City Street Financial Report
ITEM 3.D.

Council Action: 11/8/2021

Description
City Street Financial Report ending June 30, 2021

Background/Discussion
The City of Council Bluffs is required to prepare and submit to the Iowa Department of Transportation an annual report showing all receipts and expenditures for road maintenance and road construction. All revenue and expenditures are summarized on the City Street Financial Report for fiscal year 2021.
The report is no longer required to be approved by the Council by Resolution, however, it does need to be presented at a council meeting and submitted to the Iowa Department of Transportation by December 1, 2021.

Dear Recipient of Notice of Expiration of Right of Redemption:

You are receiving the enclosed Notice of Expiration of Right of Redemption because §447.9 of the Iowa Code requires you to receive mailed notice by virtue of the following claim(s) or interest(s) in the real estate, which is the subject of the tax sale. Your claim(s) or interest(s) is described as one of the following:

- ✓ You are the recorded owner.
- ✓ You are a party in possession of the real estate.
- ✓ You are the record holder of a judgment against one or more of the people named in the enclosed notice.
- ✓ You are the holder of a mortgage or other recorded security interest in the property which is subject to the tax certificate.
- ✓ You are the seller under a contract of sale covering the property which is subject to the tax certificate.
- ✓ You are the buyer under a contract of sale covering the property which is subject to the tax certificate.
- ✓ You have some other interest of record in the property.
- ✓ The City in which the property is located.
- ✓ Farm Service Agency, Farm tenants, whose farming at the legal description of property of:

LOT 45, HANSEN'S SECOND ADDITION, COUNCIL BLUFFS, POTTAWATTAMIE COUNTY,
IOWA. a/k/a PARCEL # 754319402030

We hope this information will assist you in determining if you will take action with regard to redemption and will make it unnecessary for you to call us. To find out the redemption amount for this parcel, please contact your county treasurer's office. However, if additional information is still needed, you may contact Emily at 402-399-9049 X 128 and **use reference POTTAWATTAMIE 19-0015**. Thank you.

<p>Department: Community Development</p> <p>CASES #OTB-21-010</p> <p>Applicant: MAC Investments C/O Meghann Youngblood 32 Scott Street Council Bluffs, IA 51503</p>	<p>Reso. of Intent No. _____</p> <p>Reso. to Dispose No. _____</p>	<p>Set Public Hearing: 10/25/2021</p> <p>Public Hearing: 11/8/2021</p>
---	--	--

Subject/Title

Request of MAC Investments to purchase property legally described as the east 46 feet of Lots 5 and 6, Block 3, Grimes Addition, City of Council Bluffs, Pottawattamie County, Iowa.

Location: Property formerly addressed as 746 West Washington Avenue.

Background/Discussion

The Community Development Department has received an offer from MAC Investments to purchase surplus city-owned property legally described above. The subject property is classified as ‘transitional dispose’ and ‘buildable.’ The applicant proposes to acquire the subject property to provide a larger yard space for their residential property at 744 West Washington Avenue. According to the adopted *Inventory and Disposal Policy for Surplus City Property*, dated April 23, 2018, the subject property shall be priced at its most recent assessed land value, which is \$11,100.00. The applicant has offered \$2,000.00 to purchase the property, and has submitted the required 10% down payment (\$1,110.00) and \$50.00 application fee.

The subject property was acquired by the City of Council Bluffs on November 5, 2018 via a 657A Petition through the Iowa District Courts. As stated in the adopted *Inventory and Disposal Policy for Surplus City Property*, the property would be eligible for a forgivable mortgage as it is buildable and has been actively marketed on the Surplus Property list for more than the required 24 months. The applicant has requested the remaining land value (\$9,990.00) beyond the 10% down payment be waived using a forgivable mortgage.

The City has incurred a total of \$11,440.00 in Permits and Inspections Division costs for the subject property.

The subject property is zoned R-3/Low Density Multifamily Residential District and measures 47’ x 109’ (5,123 square feet), which exceeds the minimum lot size requirements for the R-3/Low Density Multifamily District. The subject property is located in an AH flood zone and therefore any structure that is built on the subject property in the future shall be required to comply with all applicable Federal, State, and local floodplain regulations.

Per the adopted *Inventory and Disposal Policy for Surplus City Property*, if no sale of a buildable property occurs after 12 months of being on the disposal list, the property may be offered and sold as a non-buildable remnant to the abutting property owners. Moreover, the policy states “any adjacent owner who is delinquent on any property taxes, has any outstanding municipal code violations/fines/costs, or has allowed lien to be placed on their property for any reason shall not be eligible to receive property as provided herein.” Based

on Pottawattamie County Treasurer data, there is a history of trash abatement costs being assigned to the property. However, as of present, there are no pending trash abatement costs on the property. In order to ensure that the property remains in compliance with City codes and the adopted City-owned property policy, the Community Development Department recommends that the remaining balance beyond the \$1,100.00 submitted down payment be forgiven upon maintaining the property for twenty-four (24) months without any infractions of the Council Bluffs Municipal Code.

Recommendation

The Community Development Department recommends disposing of property legally described as the east 46 feet of Lots 5 and 6, Block 3, Grimes Addition, City of Council Bluffs, Pottawattamie County, Iowa, subject to the following conditions:

1. The purchase price shall be \$11,100.00, with the remaining balance beyond the \$1,110.00 submitted down payment being forgiven upon maintaining the property for twenty-four (24) months without any infractions of the Council Bluffs Municipal Code; and
2. The applicant shall close on the subject property within 60 days of the date of Council’s decision.

Attn: Graham Jura City Attorney

September 23, 2021

RE: 746 W. Washington – Offer to Purchase Property

Mr. Jura;

We received an email from a Mr. Christopher Gibbons with the Planning Department. He had received our offer to purchase the empty land at 746 W. Washington in Council Bluffs. He let me know that that City needed a minimum down payment of at least 10% of the assessment, and that my initial down payment of \$1,000.00 was a bit short. Per his email, I needed to submit an additional \$110.00 to complete the initial offer.

Please find Check # 5316 in the amount of \$110.00. This should satisfy the minimum down payment for the offer from our company to purchase 746 W. Washington in Council Bluffs.

If anything else is needed to get our offer submitted, please feel free to contact me at either 712-329-0040 or by our company email at midwesthomesteads@yahoo.

Most Sincerely,

Meghann Youngblood

RESOLUTION NO. 21-311

A RESOLUTION TO DISPOSE OF CITY PROPERTY DESCRIBED AS THE EAST 46 FEET OF LOTS 5 AND 6, BLOCK 3, GRIMES ADDITION, CITY OF COUNCIL BLUFFS, POTTAWATTAMIE COUNTY, IOWA.

WHEREAS, the City has previously expressed its intent to dispose of City owned property legally described as the east 46 feet of Lots 5 and 6, Block 3, Grimes Addition, City of Council Bluffs, Pottawattamie County, Iowa.

WHEREAS, a public hearing has been held in this matter on November 8, 2021 at 7:00 p.m.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the Mayor and City Clerk be and are hereby authorized, empowered and directed to execute a quit claim deed conveying the City's interest in the above-described property as follows:

MAC Investments, and all successors in interest: Property legally described the east 46 feet of Lots 5 and 6, Block 3, Grimes Addition, City of Council Bluffs, Pottawattamie County, Iowa; and

BE IT FURTHER RESOLVED

That the purchase price be \$11,100.00 with the remaining balance beyond the \$1,110.00 down payment being forgiven by the City of Council Bluffs upon maintaining the property for twenty-four months without any infractions of the Council Bluffs Municipal Code. Property closing shall occur within 60 days of the date of approval.

BE IT FURTHER RESOLVED

That the City Clerk is directed to deliver this resolution and attached documents to the County Recorder.

ADOPTED

---	---------------------	--

Subject/Title

Establishment of the American Games Urban Revitalization Area at 504 34th Avenue.

Background/Discussion

Background

Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.

Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.

The Community Development Department wishes to create the Urban Revitalization Area consisting of one parcel for the expansion of the existing Pollard Games, Inc. dba American Games and International Gamco facility located at 504 34th Avenue. Final plat approval of a new three-lot minor subdivision known as Pollard Games Addition which includes this parcel was approved by City Council on 10/12/2020. The Pollard Games Addition final plat was recorded on 8/27/2021. The new tax parcel information is pending an update from the Pottawattamie County Assessor.

Staff has prepared an Urban Revitalization Plan in accordance with Section 404.2 of the Iowa Code and has scheduled the matter for City Council consideration. The American Games Urban Revitalization Area will consist of approximately 7.6 acres.

Discussion

Iowa Code permits the City to establish urban revitalization areas which satisfy one of the five conditions outlined in Section 404.1. Staff believes this project meets the criteria under 404.1.4. Section 404.1.4 discusses an area which is appropriate as an economic development area as defined in section 403.17. Section 403.17 states an economic development area means an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises.

On September 27, 2021, City Council approved Resolution 21-273, which directed staff to initiate the process of creating the American Games Urban Revitalization Plan and Area. This resolution set November 8, 2021 as the date of the public hearing.

This matter was brought before the City Planning Commission at their October 12, 2021 meeting. The Commission found the following: 1) That the proposed American Games Urban Revitalization Plan furthers the goals of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and 2) That the American Games

Council Communication

Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.4 which discusses areas that are appropriate for economic development as defined by Section 403.17.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

Staff Recommendation

The Community Development Department recommends approval of the American Games Urban Revitalization Plan and Area and 1st consideration of the ordinance.

Planning Commission Public Hearing

Staff speakers for the request:

1. Christopher Gibbons, Planning Manager, City of Council Bluffs

Speakers in favor: None

Speakers in opposition: None

Planning Commission Recommendation

The Planning Commission recommended approval of the American Games Urban Revitalization Plan and Area.

INTRODUCTION

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate the renovation or construction of new commercial structures resulting in additional employment in the community. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the Iowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the Iowa Code which states “an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.”

5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the American Games Urban Revitalization Area meets the criteria of element 4. Consequently, on 9/27/2021, the City Council adopted Resolution No. 21-273, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

American Games Urban Revitalization Area
Illustration 1 – Resolution

RESOLUTION NO. 21-273

A RESOLUTION OF NECESSITY AND INTENT TO ESTABLISH THE AMERICAN GAMES URBAN REVITALIZATION AREA LEGALLY DESCRIBED AS LOT 3, POLLARD GAMES ADDITION.

WHEREAS, the subject area is an appropriate area as defined in Sections 404.1.4 of the Iowa Code; and

WHEREAS, a proposal has been submitted for the expansion of existing commercial structures; and

WHEREAS, a plan for the area must be developed in accordance with Section 404.2 of the Iowa Code; and

WHEREAS, thirty days notice of public hearing is required to be sent to all property owners and occupants within the area; and

WHEREAS, notice of public hearing is also required in accordance with Section 362.3 of the Iowa Code.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the development of the area is necessary in the interest of the City and the area substantially meets the criteria of Section 404.1.4.

BE IT FURTHER RESOLVED

That the City Council directs staff to prepare a final plan pursuant to Section 404.2 of the Iowa Code by no later than October 8, 2021.

BE IT FURTHER RESOLVED

That the City Council directs the City Clerk to set this matter for public hearing on November 8, 2021.

**ADOPTED
AND
APPROVED:** September 27, 2021

Matthew J. Walsh Mayor

ATTEST: 
Jodi Quakenbush City Clerk

LEGAL DESCRIPTION

The American Games Urban Revitalization Area is a tract of land containing one parcel legally described as: Lot 3, Pollard Games Addition.

Illustration 2 shows the location and the boundary of the American Games Urban Revitalization Area, which is approximately 7.6 acres.

American Games Urban Revitalization Area Illustration 2 – Boundary

PROPERTY OWNERS AND ASSESSED VALUATIONS

The American Games Urban Revitalization Area will be comprised of approximately 7.6 acres on one parcel of land owned by Pollard Realty (U S) LTD. Pollard Realty seeks to expand the manufacturing and warehouse facility for American Games.

Valuation was obtained from the records of the Pottawattamie County Assessor.

Parcel Number	Zoning	Permanent Property Address	Owner Mailing Address	Land Valuation	Building Valuation	Parcel Total Valuation
Pending	I-2/General Industrial District	Pollard Realty (U S) LTD 504 34th Ave Council Bluffs, IA 51501	Pollard Realty (U S) LTD 504 34th Ave Council Bluffs, IA 51501	Pending	Pending	Pending

EXISTING ZONING AND PROPOSED LAND USE

The American Games Urban Revitalization Area is currently zoned I-2. The I-2/General Industrial District is intended to provide for the development of general manufacturing and industrial areas. This district is designed to accommodate industrial uses with moderate external effects. The current and proposed principal uses of the American Games Urban Revitalization Area are manufacturing and warehousing and distribution, which are permitted uses in an I-2/General Industrial District.

Surrounding properties to the north, south, and west are also zoned I-2. Properties east of the subject property (across South Expressway) are zoned C-2/Commercial District and P-C/Planned Commercial District. Illustration 3 depicts the existing on-site and surrounding zoning.

Existing land uses in the general vicinity include: automobile sales and rental, a hotel, and commercial storage to the north; automobile sales to the west; and warehousing and automobile sales to the south. To the east across South Expressway are a bank and retail shopping establishments.

The future land use plan of the Bluffs Tomorrow: 2030 Plan designates the current parcel addressed as 504 34th Avenue as "Local Commercial" and the remainder of the area as "Light Industrial." According to the plan, local commercial areas include uses oriented primarily towards goods and services that meet the demand of Council Bluffs residents. These include grocery stores, convenience stores, pharmacies, banks, auto services, and small offices. They are typically located along visible corridors or at neighborhood centers, and may be configured as multi-tenant shopping centers or individual developments on smaller lots. Light industrial development includes those areas used for industrial purposes that create minimal impacts on surrounding uses. Activities tend to occur inside structures, with outdoor areas limited to storage or distribution.

Final plat approval of a three-lot minor subdivision to be known as Pollard Games Addition which includes this parcel was approved by City Council on 10/12/2020. The proposed subdivision is consistent with the Bluffs Tomorrow: 2030 Plan (comprehensive plan) as well as the purpose and intent of the Council Bluffs Subdivision and Zoning Ordinances. The Pollard Games Addition final plat was recorded on 8/27/2021 in Book 2021, Page 13933.

With the purchase of land from an adjacent property owner, Pollard Games will complete a 40,000 SF expansion to their existing American Games facility at 504 34th Avenue.

American Games Urban Revitalization Area
Illustration 3 – Zoning

PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed American Games Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The project is located along South 34th Avenue, which is adequate to handle the additional traffic generated by this proposed project.

RELOCATION PROVISIONS

The proposed American Games Urban Revitalization Area has one commercial entity operated by the current owner at the 504 34th Avenue location. There are no other tenants at the location; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

OTHER PUBLIC ASSISTANCE

The developer is requesting property tax exemption. Tax abatement will be used as the local match required for the Targeted Jobs Withholding Tax Credit. The developer has not requested any additional public assistance.

APPLICABILITY AND TAX EXEMPTION SCHEDULE

1. Eligibility – The American Games Urban Revitalization Plan will apply to commercial and industrial land uses.

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion.

2. Term - The term of this Plan shall be until December 31, 2041 or amended by City Council.

3. Commercial and Industrial

Ten Year - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.

- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

Three Year - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

4. Improvements - Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. In addition, all improvements must result in the following increases in value:

- For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
- If no structures were located on the property prior to the improvements, any improvements may qualify.

5. Actual Value - Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the Iowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

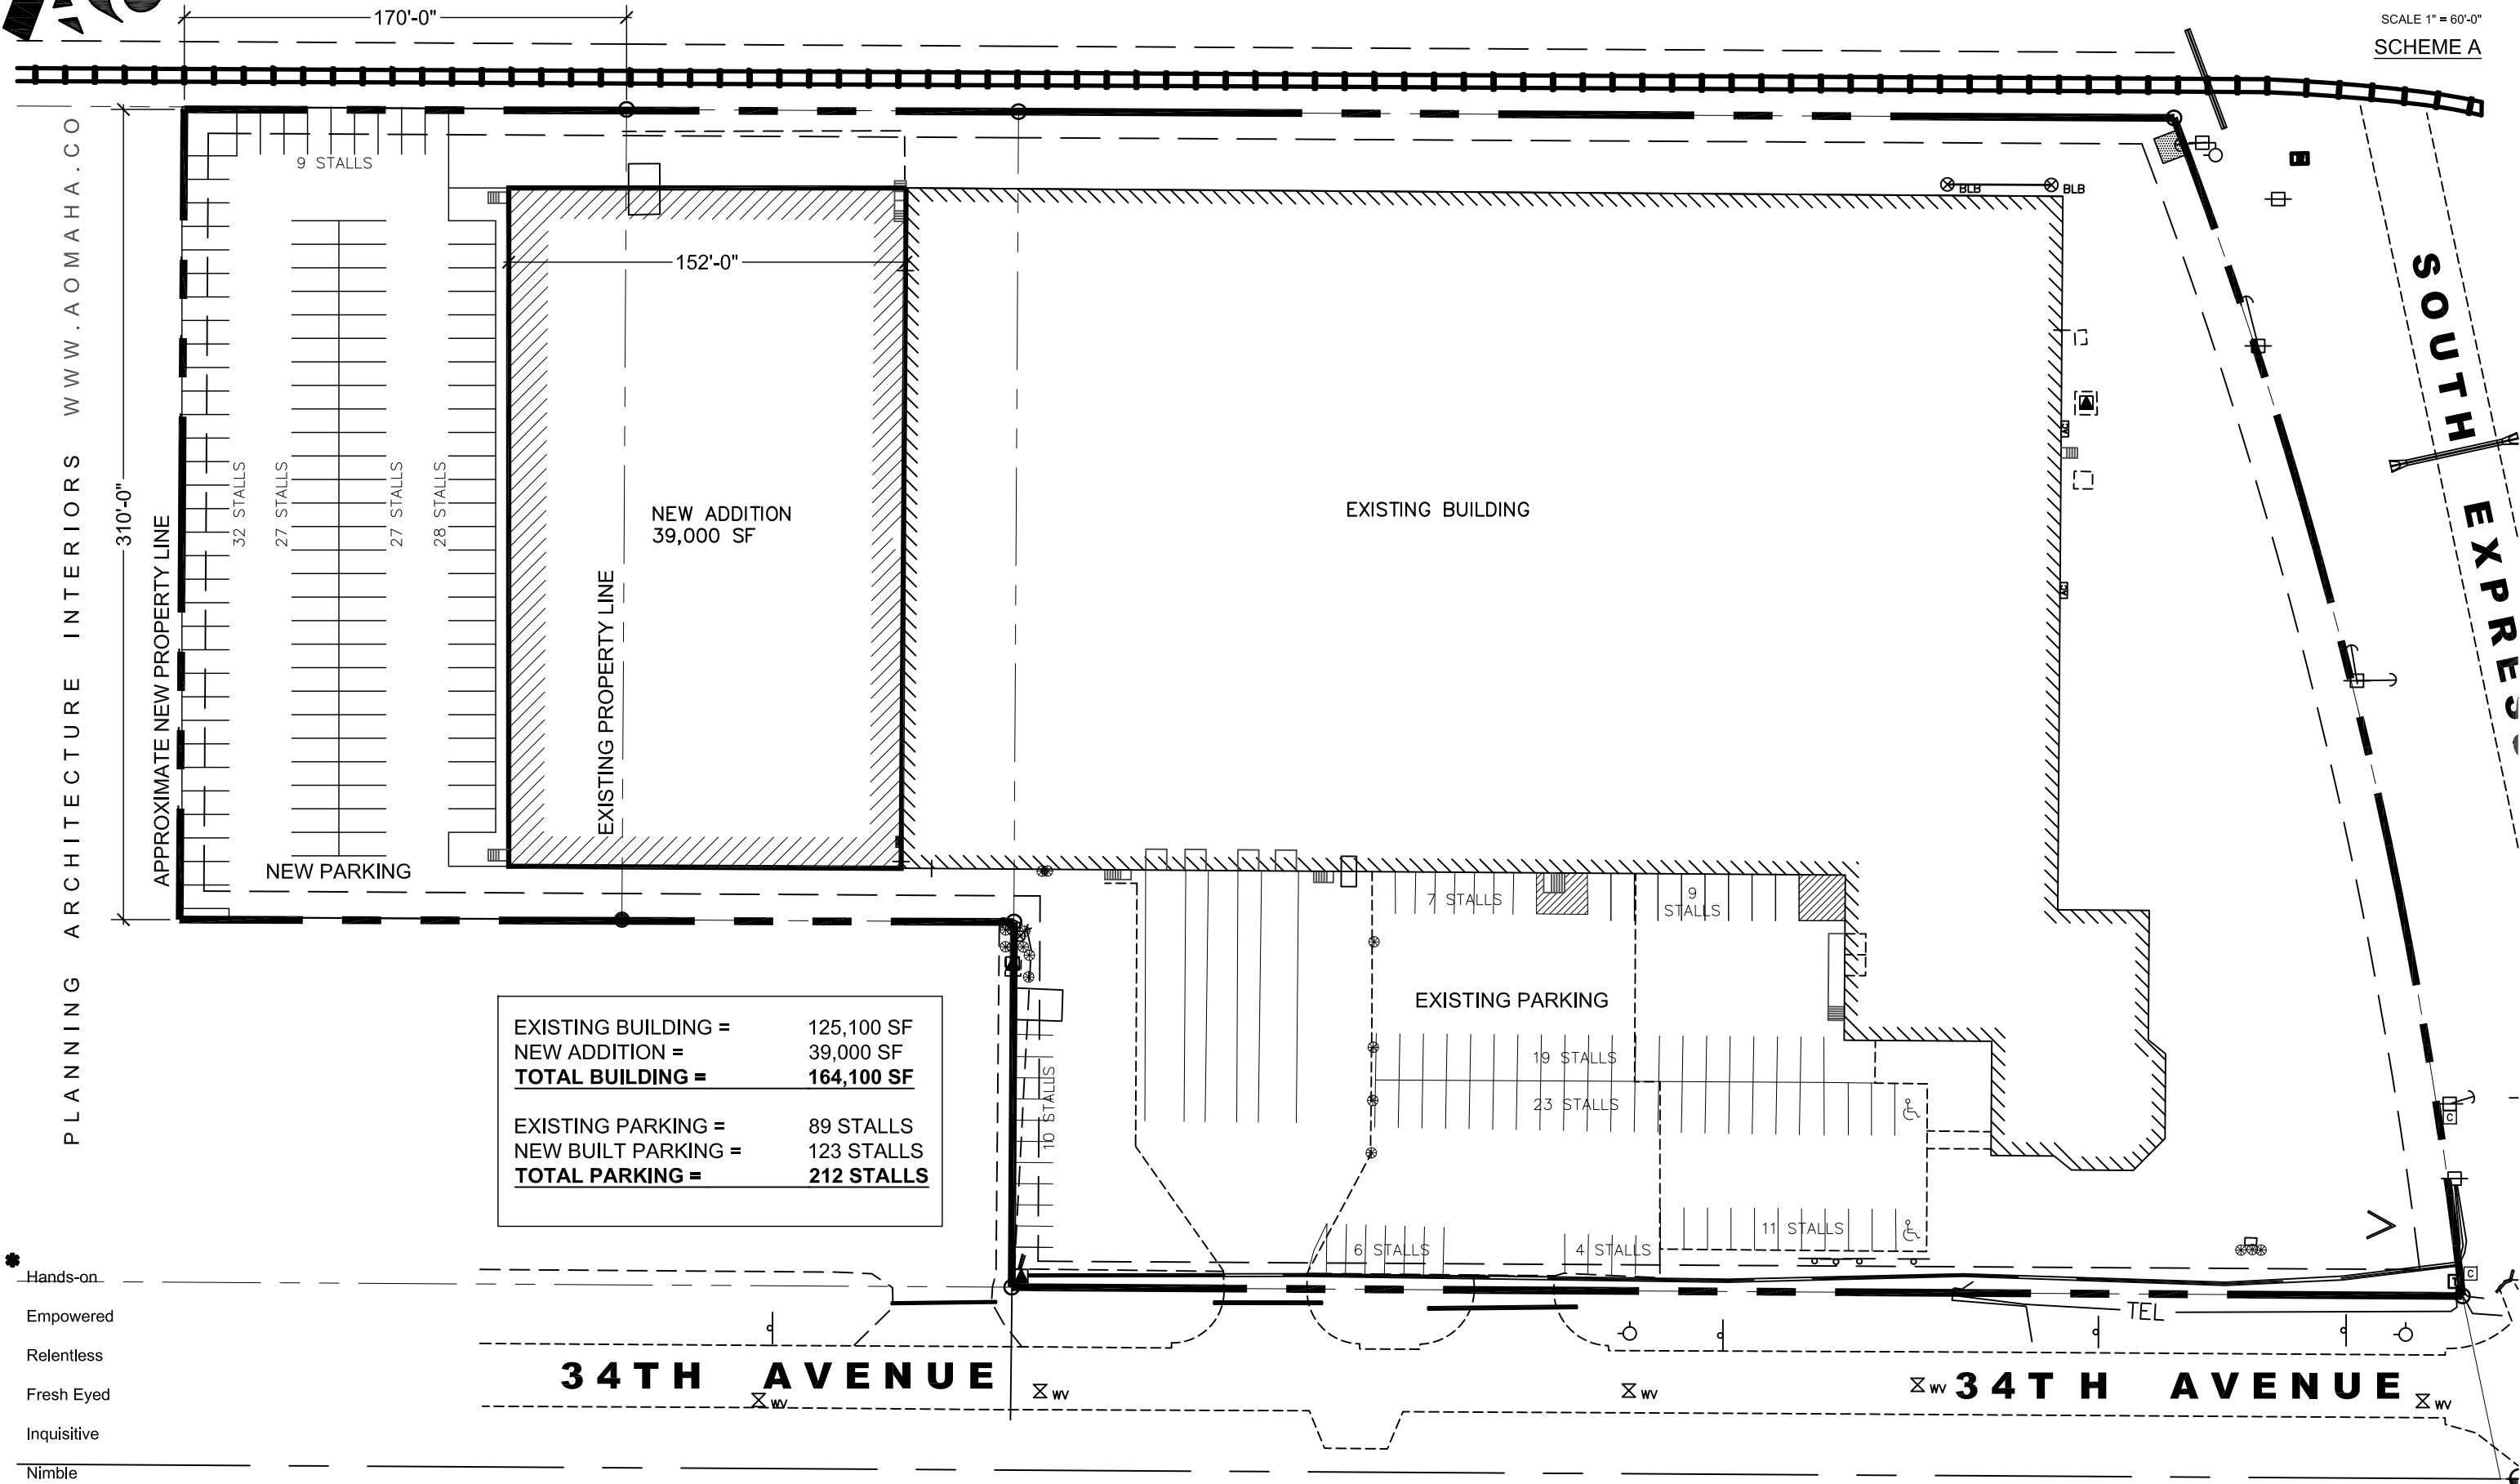

APPLICATION AND REVIEW PROCESS

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.
2. The applicant completes the required forms and submits them along with all required data by February 1st to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time

required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the Iowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.

4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1st as required by Chapter 404 of the Iowa Code.

RESOLUTION NO. 21-312

A RESOLUTION APPROVING THE URBAN REVITALIZATION PLAN FOR THE AMERICAN GAMES URBAN REVITALIZATION AREA.

WHEREAS, the City of Council Bluffs has the authority under Chapter 404 of the Iowa Code to declare an area to be an urban revitalization area; and

WHEREAS, on September 27, 2021, the City Council adopted Resolution 21-273, which directed staff to prepare a plan for the American Games Urban Revitalization Area and set a public hearing for November 8, 2021; and

WHEREAS, on October 12, 2021, the City Planning Commission reviewed the American Games Urban Revitalization Plan and found it consistent with the goals and objectives of the City's *Bluffs Tomorrow: 2030 Plan*, which is the general plan for the development of the City of Council Bluffs; and

WHEREAS, the current property is appropriate as an economic development area as defined in section 403.17; and

WHEREAS, after careful study and consideration, this City Council finds that the development of the area is necessary in the interest of the public health, safety and/or welfare of the residents of the City.

**NOW, THEREFORE BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the City Council hereby approves the American Games Urban Revitalization Plan.

Subject/Title		
Establishment of the American Games Urban Revitalization Area at 504 34 th Avenue.		
Background/Discussion		
<p><u>Background</u></p> <p>Chapter 404 of the Iowa Code authorizes a City to designate an area as an urban revitalization area. Improvements to qualified real estate within designated areas may then be eligible to receive a total or partial exemption from property taxes for a specified number of years. The exemptions are intended to stimulate private investment by reducing the tax increase that would normally result from making improvements to real estate property.</p> <p>Urban revitalization tax abatement incentives can apply to residential, commercial and industrial development. Both new construction on vacant or unimproved land and rehabilitation of existing structures are eligible for tax abatement.</p> <p>The Community Development Department wishes to create the Urban Revitalization Area consisting of one parcel for the expansion of the existing Pollard Games, Inc. dba American Games and International Gamco facility located at 504 34th Avenue. Final plat approval of a new three-lot minor subdivision known as Pollard Games Addition which includes this parcel was approved by City Council on 10/12/2020. The Pollard Games Addition final plat was recorded on 8/27/2021. The new tax parcel information is pending an update from the Pottawattamie County Assessor.</p> <p>Staff has prepared an Urban Revitalization Plan in accordance with Section 404.2 of the Iowa Code and has scheduled the matter for City Council consideration. The American Games Urban Revitalization Area will consist of approximately 7.6 acres.</p> <p><u>Discussion</u></p> <p>Iowa Code permits the City to establish urban revitalization areas which satisfy one of the five conditions outlined in Section 404.1. Staff believes this project meets the criteria under 404.1.4. Section 404.1.4 discusses an area which is appropriate as an economic development area as defined in section 403.17. Section 403.17 states an economic development area means an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises.</p> <p>On September 27, 2021, City Council approved Resolution 21-273, which directed staff to initiate the process of creating the American Games Urban Revitalization Plan and Area. This resolution set November 8, 2021 as the date of the public hearing.</p> <p>This matter was brought before the City Planning Commission at their October 12, 2021 meeting. The Commission found the following: 1) That the proposed American Games Urban Revitalization Plan furthers the goals of the City's <i>Bluffs Tomorrow: 2030 Plan</i>, which is the general plan for the development of the City of Council Bluffs; and 2) That the American Games</p>		

Council Communication

Urban Revitalization Area is an area appropriate for urban revitalization as specified in Section 404.1.4 which discusses areas that are appropriate for economic development as defined by Section 403.17.

Property owners were notified and no written correspondence was received by the Community Development Department either in support or against the proposed plan. Concurrent with the adoption of an urban revitalization plan, an ordinance establishing the urban revitalization area can be considered. Upon adoption of the area and approval of an ordinance, the City is permitted to grant tax abatement to qualified projects.

Staff Recommendation

The Community Development Department recommends approval of the American Games Urban Revitalization Plan and Area and 1st consideration of the ordinance.

Planning Commission Public Hearing

INTRODUCTION

The Urban Revitalization Act empowers a municipality to designate an area appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.

The City of Council Bluffs wishes to utilize property tax abatement incentives under the Urban Revitalization act to facilitate the renovation or construction of new commercial structures resulting in additional employment in the community. The preparation and subsequent adoption of an Urban Revitalization Plan is required by the Iowa Code prior to the provision of property tax abatement.

Section 404.1 of the Iowa Code stipulates that the Council may, by ordinance, designate an area of the City as the revitalization area, if that area is classified as any of the following:

1. An area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, obsolescence, inadequate provision for ventilation, light, air, sanitation, or open spaces, high density of population and overcrowding, the existence of conditions which endanger life or property by fire and other causes or a combination of such factors, is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency or crime and which is detrimental to the public health, safety or welfare.
2. An area which by reason of the presence of a substantial number of deteriorated or deteriorating structures, predominance of defective or inadequate street layout, incompatible land use relationships, faulty lot layout in relation to size, adequacy, accessibility or usefulness, unsanitary or unsafe conditions, deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the actual value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or a combination of such factors, substantially impairs or arrests the sound growth of a municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety or welfare in its present condition and use.
3. An area in which there is a predominance of buildings or improvements which by reason of age, history, architecture or significance should be preserved or restored to productive use.
4. An area which is appropriate as an economic development area as defined in Section 403.17(10) of the Iowa Code which states “an area of a municipality designated by the local governing body as appropriate for commercial and industrial enterprises, public improvements related to housing and residential development, or construction of housing and residential development for low and moderate income families, including single or multifamily housing.”

5. An area designated as appropriate for public improvements related to housing and residential development, or construction of housing and residential development, including single or multifamily housing.

The City of Council Bluffs concluded that the American Games Urban Revitalization Area meets the criteria of element 4. Consequently, on 9/27/2021, the City Council adopted Resolution No. 21-273, which directed staff to prepare a plan for the proposed revitalization area. Illustration 1 is the City Council Resolution.

Illustration 1 – Resolution

RESOLUTION NO. 21-273

A RESOLUTION OF NECESSITY AND INTENT TO ESTABLISH THE AMERICAN GAMES URBAN REVITALIZATION AREA LEGALLY DESCRIBED AS LOT 3, POLLARD GAMES ADDITION.

WHEREAS, the subject area is an appropriate area as defined in Sections 404.1.4 of the Iowa Code; and

WHEREAS, a proposal has been submitted for the expansion of existing commercial structures; and

WHEREAS, a plan for the area must be developed in accordance with Section 404.2 of the Iowa Code; and

WHEREAS, thirty days notice of public hearing is required to be sent to all property owners and occupants within the area; and

WHEREAS, notice of public hearing is also required in accordance with Section 362.3 of the Iowa Code.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the development of the area is necessary in the interest of the City and the area substantially meets the criteria of Section 404.1.4.

BE IT FURTHER RESOLVED

That the City Council directs staff to prepare a final plan pursuant to Section 404.2 of the Iowa Code by no later than October 8, 2021.

BE IT FURTHER RESOLVED

That the City Council directs the City Clerk to set this matter for public hearing on November 8, 2021.

**ADOPTED
AND
APPROVED:** September 27, 2021

LEGAL DESCRIPTION

The American Games Urban Revitalization Area is a tract of land containing one parcel legally described as: Lot 3, Pollard Games Addition.

Illustration 2 shows the location and the boundary of the American Games Urban Revitalization Area, which is approximately 7.6 acres.

American Games Urban Revitalization Area Illustration 2 – Boundary

PROPERTY OWNERS AND ASSESSED VALUATIONS

The American Games Urban Revitalization Area will be comprised of approximately 7.6 acres on one parcel of land owned by Pollard Realty (U S) LTD. Pollard Realty seeks to expand the manufacturing and warehouse facility for American Games.

Valuation was obtained from the records of the Pottawattamie County Assessor.

Parcel Number	Zoning	Permanent Property Address	Owner Mailing Address	Land Valuation	Building Valuation	Parcel Total Valuation
Pending	I-2/General Industrial District	Pollard Realty (U S) LTD 504 34th Ave Council Bluffs, IA 51501	Pollard Realty (U S) LTD 504 34th Ave Council Bluffs, IA 51501	Pending	Pending	Pending

EXISTING ZONING AND PROPOSED LAND USE

The American Games Urban Revitalization Area is currently zoned I-2. The I-2/General Industrial District is intended to provide for the development of general manufacturing and industrial areas. This district is designed to accommodate industrial uses with moderate external effects. The current and proposed principal uses of the American Games Urban Revitalization Area are manufacturing and warehousing and distribution, which are permitted uses in an I-2/General Industrial District.

Surrounding properties to the north, south, and west are also zoned I-2. Properties east of the subject property (across South Expressway) are zoned C-2/Commercial District and P-C/Planned Commercial District. Illustration 3 depicts the existing on-site and surrounding zoning.

Existing land uses in the general vicinity include: automobile sales and rental, a hotel, and commercial storage to the north; automobile sales to the west; and warehousing and automobile sales to the south. To the east across South Expressway are a bank and retail shopping establishments.

The future land use plan of the Bluffs Tomorrow: 2030 Plan designates the current parcel addressed as 504 34th Avenue as "Local Commercial" and the remainder of the area as "Light Industrial." According to the plan, local commercial areas include uses oriented primarily towards goods and services that meet the demand of Council Bluffs residents. These include grocery stores, convenience stores, pharmacies, banks, auto services, and small offices. They are typically located along visible corridors or at neighborhood centers, and may be configured as multi-tenant shopping centers or individual developments on smaller lots. Light industrial development includes those areas used for industrial purposes that create minimal impacts on surrounding uses. Activities tend to occur inside structures, with outdoor areas limited to storage or distribution.

Final plat approval of a three-lot minor subdivision to be known as Pollard Games Addition which includes this parcel was approved by City Council on 10/12/2020. The proposed subdivision is consistent with the Bluffs Tomorrow: 2030 Plan (comprehensive plan) as well as the purpose and intent of the Council Bluffs Subdivision and Zoning Ordinances. The Pollard Games Addition final plat was recorded on 8/27/2021 in Book 2021, Page 13933.

With the purchase of land from an adjacent property owner, Pollard Games will complete a 40,000 SF expansion to their existing American Games facility at 504 34th Avenue.

American Games Urban Revitalization Area
Illustration 3 – Zoning

PROPOSALS FOR IMPROVING OR EXPANDING CITY SERVICES

The proposed American Games Urban Revitalization Area is currently served with all municipal services (sanitary sewer, water and storm sewer) and can be accessed by a dedicated roadway. Electricity and gas service are also available to the project. The project is located along South 34th Avenue, which is adequate to handle the additional traffic generated by this proposed project.

RELOCATION PROVISIONS

The proposed American Games Urban Revitalization Area has one commercial entity operated by the current owner at the 504 34th Avenue location. There are no other tenants at the location; therefore, the City will not displace any residential or non-residential tenants as a result of proposed improvements in the urban revitalization area.

OTHER PUBLIC ASSISTANCE

The developer is requesting property tax exemption. Tax abatement will be used as the local match required for the Targeted Jobs Withholding Tax Credit. The developer has not requested any additional public assistance.

APPLICABILITY AND TAX EXEMPTION SCHEDULE

1. Eligibility – The American Games Urban Revitalization Plan will apply to commercial and industrial land uses.

Both new construction and rehabilitation of existing structures will be eligible for tax abatement under the plan. Rehabilitation may include renovation of a structure to bring it to code standards, remodeling and expansion.

2. Term - The term of this Plan shall be until December 31, 2041 or amended by City Council.

3. Commercial and Industrial

Ten Year - All eligible commercial and industrial real estate is eligible to receive a partial exemption from taxation on the actual value added by the improvements. The exemption is for a period of ten years. The amount of the partial exemption is equal to a percent of the actual value added by the improvements, determined as follows:

- a. For the first year, eighty percent.
- b. For the second year, seventy percent.
- c. For the third year, sixty percent.
- d. For the fourth year, fifty percent.
- e. For the fifth year, forty percent.
- f. For the sixth year, forty percent.
- g. For the seventh year, thirty percent.

- h. For the eighth year, thirty percent.
- i. For the ninth year, twenty percent.
- j. For the tenth year, twenty percent.

-OR-

Three Year - All eligible commercial and industrial real estate is eligible to receive a one hundred percent exemption from taxation on the actual value added by the improvements. The exemption is for a period of three years.

4. Improvements - Improvements shall include commercial and industrial rehabilitation and additions to existing structures as well as new construction on vacant land or on land with existing structures. In addition, all improvements must result in the following increases in value:

- For non-residential property, improvements must increase the actual value of the structure by at least 15%. If more than one building is located on the property, the 15% increase requirement applies only to the structure or structures upon which the improvements were made.
- If no structures were located on the property prior to the improvements, any improvements may qualify.

5. Actual Value - Actual value added by the improvements means the actual value added as of the first year for which the exemption was received. However, if such construction was begun one year prior to the adoption by the City of a Plan of Urban Revitalization pursuant to Chapter 404 of the Iowa Code, the value added by such construction, shall not constitute an increase in value for purposes of qualifying for the exemptions listed in this section.

APPLICATION AND REVIEW PROCESS

Upon completion of all improvements made within the assessment year for which the exemption is first claimed, the owner shall use the following procedure to secure the tax exemption.

1. The applicant requests a conference with the Community Development Department to discuss applicability of the request to established policy and review the application process.
2. The applicant completes the required forms and submits them along with all required data by February 1st to the Community Development Department. As part of the acceptance procedure, the Community Development Department shall review the submission for completeness. If there is a deficiency, the Department shall notify the applicant within seven (7) days.
3. The Department shall review the application according to the following criteria: 1) conformance with the Urban Revitalization Plan; 2) a finding that the site is within a designated area; 3) a finding that the work has been completed within the time

required to qualify for abatement in the assessment year; 4) a finding that the application is consistent with Chapter 404 of the Iowa Code; and 5) a finding that the application is consistent with all applicable city codes and ordinances.

4. Upon review of the application, the Community Development Department will prepare a recommendation and schedule the proposal for City Council consideration.
5. By resolution, the City Council will accept the application and improvements as consistent with the intent of this plan and state law.
6. The City Council will then direct the Community Development Department to transmit a copy of the case file to the Assessor's Office by March 1st as required by Chapter 404 of the Iowa Code.

ORDINANCE NO. 6476

AN ORDINANCE ESTABLISHING THE AMERICAN GAMES URBAN REVITALIZATION AREA WITHIN THE CITY OF COUNCIL BLUFFS.

WHEREAS, the City of Council Bluffs has the authority under Chapter 404 of the Code of Iowa to declare an area as an urban revitalization area to be known as the “American Games Urban Revitalization Area;” and

WHEREAS, the City of Council Bluffs is contemplating exercising said authority by designating an area legally described as Lot 3, Pollard Games Addition, City of Council Bluffs, Pottawattamie County, Iowa, as an urban revitalization area, thus allowing tax abatement for qualified projects; and

WHEREAS, this City Council of the City of Council Bluffs, Iowa, finds that the subject area is appropriate as an urban revitalization area as outlined in Sections 404.1(4) of the Iowa Code; and

WHEREAS, on September 27, 2021, the City Council passed a Resolution of Necessity and Intent to establish an urban revitalization area for the American Games Urban Revitalization Area, directing staff to prepare the required revitalization plan and a public hearing was set for November 8, 2021; and

WHEREAS, the Revitalization Plan has been written and packaged, notification sent to all the property owners and tenants affected and published notification has appeared in the daily newspaper; and

WHEREAS, at its October 12, 2021 meeting, the City Planning Commission reviewed the plan for the American Games Urban Revitalization Area and has forwarded its recommendation to this City Council.

**NOW, THEREFORE, BE IT ORDAINED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

SECTION 1. That the urban revitalization plan for the American Games Urban Revitalization Area, known as the "American Games Urban Revitalization Plan," attached hereto and made a part hereof, is hereby approved as to form and content.

SECTION 2. That the proposed American Games Urban Revitalization Area be and the same is hereby approved, pursuant to the proposed plan attached hereto and incorporated herein by this reference.

SECTION 3. EFFECTIVE DATE. That this ordinance shall be in full force and effect from and after its final passage and publication, as by law provided.

FIRST CONSIDERATION: 11/8/2021
SECOND CONSIDERATION: 11/22/2021
THIRD CONSIDERATION: REQUEST TO WAIVE

Council Communication

Department: Parks and Recreation
Case/Project No.: Cochran Park Playground
Upgrade, R22-05
Submitted by: Vincent M Martorello

Resolution 21-313
ITEM 6.A.

Council Action: 11/8/2021

Description
Resolution rejecting the bid for Cochran Park Playground Upgrade, Project 22-5

Background/Discussion
On October 13, a bid was received through the City bidding software, IonWave, from Dostals Construction Co Inc. The substantial completion date in the bid was May 18, 2021 and the contractor indicated in the project schedule the start date for construction to be June 1, 2021 with a completion date of August 31, 2021. Given the significant difference in the project schedule, this bid has been determined to be non-responsive. The project team will assess the project schedule and modify accordingly.

The City Council previously held a public hearing on September 13, 2021 and approved the advertisement of this project recognizing Cochran Park Playground is over twenty year old and the community would benefit from this public improvement. This project has be made possible through the partnership and donation from PowerTech, which is a local company specializing in residential and commercial electrical service, generator sales, service and installation, and facility maintenance.

Recommendation
Approve resolution rejecting the bid for the Cochran Park Playground Upgrade, Project R22-05

COUNCIL COMMUNICATION

Department: Parks and Recreation Ordinance No. _____ First Reading September 13, 2021
Case/Project No.: R22-05 Resolution No. _____
Applicant: Vincent Martorello, Director

SUBJECT/TITLE

Resolution rejecting all bids for the Cochran Park Playground Upgrade, Project R22-05

BACKGROUND/DISCUSSION

- On October 13, a bid was received through the City bidding software, IonWave, from Dostals Construction Co Inc. The substantial completion date in the bid was May 18, 2021 and the contractor indicated in the project schedule the start date to be June 1, 2021.
- This bid has been determined to be non-responsive.
- The project is funded in partnership with POWERTECH, which is a local company specializing in residential and commercial electrical service, generator sales, service and installation, and facility maintenance. The company makes donations to improve the quality of life within the City and this year they have approach the Parks and Recreation Department interested in making a donation that would benefit the youth of the City. After several discussion, the decision to replace a playground became of strong interest.
- POWERTECH has agreed to donate \$200,000 towards the replacement of the playground. This project is part of the FY 22 CIP request and is identified as project PR22-05. The CIP request is for a total project cost of \$400,000 with \$200,000 in General Obligation bonds as match to the donation from POWERTECH. A funding agreement has been drafted that states the donation will be paid in five (5) equal payments of \$40,000 paid to the city each year starting December 1, 2020.
- The completion date in the bid was significantly different than the date indicated by the bidder. The project team will assess the project schedule and modify accordingly.

RECOMMENDATION

Approval of this resolution to reject Dostals Construction Co Inc., and to authorize the project to be re-advertised for

Vincent Martorello, Director

R E S O L U T I O N
NO 21-313

RESOLUTION REJECTING BID
FOR THE COCHRAN PARK PLAYGROUND UPGRADE, PROJECT R22-05

- WHEREAS, the plans, specifications, and form of contract for the Cochran Park Playground Upgrade, Project R22-05 are on file in the office of the City Clerk; and
- WHEREAS, a bid was received through IonWave on October 13, 2021; and
- WHEREAS, it is appropriate to reject the bid and re-advertise for bids.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That the bid received for the Cochran Park Playground Upgrade, Project R-2205 is rejected and the project is hereby authorized for re-advertisement.

Upgrade - Project R22-05
Submitted by: Vincent M Martorello

Resolution 21-314
ITEM 6.B.

Council Action: 11/8/2021

Description
Resolution authorizing staff to rebid the Cochran Park Playground Upgrade, Project R22-05.

Background/Discussion
On November 8, 2021 the Council rejected the bid for the Cochran Park Playground Upgrade, Project R22-05 due to the bid being non-responsive. The bid was considered non-responsive because in the bid the contractor indicated in the project schedule with a start date to occur after the substantial completion date indicated within the bid. The City's substantial completion date was May 18, 2021 and the contractor indicated June 1, 2021 at the project start date.
The Council recognizes this project as a public improvement in the best interest of the community and appreciates the partnership and donation from PowerTech, which a local company is specializing in residential and commercial electrical service, generator sales, service and installation, and facility maintenance. PowerTech has agreed to donate \$200,000 towards the replacement of the playground.
The new playground will have a structure for children ages 2 – 5 and a play structure for children ages 5 – 12, as well as a swing set and shelter. These structures will replace the existing play structure, which is 24 year old.

Recommendation
Approve resolution to reject the bid and authorize staff to re-advertise the bid for Cochran Park Playground Upgrade, R22-05.

RESOLUTION NO. 21-315

A RESOLUTION AUTHORIZING THE CITY CLERK TO CERTIFY ASSESSMENTS AGAINST PROPERTIES TO THE POTTAWATTAMIE COUNTY TREASURER FOR UNREIMBURSED COSTS INCURRED BY THE CITY FOR THE ABATEMENT OF WEEDS AND THE REMOVAL OF SOLID WASTE NUISANCES UPON PROPERTIES AND DIRECTING THEM TO BE COLLECTED IN THE SAME MANNER AS A PROPERTY TAX.

WHEREAS, Council Bluffs' City Ordinance No. 4849, passed and approved by the Council Bluffs City Council on April 15, 1988, requires all property owners within the City of Council Bluffs, Iowa, to cut or destroy all weeds exceeding 18 inches in height; and

WHEREAS, Council Bluffs' City Ordinance No. 5219 and 5220, passed and approved by the Council Bluffs City Council on May 22, 1995, requires all property owners to abate any solid waste nuisance upon public right-of-way of materials stored for more than 24 hours, or materials stored on private property for more than 3 days; and

WHEREAS, all property owners in Council Bluffs were notified of the above requirements by ordinance and failed to abate or remove the nuisances in the allotted time; and

WHEREAS, the City, through its contractors, has attempted to cut or destroy all weeds exceeding 18 inches and/or has removed all solid waste materials in violation; and

WHEREAS, more than ten days have elapsed since the City has billed each property owner by mail for the cost of abatement of weeds or solid waste materials from their properties; and

WHEREAS, the cost of abatement or removal on these properties has been incurred by the City and remains unpaid; and

WHEREAS, the City Council may have these unpaid costs assessed against the properties pursuant to CBMC 4.19.030 and 10.02.070 as authorized by Iowa Code §364.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA**

That the unreimbursed costs incurred by the City for the abatement of weeds and solid waste materials found upon the properties be assessed against said properties; and

BE IT FURTHER RESOLVED

That the City Clerk is hereby authorized, empowered and directed to certify assessments against said properties to the Pottawattamie County Treasurer to be collected in the same manner as a property tax.

Resolution 21-316
ITEM 6.D.

Council Action: 11/8/2021

Description

Resolution accepting the bid of Midwest Mechanical Industrial in the amount of \$361,900.00 for the Southwest Pumping Station Control Replacement and Generator Set Infrastructure project. Project # PW21-14B

Background/Discussion

On July 1, 2021, bids were received through the City bidding software, IonWave, from Judds Bros Construction Co. and Midwest Mechanical Industrial. Both contractors submitted bid bonds with insufficient bid bond amounts, therefore the bids were considered non-responsive. Both bids were rejected and the project was re-advertised for bids.

On August 5, 2021, bids were received through the City bidding software, IonWave, and were significantly higher than the Engineer’s Opinion and the CIP budgeted amount. The scope of the project was reduced in size to fit the CIP budget and it was re-advertised for bids. The 6th Avenue sanitary pump station was eliminated from the project.

On October 21, 2021, bids were received through the City bidding software, Ion Wave, as follows:

	<u>Division I General</u>	<u>Division IV Sanitary Sewer</u>	<u>Division VIII Misc.</u>	<u>Total</u>
Midwest Mechanical Industrial, Logan, IA	\$38,000.00	\$245,000.00	\$78,900.00	\$361,900.00
Engineer’s Estimate (JEO Consulting Group)	\$67,000.00	\$170,129.87	\$78,855.90	\$315,985.77

The Southwest sanitary sewer pump station is one of the largest stations within the City’s sanitary sewer collection system and is critical to providing sewer service for the community.

The station is equipped with outdated equipment installed back in the early 1990’s and requires a new generation of replacement equipment to function correctly with a new Supervisory-Control and Data-Acquisition (SCADA) platform.

The project will improve reliability and allow the station to operate more efficiently.

A pump station rehab project was included in the FY21 CIP with a budget of \$500,000 in sales tax funds. Any additional funding necessary to complete the project will be paid from the Sanitary Sewer Operations budget.

Construction is scheduled to be complete by August 2022.

Recommendation

Approval of this resolution. This project will remove and replace aged controls and systems for more efficient and reliable pump station operations.

**RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK
TO EXECUTE AN AGREEMENT WITH
MIDWEST MECHANICAL INDUSTRIAL FOR THE
SOUTHWEST PUMPING STATION CONTROL
REPLACEMENT AND GENERATOR SET INFRASTRUCTURE
PROJECT #PW21-14B**

WHEREAS, the plans, specifications, and form of contract for the Southwest Pumping Station Control Replacement and Generator Set Infrastructure project are on file in the office of the City Clerk; and

WHEREAS, a Notice of Public Hearing was published, as required by law, and a public hearing was held on May 24, 2021, and the plans, specifications and form of contract were approved; and

WHEREAS, Midwest Mechanical Industrial has submitted a low bid in the amount of \$361,900.00 for this contract.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That the bid of Midwest Mechanical Industrial in the amount of \$361,900.00 is hereby accepted as the lowest and best bid received for said work; and

BE IT FURTHER RESOLVED

That the City Council does hereby award the contract in connection with the Southwest Pumping Station Control Replacement and Generator Set Infrastructure project; and

BE IT FURTHER RESOLVED

That the Mayor and City Clerk are hereby authorized, empowered, and directed to execute an agreement with Midwest Mechanical Industrial for and on behalf of the City of Council Bluffs, upon approval by the City Attorney of the certificate of insurance and payment and performance bonds as required by the contract specifications.

AND BE IT FURTHER RESOLVED

That the aforementioned project is encompassed by the language of the 1989 Local Option Sales Tax Ballot and as such this is an appropriate expenditure of the Local Option Sales Tax Revenues.

Resolution 21-317
ITEM 6.E.

Council Action: 11/8/2021

Description
Resolution abolishing one Street and Sewer Supervisor II position and creating one new Street and Sewer Supervisor position within the Public Works Department.

Background/Discussion
The Street and Sewer Supervisor II responsible for overseeing the Sewer Division recently retired, and after reviewing the job, an adjustment to the position is proposed prior to filling the vacancy.
In the spring of 2021, the leadership positions within the Street Division were updated to create two Street Supervisors to oversee the concrete and asphalt crews. Creating a new Sewer Supervisor position will create uniform levels of supervision within the department and appropriately allocates staff to accomplish the work more effectively.
The new position will be Non-Union Grade 22. The abolished position was a Non-Union Grade 24.
The job description for the Street and Sewer Supervisor position is attached.
The position is funded from the Sewer Fund and with the elimination of the other position, the difference in cost is a savings of approximately \$7,000 annually.

Recommendation
Approval of this resolution. The proposed position change will align supervisor roles across the Operations Divisions within Public Works.

City of Council Bluffs

Job Description

Street & Sewer Supervisor

Department: Public Works
Supervisor: Manager of Streets & Sewers
Location: Public Works Operations
FLSA Status: Non-Exempt
Prepared By: Mallory Davis, Recruiter
Prepared Date: April 2021
Union: Non-Union
Pay Grade: 22

Summary: Under the direction of the Manager of Streets & Sewers, supervises the daily activities of personnel within the Streets & Sewer Divisions of Public Works Operations.

Essential Duties and Responsibilities:

- Plans, directs, and organizes the daily activities of the Streets & Sewer Divisions of Public Works Operations:
 - Plans and schedules the repair and maintenance of City streets, alley, bridges, sewers, street cleaning, or related areas
 - Inspects public areas and provides input on what projects need to be scheduled
 - Reviews daily progress reports from designated crew leaders to ensure projects are being completed on a timely basis and investigates any delays
 - Sets job priorities and time frames for completion with assigned personnel
 - Determines when additional staff and resources are necessary to complete duties in a timely manner and coordinates needs with others
 - Keeps immediate supervisor and designated others fully and accurately informed concerning work progress including present and potential work problems and suggestions for new or improved ways of addressing such problems
 - Provides input and implements maintenance programs, policies, and procedures to meet goals of the division
 - Coordinates division manpower and equipment to provide a comprehensive program for snow and ice removal
- Maintains appropriate records:
 - Assures division compliance with City reporting procedures
 - Maintains records of work rule infraction, employee counseling, and other personnel actions

- Maintains complete records of the maintenance activities of the division including computer data input of maintenance programs for the City's Pavement Management Program
- Maintains records of complaints received concerning operation of the division
- Prepares reports and/or presentations using computer programs such as Microsoft Office Word and PowerPoint and the EAM Asset Management System
- Assists in administering the activities of the Operations Division:
 - Provides recommendations, both orally and in writing, in assigned area of authority and expertise
 - Serve as an active member of departmental and City-wide management staff teams created to deal with specific problem issues
 - Communicates and coordinates regularly with appropriate others to maximize the effectiveness and efficiency of interdepartmental operations and activities
 - Coordinates division activities with other divisions and departments of the City
 - Attends meetings, conferences, workshops, and training sessions and reviews publications and audio-visual materials to become and remain current on the principles, practices, and new developments in assigned work areas
- Deals with the public and other agencies:
 - Handles public complaints and inquiries on an individual basis
 - Serves as liaison to internal and external customers and responds to requests and inquiries concerning programs, policies, procedures, and timelines for construction, maintenance, and repair projects
 - Coordinates activities of the division with other agencies
- Makes budget recommendations and monitors applicable budget
- Regular and predictable attendance is required
- Other duties as assigned

Supervisory Responsibilities:

Directly supervises the employees within Public Works Operations. Carries out supervisory responsibilities in accordance with the organization's policies and applicable laws. Responsibilities include interviewing, hiring, and training employees; planning, assigning, and directing work; appraising performance; rewarding and disciplining employees; addressing complaints and resolving problems.

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Education and/or Experience:

- High School Diploma or General Education Degree (GED)
- Five (5) years' work experience in an area related to street or sewer maintenance
- Two (2) years of supervisory experience
- Any equivalent combination of education and experience which provides the required knowledge, skills, and abilities necessary to perform the work.

Certificates, Licenses, Registrations:

- Valid Class A Commercial Driver's License with Tanker Endorsement

Physical Demands:

- While performing the duties of this job, the employee is frequently required to stand; walk; sit; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl; and see, talk, and hear.
- The employee must be able to occasionally lift and work with up to ninety (90) pounds.
- The employee must be able to frequently lift and work with up to twenty (20) pounds.
- The employee must be able to continuously lift and work with up to ten (10) pounds.
- The employee must be able to work both in and out of doors, in all weather conditions, in high places, in confined spaces, in dusty environments, in high noise levels, and in heavy traffic.

Other Skills and Abilities:

- Considerable knowledge of methods, materials, and techniques used in roadway and/or sewer maintenance
- Demonstrated ability to plan, schedule, assign, and supervise the work of others
- Ability to communicate effectively both orally and in writing
- Ability to maintain effective working relations with supervisors, subordinates, and the general public
- Knowledge and understanding of basic safety principles from the division and Occupational Safety and Health Administration (OSHA)
- Thorough knowledge of traffic hazards and traffic safety principles, practices, and procedures

**RESOLUTION
NO 21-317**

**RESOLUTION ABOLISHING ONE STREET & SEWER SUPERVISOR II
POSITION AND CREATING ONE STREET & SEWER SUPERVISOR POSITION
WITHIN THE PUBLIC WORKS DEPARTMENT**

WHEREAS, Public Works relies on supervisory staff to manage the work in each division within the Department; and

WHEREAS, restructuring the supervisor position for the Sewer Division will create uniform levels of supervision within the department and appropriately allocates staff to accomplish the work more effectively; and

WHEREAS, the new position will be Non-Union Grade 22 to align with other comparable supervisors within the Public Works leadership team; and

WHEREAS, the cost of the new positions will be offset by the elimination of the Supervisor II position.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That 1 FTE position of Street & Sewer Supervisor II shall be abolished effective upon the filling of the new Street & Sewer Supervisor position.

AND BE IT FURTHER RESOLVED

That 1 FTE positions of Street & Sewer Supervisor is created within the Public Works Department.

Resolution 21-318 and 21-319
ITEM 6.F.

Council Action: 11/8/2021

Description

Resolution 21-318, endorsing an application to the Iowa Department of Transportation by the City of Council Bluffs and TSL Company Holdings, Ltd. for grant funding under the Linking Iowa’s Freight Transportation Systems (LIFTS) Program.

Resolution 21-319, authorizing the Mayor to execute the Development Agreement with TSL Company Holdings, Ltd. for the Construction of an Intermodal Container Freight Station in Council Bluffs.

Background/Discussion

TSL Company Holdings Ltd. has purchased 54-acres at 116 N. 29th Street and an existing building at 2427 South Avenue and plans to relocate 38 new full-time positions to Council Bluffs from their Omaha facility.

TSL plans to build an intermodal container freight station that will enhance the Iowa Interstate Railroad intermodal ramp by centralizing intermodal support operations.

TSL has secured \$1,536,000 in funding through the Linking Iowa’s Freight Transportation Systems Program. LIFTS requires administration of the project by a local municipality and IDOT and TSL have requested that the City fill that role.

The City and TSL are also pursuing funding through the Revitalize Iowa’s Sound Economy (RISE) Program and through the Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant. The total project cost is estimated to be \$35,814,000.

When fully operational, the economic activity generated by this project is expected to add approximately \$9.7 million to the local economy each year.

A development agreement between the City of Council Bluffs and TSL will establish the terms of funding and compliance with all program requirements. It is recommended that this agreement be approved with the application endorsement.

Recommendation

Approval of the resolution to support the LIFTS application and for the City to administer the grant project.

Approval of the resolution to authorize the Mayor to execute the development agreement with TSL Company Holdings, Ltd. to establish the terms of funding and compliance with program requirements.

**DEVELOPMENT AGREEMENT BETWEEN THE CITY OF COUNCIL BLUFFS, IOWA
AND
TSL COMPANY HOLDINGS, LTD
FOR THE CONSTRUCTION OF AN INTERMODAL CONTAINER FREIGHT
STATION IN COUNCIL BLUFFS**

THIS DEVELOPMENT AGREEMENT is made on this ____ day of _____, 2021, by and between the CITY OF COUNCIL BLUFFS, IOWA, a municipality (the “City”) and TSL Company Holdings, LTD (TSL) has acquired approximately 54 acres of land in Council Bluffs for the purpose of developing an intermodal container freight station. Intermodal freight is critical to Iowa’s economy, particularly our advanced manufacturing and agricultural industries. Specifically the investment will provide numerous benefits to the state’s transportation infrastructure, especially with the doubling of intermodal storage capacity. Overall, the project will:

- Increase access to foreign markets with expansion of Iowa exports.
- Attract new warehousing and industrial development and spur additional jobs.
- Drive growth in existing industries along the corridors.
- Preserve the infrastructure and conserve fuel.

There are many grants available to assist in both public and private improvements to facilitate this type of development and when appropriate the City of Council Bluffs, Iowa (City) does hereby agree to jointly apply for said grants with TSL under the following terms and conditions;

1. TSL owns properties located at 2427 South Avenue and 116 29th Avenue in Council Bluffs which they have invested over \$5,300,000 in and has committed an additional \$4,922,000 towards this project, if successful in obtaining the grants and other financial assistance outlined below TSL will invest \$23,623,600 in site preparation, machinery and equipment and construction costs to establish an intermodal freight station on their properties creating 38 new full-time positions.
2. City will take the necessary steps to establish an Urban Renewal Area and capture \$1,075,800 from the increase in property values generated by the TSL’s project and rebate that amount to TSL over an agreed to period of time as set forth in the Urban Renewal Plan.
3. City will support TSL’s application for benefits under the Targeted Jobs Withholding program where it is anticipated that TSL would qualify for a tax credit of approximately \$456,000.
4. City will file a joint application with TSL for grant funding under the Linking Iowa’s Freight Transportation System (LIFTS) Program. It is anticipated that this program will provide approximately \$1,536,000 towards TSL’s project.
5. Based upon TSL’s improvements and new job creation City will seek a grant from Revitalize Iowa’s Sound Economy (RISE) Program in the amount of approximately

\$1,600,000 and utilize the grant money to make improvements to South Avenue to accommodate the increase in truck traffic anticipated by TSL's project.

6. City will support TSL's request for a Rebuilding America's Infrastructure with Sustainability and Equity (RAISE) grant in the amount of \$25,000,000.
7. The Targeted Jobs Withholding Program, the LIFTS Program, the RISE Program and the RAISE Program all have certain requirements and standards which must be met and maintained by TSL. If TSL fails to meet and maintain any of these conditions and or standards and their failure results in penalties to the City or a requirement to repay all or a portion of the grants TSL agrees to reimburse the City for such penalties and or refunds and to hold the City harmless.

If there is a dispute between the parties as to whose actions or inactions caused the failure to meet and/or maintain any of these conditions and/or standards, the parties will agree to a non-binding arbitration process to try and resolve the matter. In making this determination, no obligations and/or duties shall be assigned to a party beyond what is set out in this Agreement.

8. TSL agrees to reimburse the City for the cost of any consultants that are hired by the City to assist with the administration of any of the public or private projects contemplated by this Agreement.
9. TSL agrees to participate in any match requirements for the grants.
10. TSL shall reimburse the City for any unfunded project costs.

IN WITNESS WHEREOF, the City has caused this Development Agreement to be duly executed in its name and behalf by its Mayor and its seal to be hereunto duly affixed and attested by its City Clerk and by an authorized representative of TSL Company Holdings, LTD, all on or as of the day first above written.

NO 21-318**

**RESOLUTION ENDORSING AN APPLICATION
TO THE IOWA DEPARTMENT OF TRANSPORTATION
BY THE CITY OF COUNCIL BLUFFS AND TSL COMPANY HOLDINGS, LTD
FOR GRANT FUNDING UNDER THE LINKING IOWA'S FREIGHT
TRANSPORTATION SYSTEMS (LIFTS) PROGRAM**

WHEREAS, TSL Company Holdings Ltd. plans to build an intermodal container freight station that will enhance the Iowa Interstate Railroad intermodal ramp by centralizing intermodal support operations; and

WHEREAS, this project will support the expansion of refrigerated and frozen pork exports and the expansion of agricultural commodities exports (corn, soybeans); and

WHEREAS, TSL Company Holdings Ltd. has purchased 54-acres at 116 N. 29th Street and an existing building at 2427 South Avenue; and

WHEREAS, TSL Company Holdings Ltd. will relocate 38 new full-time positions to Council Bluffs from their Omaha facility; and

WHEREAS, The LIFTS program seeks to address the gaps in multimodal funding to assist in bolstering the freight transportation system. Efficient, diverse, and cost-effective freight transportation is critical to the health of Iowa's businesses, communities, and economy and the TSL container freight station is eligible for assistance from the program.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That the City of Council Bluffs hereby endorses the LIFTS application submitted by TSL Company Holding Ltd. for the container freight station improvements; and

BE IT FURTHER RESOLVED

That the City of Council Bluffs will administer the project in compliance with regulations, statutes, terms and conditions of the LIFTS program.

AND BE IT FURTHER RESOLVED

That the City of Council Bluffs will provide required match funding for the LIFTS program and will ensure that the improvements are adequately maintained after completion of the project.

Resolutions 21-320, 21-321 and 21-322
ITEM 6.G.

Council Action: 11/8/2021

Description
Resolutions 21-320, 21-321 and 21-322 authorizing Interfund Loan approval for FY23 TIF Certifications

Background/Discussion
According to Iowa Code Section 403.19, a city shall certify to the County Auditor on or before December 1, the amount of loans, indebtedness, or bonds which qualify for payment from a Tax Increment Financing (TIF) district for each established urban renewal area. This certification provides for the division of taxes collected attributable to specific projects.

Interfund Loan resolutions included:
Reimbursement from West Broadway TIF for First Ave projects estimated to be \$12,518
Reimbursement from Old Airport (Metro Crossing) TIF for administrative costs of \$5,849
Reimbursement from Playland Park TIF for administrative costs, maintenance costs, and expenditures in the River's Edge Development Project estimated to total \$418,271.

Recommendation
Council approve the above interfund loans for establishment of reimbursement through FY23 TIF certifications.

RESOLUTION NO. 21-320

RESOLUTION AUTHORIZING ADVANCEMENT OF COSTS FOR AN URBAN RENEWAL PROJECT AND CERTIFICATION OF EXPENSES INCURRED BY THE CITY FOR PAYMENT UNDER IOWA CODE SECTION 403.19

WHEREAS, the City of Council Bluffs, Iowa has adopted the Playland Park Urban Renewal Plan, as amended (the "Plan") for the Playland Park Urban Renewal Area (the "Urban Renewal Area") for the purpose of undertaking urban renewal projects, including the project described as project cost- Playland Park, (the "Project") within the Urban Renewal Area; and

WHEREAS, the Project is located in the Urban Renewal Area; is described on page 7 of the Plan Amendment 4; does not exceed the projected Project cost estimate on page 7 of the Plan Amendment 4; and, in the judgment of the Council will further one or more of the objectives of the Plan. Therefore, the Project constitutes a public use and purpose as provided by Iowa Code Chapters 15A and 403; and

WHEREAS, the City intends to advance or has advanced costs from the Capital Fund to pay costs associated with the River's Edge Development Project, and thereafter reimburse said fund with tax increment; and

WHEREAS, before approving an urban renewal project for reimbursement with tax increment, it is necessary to make certain findings under Chapter 403; and

WHEREAS, it is the intention of the City to certify the amount of funds advanced for reimbursement under Iowa Code Section 403.19 before December 1, 2021; and

WHEREAS, the amount of funds advanced or to be advanced for the Project is currently estimated at \$418,271.00.

NOW, THEREFORE, IT IS RESOLVED by the City Council of the City of Council Bluffs, Iowa, as follows:

Section 1. Pursuant to Resolution No.16-147 and TIF Ordinance 5766, there has been established the Playland Park Urban Renewal Area Tax Increment Revenue Fund (the "Tax Increment Fund"), into which all incremental property tax revenues received from the Urban Renewal Area, as amended, are deposited. The Council finds the Project to be an Urban Renewal Project as defined in Iowa Code Chapter 403, and further finds that said Project is included in the Plan for the Urban Renewal Area.

Section 2. It is hereby directed that the total costs for the Project advanced from the Capital Fund in order to pay the costs of the River's Edge Development Project shall be treated

as an internal loan (the "Loan") from the Capital Fund and shall be reimbursed the total actual Project cost from the Tax Increment Fund.

Section 3. All Project costs to be incurred for the Project are approved, to be advanced as described in Section 2. The Project is currently estimated to cost approximately \$418,271.00.

Section 4. Certification for reimbursement under Iowa Code Section 403.19 shall be made by the Council on or before December 1, 2021.

ADOPTED AND APPROVED, this 8th day of November, 2021.

Mayor

RESOLUTION NO. 21-321

RESOLUTION AUTHORIZING ADVANCEMENT OF COSTS FOR AN URBAN RENEWAL PROJECT AND CERTIFICATION OF EXPENSES INCURRED BY THE CITY FOR PAYMENT UNDER IOWA CODE SECTION 403.19

WHEREAS, the City of Council Bluffs, Iowa has adopted the West Broadway Urban Renewal Plan, as amended (the "Plan") for the West Broadway Urban Renewal Area (the "Urban Renewal Area") for the purpose of undertaking urban renewal projects, including the projects described as First Ave Multi-Modal Corridor and First Ave Acquisition/Disposition, (the "Fees and costs") within the Urban Renewal Area; and

WHEREAS, the fees and costs is related to the Urban Renewal Area; is described on 2014 Amendment to the West Broadway Urban Renewal Plan page 4 of the Plan; does not exceed the projected fees and cost estimate on 2014 Amendment to the West Broadway Urban Renewal Plan page 4 of the Plan; and, in the judgment of the Council will further one or more of the objectives of the Plan. Therefore, the costs constitute a public use and purpose as provided by Iowa Code Chapters 15A and 403; and

WHEREAS, the City intends to advance or has advanced costs from the First Avenue Capital Projects Fund to pay costs associated with the fees and costs, and thereafter reimburse said fund with tax increment; and

WHEREAS, before approving an urban renewal project for reimbursement with tax increment, it is necessary to make certain findings under Chapter 403; and

WHEREAS, it is the intention of the City to certify the amount of funds advanced for reimbursement under Iowa Code Section 403.19 before December 1, 2021; and

WHEREAS, the amount of funds advanced or to be advanced for the Project is currently estimated at \$12,518.38.

NOW, THEREFORE, IT IS RESOLVED by the City Council of the City of Council Bluffs, Iowa, as follows:

Section 1. Pursuant to Ordinance No.87-570 and TIF Ordinance 6283, there has been established the West Broadway Urban Renewal Area Tax Increment Revenue Fund (the "Tax Increment Fund"), into which all incremental property tax revenues received from the Urban Renewal Area, as amended, are deposited. The Council finds the Project to be an Urban Renewal Project as defined in Iowa Code Chapter 403, and further finds that said Project is included in the Plan for the Urban Renewal Area.

Section 2. It is hereby directed that the total costs for the Projects advanced from the First Avenue Capital Projects Fund in order to pay the costs of the Projects shall be treated as an internal loan (the "Loan") from the First Avenue Capital Projects Fund and shall be reimbursed the total actual cost from the Tax Increment Fund.

Section 3. All Project costs to be incurred for the Projects are approved, to be advanced as described in Section 2. The Project is currently estimated to cost approximately \$12,518.38.

Section 4. Certification for reimbursement under Iowa Code Section 403.19 shall be made by the Council on or before December 1, 2021.

ADOPTED AND APPROVED, this 8th day of November 2021.

RESOLUTION NO. 21-322

RESOLUTION AUTHORIZING ADVANCEMENT OF COSTS FOR AN
URBAN RENEWAL PROJECT AND CERTIFICATION OF EXPENSES
INCURRED BY THE CITY FOR PAYMENT UNDER IOWA CODE SECTION
403.19

WHEREAS, the City of Council Bluffs, Iowa has adopted the Old Airport Urban Renewal Plan, as amended (the "Plan") for Old Airport Urban Renewal Area (the "Urban Renewal Area") for the purpose of undertaking urban renewal projects, including the administrative cost described as Administrative Costs_Metro Crossing, (the "Cost") within the Urban Renewal Area; and

WHEREAS, the administrative cost spend is related to the Urban Renewal Area; is described on page 17 of the Plan; does not exceed the projected cost estimate on page 17 of the Plan; and, in the judgment of the Council will further one or more of the objectives of the Plan. Therefore, the administrative cost constitute a public use and purpose as provided by Iowa Code Chapters 15A and 403; and

WHEREAS, the City intends to advance or has advanced costs from the General Fund to pay costs associated with the administrative cost, and thereafter reimburse said fund with tax increment; and

WHEREAS, before approving an urban renewal project for reimbursement with tax increment, it is necessary to make certain findings under Chapter 403; and

WHEREAS, it is the intention of the City to certify the amount of funds advanced for reimbursement under Iowa Code Section 403.19 before December 1, 2021; and

WHEREAS, the amount of funds advanced or to be advanced for the Project is currently estimated at \$5,849.35.

NOW, THEREFORE, IT IS RESOLVED by the City Council of the City of Council Bluffs, Iowa, as follows:

Section 1. Pursuant to Adoption Ordinance No.06-57 and TIF Ordinance 5912, there has been established the Old Airport Urban Renewal Area Tax Increment Revenue Fund (the "Tax Increment Fund"), into which all incremental property tax revenues received from the Urban Renewal Area, as amended, are deposited. The Council finds the administrative cost spend to be part of an Urban Renewal Project as defined in Iowa Code Chapter 403, and further finds that said Project is included in the Plan for the Urban Renewal Area.

Section 2. It is hereby directed that the total costs for the administrative cost advanced from the General Fund in order to pay the administrative costs shall be treated as an internal loan (the "Loan") from the General Fund and shall be reimbursed the total actual cost from the Tax Increment Fund.

Section 3. All Project costs to be incurred for the Project are approved, to be advanced as described in Section 2. The Project is currently estimated to cost approximately \$5,849.35.

Section 4. Certification for reimbursement under Iowa Code Section 403.19 shall be made by the Council on or before December 1, 2021.

ADOPTED AND APPROVED, this 8th day of November 2021.

Council Communication

Department: Finance
Case/Project No.:
Submitted by: Finance Department/Kristi Meckna

Resolution 21-323
ITEM 6.H.

Council Action: 11/8/2021

Description
Resolution authorizing for annual certification for Tax Increment Financing Indebtedness.

Background/Discussion
According to Iowa Code Section 403.19, a city shall certify to the County Auditor on or before December 1, the amount of loans, indebtedness, or bonds which qualify for payment from a Tax Increment Financing (TIF) district for each established urban renewal area. This certification provides for the division of taxes collected attributable to specific projects.

The following projects require debt certification on or before December 1, 2021 for the collection of TIF funds in Fiscal Year 2023.

West Broadway-2200 W. Broadway, 2012C Bonds, Urban Renewal (URN) Costs
Original 1983 Mall-149 W. Broadway, 125 W. Broadway, 103 W. Broadway
Metro Crossing-URN Costs
Playland Park-Rivers Edge Development Project, 2010C Bonds, Rivers Edge Parking, Noddle Office Building, Rivers Edge Apartments, Parking Garage Maintenance Costs, Parking Garage CAM Agreement, Urban Renewal (URN) Costs
Marketplace-Legacy CB, Iowa Finance Authority Bonds
Bluffs Northway-Walmart
Franklin Ave-Kingsridge Dr.
Bluffs Vision-MAC Ventures

Recommendation
Council to approve the resolution authorizing grant appropriation, certificate of indebtedness, and direct the filing of certification to the County Auditor.

CODE OF IOWA SECTION 403.19 TAX INCREMENT FINANCING (TIF) INDEBTEDNESS
CERTIFICATION TO COUNTY AUDITOR
Due To County Auditor By December 1 Prior To The Fiscal Year TIF Increment Tax Is Requested
Use One Certification Per Urban Renewal Area

City: Council Bluffs County: Pottawattamie

Urban Renewal Area Name: West Broadway 1987

Urban Renewal Area Number: 78029 (Use five-digit Area Number Assigned by the County Auditor)

I hereby certify to the County Auditor that for the Urban Renewal Area within the City and County named above the City has outstanding loans, advances, indebtedness, or bonds, none of which have been previously certified, in the collective amount shown below, all of which qualify for repayment from the special fund referred to in paragraph 2 of Section 403.19 of the Code of Iowa.

Urban Renewal Area Indebtedness Not Previously Certified*: \$ 64,518

*There must be attached a supporting itemized listing of the dates that individual loans, advances, indebtedness, or bonds were initially approved by the governing body. (Complete and attach 'CITY TIF FORM 1.1'.)

The County Auditor shall provide the available TIF increment tax in subsequent fiscal years without further certification until the above-stated amount of indebtedness is paid to the City. However, for any fiscal year a City may elect to receive less than the available TIF increment tax by certifying the requested amount to the County Auditor on or before the preceding December 1. (File 'CITY TIF FORM 2' with the County Auditor by the preceding December 1 for each of those fiscal years where all of the TIF increment tax is not requested.)

A City reducing certified TIF indebtedness by any reason other than application of TIF increment tax received from the County Treasurer shall certify such reduced amounts to the County Auditor no later than December 1 of the year of occurrence. (File 'CITY TIF FORM 3' with the County Auditor when TIF indebtedness has been reduced by any reason other than application of TIF increment tax received from the County Treasurer.)

City: Council Bluffs County: Pottawattamie

Urban Renewal Area Name: Marketplace

Urban Renewal Area Number: 78045 (Use five-digit Area Number Assigned by the County Auditor)

I hereby certify to the County Auditor that for the Urban Renewal Area within the City and County named above the City has outstanding loans, advances, indebtedness, or bonds, none of which have been previously certified, in the collective amount shown below, all of which qualify for repayment from the special fund referred to in paragraph 2 of Section 403.19 of the Code of Iowa.

Urban Renewal Area Indebtedness Not Previously Certified*: \$ 928,000

*There must be attached a supporting itemized listing of the dates that individual loans, advances, indebtedness, or bonds were initially approved by the governing body. (Complete and attach 'CITY TIF FORM 1.1'.)

The County Auditor shall provide the available TIF increment tax in subsequent fiscal years without further certification until the above-stated amount of indebtedness is paid to the City. However, for any fiscal year a City may elect to receive less than the available TIF increment tax by certifying the requested amount to the County Auditor on or before the preceding December 1. (File 'CITY TIF FORM 2' with the County Auditor by the preceding December 1 for each of those fiscal years where all of the TIF increment tax is not requested.)

A City reducing certified TIF indebtedness by any reason other than application of TIF increment tax received from the County Treasurer shall certify such reduced amounts to the County Auditor no later than December 1 of the year of occurrence. (File 'CITY TIF FORM 3' with the County Auditor when TIF indebtedness has been reduced by any reason other than application of TIF increment tax received from the County Treasurer.)

RESOLUTION NO. 21-323

A Resolution to authorize the Certification of Indebtedness, a reduction in Certification of Indebtedness, and direct the filing of the Tax Increment Financing (TIF) Indebtedness Certification report with the County for West Broadway, Original 1983 Downtown Mall, Metro Crossing, Playland Park, Marketplace, Bluffs Northway, Franklin Avenue, and Bluffs Vision Urban Renewal Areas.

WHEREAS, the City of Council Bluffs has entered into development agreements within MACC, West Broadway, Original 1983 Mall, Metro Crossing, Playland Park, Marketplace, Bluffs Northway, Franklin Avenue, and Bluffs Vision Urban Renewal Districts and;

WHEREAS, West Broadway (2200 W. Broadway-D & D, 2012C Bonds, URN Consulting) Original 1983 Mall (149 W. Broadway-Hughes Iron, 125 W. Broadway-Sawyer Building, 103 W. Broadway-The Rise), Metro Crossing (URN Consulting), Playland Park (2010C Bonds, 100 N. 42nd St-Rivers Edge Parking, 4200 Rivers Edge Pkwy-Noddle Office Building, 4104 Rivers Edge Pkwy-Rivers Edge Apartments, River’s Edge Parking Maintenance, River’s Edge Parking CAM Agreement, URN Consulting), Marketplace (Legacy CB LLC and BOKF), Bluffs Northway (Walmart), Franklin Avenue (McCarthy Construction), Bluffs Vision (MAC Ventures Field House, Hotel, and Retail) for Certification of Indebtedness, and;

WHEREAS, according to Iowa Code Section 403.19, a City shall certify new debt to the County Auditor on or before December 1, the amount of loans, indebtedness, or bonds which qualify for payment from a Tax Increment Financing (TIF) district for each established urban renewal area. This certification provides for the division of taxes collected attributable to specific projects.

WHEREAS, the certification of the aforementioned TIF rebates is in the best interest of the City:

NOW, THEREFORE, BE IT RESOLVED

BY THE CITY COUNCIL

OF THE

CITY OF COUNCIL BLUFFS, IOWA:

That the Finance Director is hereby authorized to appropriate the grant, approve the Certification of Indebtedness, reduction of Certification of Indebtedness, and direct the filing of Certification to the County Auditor for West Broadway, Original 1983 Downtown Mall, Metro Crossing, Playland Park, Marketplace, Bluffs Northway, Franklin Avenue, and Bluffs Vision Urban Renewal Areas.

Director

Resolution 21-324
ITEM 6.I.

Council Action: 11/8/2021

Description
Resolution accepting the bid of Judds Bros. Construction Co. for the N. 28th Street Storm Sewer Rehab, Phase II. Project # PW20-11

Background/Discussion

On October 26, 2021 bids were received through the City bidding software Ion Wave as follows:

	<u>Division I General</u>	<u>Division II Pavement</u>	<u>Division III Storm Sewer</u>	<u>Division V Water Main</u>	<u>Total</u>
Judds Bros. Construction Co. Lincoln, NE	\$415,300.00	\$21,060.00	\$1,383,164.00	\$15,800.00	\$1,835,324.00
Peterson Contractors, Inc. Reinbeck, IA	\$613,103.00	\$29,600.00	\$1,191,266.00	\$25,000.00	\$1,858,969.00
Valley Corporation Valley, NE	\$883,916.01	\$33,667.82	\$1,626,602.23	\$44,353.01	\$2,588,539.07
Engineer's Opinion (HGM)	\$286,215.00	\$21,740.00	\$959,819.00	\$10,000.00	\$1,277,774.00

The drainage basin limits for the N. 28th Street storm sewer are approximately I-29 to Avenue F, and N. 10th Street to N. 33rd Street. This area is roughly 580 acres. The existing storm sewer network in this area was constructed in the 1950's and is undersized causing frequent street flooding. The existing storm sewer interceptors are located along Avenue L, North 24th Street, and Avenue K. In recent years, the unusually high ground water conditions have caused several of the storm interceptors to fail, resulting in costly emergency repairs.

Phase I is complete and included construction of a new 84" storm sewer pipe under I-29. The Phase II project included an engineering study phase to identify and prioritize future projects within the drainage basin. This work is now complete. Phase II construction will connect the existing 84" storm sewer under the interstate to the N. 28th Street storm sewer pump station.

The project was included in the FY20 CIP with \$1,500,000 in GO Bond funding. There are \$209,236 in unused GO Bonds that can be applied to the project budget from PW20-09, E. Manawa Sewer Rehab, Phase VIII. The balance of the project costs will be paid with local option sales tax funds.

The project is scheduled for a construction start in December 2021.

Recommendation
Approval of this resolution. This project will provide connection of a large storm sewer to the pump station, providing future added capacity for the N. 28th Street drainage basin.

**RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK
TO EXECUTE AN AGREEMENT WITH
JUDDS BROS. CONSTRUCTION COMPANY FOR THE
N. 28TH STREET STORM SEWER REHAB, PHASE II
PROJECT #PW20-11**

- WHEREAS, the plans, specifications, and form of contract for the N. 28th Street Storm Sewer Rehab, Phase II are on file in the office of the City Clerk; and
- WHEREAS, a Notice of Public Hearing was published, as required by law, and a public hearing was held on September 27, 2021, and the plans, specifications and form of contract were approved; and
- WHEREAS, Judds Bros. Construction Co. has submitted a low bid in the amount of \$1,835,324.00 for this contract.

NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA

That the bid of Judds Bros. Construction Co. in the amount of \$1,835,324.00 is hereby accepted as the lowest and best bid received for said work; and

BE IT FURTHER RESOLVED

That the City Council does hereby award the contract in connection with the N. 28th Street Storm Sewer Rehab, Phase II; and

BE IT FURTHER RESOLVED

That the Mayor and City Clerk are hereby authorized, empowered, and directed to execute an agreement with Judds Bros. Construction Co. for and on behalf of the City of Council Bluffs, upon approval by the City Attorney of the certificate of insurance and payment and performance bonds as required by the contract specifications.

AND BE IT FURTHER RESOLVED

That the aforementioned project is encompassed by the language of the 1989 Local Option Sales Tax Ballot and as such this is an appropriate expenditure of the Local Option Sales Tax Revenues.

Resolution 21-325	Resolution	11/3/2021

Council Communication

Department: Community Development	Ordinance No.: N/A Resolution No.: 21-	City Council: November 8, 2021
Case/Project No.: N/A		
Subject/Title		
U.S. Environmental Protection Agency (EPA) Brownfields Cleanup Grant Application		
Location		
Single site cleanup for the Reliance Battery Factory site located at 813 22 nd Avenue		
Background/Discussion		
<u>Background</u> The Reliance Battery Factory site encompasses 0.93 acres within the 800 block of 22 nd Avenue. Constructed in 1925, the building was located in an open area without any adjacent property owners. As the city expanded, the area surrounding the property became residential and the battery factory became a legal, nonconforming use within the neighborhood. The site was used for manufacturing, repairing and reconditioning lead acid batteries and remained in operation until Spring 2020. During its operation, the factory was cited several times for lead contamination which resulted in the US Environmental Protection Agency (EPA) completing a soil removal project in 1991 to reduce the lead exposure in the neighborhood. In May 2020, Staff began working with the owner to acquire the property. After extensive testing, it was determined the site was again contaminated with lead with areas up to as much as 30 times standard levels of lead in the soil. Staff determined the best solution for the safety of residents would be to acquire the property, demolish the existing structures and work with EPA to clean up the lead contamination on the site. In October 2020, the City closed on the property as approved in Resolution 20-207. In 2020, staff applied for a FY2021 EPA Brownfield Cleanup Grant; however, the city was not awarded this grant. In Summer of 2021, staff awarded the demolition contract for the structures onsite and expect the demo to be complete by January 2022. Today, staff is requesting to reapply for the Brownfield Cleanup Grant for FY2022 to utilize EPA funding to clean up the lead contamination, if awarded the grant.		
<u>Discussion</u> The EPA has established the Brownfields Cleanup Grant Program and announced funding availability. This Program provides local communities with up to \$500,000 to carry out cleanup activities at brownfields sites with a 20% cost share requirement. There is Community Development Block Grant (CDBG) funding programed to meet this cost share requirement, which has already been allocated. With a long history of manufacturing lead batteries on the site, there is known contamination and presents a health hazard to Council Bluffs residents. These funds will be utilized for demolition, and cleanup of contamination from years of the manufacturing of lead batteries, which will be required for revitalization and redevelopment of the site. The City is eligible with a proven track record of successfully implementing funding under the Brownfields Cleanup Grant Program. Since 2005, the City has received three EPA Brownfield Assessment Grants for a total of \$1.1 million; two Cleanup Grants for a total of \$400,000; and an Area-Wide Planning Grant for \$200,000. An additional Brownfield Assessment Grant was awarded in July 2020 with a start date of October 1, 2020 to assess properties in the South End for potential redevelopment including the former Reliance Battery Factory site.		

Council Communication

An informational public hearing on the Grant will be held to inform adjacent property owners and other interested parties about the EPA Brownfields Program Grant Application and the activities contemplated by the grant if awarded.

Staff Recommendation

The Community Development Department recommends City Council adopt a resolution authorizing the Mayor to submit an US EPA Brownfields Cleanup Grant application.

1. PROJECT AREA DESCRIPTION AND PLANS REVITALIZATION

1.a. Target Area and Brownfields

1.a.i. Background and Description of Target Area: The City of Council Bluffs is a dynamic diverse community of 62,799 people (U.S. Census 2020) strategically located on the Missouri River across from downtown Omaha, NE, in Pottawattamie County, IA. Council Bluffs has had significant links to agricultural, food production, and heavy manufacturing since its incorporation in 1853. In 1867 railroads came and fostered much of the city’s industrial development. The wide availability of access attracted railroad-dependent uses such as foundries, bulk warehousing, general manufactures, grain elevators, rail yards, coal yards, lumber yards, and food processing plants. At the turn of the 20th Century Council Bluffs was a leading industrial city in Iowa. The landscape of the city’s economic engine still includes major industries of railroad and food processing, but overall local business and industry has experienced a significant rate of decline leaving well over 100 abandoned and underutilized brownfield properties scattered through the city and especially within the South Expressway Corridor, the target area. The South Expressway Corridor is protected by a levee to reduce the risk of flooding from the Missouri River. Without the levee, approximately 64% of the incorporated city limits would be at risk of extreme flooding. The target area is Census Tract 308.

The South Expressway Corridor, located in the urban core, is a high priority revitalization area for the city. In the city’s recently updated comprehensive plan, *Bluffs Tomorrow 2030*, the South Expressway Corridor was identified for prime redevelopment based on its proximity to downtown. With the removal of a rail corridor through the South Expressway, traffic conflicts will be greatly reduced allowing for greater access to the area. The Former Reliance Battery Site (the “Site”) for which the Environmental Protection Agency (EPA) Cleanup funding is being requested lies in the heart of the South Expressway Corridor area.

1.a.ii. Description of the Brownfield Site: The Former Reliance Battery Site located at 813 22nd Avenue located in Council Bluffs’ South Expressway Corridor encompasses approximately one half a city block that is approximately one acre in size and is surrounded by single-family residential homes. The Site was used for manufacturing, repairing and reconditioning lead acid batteries from the early 1920’s through 1974. At its height the factory was capable of producing 1,200 batteries per day. In 1974 the business was incorporated as the Reliance Battery Manufacturing Company (RBCM). In February of 1985, the State of Iowa Department of Natural Resources (IDNR) conducted a preliminary assessment and concluded there was potential for soil and groundwater contamination. In May of 1989, an EPA-coordinated site investigation identified soil with elevated concentrations of lead at the Site and adjoining residential properties. The IDNR and EPA efforts are summarized in the table below.

Date	Action
1989-1990	Additional site investigations were conducted, lead in soil was identified at concentrations of 115,000 milligrams per kilogram (mg/kg) at the Site and 2,200 mg/kg on the adjoining residential properties.
September 1990	RBCM excavated soil from the contaminated areas of the Site without notifying EPA. EPA re-sampled and determined concentrations were substantially higher in some areas.
November 1990	An Action of Memorandum selecting excavation areas and an off-site disposal plan for lead contaminated soil at the Site and adjoining properties was signed by EPA.
May 1991	Soil excavation was completed. No further EPA Superfund activities were expected, no further response under CERCLIS was required, and archiving the property was deemed appropriate EPA. Lead at concentrations of 2,400 mg/kg remained in soil at the Site.
March 1992	An EPA report identified lead releases were from baghouse operation, ventilation collection systems, the lead oxide bulk storage tank loading operations, and from fugitive emissions from the plant when doors and windows were left open during manufacturing.

City of Council Bluffs
U.S. EPA Brownfields Cleanup Application

February 1998	IDNR Solid Waste Section responded to the EPA Region 7 Superfund Division’s request for concurrence regarding discontinuing all investigation and/or cleanup activities at the Site and “Archiving” from the active CERCLIS database. The DNR’s opinion was that archiving the RBMC was not appropriate and continued EPA oversight was required given that; RBMC had a history of violations of both environmental and worker safety regulations; continued hazardous material releases had occurred on the Property since the 1991; EPA administrative action, and in April of 1995, an accident occurred at RBMC that resulted in the hospitalization of a worker with a lead blood level of 357 micrograms per deciliter (3.5 times the potential lethal does for lead). Based on the Site history and current operations, some form of continued EPA oversight was requested to prevent future releases.
July 2011	Site was Archived.

A Phase I Environmental Site Assessment (ESA) was conducted on April 27, 2020, as part of the City of Council Bluffs’ due diligence prior taking ownership of the Site. During the Phase I ESA, seven recognized environmental conditions (RECs) were identified, including that the property was utilized as a battery manufacturing facility from circa 1920s through 2019. Three of the identified RECs were associated with the adjacent properties. On August 17th, 18th, and 19th, 2020, thirty-two soil borings were advanced using a Geoprobe® track-mounted rig with a direct push attachment to a depth of five to 10 feet below ground surface (bgs) to evaluate the extent of RCRA metals soil contamination, specifically lead, in surface soil throughout the Site . Additionally, nine temporary monitoring wells were advanced to a maximum depth explored of 20-feet bgs to evaluate soil near the soil and groundwater interface and groundwater conditions at the Site. The results of the sampling are summarized as follows:

- The distribution of concentrations of VOCs, SVOCs and RCRA metals in soil exceeding the Statewide Standard (SWS) have been defined to the Site boundaries. Elevated concentrations of lead and arsenic exceeding the SWSs (400 and 1.9 mg/kg) are confined with surficial, unconsolidated sand, silt, and gravel ubiquitous throughout the Site from the top of the ground surface to two to five feet bgs. Lead concentrations of 1.7 to 30 times higher than the SWS of 400 mg/kg are present at the surface and shallow depths and within proximity to single-family residential dwellings. Up to 7,000 cubic yards (yds^{3fd}) of lead contaminated surficial sediments may be present at the Site.
- Tetrachloroethylene (PCE) chlorinated solvent was identified at soil sample locations SB-5 3-5’ bgs (0.0192 mg/kg); SB-16 10-11’ bgs (0.0178 mg/kg); SB-25 14-15’ (0.0175 mg/kg) near the depth of the soil and groundwater interface zone between 10 and 15 feet bgs.
- The distribution of concentrations of VOCs, SVOCs and RCRA metals in groundwater exceeding the SWS have been defined to the Site boundaries. Dissolved lead was identified at monitoring well location SB-33/TMW-9 on the southwest corner of the building at concentration of 31.7 micrograms per liter (µg/L). The concentration exceeds the SWS for protected groundwater sources (15 µg/L). The remaining constituents were below the SWS or below the laboratory reporting limits.
- One private well listed as the Council Bluffs Community Schools is located within 1,000 feet of the Site.

Based on the findings and conclusions resultant of data collected during the Site Investigation and Characterization Report (SICR), the detected constituents of lead in surface soil presents a risk to human health and the environment. The SICR recommends a remedial action plan (RAP) and Soil Management Plan (SMP) to address environmental liabilities associated with the proposed Site redevelopment as single and/or multi-family residential and to mitigate risk to associated receptors and pathways to human contact (i.e., direct contact and inhalation, ingestion, water main and water service lines, vapor intrusion to sanitary sewers and enclosed space basement receptors). RAP recommendations may include construction of

City of Council Bluffs

U.S. EPA Brownfields Cleanup Application

engineered barriers to prevent contact between humans and impacted soil and groundwater; over-excavation of shallow contaminated soils and disposal to a regulated facility; installation of active and passive vapor mitigation systems; construction of chemical resistant water mains and water service lines servicing the development and established environmental covenant or deed restriction prohibiting the construction of water supply wells on the Property.

1.b. Revitalization of the Target Areas

1.b.i. Reuse Strategy and Alignment with Revitalization Plans: The site now presents an opportunity for the city to cleanup and add much needed affordable housing within the established residential area that lies within the city's urban core. The city recently updated comprehensive plan, *Bluffs Tomorrow 2030*, which had an extensive community engagement process, identified the Former Reliance Battery Factory Site area as a prime location for affordable housing. Specifically, the plan states the following objective: "Minimize the encroachment of impacts from commercial areas, industrial uses, and rail corridors on adjacent neighborhoods through land use planning, screening, and buffering." The cleanup of the Former Reliance Battery Factory Site will meet this objective by cleaning up the Site to residential standards. It will allow for the creation of much needed affordable housing within the urban core and provide land use uniformity as the Former Reliance Battery Factory Site is surrounded by residential development. The *Bluffs Tomorrow 2030* plan has a neighborhoods and housing goal to "Enhance and maintain the city's neighborhoods to provide the housing, character, and supporting amenities to retain and attract residents to Council Bluffs." The proposed single-family or attached two-family development aligns with the *Bluffs Tomorrow 2030* goal while maximizing the number of units on the Site. The redevelopment plan, as determined by the project partners calls for eight to twelve units depending on layout. Fifty-one percent of all the units will be marketed to 80% or below of the median family income providing necessary workforce housing. The development of 8-12 new residential units will provide at least **\$867,600** in new assessed valuation for the neighborhood. With a median price of **\$116** per square foot, a 900 square foot home (comparable to surrounding homes) would bring **\$104,400** in construction costs per unit or **\$835,200 to \$1,252,800 total**.

b.ii. Outcomes and Benefits of Reuse Strategy: The environmental cleanup of the Former Reliance Battery Factory, located adjacent to an opportunity zone, into housing will result in the development of 8 to 12 new residential units. At least 51% (4-7 units) will be sold to LMI households at or below 80% of the median family income providing desperately needed workforce housing. The Council Bluffs Distressed Housing Community Study completed in July 2021, concluded that Council Bluffs needs to stimulate new construction, redevelopment and rehabilitation to meet the needs of current and potential future residents. The Former Reliance Battery Factory development will provide nearly **\$1 million** in new assessed value in an urban neighborhood prime for revitalization. Not only will this clean up the Site and protect surrounding residents, especially the children, from contamination encroachment from the Site, but it will also spur additional investment within the Target Area. This new residential development will result in a high-quality, healthy living environment for residents through the incorporation of green and sustainable building methods/materials. Energy efficiency practices will allow for lower utility costs for residents, as the city encourages the use of energy efficiencies and green development in all redevelopment projects. This redevelopment strategy puts residents near their likely places of employment minimizing transportation as a barrier to elevating quality of life outcomes. Additional green measures such as rain gardens, rain barrels, and native plantings will be incorporated where possible for stormwater management. In addition, this residential development has the ability to attract and sustain much needed workforce in the area. Available affordable housing for workforce remains a monumental impediment to expanded economic development in most Midwest communities, and Council Bluffs is no exception.

1.c. Strategy for Leveraging Resources

City of Council Bluffs

U.S. EPA Brownfields Cleanup Application

1.c.i. Resources Needed for Site Reuse: The City of Council Bluffs has a proven experience with securing funding for successful redevelopment efforts within the Target Area. The South Expressway Corridor is a redevelopment priority for the city and substantial financial and programmatic resources have been and will continue to be allocated to this area. These previous and future resources include both public sector, private sector and foundation funding. Resources secured and committed to the Target Area to date is as follows:

Southwest Expressway Area Local Leverage (Actual Funding Secured)							
Location	CDBG	NSP	Local	Waterworks	IDOT	IDNR	Total
22 nd Ave. & S. 6 th St.: Acquisition & Demo	\$279,217	\$225,000	\$13,205				\$517,422
6 th Street Reconstruction (9 th to 12 th Ave.)			\$875,000				\$875,000
7 th St. fiber optics (10 th to 19 th Ave.)			\$100,000				\$100,000
8 th St. and 12 th Ave. (street, water, sanitary, storm sewer)				\$118,246			\$118,246
Indian Creek Trail (Sunset Park to South Expressway)			\$850,000				\$850,000
Levee Accreditation			\$10,983,751				\$10,983,751
Railroad Track Removal					\$150,000		\$150,000
813 22 nd Ave (site acquisition & ESA)	\$159,220					16,020	\$175,240
813 22 nd Ave (building demolition)	\$89,800						\$89,800
813 22 nd Ave (housing development)	\$340,780						\$340,780
8 th Street from 19 th Ave to 23 rd resurfacing, curb and gutter.			\$250,000				\$250,000

1.c.ii. Use of Existing Infrastructure: The Site is an infill lot that is attractive to developers of the affordable housing due to the existing public and private infrastructure (water, sewer, stormwater, electricity, natural gas, streets) already serving the lot. The exiting utilities will be able to easily handle the demand from the planned housing development (8 to 12 housing units). The new affordable housing development will incorporate green/sustainable building and stormwater management practices into the redevelopment of the Site, where feasible.

2. Community Need and Community Engagement

City of Council Bluffs
U.S. EPA Brownfields Cleanup Application

2.a. Community Need

2.a.i. The Community's Need for Funding: This grant will provide the necessary funding to clean up the Site to residential standards. Council Bluffs has a household income 20% lower than the Omaha Metro and 10% lower than the State of Iowa and with a population under 65,000, faces the task of handling several urban issues (high poverty, lower household income) while grappling with older housing, commercial and industrial building stock. The city also is contending with aging infrastructure and poor aesthetics of commercial and retail areas which further dampens reinvestment. Due to differences in commercial taxes between Iowa and Nebraska and property taxes between the city and Pottawattamie County, new development must be heavily subsidized to attract investment. The Former Reliance Battery Factory Site desperately needs to be cleaned up. The city has already invested \$175,000 for acquisition and environmental site assessments of the Site and has \$325,000 allocated to subsidize the residential development for a total city investment of

\$500,000 but lacks the necessary funds to complete the necessary soil cleanup. The Site currently sits vacant and poses adverse environmental impacts on the surrounding neighborhood reducing property values, and negatively impacting reinvestment, throughout the Target Area. Site redevelopment that is anticipated to bring up to **\$1.2 million in new construction** and nearly **\$1 million in new assessed** neighborhood valuation is key to raising the surrounding property values.

2.a.ii. Threats to Sensitive Populations: (1) Health or Welfare of Sensitive Populations: The identified sensitive populations (children and seniors) within the Target Area (Census Tract 308) make up 57% of the total population. Seniors make up 29% while children make up 28% of the population (2014-2018 American Community Survey 5-Year Estimates). With 17.8% of the population below the poverty level (HUD Community Planning Division Maps), over 10% of households within the Target Area receive food stamp assistance (2018 ACS 5-Year). The Target Area is indicated on the USDA Food Access Research Atlas as low-income census tract where a significant number of residents are one mile from the nearest supermarket. This designation indicates reduced access to fresh and healthy food options for the sensitive populations within the Target Area. Additionally, within Pottawattamie County (lowest level of data available), according to the Iowa Public Health Tracking (IPHT) program, roughly 1% of the 1,042 children screened were confirmed to have an elevated blood lead (EBL) level. Therefore, it is estimated that approximately 10 children are EBL cases within the target area. These children will have to continue to experience a disproportionate share of adverse health and environmental effects if conditions remain unchanged, as children can be exposed to lead in soil by touching, breathing, or playing in lead contaminated soil. The redevelopment of the Former Reliance Battery Factory into affordable housing will create additional housing and job opportunities within the Target Area. This Site will serve as a catalyst for other redevelopment projects within the Target Area.

(2). Greater Than Normal Incidence of Disease and Adverse Health Conditions: The proposed EPA cleanup grant funding will allow the city to remediate this contaminated Site that could be contributing to less healthy conditions within the City of Council Bluffs. According to the County Health Rankings & Roadmap program, Pottawattamie County ranked 88th of Iowa's 99 counties in terms of health outcomes (1 best to 99 worst). The rankings include health factors such as high school graduation rates, obesity, smoking, unemployment, access to healthy foods, the quality of air and water, income inequality, and teen births. Potential exposure to numerous contaminants via direct contact, inhalation of airborne particulates, and vapor intrusion pathways negatively impact area individuals. Several recent health studies indicate exposure to carcinogens in the great Council Bluffs area is higher than other communities and counties in Iowa. A University of Iowa study entitled *2018 Cancer in Iowa* report listed Pottawattamie County as being one of the top eight counties in Iowa for estimated number of deaths attributed to cancer. The National Cancer Institute (NCI) lists Pottawattamie County cancer incidence rates (including all races, all ages, and both sexes) in Iowa from 2012-2016 (<http://statecancerprofiles.cancer.gov>) as 481, which is higher than the U.S. rate of 449 per 100,000. According to the State Health Registry of Iowa, the estimated number of new cancers in

City of Council Bluffs

U.S. EPA Brownfields Cleanup Application

Pottawattamie County in 2018 was 530 and estimated number of cancer deaths in the county was 200. According to the EPA EJSCREEN, the Target Area is in the 71st percentile for cancer risk compared to the rest of Iowa.

(3). Disproportionately Impacted Populations: The Target Area is characterized by a household median income that is over \$12,000 lower than the Nation’s household income. Within the Target Area 23.5% of households are receiving supplemental social security income, public assistance, or food stamps (2014-2018 American Community Survey 5-Year Estimates). As evident by the data, the Target Area has sensitive populations that may be more susceptible to the hazardous contaminants of this brownfields Site. The Target Area population has environmental justice challenges and disproportionately share the negative environmental consequences that include above the 50th percentile in the State for PM 2.5, Ozone, NATA Air Toxics Cancer Risk, NATA Respiratory Hazard Index, Lead Paint Indicator, and Wastewater Discharge Indicator according to the EPA EJScreen Report. This Site is surrounded by residential housing, the cleanup of the Site will allow for land use conformity with the redevelopment of affordable housing. This grant funding critical for the reduction of environmental threats at the Site by facilitating the identification and reduction of threats to the disproportionately impacted populations in the target area.

2.b. Community Engagement

2.b.i Project Involvement: The Council Bluffs City Council approved the EPA cleanup grant application process **(Resolution 21-XXX) at the November 8, 2021, City Council meeting.** Draft versions of the brownfield cleanup grant application and associated Analysis to Brownfield Cleanup Alternatives (ABCA) were available for public comment. The resolution affirms that the well-being of the community is an important part of the upholding the public interest and trust. Project involvement may be provided by a broad and diverse group of entities including but not limited to community organizations, property owners, developers, and the public.

2.b.ii. Project Roles:

Name of Organization/Entity/Group	Point of Contact (name/email/phone)	Specific Involvement in the Project or Assistance Provided
Iowa Department of Natural Resources	Name: Mel Pins Email: Mel.pins@dnr.iowa.gov Phone: 515.725.8344	Provide input on cleanup and additional grant funding for cleanup if necessary
Council Bluffs Community Development	Name: Brandon Garrett Email: bgarrett@councilbluffs-ia.gov Phone: 712.890.5356	Administer CDBG and Home funding and lead public engagement for affordable housing.
Pottawattamie County Public Health Department	Name: Matt Wyant Email: matthew.wyant@pottcounty.ia.gov Phone: 712.328.5792	Assist with answering health related questions regarding contaminants of concern.
Neighbor-Works Home Solutions	Name: Leslie Coleman Email: lcoleman@nwhomesolutions.org Phone: 712.328-6602	The city has a long successful partnership with NeighborWorks in creating quality affordable housing. NeighborWorks is a potential developer for the redevelopment of the Site.
General Public – Target Neighborhood around the Former Reliance Battery Factory		Provide feedback regarding cleanup and redevelopment of the Site.

City of Council Bluffs

U.S. EPA Brownfields Cleanup Application

2.b.iii. Incorporating Community Input: The city recognizes the importance of community involvement activities and the role they play in building social strength and stability. This will be especially true for the neighborhood surrounding the Former Reliance Battery Factory, which is why the city has actively been engaging residents throughout the process. Most recently, on November 8, 2021, the city hosted a public meeting to share and solicit feedback on the draft EPA Cleanup Grant application and the draft ABCA. In addition, the city actively engages community participation and involvement in all phases of the redevelopment within the South Expressway Corridor (target area) area. This was especially true during development of the *Bluffs Tomorrow 2030* Plan. As the cleanup moves forward on the Former Reliance Battery Factory Site information on the project schedule, drafts, and final versions of reports (including cleanup plan and redevelopment plan), options for comment and feedback will be made available on a created Council Bluffs Brownfields website. This website will also inform citizens how the EPA has positively assisted the city with cleaning up and redeveloping this Site. The city will host at least two open house events (in person and/or virtual) to keep interested citizens and neighborhood residents apprised about the project progress and to solicit community input. Input from each open house event will be recorded and incorporated where appropriate. Open house events will be published in the local newspaper and posted on the city’s website including the brownfields website, as well as posted in public buildings such as City Hall, the public library and at the Site. Social media outlets such as Facebook and Twitter will serve as another forum to keep citizens aware of this important endeavor. The city plans to make available material in other languages as necessary for non-English speaking residents. The combination of these community input actions will provide an opportunity to update and engage residents on the progress of the city’s historically successful (i.e., Phoenix Award Winner for International Harvester Loft Cleanup and Redevelopment) and ongoing brownfields program. Is there room to mention the community meetings we hosted for the FY20 Assessment Grant?

3. Task Descriptions, Cost Estimates, and Measuring Progress

3.a. Proposed Cleanup Plan

The Site was found to have high levels of lead contaminated soil. The preferred alternative plan is to excavate 7,000 cubic yards of lead contaminated surface soil and dispose of the contaminated soil at an approved facility offsite. The city will competitively procure the services of a Qualified Environmental Profession (QEP) in accordance with grant requirements to oversee the response actions of this project. The city will require the QEP to be experienced with EPA Brownfields Cleanup projects. In addition, the city will utilize a competitive procurement process to procure the cleanup contractor that will be tasked with the removal of the lead contaminated soil and replacement with clean fill.

3.b. Description of Tasks/Activities and Outputs

3.b.i/3.b.ii./3.b.iii/3.b.iv. Project Implementation/Anticipated Project Schedule/ Task/Activity

Lead/Outputs:

Task 1: Cooperative Agreement Oversight
i. Project Implementation: Cooperative Agreement Oversight will be conducted by the City of Council Bluffs and will include but is not limited to general grant management, QEP procurement and oversight, ensuring reporting requirements are met, budget and invoice reconciliation, ACRES reporting and overall planning and coordination of cleanup activities.
ii. Anticipated Project Schedule: Quarters 1-12
iii. Task/Activity Lead(s): Dessie Redmond with assistance from the QEP

City of Council Bluffs
U.S. EPA Brownfields Cleanup Application

iv. Output(s): <ul style="list-style-type: none"> • Workplan • Quarterly, Annual and Final Document Closeout Reporting • Monthly Funding Draws Prepared/Reconciled and Submitted to EPA • Project Scopes of Work
Task 2: Community Engagement/Outreach
i. Project Implementation: This task includes conducting community engagement activities to inform the public on cleanup plans and implementation while providing opportunities for the community to provide feedback; outreach with the neighborhood; and developing/updating project website and printed materials.
ii. Anticipated Project Schedule: Quarters 1-12
iii. Task/Activity Lead(s): Dessie Redmond and QEP
iv. Output(s): <ul style="list-style-type: none"> • Two Public Meetings • Project Website • Neighborhood Meeting • Print Material
Task 3: Cleanup Planning
i. Cleanup planning will include finalizing the ABCA document, preparing the Quality Assurance Project Plan for confirmation sampling, and negotiating and receiving the necessary regulatory approvals. Cleanup specification documents will be submitted to EPA and/or IDNR for approval prior to obtaining bids from qualified cleanup contractors. Following the acceptance of these documents, the city will initiate a competitive selection process and contract with a qualified cleanup contractor to implement the response activity.
ii. Anticipated Project Schedule: Quarters 2-4
iii. Task/Activity Lead(s): Dessie Redmond and QEP
iv. Output(s): <ul style="list-style-type: none"> • Final ABCA • Quality Assurance Project Plan • NHPA/Section 106 Compliance • Technical Specifications for site cleanup • Remediation Contract
Task 4: Site Cleanup
i. This task includes but is not limited to, correspondence with the QEP and cleanup contractor, providing minimal site prep and providing site security during cleanup.
ii. Anticipated Project Schedule: Quarters 5-8
iii. Task/Activity Lead(s): Dessie Redmond and QEP
iv. Output(s): <ul style="list-style-type: none"> • Site cleaned up • Cleanup monitoring of the Site • Post Soil Removal Action Cleanup Report

3.c. Cost Estimates

3.c.i/ii./iii. Development of Cost Estimates/Application of Cost Estimates/Eligibility of Cost Share Activities:
 The table below shows the budget for the project followed by a description of how costs for each task were developed. The city will provide a cost share of 20% (\$100,000) utilizing CDBG Funds designated for this Site. The city will cover any indirect costs. Cost estimates were developed based on the SICR data.

Budget Categories	Project Tasks				Total
	Task 1 Cooperative Agreement Oversight	Task 2 Community Engagement	Task 3 Cleanup Planning	Task 4 Cleanup	

City of Council Bluffs
U.S. EPA Brownfields Cleanup Application

Direct Costs	Personnel ¹	\$7,500	\$2,500	\$1,900	\$2,000	\$13,900
	Travel ²	\$2,500	\$0	\$0	\$0	\$2,500
	Contractual ³	\$15,000	\$10,000	\$31,600	\$525,650	\$582,250
	Other ⁴	\$250				\$250
Total Direct Costs		\$25,750	\$13,000	\$33,600	\$527,650	\$600,000
Total Indirect Costs		\$0	\$0	\$0	\$0	\$0
Total Federal Funding		\$25,750	\$13,000	\$33,600	\$427,650	\$500,000
Cost Share (20%)		\$0	\$0	\$0	\$100,000	\$100,000
Total Budget		\$25,750	\$13,000	\$33,600	\$527,650	\$600,000

Budget Allocation:

¹Average salaries Director, Manager, & Planner (\$48.04 personnel per hour and \$19.11 per hour for fringe benefits) *208hrs* \$67.16 \$13,900 (round down) ²Travel was based on average costs for five day travel from Council Bluffs to a major metropolitan city for national brownfields conference ((airfare average=\$500) (mileage to airport 26 miles*0.56 per mile=\$15 (round up)) (airport parking 5 days*\$20=\$100) (hotel \$250*5 nights =\$1,250) (meals based on federal per diem rates for a major city (6*\$60=\$360)) and mileage to meetings outside Council Bluffs (490*\$0.56=\$275 (round up)) ³Contractual includes (landfill disposal of 6000 tons at a rate of \$43.50 = \$261,000.00) (Landfill trucking estimated at 280 hours at \$140 per hour = \$39,200) (Clean fill import of 6000 tons at \$20.00 per ton = \$120,000.00) (Clean fill trucking at 280 hours at a rate of \$140 per hour = \$39,200.00) (Equipment rental (backhoe/skid steer/loader and labor estimated to take 100 hours at an hourly rate of \$500 per hour = \$50,000.00) (QEP oversight, cooperative agreement oversight, community engagement and cleanup planning activities estimated at 486 hours at \$150 per hour =\$72,850 (rounded down). ⁴Other-conference registration at \$250. The city will not charge indirect costs.

3.d. Measuring Environment Results: The city of Council Bluffs will develop a detailed workplan for implementing planned outputs under the proposed grant. The workplan will detail key milestones within the grant period documenting and communicating outputs and outcomes to the public, EPA Region 7, and other partners with all progress detailed in quarterly reports and the city’s brownfields website. Prior to the completion of each quarterly, the Brownfields Coordinator will review and evaluate the project progress and take any necessary corrective actions should the schedule fall behind. Corrective actions may include holding weekly meetings/conference calls to all parties working on the grant as they occur. Lastly, the city will utilize the ACRES database to report, document, and track information such as job creation, dollars leveraged, properties cleared for redevelopment, and exposure risks reduced/eliminated. These statistics will also be communicated to the IDNR, project partners, and public.

4. Programmatic Capability and Past Performance

4.a. Programmatic Capability

4.a.i./4.a.ii./4.a.iii. Programmatic Capability/Organizational Structure/Description of Key Staff/ Acquiring Additional Resources: The city has the necessary organizational structure and capacity to successfully administer the grant as demonstrated by the successful implementation of previous brownfield grants. Mr. Brandon Garrett, City of Council Bluffs Community Development Director, Ms. Courtney Harter, City of Council Bluffs Housing and Economic Development Manager, and Ms. Dessie Redmond, City of Council Bluffs Housing & Economic Development Planner will be responsible for management of the grant. This management team is efficient, and their level of expertise, qualifications, and experience will result in timely successful expenditure of funds completing all technical, administrative, and financial grant requirements, as demonstrated previously. Mr. Garret is responsible for the overall administration of the Community Development Department. Ms. Harter is, responsible for administering the city’s EPA Brownfields Program and assisting with the management of the Community Development Block Grant (CDBG) and HOME Programs. Ms. Redmond will be the City’s EPA Brownfields Project Manager and is responsible for program

City of Council Bluffs

U.S. EPA Brownfields Cleanup Application

implementation including the CDBG and HOME programs. The Council Bluffs' Community Development Department has extensive experience in efficiently and effectively managing federal and state grants. This includes \$1,400,000 in U.S. EPA Brownfields Grants and approximately \$2,000,000 annually in CDBG and HOME funds and program income. In recent years, the city has secured funding from the State of Iowa: \$3,000,000 for 125 West Broadway Mixed Use Redevelopment, \$2,500,000 for Gunn Elementary School/Linden Place Apartments, and \$3,500,000 from the Iowa DOT on three infrastructure grants for S. 24th Street reconstruction, River's Edge Infrastructure, and Gifford Road reconstruction. U.S. Department of Housing and Urban Development has awarded \$2,300,000 to the city for programs to protect children and families from lead-based paint and other home health hazards. Finally, this spring the city was awarded a \$300,000 U.S. EPA Brownfields Community-Wide Assessment Grant.

The city will acquire additional technical expertise and resources through the service of a qualified EPA brownfield experienced QEP, subject to a competitive selection process. The QEP will assist with project management, community engagement, cleanup planning, and Site cleanup activities. The city has implemented this resource acquisition process successfully on previous brownfield grant resulting in achievement of all cooperative agreement objectives. The city has a significant history working closely with the executive officer of the Iowa Brownfield Program to provide technical expertise and advise.

4.b. Past Performance and Accomplishments

4.b.i./4.b.i.(1)./4.b.i.(2). Currently Has or Previously Received an EPA Brownfields Grant/Accomplishments/Compliance with Grant Requirements: Council Bluffs has demonstrated a unique ability to quickly return properties to a productive reuse. The EPA has awarded the City of Council Bluffs seven Brownfields Grants totaling \$1.5 million over twelve years and was recognized with a prestigious Phoenix Award for their brownfields-related accomplishments. This includes three Assessment Grants in 2005, 2013, and 2020, single site Cleanup Grants in 2009 and 2011, and a Brownfield Area Wide Planning Grant in 2016. The table provides a summary of Council Bluffs' previous grant accomplishments. The 2020 Assessment Grant began October 1, 2020, and the city is currently on track with meeting the workplan objectives and expending funding by September 30, 2023. City officials are committed to continuing to report future accomplishments in ACRES to the EPA even beyond the grant period to support the EPA Brownfields program. For each of the closed EPA brownfields grants the City of Council Bluffs was compliant with the grant workplan, schedule and terms and conditions, had a history of timely reporting for quarterly reports and other grant deliverables, was up to date with all ACRES reporting and expended funds.

Year & Grant Type	Accomplishment
2013 Community-wide Assessment	The grant was used to conduct 15 Phase I and seven Phase II ESAs within the historically industrial West Broadway Corridor.
2011 Cleanup	Cleanup funding was utilized to cleanup metals, organic contaminants, and other hazardous materials the former 3.8-acre site of the Katelman Foundry Site along 2 nd and 3 rd Avenues and 11 th Street.
2009 Cleanup	Grant funds were used to cleanup polynuclear aromatic hydrocarbons, metals, and volatile organic compounds at the former International Harvester Building-West at 1001 South Sixth Street.
2008 Hazardous Assessment	Funding was used to preform 10 Phase I and six Phase II ESAs in the South Main Target Area.
2008 Petroleum Assessment	Petroleum grant funds were used to conduct Phase I and Phase II ESAs at sites with petroleum contamination.
2005 Hazardous Assessment	Conducted Phase I and Phase II ESAs for sites contaminated with hazardous substances in the South Main Target Area.

RESOLUTION NO. 21-325

RESOLUTION AUTHORIZING THE CITY TO SUBMIT AN U.S. ENVIRONMENTAL PROTECTION AGENCY (EPA) BROWNFIELDS CLEANUP GRANT APPLICATION

WHEREAS, EPA establishes the Brownfields Cleanup Grant Program and has announced funding availability under said Program; and

WHEREAS, the City is an eligible applicant with a proven track record of successfully implementing Funding under said Program; and

WHEREAS, the former Reliance Battery Factory located at 813 22nd Avenue has known contamination and presents a health hazard to Council Bluffs residents; and

WHEREAS, the U.S. EPA Brownfields Cleanup Grant program is a source of funding to cleanup existing contaminants; and

WHEREAS, the City Council has reviewed the request and found it to be in the best interest of the City.

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA:**

Section 1. The City staff and Mayor is hereby authorized to prepare and submit a U.S. EPA Brownfields Cleanup Grant Program application in the amount of \$500,000 to assist with the removal of hazardous conditions at the former Reliance Battery Factory.

Section 2. The City commits \$100,000 in Community Development Block Grant dollars as the required local match.

Section 3. The Council hereby authorizes staff to accept the award if granted and sign necessary agreements to execute an award.

Resolution 21-326
ITEM 6.K.

Council Action: 11/8/2021

Description

Resolution amending the City Personnel Policy by Creating a New Policy No. 215 ‘Residency Requirement’.

Background/Discussion

It was requested that City Personnel develop a policy that requires Directors of Departments/Dept. Heads and the Chief of Staff to reside within the city limits of Council Bluffs. This policy outlines what the city limits are and addresses other issues related to the promotion/transfer of employees and any expenses associated with relocation.

Recommendation

Approval is recommended.

RESIDENCY REQUIREMENT

Council approval: DRAFT

POLICY: 215

Pages: 1

POLICY:

It is the policy of the City to require those employed at a Department Head or Chief of Staff level to reside within Council Bluffs City limits. Violation of this policy shall subject employees to disciplinary action up to and including termination.

APPLICABILITY:

All Department Heads and the Chief of Staff.

DEFINITION:

The term “City limits” as used in this policy means a property within the city limit of Council Bluffs that is subject to city taxation and which establishes the resident as an eligible elector in City elections.

PROCEDURE:

1. All Department Heads, as well as the Chief of Staff, must reside in City limits during the tenure of their employment with the City.
2. Employees hired into a Department Head or Chief of Staff position may have six (6) months from the original hire date to relocate to a residence within City limits.
3. Those hired into a Department Head or Chief of Staff role prior to November 8, 2021, shall not be subject to this policy.
4. If the employee’s appointment to a Department Head or Chief of Staff role is the result of a promotion or transfer, he or she shall not be subject to this policy.
5. Extensions of up to ninety (90) days may be granted with prior approval of a majority of the City Council, but shall not exceed two (2) extensions in total. Requests for extensions must be made no later than thirty (30) days prior to the date the extension is needed.
6. The City shall not be responsible for any relocation benefits and/or expenses.

RESOLUTION NO. 21-326

A RESOLUTION AMENDING THE CITY PERSONNEL POLICY BY CREATING A NEW POLICY NO. 215 “RESIDENCY REQUIREMENT.”

WHEREAS, the City Personnel Policy has been reviewed and it has been determined that these policies should be amended to require all Department Heads, and the Chief of Staff, to reside within the city limits of Council Bluffs, Iowa; and

WHEREAS, This policy is deemed to be in the best interest of the City of Council Bluffs, Iowa

**NOW, THEREFORE, BE IT RESOLVED
BY THE CITY OF COUNCIL
OF THE
CITY OF COUNCIL BLUFFS, IOWA:**

That Personnel Policy No. 215 “Residency Requirement” is hereby created and adopted and the City Personnel Policy will be updated accordingly.
