CITY OF COUNCIL BLUFFS, IOWA

INTER-OFFICE MEMO

October 30, 2024

TO: Civil Service Commission
FROM: Cori Shaw, Recruiter – Human Resources
SUBJECT: Plant Utility Worker

Background

The Director of the Public Works is requesting a list be established for the position of Plant Utility Worker in the Public Works Department.

Recommendation

It is the recommendation of staff that the Commission approve the procedures as outlined below:

1. Application

To be eligible, candidates must complete and submit an application to the HR Department during the application period.

2. Oral Interview

Management staff identified by the Human Resources Department will review all received applications. Based on the candidates' qualifications outlined on their application, the top ten (10) candidates, or fewer if fewer qualify, shall participate in the oral interview. The oral interview shall be conducted by a panel of no less than three but no more than four appointed by the Human Resources Department. (Passing score of 65%).

City of Council Bluffs

Job Description

Plant Utility Worker

Job Title: Plant Utility Worker
Department: Public Works
Supervisor: Plant Operations Supervisor
Location: Water Pollution Control Plant
FLSA Status: Non-Exempt
Prepared By: Cori Shaw, Recruiter
Prepared Date: March 2023
Civil Service Status: Civil Service
Union: AFSCME
Pay Grade: 15

Summary: Performs a variety of manual tasks in the maintenance and upkeep of grounds, facilities, and plant equipment. Operates one or more types of equipment. This is an entry level position at the Wastewater Treatment Plant and city-wide pump stations.

Essential Duties and Responsibilities:

- Cleans equipment and facilities with high pressure hose
- Performs janitorial duties
- Paints treatment plant facilities and equipment
- Loads and unloads chemicals, pump equipment, and motors
- Operates a variety of hand and power tools
- Operates utility tractors, mowers, and grounds equipment with a variety of attachments to maintain grounds
- Operates snow removal equipment and applies sand and de-icing material to surfaces within the plant
- Assists other plant and pump station employees in all areas including confined spaces
- Performs safety stand-by duties when others are working in confined spaces
- Operates heavy trucks to transport sludge
- Regular and predictable attendance is required
- Other duties as assigned

Supervisory Responsibilities:

This job has no supervisory responsibilities.

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and/or Experience:

- High School Diploma or GED
- Associate level degree from an accredited college preferably in a field directly related to Waste Water Treatment such as Environmental Science, Microbiology, Civil Engineering, or Industrial Maintenance
- Any combination of education and experience which provides the required knowledge, skills, and abilities

Certificates, Licenses, Registrations:

- Must have the ability to obtain a Class B Commercial Driver's License within twelve (12) months of employment

Physical Demands:

- While performing the duties of this job, the employee is frequently required to stand; walk; sit; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl; and see, talk, and hear.
- The employee must be able to occasionally lift and work with up to seventy (70) pounds.
- The employee must be able to frequently lift and work with up to fifty (50) pounds.
- The employee must be able to continuously lift and work with up to ten (10) pounds.
- This work is performed at the Wastewater Treatment Plant to include work both in and out of doors, in all weather conditions, in high places, in confined spaces, in dusty environments, and in high noise levels.

Other Skills and Abilities:

- Willingness and ability to learn the processes involved in the treatment of raw sewage
- Ability to make simple mathematical calculations
- Ability to understand and follow oral and written directions
- Ability to maintain records
- Mechanical aptitude
- Ability to perform required manual labor tasks
- Knowledge of traffic and safety rules
- Skill in the operation of utility tractors, dump trucks, and other automotive and grounds maintenance equipment under all types of weather conditions
- Ability to wear a respirator when required
