049
Sidewalk	13,469
Subgrade Preparation	1,664
Engineering Fees	4,418
5% Contingency for bio swale, landscaping, city permit, handicapped sign, seeding and erosion matting, etc.	3,280
Parking Lot Total	68,880
Dog Park	
Estimate for engineering fees, drainage adjustments and soil preparation	75,000
Fencing and gates	37,300
Security gate entrance, including electrical	6,821
Water to park	3,313
5% Contingency to move existing signage, landscaping and misc.	6,122
Dog Park Total	128,556
Total - Phase One	394,836

Thanks to several generous bequests, the MHS board of directors has the funds to cover phase 1 and plans to begin the project as soon as a purchase agreement for the land is in place. During phase one, MHS will develop and launch a capital campaign to assist in funding for the remaining phases. Project timeline is estimated at 12-18 months.

Please note that, when projecting costs and timelines, there is uncertainty relating to land preparation that cannot be ascertained without expending funds for soil analysis, civil engineering work, etc. From a fiduciary standpoint, MHS does not consider it appropriate to spend donor dollars on such work until a purchase agreement for the land is in place.

The second phase will include a new 3,750 sq ft metal building with six parking bays including three designated for Animal Control and one for isolated animal drop off. This building would be located behind the current building (to the west) and would replace the use of the existing garage area. An additional 960 sq ft of climate-controlled storage will allow for better management of food and animal supplies as well as free up existing areas currently utilized for storage. The expansion committee designed the building with cooperation from Council Bluffs and Pottawattamie County Animal Control to optimize the interaction with MHS and animal control services. We have identified the costs and are allocating funds to be available after the dog park has been relocated. Project timeline for the new metal building is estimated to be 12-18 months with a projected cost of \$420,968, which includes a professional estimate of \$350,807 for the building and surrounding pavement plus a 10% contingency of \$70,161.

Once the new metal building is complete the third phase will begin which involves renovation of the existing garage space to create an Animal Surgery area that will be utilized for spay and neuter as well as other required surgeries. This will allow MHS to shorten the time an animal can be made available for adoption as well as save on expenses currently used for animal transportation. Additional opportunities would be available for IWCC as well as other area veterinary colleges for experience in shelter medicine. We have already secured donations targeted for this expansion as well as identified grants to support the development and operation of an in-house veterinary service. We are still working on the total costs of this renovation but believe \$250,000, which includes construction, equipment and other start-up costs, is a reasonable estimate. MHS already has a restricted donation of approximately \$100,000 for this phase. We expect a project timeline of 12-18 months.

The fourth phase of expansion will involve the need for an additional 14,000 sq ft building to allow for community gatherings, indoor training, and expanded adoption areas. This phase is likely 10 years out but without this land we would have to consider relocating or possibly a second site which would create logistic and resource overhead issues. Utilizing the construction budget of the original facility, high level costs have been estimated at \$4,065,067 and the project would require 2-3 years of focused campaign funding.

The attached project plan shows how the land would be utilized to allow MHS to provide industry leading animal sheltering services as well as amenities aimed at educating and engaging the community. MHS is and will continue to be a family destination that will attract residents of all ages who can connect and give back through their love for animals.

Master Plan
Preliminary/ Concept Drawings

Memorandum

To: City Council
From: Brandon Garrett, AICP, Community Development Director
Cc: Mayor Walsh and Jodi Quakenbush, City Clerk
Date: November 19, 2018
Re: Lot 2, Arbor Creek

A handwritten signature in blue ink, appearing to be "BG", is written over the "From:" line.

The following supplemental information is provided regarding the property located at Lot 2, Arbor Creek and associated development proposals.

Planning and Zoning

Comprehensive Plan

The Comprehensive Plan's future land use map (see Exhibit A) shows Lot 2, Arbor Creek as "Rural Residential/Agriculture", the same future land use designation for the ground developed for St. Patrick's Church, Presbyterian Home, a future townhome development, and Immanuel Pathways all nearby at Valley View Drive and College Road. The Parks & Recreation Framework Plan in the Comprehensive Plan (see Exhibit B) does not show a future park in this vicinity. Council Bluffs is under increasing pressure for residential development. This quarter of the city around Iowa Western Community College has undergone significant development since the Bluffs Tomorrow Plan was adopted in 2014. Generally speaking, it is more difficult to predict future land uses in undeveloped areas and market forces often play a major role in determining what the City supports. While the Comprehensive Plan is not a regulatory document, the City should strive to amend the future land use map to reflect larger incremental changes.

Spot Zoning

The proposed change does not meet the definition of spot zoning. A classic case of spot zoning would be a much different use wedged between similar uses—for example, zoning a small lot for Industrial within a residential block in an older neighborhood. In this case, the proposal is for roughly six acres and proposes to zone to a residential district adjacent to other residential districts. It is at the corner of two collector-style streets and has the capacity for much higher density. See attached memo regarding spot zoning cases in Iowa (see Exhibit C).

A-2 Zoning

A-2 is an agricultural type of zoning that is a default for areas that have not developed. Several City parks and other City-owned parcels are zoned A-2 for lack of a “Public” zoning district. Iowa Western Community College is zoned A-2. Sometimes the City will proactively rezone land to A-2 as a placeholder for future parks or development such as in the Mid City area near the West Broadway Viaduct. In this case, there was no need to change the zoning from A-2 in the past because it was a combination of undeveloped land and publicly owned property. “Animal Shelters”, as defined in the zoning code are only allowed in A-2 zoning.

Density

The proposed project includes 60 multi-family dwelling units (10 units per acre). Originally, the developers had hoped for a second phase, but the land request was reduced to align with the lease parcel for Midlands Humane Society. By zoning, the six acres could have yielded 135 dwelling units (22.5 units per acre), but the request was for substantially fewer units. The “PR” Overlay proposed would secure the number of units at 60. For reference, a typical low density single-family detached area in the West End is roughly 7.5 units per acre; not much less than the proposal.

Other 5+ Acre R-3 or R-4 Zoned Sites Available

GIS was utilized to identify sites that were 5 acres or larger, vacant, and zoned R-3 or R-4. The Zimmerman proposal was for 6 acres and R-3, but this search was more broadly-inclusive. 19 properties were identified that met the criteria (see Exhibit D). However, upon closer examination of these sites, many have obstacles to development including terrain, utilities, access, forestation, or have already been approved for development. Zero properties discovered were zoned R-4. Six of the 19 properties are only partially zoned R-3 and would therefore require additional zoning action.

Infrastructure and Site Preparation

Water Service

Resolution 13-236 (see Exhibit E) states that the City, Midlands Humane Society, and Council Bluffs Water Works equally shared the cost of extending the water main in the amount of \$476,484 (\$158,828 City’s share). Ultimately, the City paid slightly less (\$158,250) when the work was completed (see Exhibit F). The resolution states that the water main will “...service the Midlands Humane Society and any future City developments at that location.” (see Exhibit E)

Additional Infrastructure

Sanitary sewer, storm sewer, paving, a traffic signal, right-of-way, and other general costs are attributed to developing this area (see Exhibit G). These are costs associated with extending Railroad Avenue and utilities between E. Kaneshville Blvd. and College Road to make the ground developable for the Midlands Humane Society building and additional future development to the south—specifically, a new police headquarters building. A different site for the police headquarters was ultimately chosen, but the site was preserved by the City for future development since it had all necessary infrastructure.

Exhibit G:

Infrastructure and Site Preparation Costs	
<i>Grading and Fill</i>	\$ 234,882.00
<i>Water Service</i>	\$ 158,250.00
<i>Sanitary Sewer</i>	\$ 105,159.63
<i>Storm Sewer</i>	\$ 658,040.99
<i>Pavement: Road and Bike Trail</i>	\$ 1,097,003.31
<i>Traffic Signal</i>	\$ 189,871.41
<i>Right-of-Way</i>	\$ 852,000.00
<i>General Costs and Construction Engineering for Road and Infrastructure</i>	\$ 662,265.02
TOTAL CITY COSTS	\$ 3,957,472.36

Grading and Fill

A developer representing another project calculated the site at what is now Lot 2, Arbor Creek needed 2-3' of fill dirt to raise it out of the floodplain. Months later, it was determined that the site of the new police headquarters had excess dirt that would have to be removed at additional expense. Rather than discard this resource, the City coordinated the relocation of the dirt to be utilized as fill at Lot 2, Arbor Creek in order to make the site more developable and marketable. The relocation of the dirt and stabilization was coordinated by Public Works and was carried out properly. The cost of moving this resource to the site from the police headquarters was \$234,882 in 2017.

Any future development of the site will regrade it to accommodate their design. Any development will have to be engineered to follow all applicable grading and stormwater drainage requirements for retention etc. The proposed development did not plan to impact or grade any Loess Hills slopes; the development site is relatively flat (see Exhibit H).

Exhibit H

Red area above is a portion of Loess Hill slope. This area is not proposed for grading.

Bus Route

The site is served by the Blue bus route (see Exhibit I).

City Financial Support of the Midlands Humane Society

The City made six payments in 2014 totaling \$1,500,000 to the Midlands Humane Society for construction of the facility (see Exhibit J). The City paid HGM Associates \$26,977 for design work related to the project in 2014 (see Exhibit J). In addition, from FY2015 to FY2018, the City made payments of \$259,845 (see Exhibit K). The City recently increased its contributions to the Midlands Humane Society from \$1.25 to \$2.00 per capita. This payment is calculated at 61,938 x \$2 (totaling \$123,876 per year). As of 11/09/18, the City has paid the Midlands Humane Society \$41,312.68 for FY2019 (see Exhibit K). From FY2014 to date, the City has spent \$1,828,134.68 in support of Midlands Humane Society (excluding infrastructure costs). The City owns the building and Midlands Humane Society leases the space for \$1 per year as part of a 99-year lease agreement. The City's Animal Control Division of the Community Development Department is located in the building and pays no additional rent above the City's per capita contribution.

Estimated Local Property Taxes

Midlands Humane Society: \$0/year

Current Zimmerman Proposal (60 dwelling units): \$61,844/year (see Exhibit L)

INTER-OFFICE MEMO

TO: Honorable Thomas P. Hanafan, Mayor
and Members of the City Council

FROM: Legal Department

DATE: January 10, 1991

RE: Spot Zoning

The Council has requested information about and examples of "spot zoning". Spot zoning results when a rezoning creates a small island of property with use restrictions different from those imposed on the surrounding property. Spot zoning is not necessarily illegal. Iowa courts look at several factors to determine whether spot zoning is reasonable and valid, including the following.

- a. the size of the spot rezoned
- b. the prior use of the rezoned tract
- c. the tract's suitability for various uses
- d. the uses of the surrounding property

In general, where a court can find that a city or county had a reasonable basis for rezoning a particular tract to serve the public welfare, rather than solely for private gain, spot zoning will be upheld. The public welfare is promoted by zoning that encourages efficient urban development, lessens congestion on streets, prevents overcrowding, increases or stabilizes property values and the tax base, and conforms to the comprehensive plan.

Some examples from Iowa cases are illustrative.

Illegal Spot Zoning

1. An ordinance rezoned one corner of an interstate intersection to light industrial. The other corners remained agricultural districts. This rezoning was illegal spot zoning because the evidence showed that all four corners were used similarly before the rezoning, and each corner was equally adaptable to a light industrial use. There was no public benefit in choosing one corner over the others. Keppy v. Ehlers, 115 NW2d 198 (Iowa 1962).

2. An ordinance rezoned one lot in the middle of a block surrounded by single-family dwellings. The property in question was a large home near Drake University; the owners wanted to convert it to a sorority house. At the time of the requested rezoning, however, it had always been used as a single-family dwelling. The court found that there was no rational basis to distinguish this property from the others in the block, since all shared the same prior use and were equally suited for the proposed rezoning. Hermann v. City of Des Moines, 97 NW2d 893 (Iowa 1959).

EXHIBIT "C" (continued)

January 10, 1991
Spot Zoning
Page 2

Legal Spot Zoning

1. Agricultural land was rezoned to allow a hog-slaughtering plant. The land around the rezoned tract remained agricultural. This rezoning was valid because, unlike the surrounding land, the rezoned parcel was not prime agricultural land and was near a road, river and railroad tracks.

In this case, the public benefits (adding manufacturing to a troubled agriculture-based economy, increasing tax revenues, and creating jobs) were consistent with the goals of the comprehensive plan. The rezoning was not solely for private gain. Montgomery v. Bremer County Board of Supervisors, 299 NW2d 687 (Iowa 1980).

2. An undeveloped two-acre tract of single-family residential district was rezoned to a neighborhood shopping district. Because the tract was at the corner of a busy intersection, it was not well suited for a home, but was uniquely appropriate for a neighborhood shopping center. Once again, the benefits to the public (providing needed shopping in a rapidly growing residential area) were in accord with the goals of the comprehensive plan. Jaffe v. City of Davenport, 179 NW2d 554 (Iowa 1970).

3. A four-story, 16-room structure was rezoned from single-family to multiple-family. The rest of the neighborhood remained single-family. This rezoning was legal. The building had been used as a medical clinic, rooming house and nursing home and had little appeal as a single-family dwelling. Rezoning would have little or no impact on the value of surrounding properties, and would not otherwise burden them. There is public benefit in eliminating nonconformities. Keller v. City of Council Bluffs, 66 NW2d 113 (Iowa 1954).

To summarize, illegal spot zoning benefits a particular owner at the expense of the public good and is inconsistent with the goals of the comprehensive land use plan.

Respectfully submitted,

Kathleen A. Kilnoski
KATHLEEN A. KILNOSKI
Assistant City Attorney

Council Communication

Department: Health Department	Ordinance No.:	City Council: September 9, 2013
Case/Project No.: N/A	Resolution No.: <u>13-236</u>	First Reading: N/A Second Reading: N/A Third Reading: N/A Public Hearing: N/A
Subject/Title		
Midlands Humane Society Project – Water Main Extension Agreement		
Location		
Running from Indian Hills Road to Railroad Avenue		
Background/Discussion		
<p><u>Background</u> The City owns approximately 28.88 acres of property along College Road and Railroad Avenue. The Midlands Humane Society and the City has been working diligently over the past several years to develop and construct a new humane society and associated dog park on approximately 7 acres of said property.</p> <p><u>Discussion</u> Since there is no water at this location, a water main extension must be brought in from the top of Indian Hills Road. This will service the Midlands Humane Society and any other future City developments at that location. At the September 9th City Council meeting, a public hearing will be held to approve the plans, specifications and form of contract for the water main extension portion of the project. At this same meeting, we are also asking for approval of the Water Works agreement detailed below.</p> <p>A water main extension agreement has been prepared by the Water Works that details the roles and responsibilities of each participant. The Water Works estimates the cost for improvements will be \$476,484.00; 1/3 of the cost will be incurred by the City, 1/3 by Midlands Humane Society and 1/3 by the Council Bluffs Water Works. The cost to the City will be funded through existing fund balances. This includes the installation of approximately 1,750 linear feet of eight inch ductile iron pipe and 810 linear feet of twelve inch ductile iron and all necessary fire hydrants and other appurtenances.</p>		
Staff Recommendation		
The Council Bluffs Health Department recommends that City Council adopt the resolution authorizing the Mayor to execute an agreement with the Council Bluffs Water Works for a water main extension in conjunction with the Midlands Humane Society Project.

RESOLUTION NO. 20-246

A RESOLUTION TO DISPOSE OF CITY PROPERTY LEGALLY DESCRIBED LOT 2, ARBOR CREEK SUBDIVISION, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA

WHEREAS, the City has previously expressed its intent to dispose of City owned property legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa; and

WHEREAS, a public hearing has been held in this matter on October 12, 2020 at 7:00 p.m.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the Mayor and City Clerk be and are hereby authorized, empowered and directed to execute a quit claim deed conveying the City's interest in the above-described property as follows:

Midlands Humane Society, and all successors in interest: legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa; and

BE IT FURTHER RESOLVED

That the purchase price be \$188,745.00, with the remaining balance beyond the submitted \$18,874.50 down payment due at closing. Closing and the property closing must occur within 60 days of the date of approval.

BE IT FURTHER RESOLVED

The applicant shall sign an agreement to combine the subject properties under one parcel number, and to not sell the subject properties separately without prior City approval; and

BE IT FURTHER RESOLVED

That the City Clerk is directed to deliver this resolution and attached documents to the County Recorder.

ADOPTED
AND
APPROVED: November 9, 2020.

Matthew J. Walsh Mayor

ATTEST: _____
Jodi Quakenbush City Clerk

Council Communication

Department: Community Development CASE # OTB-20-015 Applicant: Neal Drickey 2023 S 181 Circle Omaha, NE 68130	Resolution of Intent No. _____ Resolution to Dispose No. _____	Public Hearing: 10-12-2020
Subject/Title		
Resolution to dispose of City property legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa to Neal Drickey. The property is generally located at the Northwest corner of College Road and Railroad Avenue.		
Background/Discussion		
In July, City Council directed Community Development staff to release a Request for Proposals (RFP) for the property generally located at the corner of College Road and Railroad Highway as an alternative plan to the offer to buy submitted by the Midlands Humane Society (MHS) (OTB-20-010).		
The City received one response to the RFP published. Neal Drickey and his development team submitted a proposal for two alternatives with 34 and 36 housing units respectively. Both options are projected to increase the taxable value to over \$7 million. Each option will have a combination of attached single family row houses and single family units with the row houses marketed to households at or below 80% of the median family income. Estimated sales prices range from \$160,000 for the row houses to \$245,000 for the detached single family units. The total project cost is approximately \$7.4 to \$7.6 million.		
Drickey is requesting the City create an Urban Renewal Plan and Area and a tax increment financing (TIF) district for the parcel. The request for TIF is 50% of the eligible tax for ten (10) years. This totals approximately \$1.6 million, which would pay for the cost of infrastructure. A change of zone to R-2 and a Planned Residential Overlay would also be required.		
As stated in the MHS offer, the property is classified as “transitional preserve” and “buildable”. The Information Technology Department indicated that there is City Fiber infrastructure underneath the trail that runs along Railroad Avenue. The Public Works Department confirmed that over \$2 million in infrastructure improvements and site work on and around the subject property has been completed with the goal of promoting future development and generating property tax. The Community Development Department acknowledges that the site’s proximity to two public streets, access to infrastructure (e.g. water, sewer, gas, electricity), location on an existing bus route, location within walking distance from a school, walking distance to commercial uses, and being adjacent to a bike path makes it well suited for a variety of residential development types.		
Recommendation		
The Community Development Department recommends the disposal of the property legally Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa to Neal Drickey for the purchase price of \$200,000.

Requested City Based Incentives

- TIF
 - Developer will receive tax incremental financing assistance from the City of Council Bluffs for this project. City will pay developer 50% the projects annual tax revenue increase for a period of 10 years. The payments will begin the year following project completion (See TIF Worksheet for estimated annual payments)
 - Developer will fund project privately and will pay \$200,000 to city for purchase of the current property.
 - Down payment assistance through Neighbor Works Home Solutions for Row Houses.

RESOLUTION NO. 20-247

A RESOLUTION TO DISPOSE OF CITY PROPERTY LEGALLY DESCRIBED LOT 2, ARBOR CREEK SUBDIVISION, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA

WHEREAS, the City has previously expressed its intent to dispose of City owned property legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa; and

WHEREAS, a public hearing has been held in this matter on October 12, 2020 at 7:00 p.m.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the Mayor and City Clerk be and are hereby authorized, empowered and directed to execute a quit claim deed conveying the City's interest in the above-described property as follows:

Neal Drickey, and all successors in interest; legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa; and

BE IT FURTHER RESOLVED

That the purchase price be \$200,000.00. Closing and the property closing must occur within 120 days. The Buyer shall be required to enter a development agreement that will be approved by City Council.

BE IT FURTHER RESOLVED

The applicant shall sign an agreement to combine the subject properties under one parcel number, and to not sell the subject properties separately without prior City approval; and

BE IT FURTHER RESOLVED

That the City Clerk is directed to deliver this resolution and attached documents to the County Recorder.

ADOPTED
AND
APPROVED: November 9, 2020.

Matthew J. Walsh Mayor

ATTEST: _____
Jodi Quakenbush City Clerk

Council Communication

<p>Department: Community Development</p> <p>CASE # OTB-20-015</p> <p>Applicant: Neal Drickey 2023 S 181 Circle Omaha, NE 68130</p>	<p>Resolution of Intent No. _____</p> <p>Resolution to Dispose No. _____</p>	<p>Public Hearing: 10-12-2020</p>
<p align="center">Subject/Title</p> <p>Resolution to dispose of City property legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa to Neal Drickey. The property is generally located at the Northwest corner of College Road and Railroad Avenue.</p>		
<p align="center">Background/Discussion</p> <p>In July, City Council directed Community Development staff to release a Request for Proposals (RFP) for the property generally located at the corner of College Road and Railroad Highway as an alternative plan to the offer to buy submitted by the Midlands Humane Society (MHS) (OTB-20-010).</p> <p>The City received one response to the RFP published. Neal Drickey and his development team submitted a proposal for two alternatives with 34 and 36 housing units respectively. Both options are projected to increase the taxable value to over \$7 million. Each option will have a combination of attached single family row houses and single family units with the row houses marketed to households at or below 80% of the median family income. Estimated sales prices range from \$160,000 for the row houses to \$245,000 for the detached single family units. The total project cost is approximately \$7.4 to \$7.6 million.</p> <p>Drickey is requesting the City create an Urban Renewal Plan and Area and a tax increment financing (TIF) district for the parcel. The request for TIF is 50% of the eligible tax for ten (10) years. This totals approximately \$1.6 million, which would pay for the cost of infrastructure. A change of zone to R-2 and a Planned Residential Overlay would also be required.</p> <p>As stated in the MHS offer, the property is classified as “transitional preserve” and “buildable”. The Information Technology Department indicated that there is City Fiber infrastructure underneath the trail that runs along Railroad Avenue. The Public Works Department confirmed that over \$2 million in infrastructure improvements and site work on and around the subject property has been completed with the goal of promoting future development and generating property tax. The Community Development Department acknowledges that the site’s proximity to two public streets, access to infrastructure (e.g. water, sewer, gas, electricity), location on an existing bus route, location within walking distance from a school, walking distance to commercial uses, and being adjacent to a bike path makes it well suited for a variety of residential development types.</p> <p align="center">***Amended Proposals***</p> <p>The applicant has submitted amended proposals for a 35-unit (16 townhomes/19 single-family) development, and a 26-unit (12 townhomes/14 single-family) development for Council consideration. Both proposals include the applicant paying \$200,000.00 for the property and receiving tax increment financing. With these submittals, City Council now has three options to consider for selling the property, as summarized below:</p> <ul style="list-style-type: none"> • Option 1: Midlands Humane Society’s offer to purchase the property for \$188,745.00. Approval of this request allows Midlands to expand their operation in the future and will generate \$0 tax dollars. 		

Council Communication

- Option 2: Neal Drickey’s offer to purchase the property for \$200,000.00 and build 35 residential dwellings units, which includes 16 townhomes for workforce housing, and 19 single-family detached dwellings. Total estimated taxable valuation for the entire development is \$7,284,984. The townhomes will be sold for \$159,999.00, and the other 19 single-family homes will be sold at market rate in the range of \$210,000.00 - \$265,000.00. Total site infrastructure construction and land costs are \$1,040,467. Average construction costs per lot are \$29,727.00 and the developer is requesting \$1,894,395.81 in TIF assistance (48% over 12 years) with a maximum cap of \$2,099,452.25 to off-set inflation costs. The layout of this subdivision includes one access point onto Railroad Highway, two access points onto College Road, and a “stub road” to the north that could be used to access Midlands Humane Society or facilitate development of properties to the north.

- Option 3: Neal Drickey’s offer to purchase the property for \$200,000.00 and build 26 residential dwellings units, which includes 12 townhomes for workforce housing, and 14 single-family detached dwellings. Total estimated taxable valuation for the entire development is \$5,069,988. The townhomes will be sold for \$159,999.00, and the other 19 single-family homes will be sold at market rate in the range of \$210,000.00 - \$265,000.00. Total site infrastructure construction and land costs are \$830,133. Average construction costs per lot are \$31,928.00, and the developer is requesting \$1,609,321.44 in TIF assistance (58.5% over 12 years) with a maximum cap of \$1,783,520.38 to off-set inflation costs. The layout of this subdivision proposal includes one access point onto Railroad Highway and College Road, along with a large acreage remnant parcel for future development or to sell to Midlands Humane Society.

After reviewing all three proposals the Community Development Department prefers Option #2 as it maximizes the subject property’s development potential, consists of 34 new residential dwellings that provide housing for a mixture of incomes in the community, provides a greater return to the City’s tax base, and is designed in a manner that allows for access to the Midlands Humane Society and potentially to properties to the north.

Recommendation

The Community Development Department recommends the disposal of the property legally Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa to Neal Drickey for the purchase price of \$200,000.

SUMMARY OF ESTIMATED CONSTRUCTION COSTS

PROJECT :	COLLEGE RD & RAILROAD AVE,	ZONING:	RESIDENTIAL
DEVELOPER:	NEAL DRICKEY	JURISDICTION:	COUNCIL BLUFFS, IA
JOB NO.	2020.240.001	LOTS	35
ESTIMATED BY:	WESTERGARD	DATE:	September 9, 2020

COLLEGE RD. & RAILROAD AVE. - 35 Unit

ITEM	CONSTRUCT.	PER LOT			
SANITARY SEWER	175,400	\$5,159			
PAVING INTERIOR	233,467	\$6,867			
WATER DISTRIBUTION	137,650	\$4,049			
UNDERGROUND ELECTRICAL	66,400	\$1,953			
STORM SEWER	51,150	\$1,504			
GRADING & EROSION CONTROL	103,900	\$3,056			
LAND ACQUISITION	200,000	\$5,714			
FEES	72,500	\$2,132			
TOTALS	\$1,040,467	\$29,727			

Notes:

Assumed no sewer, capital facility, park fees would be due on development.

Assumed existing detention basin was sized for both Phase I and Phase II. Phase II flows do go to existing basin via existing storm sewer.

No costs were included for gas or cable TV/Internet.

Assumed dirt available on site is sufficient to raise entire site above flood plain elevation. No haul in dirt is in estimate.

Connection to the existing sanitary sewer is on College Road just west of Railroad Avenue

Connection to the existing storm sewer is on Railroad Avenue at the approximate location of the proposed street

Requested City Based Incentives

- ♦ TIF
 - ♦ Developer will receive tax incremental financing assistance from the City of Council Bluffs for this project. City will pay developer percentage the projects annual tax revenue increase for a set period of time. The payments will begin the year following project completion (See TIF Worksheets for 3 estimated annual payment options)
- ♦ Developer will fund project privately and will pay \$200,000 to city for purchase of the current property.
- ♦ Down payment assistance through Neighbor Works Home Solutions for Row Houses.

Developer Resume

- ◆ Completed Projects –

- ◆ Gethsemane Gardens Development in Lake Manawa.

- ◆ 25 Homes built in last 2 years and brought to certificate of occupancy without partnership or borrowed money.
 - ◆ Development increased taxable value of property over \$5,000,000

- ◆ Indian Hills Storage Redevelopment

- ◆ Purchased and redeveloped former nursing home into a 65,000sqft climate controlled indoor storage complex. Creating jobs, increasing taxable value of property over 300% and meeting community needs for more storage options.

- ◆ Current Projects –

- ◆ Golden Hills Phase 2 in Crescent Iowa

- ◆ Bringing 29 new homes to Crescent increasing taxable value over \$9,000,000 while utilizing similar TIF agreement.

NEAL DRICKEY

- 25 Years Excavation, Site Prep, Heavy Equipment Operation
 - 25 Years Utilities Installation
 - 20 Years Pipeline Work
- Projects Completed Around U.S.
Iowa, Nebraska, Kansas, Minnesota, Wisconsin, Missouri, Oklahoma, Texas

JPR ENTERPRISES / JOE RAYMOND

- 25 Years Custom Home Builder, Up To 2.5 Million
- Extensive Home Remodeling Throughout the Metro
- Commercial Buildouts
River Front Tower, Rustic Cuts, Indian Hills Storage
- Primary Builder of most of Gethsemane Gardens

CLINT BRUNOW, REALTOR - HEARTLAND PROPERTIES

- 24 Years' Experience in Listing/Selling Hundreds of Homes
- Involvement from Inception to Completion of Gethsemane Gardens House Construction

SUMMARY OF ESTIMATED CONSTRUCTION COSTS

PROJECT :	COLLEGE RD & RAILROAD AVE,	ZONING:	RESIDENTIAL
DEVELOPER:	NEAL DRICKEY	JURISDICTION:	COUNCIL BLUFFS, IA
JOB NO.	2020.240.001	LOTS	26
ESTIMATED BY:	WESTERGARD	DATE:	October 27, 2020

COLLEGE RD. & RAILROAD AVE. - 26 UNIT LAYOUT

ITEM	CONSTRUCT.	PER LOT			
SANITARY SEWER	124,400	\$4,785			
PAVING INTERIOR	135,583	\$5,215			
WATER DISTRIBUTION	107,300	\$4,127			
UNDERGROUND ELECTRICAL	52,200	\$2,008			
STORM SEWER	34,250	\$1,317			
GRADING & EROSION CONTROL	103,900	\$3,996			
LAND ACQUISITION	200,000	\$7,692			
FEES	72,500	\$2,788			
TOTALS	\$830,133	\$31,928			

Notes:

Assumed no sewer, capital facility, park fees would be due on development.
 Detention basin was sized for both this development and the Humane Society
 No costs were included for gas or cable TV/internet.
 Assumed dirt available on site is sufficient to raise entire site above flood plain elevation. No haul in dirt is in estimate.
 Connection to the existing sanitary sewer is on College Road just west of Railroad Avenue
 Connection to the existing storm sewer is on Railroad Avenue at the approximate location of the proposed street

Requested City Based Incentives

- ♦ TIF
 - ♦ Developer will receive tax incremental financing assistance from the City of Council Bluffs for this project. City will pay developer percentage the projects annual tax revenue increase for a set period of time. The payments will begin the year following project completion (See TIF Worksheets for 3 estimated annual payment options)
- ♦ Developer will fund project privately and will pay \$200,000 to city for purchase of the current property.
- ♦ Down payment assistance through Neighbor Works Home Solutions for Row Houses.

RESOLUTION NO. 20-247 Amended

A RESOLUTION TO DISPOSE OF CITY PROPERTY LEGALLY DESCRIBED LOT 2, ARBOR CREEK SUBDIVISION, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA

WHEREAS, the City has previously expressed its intent to dispose of City owned property legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa; and

WHEREAS, a public hearing has been held in this matter on October 12, 2020 at 7:00 p.m.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the Mayor and City Clerk be and are hereby authorized, empowered and directed to execute a quit claim deed conveying the City's interest in the above-described property as follows:

Neal Drickey, and all successors in interest; legally described as Lot 2, Arbor Creek Subdivision, City of Council Bluffs, Pottawattamie County, Iowa; and

BE IT FURTHER RESOLVED

That the purchase price be \$200,000.00. Closing and the property closing must occur within 120 days. The Buyer shall be required to enter a development agreement that will be approved by City Council.

BE IT FURTHER RESOLVED

The applicant shall sign an agreement and is allowed to convey the agreed portion to the Midlands Humane Society. Conveyance to any other entity must be approved by City Council; and

BE IT FURTHER RESOLVED

That the City Clerk is directed to deliver this resolution and attached documents to the County Recorder.

ADOPTED

Works Director

Resolution 20-279
ITEM 5.B.

Council Action: 11/23/2020

Description

Resolution approving the authorization for right-of-way in connection with the No. Broadway Bridge over Indian Creek. Project #PW21-13

Background/Discussion

The Competitive Highway Bridge Program (CHBP) funding was made available by Division L of the Consolidated Appropriations Act of 2018 by the federal government. The North Broadway Bridge over Indian Creek was selected to receive the CHBP funds.

The North Broadway Bridge over Indian Creek (FHWA Structure 043960) ranked high enough among other bridges in the state to qualify for participation in the program.

The CHBP funds allow for funding of 55% of the construction cost of the bridge up to a maximum of \$1,256,260. The remaining construction costs will be paid using Federal-Aid SWAP funds per agreement No. 4-19-HBP-SWAP-10. The preliminary estimate for construction is \$1,900,000.

The existing bridge will be replaced with a box culvert section along Indian Creek. A new three-lane roadway with a trail on the east side and sidewalk on the west side will be constructed over the box culvert. To accommodate this roadway section with trail and sidewalk will require property acquisitions and temporary easements adjacent to North Broadway.

The engineering and right-of-way acquisition costs associated with the project will be paid by the City. The cost for engineering services and right-of-way is estimated to be \$375,000.

The project was included in the FY21 CIP with a budget of \$2,300,000 in Federal and State funding with a local contribution of \$437,000 in Road Use funds.

Recommendation

Approval of this resolution to proceed with acquisitions. The additional right-of-way will allow for construction of the improved roadway section and new trail crossing.

Resolution 20-280

ITEM 5.C.

Council Action: 11/23/2020

Description

Resolution approving the City of Council Bluffs FY22-FY26 Capital Improvement Program (CIP).

Background/Discussion

The City of Council Bluffs has established this time and place for a public hearing on the approval of the FY22-FY26 CIP.

The purpose of the CIP is to provide the City Council with a framework upon which to base improvement decisions, provide the City staff with direction as to its work effort, and provide the citizens with information about the City's future intentions as it relates to the capital improvement program.

Recommendation

The Planning Commission found that the proposed FY22-FY26 CIP was consistent with the Bluffs Tomorrow: 2030 Plan. The City is requesting approval of the FY22-FY26 CIP plan with the understanding the primary focus is FY22 CIP and the subsequent years will be re-evaluated on an annual basis, determined by future financial availability, strategic needs and timing.

SECTION I – INTRODUCTION

Mission: To continuously improve the quality of life and attractiveness of the City of Council Bluffs.

1. PURPOSE OF THE CAPITAL IMPROVEMENT PROGRAM

Capital expenditure decisions represent some of the most significant policy choices made by the City of Council Bluffs. Almost all departments within the City face the need for capital expenditures. Capital improvement programming and budgeting involves the development of a long-term plan for capital expenditures for the City. The Capital Improvement Program includes expenditures that are of significant value and have a long-term useful life such as, streets, sewers, land and major equipment.

The Capital Improvements Program (CIP) lists each proposed project to be undertaken, the year in which it will be started, the amount expected to be expended for the project, and the proposed method of financing these expenditures. Based on this information, summaries of capital projects by department can be prepared as well as summaries of financial requirements, such as amounts of general obligation bonds to be issued or amount of general/special revenue funds required.

The CIP identifies the City's most critical capital improvement needs and the general policies under which decisions are made. The CIP was developed for the following purposes:

- To address and prioritize the City's improvements needs in a comprehensive manner;
- To permit careful consideration, design, and scheduling of individual projects through advanced planning;
- To allow for financial planning over a long period; and
- To provide continuity in improvement programs with changes in City Council and Staff.

The development of CIP is the process of deciding what capital projects should be done, when they should be done, and how they will be financed. In its simplest form, CIP is a listing of improvement projects by priority, including a cost estimate and funding source. The adoption of the CIP by the City Council does not, by itself, guarantee or commit the City to a given set of projects. It is however, a critical step in the general obligation bonding process. Major improvement projects are authorized on an individual basis in accordance with state laws and municipal ordinances. However, the plan does provide the City Council with a framework upon which to base improvement decisions, provides the City staff with direction as to its work effort, and provides the citizens with information about the City's future intentions. The latter is particularly important because of the impact public facilities can have on business and development decisions. FY23-FY26 CIP is re-evaluated based on strategic needs, funding availability and timing.

2. CAPITAL IMPROVEMENT DEFINED

The term capital improvements normally refer to expenditures for capital items of long-term in nature. Minor capital needs and repairs and maintenance, which occur from time to time, are best handled through the annual operating budgets.

The City recognizes capital items to have a 7-10 year useful life, at minimum.

3. RELATIONSHIP TO OTHER PLANS AND DOCUMENTS

It is the function of the CIP to plan the construction of the community's physical improvements in a manner consistent with the City's overall goals. These goals are expressed in a number of different fashions, including the comprehensive plan, neighborhood plans, and many other less formal expressions of community policy. These goals established over the years, define the basic functions the City has decided to undertake, set minimum levels of service, and determine financing methods. More specifically, the goals of this process include establishing an improvement program which:

- Defines a realistic level of financial resources which can be committed to the City's improvement needs;
- Prioritizes the City's need for allocation of limited resources;
- Addresses the basic facility needs of the community in the most cost effective manner (basic service being defined as streets, sewers, drainage, and water);
- Recognizes the role the City facilities in the development process and the need for the City to make improvements which promote the economic stability and orderly growth of the community;
- Recognizes the total scope of City services and allocates a portion of the City resources to those amenities which improve the quality of life and public safety;
- Encourages acquisition of outside funding to supplement City resources.

SECTION II – CAPITAL IMPROVEMENT PROGRAM GOALS

1. OVERALL GOALS OF CIP

The FY22 – FY26 Capital Improvement Program was based on the following goal statements:

Planning and Community Growth

The City will use the CIP process to establish a five-year program that is consistent with the Comprehensive Plan and shall function as a major tool for implementing its adopted goals and policies.

The CIP shall encourage further infill development and redevelopment of existing areas of the community by implementing the conservation, rehabilitation, and reconstruction of aging facilities. The City will follow a philosophy of rebuild it first and build it second.

The CIP will promote the renovation and extension of public services and facilities in priority areas of the community including the Missouri River levee system, West Broadway/1st Avenue Corridor, River's Edge, East Beltway, and the Entertainment District.

The City will use the CIP process to construct new and preserve existing components of infrastructure systems that provide the level of service expectations of the public in an efficient and effective manner, recognizing the limited resources available.

The City will use the CIP to construct infrastructure that attracts additional economic activity into the community.

Public Safety

Priority will be placed on activities that prevent or protect the community from unreasonable exposure to dangerous and life threatening events.

Fiscal Considerations

CIP will support the long-range economic and fiscal stability of Council Bluffs. The CIP will structure annual debt service payments consistent within anticipated revenues.

Sales tax proceeds and Road use funds will be used in compliance with State Code and City ordinance.

General obligation bond proceeds will be utilized by projects that provide revitalization, result in additional tax base, or enhance community protection.

Operational Considerations

CIP projects will be evaluated for effects on annual operational and maintenance budgets.

New construction shall be designed to emphasize sustainability and constructed to a quality that minimizes maintenance and operational costs.

2. CIP CATEGORICAL GOALS

Five specific categories were identified by the Capital Improvements Program. These include public facilities, parks and recreation, public safety, utilities, transportation, and community development. The goals, policies and capital improvement efforts by category are outlined as follows:

a. Utilities and Environment

Objective – Provide sanitary and storm sewer systems and levee system improvements that meet the needs of the public and comply with state and federal regulations.

Capital Improvement Efforts

- Update the City’s sanitary sewer treatment facilities and pump stations to current environmental standards and to allow for additional residential and business development in the community.
- Improve the current sanitary sewer and storm water infrastructure within the community to preserve existing development and to encourage redevelopment of existing residential, commercial, and industrial areas.
- Extend sanitary sewer to identified growth areas to encourage new residential, commercial, and industrial development within or adjacent to the community.
- Implement improvements to the City’s levee system to meet FEMA accreditation and the USACE standards for federal levees.
- Implement storm water management practices and projects to comply with the requirements of the EPA NPDES Phase II permit.
- Maintain and improve existing public facilities and develop new facilities based upon need.

b. Transportation

Objective – Proactively preserve and upgrade our existing transportation system throughout the City for the safe and efficient movement of people, goods, and services.

Objective – Coordinate transportation planning and improvements with the planning and development of other elements of the community, including other transportation means, public utilities, community facilities, and commercial and industrial areas.

Capital Improvement Efforts

- Continue a program of pavement resurfacing which extends the service life of existing streets.
- Improve the current street, pedestrian and bicycle system within the community through reconstruction, combined with other utility improvements to preserve existing development and to encourage the redevelopment of residential, commercial, and industrial areas.
- Construct street extensions or reconstruct streets, which will result in new residential, commercial, or industrial development.

c. Public Safety

Objective – Provide for the equitable distribution of community facilities to meet the public safety needs of the community.

Objective – Provide adequate safety and crime prevention systems in Council Bluffs.

Capital Improvement Efforts

- Continue the program to upgrade and maintain current Fire Department facilities to plan and provide future facilities in locations that will ensure service coverage of future City growth.

- Maintain a program to plan and purchase Fire Department equipment to ensure current and future levels of service and take advantage of technological advances.
- Upgrade the firing range to meet public safety needs.

d. Information Technology

Goal – The City will continue to improve the safety and security for IT resources.

Objective – Provide secure mechanisms for expanded user access while maintaining Cybersecurity awareness within the City.

Goal – The City will continue to enhance cost effective common infrastructure services.

Objective – Focus efforts on continuous improvement.

Goal – Support emerging IT areas

Objective – Improve ability of infrastructure to adapt to and adopt emerging technologies. Integrate architecture into City services.

Capital Improvement Efforts

- Continue improving the internal network security and increase security awareness within the City user and operations communities.
- Create a secure service infrastructure that enables access anytime from anywhere to any IT resources.
- Implement hardware and software solutions that enable City employees to perform their jobs efficiently and effectively.
- Develop integrated applications designs in order to improve the business process flows of the City.

e. Community Development

Goal – The City will continue to play a leadership role in the strategic development of community growth to expand opportunities for housing, employment, and an expanded tax base.

Objective – Complete infrastructure and upgrades in key areas of community growth.

Goal – The City shall encourage further infill development and redevelopment of existing areas of the community by implementing the conservation, rehabilitation, and reconstruction of aging facilities that are coordinated with redevelopment investments.

Objective – Remove or redevelop dilapidated structures and sites requiring environmental remediation in the community. Encourage infill development and redevelopment of existing developed areas of the community.

Objective – Work to expand housing choices by cost, by location, and by type of dwelling.

Capital Improvement Efforts

- Implement the recommendations contained in the Mid-City Neighborhood Strategy Area Plan.
- Continue the multi-year effort to redevelop West Broadway and 1st Avenue.
- Continue development of River’s Edge and the Entertainment District.
- Continue a program of systematically acquiring and redeveloping dilapidated structures.
- Provide public facility improvements to ongoing neighborhood improvement efforts.

f. Parks and Recreation

Goal – Provide and maintain an equitable system of parks, open spaces, trails and recreational facilities to meet the cultural, educational, social, and recreational needs of the community and pursue opportunities to provide public facilities that attract regional use and function as economic generators.

Objective – Provide, renovate and maintain parks and open spaces that uniquely relate to the City’s environment, history, and art/culture, or represent new trends and non-traditional leisure interests.

Capital Improvement Efforts

- Continue to plan, improve, and enhance the existing parks and recreation, aquatics, golf, historical and service delivery facilities.
- Continue Implementation of the Parks System and Recreation Facilities Master Plan.
- Develop the Missouri River Riverfront.
- Acquire, plan and develop new park and recreational facilities in development areas and in areas, which have insufficient park and recreational opportunities.
- Optimize grant funding opportunities for trails by programming annual City funding for trail renovation and the construction of new trails.
- Continue implementation of the Council Bluffs Recreational Trail and Bikeway Plan.

g. Public Facilities

Goal – Provide and maintain the City’s buildings and associated amenities to service the needs of the community and employees.

Objective – Construct, renovate and maintain the City’s buildings utilized for maintenance, public safety, operations and administrative functions.

Capital Improvement Efforts

- Undertake accessibility improvements necessary to comply with the Americans with Disabilities Act.
- Maintain and upgrade the City's maintenance, public safety, operational and administrative buildings and their public amenities (parking lots, lighting, landscaping, etc.).

Objective – Construct, renovate, and maintain the City's public, cultural, and entertainment related buildings and their amenities.

Capital Improvement Efforts

- Maintain and upgrade as necessary City owned entertainment facilities including the Mid America Center, the Entertainment District parking lot and the Entertainment District signage.

REVENUE SUMMARY BY FUNDING SOURCE AND FISCAL YEAR

	FY22	FY23	FY24	FY25	FY26	Totals
Federal Funding	\$2,896,800	\$475,000	\$50,000	\$50,000	\$750,000	\$4,221,800
State Funding	\$7,375,951	\$7,375,000	\$2,375,000	\$12,900,000	\$12,875,000	\$42,900,951
Local Option Sales Tax	\$8,400,000	\$8,500,000	\$8,600,000	\$8,750,000	\$11,470,000	\$45,720,000
Road Use	\$0	\$1,000,000	\$0	\$2,500,000	\$1,000,000	\$4,500,000
General Obligation Bonds	\$7,000,000	\$13,981,219	\$4,638,000	\$2,975,000	\$7,535,000	\$36,129,219
General Funding	\$2,126,511	\$2,185,000	\$2,445,000	\$1,615,000	\$1,675,000	\$10,046,511
Other Programs	\$11,118,000	\$25,350,000	\$13,200,000	\$4,525,000	\$25,480,000	\$79,673,000
Totals	\$38,917,262	\$58,866,219	\$31,308,000	\$33,315,000	\$60,785,000	\$223,191,481

*Road Use funds are primarily used for road maintenance and improvement. Utilization of Road Use funds increases in FY23 and FY26 due to the planned Gifford Road Reconstruction/Pavement improvement project and increases in FY25 due to the planned N. 16th St Pavement improvement project.

**General Obligation bond funding source is re-evaluated annually based on financial capacity.

Resolution 20-280

A Resolution approving the City of Council Bluffs FY22-
FY26 Capital Improvement Program (CIP)

- WHEREAS, the Capital Improvement Program (CIP) provides the City Council with a framework upon which to base improvement decisions, provides the City staff with direction as to its work effort, and provides the citizens with information about the City's future intentions,
- WHEREAS, the City of Council Bluffs is required to hold a public hearing on the proposed FY22-FY26 CIP prior to the adoption of the CIP schedule, and
- WHEREAS, the City of Council Bluffs is required to publish and post the proposed budget at least ten and no more than twenty days from the public hearing.

NOW, THEREFORE, BE IT RESOLVED

BY THE CITY COUNCIL

OF THE

CITY OF COUNCIL BLUFFS, IOWA

Approval of the City of Council Bluffs FY22-FY26 Capital Improvement Program (CIP).

Ordinance 6436
ITEM 6.A.

Council Action: 11/23/2020

Description

An Ordinance adopting the 2020 Municipal Code of Council Bluffs, Iowa.

Background/Discussion

The Code of Iowa §380.8 provides that a city shall compile a code of ordinances containing all of the city ordinances in effect, except grade ordinances, bond ordinances, zoning map ordinances, ordinances vacating streets and alleys, and ordinances containing legal descriptions of urban revitalization areas and urban renewal areas. The City of Council Bluffs, Iowa, has compiled a code of ordinances containing all the city ordinances in effect, with the exceptions set forth above and the code contains only existing ordinances edited and compiled without change in substance.

The update for the municipal code shall be adopted at least once every five years and this adoption will replace the 2015 Municipal Code of Council Bluffs, Iowa.

Recommendation

It is recommended that this ordinance be approved.

ORDINANCE NO. 6436

AN ORDINANCE ADOPTING THE 2020 MUNICIPAL CODE OF COUNCIL BLUFFS, IOWA.

**BE IT ORDAINED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA:**

SECTION 1. That the 2020 ordinances of the City of Council Bluffs, Iowa, entitled “Municipal Code of Council Bluffs, Iowa” as codified, revised, edited and indexed by the Municipal Code Corporation, Tallahassee, Florida, and select personnel for the City, are ordained as general ordinances and are hereby adopted. A complete copy is available online at https://library.municode.com/ia/council_bluffs or through the Council Bluffs City Clerk.

SECTION 2. REPEALER. Ordinance No. 6252 or any other ordinances or parts of ordinance in conflict with the provision of this ordinance shall be and are hereby repealed upon passage, approval, and publication of this ordinance.

SECTION 3. SEVERABILITY CLAUSE. If any of the provisions of this ordinances are for any reason declared illegal or void, then the lawful provisions of this ordinance which are severable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

SECTION 4. EFFECTIVE DATE. That this ordinance shall be in full force and effect from and after its passage, approval, and publication, as by law provided.

PASSED
AND
APPROVED

Ordinance 6437
ITEM 6.B.

Council Action: 11/23/2020

Description

An Ordinance to amend Chapter 4.20 "Animal Control" of the Municipal Code, by amending Section 4.20.020 "Definitions-Animal Control."

Background/Discussion

City Legal met with the Council Bluffs Animal Control division in order to determine what updates were needed to give Council Bluffs the flexibility to guard against dangerous animals, particularly dogs, from endangering both the public as well as other animals. After previously amending multiple sections of Chapter 4.20 of the CBMC, it is no longer necessary to have the dangerous dog language in Chapter 4.20.020, as it is now addressed in greater detail in other sections of Chapter 4.20. The removal of this language will also limit confusion when it comes to enforcement and interpretation of this Chapter.

Recommendation

Approval of this Ordinance is recommended.

4.20.020 Definitions - Animal Control

For use in this chapter, the following terms shall have the following meanings:

Administrative authority: The director of community development or his/her designee. The chief animal control officer or his/her designee, or anyone else duly authorized by the mayor.

Animal: Every wild, tame or domestic member of the animal kingdom other than the genus and species Homo sapiens.

Animal shelter: The premises and/or building which the mayor or his or her designee may from time to time designate as the location for the impoundment of animals.

At large, running at large, or being at large: Any licensed or unlicensed animal found off the premises of its owner and either:

- A. Not on a leash;
- B. Not restrained within a vehicle so as to prevent it leaving the vehicle; or
- C. Not housed in a veterinary hospital or kennel.

Bite: Any puncture, laceration, abrasion, scratch or any other break in the skin of a human, caused by an animal.

Board of review: Shall be an ad hoc board made up of the mayor or his/her designee, the police chief or his/her designee and the fire chief or his/her designee. This board will only meet as needed and will conduct its hearings pursuant to Robert's Rules of Order and in compliance with Iowa's open meeting law.

Cat: Both male and female animals of the feline species, whether neutered or not.

Dangerous animal, per se:

~~A. Any animal which is not naturally tame or gentle, and which is of a wild nature or disposition, and which is capable of killing, inflicting serious injury upon, or causing disease among human beings or domestic animals and having known tendencies as a species to do so;~~

Formatted: Space Before: 0 pt, After: 7.5 pt, No bullets or numbering

~~B. Any animals declared to be dangerous by the board of review or the mayor or his or her designee;~~

~~C. The following animals which shall be deemed to be dangerous animals, per se:~~

Formatted: Space After: 7.5 pt, No bullets or numbering

Artiodactyla of the family Antilocapridae, which includes pronghorns;

Artiodactyla of the family Cervidae, which includes moose and caribou;

Artiodactyla of the family Suidae and the genus and species Sus scrofa (domestic swine and wild boar), which includes all male and female wild boars;

Bovidae-males only (bulls);

Carnivora of the family Canidae, which includes wolves, foxes, and hybrids, but excludes domestic dogs;

Carnivora of the family Felidae, which includes lions, lynx, bobcats, and hybrids, but excludes domestic cats;

Carnivora of the family Mustelidae, which includes badgers, wolverines, weasels and skunks, except ferrets;

Carnivora of the family Procyonidae, which includes raccoons;

Carnivora of the family Ursidae, which includes bears;

Chelonia of the family Chelydridae (snapping turtles);

Crocodylia which includes crocodiles and alligators;

Chiroptera (bats);

Proboscidae elephants;

Rodentia of the family Cricetidae (mice), except white mice kept as household pets;

Rodentia of the family Muridae (rats), except white rats kept as household pets;

Scorpiones of the family Buthidae scorpions;

Squamata of the suborder Ophidia (snakes) which are venomous or constrictors, not to include any nonvenomous snake indigenous to the state of Iowa.

Dangerous dog:

~~A. — Any dog with a propensity, tendency, or disposition to attack, to cause injury to, or to otherwise endanger the safety of humans or other domestic animals;~~

~~B. — Any dog that has been cited for running at large three times in one year; or~~

~~C. — Any dog that has attacked another animal once while at large.~~

~~A dangerous dog is "unconfined" as the term is used in this section if such dog is not securely confined indoors or confined in a securely enclosed and locked pen or structure upon the premises which shall be set back at least ten (10) feet from the nearest property line of the person described in CBMC 4.20.110 Paragraph B. Such pen or structure must have secure sides and a secure top. The sides must be embedded into the ground no less than one foot or secured into a concrete slab.~~

Dart: The process whereby a drug of a sedative nature is delivered to and injected into an animal by means of a projectile shot from a rifle, gun, or blowgun, or from a bow or crossbow, for the purpose of subduing or rendering unconscious an animal for capture.

Formatted: Indent: Left: 0"

Dog: Both male and female animals of the canine species, whether neutered or not.

Emergency: Any occurrence or set of circumstances involving actual or imminent physical trauma or property damage or which demands immediate action to protect the public health, safety and/or welfare, or the safety or welfare of an animal.

Farm animal: Every wild, tame or domestic animal kept or raised for the purpose of meat, milk, breeding, furbearing, work, recreation, sport, hobby, experimentation, or income, excluding domestic dogs and cats; any and all animals of the following orders shall be deemed to be farm animals, per se:

Anseriforms, which includes ducks and geese;

Artiodactyla, which includes all members of the families Suidae (swine) and Bovidae (cattle, sheep and goats);

Carnivoras, which includes mink and skunks, but excluding domestic dogs and cats;

Columbiformes, which includes doves and pigeons;

Falconiformes, which includes hawks and falcons;

Galliformes, which includes chickens, turkeys and fowl-like birds;

Lagomorpha, which includes hares and rabbits;

Perissodactyla, which includes all members of the family Equidae (horses, ponies, asses, and mules);

Rodentia, which includes squirrels, rats and mice.

Hybrid: Any offspring produced by breeding a domestic cat or domestic dog to an animal listed as a "dangerous animal, per se."

Kennel: "Boarding kennel," "commercial kennel," as defined in Iowa Code Chapter 162.

Kennel dogs: Dogs which are kept or raised solely for the bona fide purpose of sale and which are kept under constant restraint in a kennel pursuant to Iowa Code Chapter 162.

Killer trap or conibear trap: A type of trap designed to apprehend and instantaneously kill an animal, but shall not include jaw, leghold or snare-type traps, regardless if set underwater.

Live trap: A process whereby an animal is apprehended alive and uninjured by means of a cage-type device, the door or entrance to which closes after the animal enters, preventing escape. Jaw, leghold, or snare-type traps, designed to pinch trap an animal's head or extremities, shall not be considered a live trap.

Noise disturbance": ~~means a~~ Any sound which:

A. Endangers or injures the safety or health of humans or animals;

- B. Annoys or disturbs a reasonable person of normal sensitivities; or
- C. Endangers or damages personal or real property.

Owner or owner of animal: Any person or persons, firm, association, or corporation owning, keeping, sheltering or harboring an animal with a current city pet license.

Owner or person or entity in lawful possession and control of any premises: The fee title owner of any property or premises, or the person or entity in actual possession or control of such premises under a lease or real estate contract.

Person: Any individual, association, partnership, or corporation, and includes any officer, employee, agent or agency thereof.

Service animals: Any animal which is owned by a person who is disabled, and that has been properly trained at a special school to guide its owner in going from place to place.

Vicious animal: Any animal, except for a dangerous animal, per se, as listed above, which has attacked or bitten any person without provocation or which has attacked or bitten any domestic animal or fowl on more than two occasions within a twelve-month period, any dog or other animal owned or harbored primarily or in part for the purpose of fighting or any dog trained for dog fighting, or which has been found to possess such a propensity by the Board of Review.

Meaning of Certain Words. Words used in the singular include the plural, and the plural the singular, the masculine gender includes the feminine and the feminine the masculine.

Ordinance 6432

ITEM 7.A.

Council Action: 11/23/2020

Description

Ordinance to amend Title 9 Traffic, Chapter 9.34 Emergency Snow Routes of the 2015 Municipal Code of Council Bluffs, Iowa, by amending Section 9.34.030 Emergency snow routes established.

Background/Discussion

Emergency snow routes consist of major streets and main routes that facilitate access to public transportation, hospitals, schools, business areas, fire stations, police stations, and other public safety and critical infrastructure locations at times of snow and/or ice events.

Emergency snow routes were last updated in 2017.

Proposed changes to Title 9 are to update the emergency snow routes to account for new streets and route efficiency for the safety of the public.

Other proposed changes include making minor corrections to street names and route limits to align with current operations.

Recommendation

Approval of the ordinance changes.

The mayor is authorized, empowered, and directed to cause signs to be erected on the emergency snow routes to designate such streets as "Emergency Snow Routes". Upon declaration of such emergency situation by the mayor or his/her designated representative, as hereinbefore provided, parking will be prohibited on these streets for the period of such emergency.

(Ord. No. 6050, 2-22-2010; Ord. No. 6233, § 1, 6-8-2015; Ord. No. 6314, § 1, 11-27-2017)

Editor's note— Ord. No. 6050, adopted Feb. 22, 2010, repealed the former section and enacted a new section as set out herein. The former section pertained to similar subject matter and derived from Ord. No. 5834, 2005; Ord. No. 5029, § 2, 1991.

SECTION 2. REPEALER. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

SECTION 3. SEVERABILITY CLAUSE. If any of the provisions of this ordinance are for any reason declared illegal or void, then the lawful provisions of this ordinance which are severable from said unlawful provisions shall be and remain in full force and effect, the same as if the ordinance contained no illegal or void provisions.

SECTION 4. EFFECTIVE DATE. This ordinance shall be in full force and effect from and after its final passage and publication, as by law provided.

Council Communication

Departments: Community Development and Finance	Resolution No.: 20-	City Council: November 23, 2020
Subject/Title		
Annual Urban Renewal Report for Fiscal Year 2019-2019		
Background/Discussion		
<p>Since 2012, the City has been reporting on its urban renewal areas and providing information concerning active urban renewal areas and any associated tax increment financing (TIF) districts. The primary emphasis of this report is to provide more information about past use of TIF revenue and projected future use.</p> <p>Copies of plans, amendments, resolutions and ordinances have to be loaded into the state website for the urban renewal areas currently in effect. This year's report covers the period of July 1, 2019 to June 30, 2020.</p> <p>In addition, the report asks for the following information:</p> <ul style="list-style-type: none">• all projects in progress and those that were completed in the prior fiscal year;• all expenditures paid from TIF in the prior fiscal year;• the amount of outstanding debt payable from TIF;• the amount of new TIF debt incurred in the prior fiscal year;• details of each TIF rebate agreement, including the names of recipients, amount of rebate paid in the prior fiscal year and the number of new jobs created and the amount of private investment;• the total taxable valuation in the TIF area and the amount of that valuation claimed for TIF purposes;• a Public Building Analysis of any new projects using TIF revenue to fund the improvement of public (tax exempt) property; and• the amounts spent for improvements related to housing for low and moderate-income families and the amounts spent for direct assistance to housing for such families. <p>The report must be approved by the City Council before being considered complete. The report is due December 1, 2020. If the December 1st deadline is missed, the State will not certify the City budget.</p> <p>The Community Development and Finance Departments collaborated on the completion of this report and have provided it for your review.</p>		
Staff Recommendation		
The Community Development and Finance Departments recommend approval of the Annual Urban Renewal Report for Fiscal Year 2019-2020.		
Attachment		
The Annual Urban Renewal Report for Fiscal Year 2019-2020 is attached.

RESOLUTION NO. 20-281

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COUNCIL BLUFFS APPROVING THE ANNUAL URBAN RENEWAL REPORT FOR FISCAL YEAR 2019-2020.

- WHEREAS,** the Urban Renewal Reporting Act of 2012 (HF 2460) requires the preparation of an annual report on active urban renewal areas and associated tax increment financing districts; and
- WHEREAS,** this report must be approved the City Council before being considered complete; and
- WHEREAS,** the Community Development and Finance Departments worked together to complete and prepare this report in accordance with the requirements of state law; and
- WHEREAS,** this report is due to the Department of Management by December 1st of each year; and
- WHEREAS,** after review and consideration of the report, the City Council approves and hereby authorizes the submission of this report.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

The Annual Urban Renewal Report for Fiscal Year 2019-2020 is hereby approved and City staff is authorized to submit this report to the Department of Management.

Resolution 20-282
ITEM 8.B.

Council Action: 11/23/2020

Description

Resolution to dispose of City property described as the West 45 feet of Lot 12, except the North 6 feet for the east/west alley adjoining, Block 25, Everett's Addition. Location: 1618 7th Avenue. OTB-20-016

Background/Discussion

See attached staff report.

Recommendation

Resolution 20-282	Resolution	11/18/2020

Council Communication

Department: Community Development CASES #OTB-20-016 Applicant: Wesley D. Franks 106 Brentwood Heights Council Bluffs, IA 51503	Reso. of Intent No. _____ Reso. to Dispose No. _____	Set Public Hearing: 11/9/2020 Public Hearing: 11/23/2020
---	---	---

Subject/Title

Request: Set public hearing on the request of Wesley D. Franks to purchase property described as the West 45 feet of Lot 12, except the North 6 feet for the east/west alley adjoining, Block 25, Everett’s Addition, City of Council Bluffs, Pottawattamie County, Iowa. The property is generally addressed as 1618 7th Avenue.

Location: Northeast corner of the intersection of South 17th Street and 7th Avenue.

Background/Discussion

The City has received an offer to purchase the property described above. The property is classified as ‘transitional dispose’ and ‘buildable - restrictions.’ The applicant wishes to acquire this property to construct a detached single-family dwelling. According to the *Inventory and Disposal Policy for Surplus City Property*, adopted by City Council on April 23, 2018, the property should be priced at the most recent assessed value, which on this property would be \$9,514.00. The applicant has offered \$9,514.00 to purchase the property, and has submitted a \$951.40 down payment.

The subject property was acquired by the City of Council Bluffs in May of 2010 via a 657A Petition through the Iowa District Courts. As is stated in the adopted *Inventory and Disposal Policy for Surplus City Policy*, the property would be eligible for a forgivable mortgage as it buildable and has been actively marketed on the Surplus Property list for more than the required 24 months.

The following costs have been incurred on the subject property:

Permits and Inspections Division – Legal fees:	\$ 1,599.87
Permits and Inspections Division – Weed abatement/mowing:	\$ 1,776.05
<u>Permits and Inspections Division – Demolition:</u>	<u>\$ 11,870.00</u>
Total	\$ 15,245.92

The subject property is 45 feet wide by 130 feet deep, and contains 5,850 square feet in area. The subject property does not meet the minimum required 55 feet in lot width for corner lots in the R-2/Two-Family Residential District, thus it is considered a nonconforming lot of record. As per Section 15.26.020 of the Municipal Code (Zoning Ordinance), “nonconforming lots of record existing at the effective date of the ordinance codified in this chapter shall be exempt, unless otherwise provided, from the minimum lot area and lot width requirements of each zoning district. Such lots may be developed with any principal use allowed by the regulations for the district and must comply with all other density regulations set forth by this chapter.” The subject property is large enough to accommodate a single-family structure with a floor area not less than five hundred (500) square feet and a minimum width of not less than twenty (20) feet that meets the minimum setback requirements in the R-2 District. The parcel is located within an AH flood zone, and as such, full compliance with floodplain regulations will be required. For this reason, the property is classified as ‘buildable - restrictions.’

Recommendation

The Community Development Department recommends disposal of the property legally described as the West 45 feet of Lot 12, except the North 6 feet for the east/west alley adjoining, Block 25, Everett's Addition, City of Council Bluffs, Pottawattamie County, Iowa to Wesley D. Franks, subject to the following conditions:

1. The purchase price shall be \$9,514.00, with the remaining balance beyond the submitted \$951.40 down payment being forgiven by the City of Council Bluffs upon issuance of a Certificate of Occupancy for a completed home on the subject property.
2. Closing shall occur on the property within 60 days of the date of decision. The applicant shall have 2 years from the date of decision to construct a home on the subject property.

RESOLUTION NO. 20-282

A RESOLUTION TO DISPOSE OF CITY PROPERTY DESCRIBED AS THE WEST 45 FEET OF LOT 12, EXCEPT THE NORTH 6 FEET FOR THE EAST/WEST ALLEY ADJOINING, BLOCK 25, EVERETT’S ADDITION, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA.

WHEREAS, the City has previously expressed its intent to dispose of City owned property legally described as the West 45 feet of Lot 12, except the North 6 feet for the east/west alley adjoining, Block 25, Everett’s Addition, City of Council Bluffs, Pottawattamie County, Iowa; and

WHEREAS, a public hearing has been held in this matter on November 23, 2020 at 7:00 p.m.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the Mayor and City Clerk be and are hereby authorized, empowered and directed to execute a quit claim deed conveying the City’s interest in the above-described property as follows:

Wesley D. Franks, and all successors in interest: the West 45 feet of Lot 12, except the North 6 feet for the east/west alley adjoining, Block 25, Everett’s Addition, City of Council Bluffs, Pottawattamie County, Iowa; and

BE IT FURTHER RESOLVED

That the purchase price be \$9,514.00, with the remaining balance beyond the submitted \$951.40 down payment being forgiven by the City of Council Bluffs upon issuance of a Certificate of Occupancy for a completed home within 2 years of the approval date. Property closing must occur within 60 days of the date of approval.

BE IT FURTHER RESOLVED

That the City Clerk is directed to deliver this resolution and attached documents to the County Recorder.

Council Communication

Department: Parks and Recreation
Case/Project No.: POWERTECH
Funding Agreement - Cochran Park
Playground
Submitted by: Vincent M
Martorello

Resolution 20-283
ITEM 8.C.

Council Action: 11/23/2020

Description

Resolution to authorize the Mayor and City Clerk to execute a funding agreement with POWERTECH for a donation to replace the playground at Cochran Park.

Background/Discussion

POWERTECH is a local company specializing in residential and commercial electrical service, generator sales, service and installation, and facility maintenance. The company makes donations to improve the quality of life within the City and this year they have approach the Parks and Recreation Department interested in making a donation that would benefit the youth of the City. After several discussion, the decision to replace a playground became of strong interest. Several factors were considered when choosing a potential playground. These include: an area in an underserved or lower income area of the City, the age of the playground, and proximity to the existing trail system or a pending improvement to the trail system. Based on this review, Cochran Park was identified as a preferred location for the playground replacement. Cochran Park playground was installed in 1997, it will be immediately adjacent to 1st Avenue Trail, which provides broader access and connectivity to the entire trail system. In addition, Cochran Park is located within an area of the City that has one of the lower income levels.

POWERTECH has agreed to donate \$200,000 towards the replacement of the playground. This project is part of the FY 22 CIP request and is identified as project PR22-05. The CIP request is for a total project cost of \$400,000 with \$200,000 in General Obligation bonds as match to the donation from POWERTECH.

A funding agreement has been drafted that states the donation will be paid in five (5) equal payments of \$40,000 paid to the city each year starting December 1, 2020. POWERTECH is interested in having the playground completed within the next year. The design process would take a couple of months and construction could occur in mid-May or early June, prior to the start of FY 22. For this to occur, the City Council would need to approve the project as part of the Capital Improvement Program and authorize the project to move forward at the time of approval. After an internal review with the Chief of Staff, City Attorney and Finance Director, it was determined that the City would have the means to financially proceed with the project prior to the start of FY 22.

The design of the playground will potentially have play features appropriate for ages two-five and ages five-12. Other improvement should include a shelter, and a concrete area between the shelter and playground. The playground would replace the existing playground and be located south of the tennis courts, west of the location of the current playground.

Recommendation

Approve the resolution to authorized the Mayor and City Clerk to execute a funding agreement with POWERTECH for the donation of \$200,000 to be paid back in five (5) equal payments between December 1,

2020 and on the anniversary of this date in 2021, 2022, 2023 and 2024.

Resolution 20-283	Resolution	11/18/2020

FUNDING AGREEMENT
BETWEEN THE CITY OF COUNCIL BLUFFS, IOWA
AND POWER TECH, LLC
FOR PLAYGROUND IMPROVEMENTS TO BE MADE TO
COCHRAN PARK

Whereas; The City of Council Bluff, Iowa (City) is interested in making improvements to Cochran Park playground that includes new play structures - ages 2 – 5 and ages 5 - 12, rubberized safety play surface and concrete subbase for play surface, shelter and concrete plaza. The total amount of the improvements are anticipated to cost approximately \$400,000, and

Whereas; The City has been approached by Power Tech, LLC (Power Tech) who has expressed a willingness to provide \$200,000 to City to be applied toward the improvements at Cochran Park, and

Whereas; In reliance of Power Tech’s promise to provide this funding for this project the City has opted to move forward with the improvements to Cochran Park playground and associated improvements .

NOW THEREFORE THE FOLLOWING IS
HEREBY AGREED TO

1. Power Tech shall provide \$200,000 to the City for the purpose of making improvements to Cochran Park playground. This sum shall be paid to the city in five (5) equal installments of \$40,000 with the first one being due on December 1, 2020. The four additional installments shall be made on or before the anniversary of that date in the years 2021, 2022, 2023 and 2024.
2. City will initiate the improvements to Cochran Park playground that are identified in Exhibit A attached hereto and by this reference made a part of this agreement, and will cause them to be completed in a timely and workmanlike matter. To accomplish this it will be necessary for the City to make internal loans from other accounts of the City which will be replenished upon the installments being provided by Power Tech.

In witness of this agreement and as authorized representative of our respective parties we have affixed our signatures below on this ___ day of November, 2020.

RESOLUTION
NO 20-283

**RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO
A FUNDING AGREEMENT WITH POWERTECH FOR THE DONATION OF
\$200,000 FOR THE RELACEMENT OF THE PLAYGROUND AT COCHRAN PARK.**

- WHEREAS, POWERTECH is a local company that provides residential and commercial electrical service, generator sales, service and installation, and facility maintenance, and
- WHEREAS, POWERTECH is community minded and would like to make a contribution to the youth of the community through a donation to the Parks and Recreation Department; and
- WHEREAS, the playground at Cochran Park was installed in 1997 and is located near a highly dense portion of the City, and
- WHEREAS, POWERTECH has agreed to donate to the replacement of the playground at Cochran park and has signed a funding agreement that outlines the term of the \$200,000 donation as five (5) equal payments of \$40,000 paid to the city each year beginning December 1, 2020, and
- WHEREAS, the city council deems approval of said agreement to be in the best interest of the City of Council Bluffs.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That the Mayor and City Clerk are hereby authorized, empowered and directed to execute a funding agreement with POWERTECH for the donation of \$200,000 to be paid back in five (5) equal payments between December 1, 2020 and on the anniversary of this date in 2021, 2022, 2023 and 2024.

Outdoor Service Privilege BB0038405, Full Fledged Brewing Company, Council Bluffs

After completion click on the NEXT link to continue to the next screen, or the BACK link to return to the previous screen.
The navigation links on the top may also be used to move around the application.

An Outdoor Service Area is a designated area that is adjacent to the licensed premises. The Application is to be used only if adding Outdoor Service Area Privilege after the original license has been issued. If Outdoor Service Area Privilege is requested at license renewal, mark the appropriate box on the renewal Privileges screen.

After approval the Iowa Alcoholic Beverages Division, an amended license will be mailed to the Local Official.

Outdoor Service area dates (must fall within license period)

From: 12/05/2020 MM/DD/YYYY
 To: 12/05/2020 MM/DD/YYYY

Submit to the Local Authority the Outdoor Service Area Dram Shop Endorsement. Endorsement dates must correspond with the requested outdoor service dates. (Accord certificates are not accepted).

Explain how the boundaries of the Outdoor Service Area are designated (fence, barricades, etc.)

The boundaries will be delineated by retaining wall/fencing/barricades

Submit a sketch to the Local Authority on 8 1/2 x 11" white paper of the outdoor service area showing its relationship to the licensed premises. If a taper wagon, beer truck etc. is being used, attach a copy of the rental receipt.
